

15th

Convocation

February 15th, 2020

Estd. 2000

ABES Engineering College

Approved by AICTE, New Delhi & Affiliated to Dr. APJ Abdul Kalam Technical University, U.P., Lucknow
NAAC Accredited & NBA Accredited B.Tech. Programs (CSE, ECE, EN & IT) & ISO 9001:2015 Certified

15th

Convocation

February 15th, 2020

Degrees Conferred by :

Prof. Vinay Kumar Pathak

Hon'ble Vice Chancellor

Dr. A.P.J. Abdul Kalam Technical University, Lucknow, UP

Chief Guest :

Sh. K.D.Bhardwaj

Regional Director & Head

National Productivity Council, Delhi

Estd. 2000

ABES Engineering College, Ghaziabad

NAAC Accredited & NBA Accredited B.Tech. Programs (CSE, ECE, EN & IT)

शपथ

OATH

मैं प्रतिज्ञा करता हूँ कि एक ईमानदार
कर्तव्यनिष्ठ इंजीनियर,
वैज्ञानिक तथा प्रबन्धक के रूप में
अपने कर्तव्यों का
निर्वाह करना मेरा प्रयास होगा।
व्यक्तिगत गरिमा तथा व्यवसाय की
सत्यनिष्ठा को
सदा परिपुष्ट करूँगा।
अपने विज्ञान, प्रबन्धन तथा टेक्नोलॉजी
के ज्ञान को देश एवं
मनुष्यमात्र की सेवा तथा
विश्वविद्यालय की ख्यातिवर्धन
में उपयोग करूँगा।

I hereby pledge that it shall be my
constant endeavor to be
scrupulously honest in the
discharge of my duties as Engineer
Scientist and Manager.
To uphold the dignity of the
individual and the
integrity of the profession.
To utilize my knowledge of
Technology and Science
for the glory of the University and
in the service of the country &
mankind at large.

Vice Chancellor's Profile

Vinay Kumar Pathak had a bright academic career of 26 years as Lecturer, Asstt. Professor, Project Scientist, Professor, Dean at HBTI Kanpur and Vice Chancellor, UOU, Uttarakhand and VMOU, Rajasthan.

Dr. Pathak did his B.Tech. in Computer Science from Harcourt Butler Technological Institute, Kanpur in 1991, M.Tech. from IIT Kharagpur in 1998 and Ph.D. in Computer Science from U.P Technical University, Lucknow under the joint guidance of IIT Kanpur November 2004. Research Interests of Dr. Pathak include Computational Geometry and image Processing. Dr. Pathak has been Instrumental in Implementation of Vedic Mathematics in year 1992. He had worked in Media and successfully did the work of info-sculpture.

He worked with Intel Corp. and established a specialized lab in UP Technical University, Lucknow. As HOD of CSE, he executed several MoUs with Intel, Microsoft and IBM at HBTI for high – tech learning.

Under Dr. Pathak guidance, 8 Ph.D students have been awarded degree and 1 Ph.D student is enrolled. Dr. Pathak has attended many national and international Conference both in the country and abroad including France, Poland, Spain, USA, Portugal, Hungary, Morocco, Korea, China, Macau, Singapore, Egypt etc Several of his papers presented have been published in national and international journals. Dr. Pathak is a Professional Member of Research degree committee in U.P. Technical University, Member of Board of U P Secondary Education, Member Board of studies of UP Technical University and Expert member of NBA of AICTE. Member of NUEPA Council, Member of Board of Management of IGNOU, Chairman, Technical Committee of MP Bhoj Open University, Member of Advisory Committee, Rajiv Gandhi Tribal University Udaipur, & many others.

Chief Guest's Profile

Prof. K.K. Aggarwal obtained his Bachelor of Engineering Degree from Punjab University and Masters Degree from NIT, Kurukshetra.

Later, he did his Ph.D also from NIT, Kurukshetra. After a distinguished service of 27 years at NIT, Kurukshetra, Prof. Aggarwal served as Pro Vice-Chancellor, GJU, Hisar for a period of three years, and then as Founder Vice Chancellor of GGS Indraprastha University, Delhi for a period of 10 years. He has been President of the Institution of Electronics and Telecommunication Engineers (IETE) for the period 2002-2004, President, Computer Society of India from 2007-2009 and President of South East Asia Regional Computer Confederation (SEARCC) from 2008-10. Prof. Aggarwal has published approximately 400 papers in the reputed journals –about 50% of these in international journals. He has been widely consulted by the industry, most-notable being his contribution towards the Reliability Analysis for PSLV (Polar Satellite Launch Vehicle). Prof. Aggarwal was conferred the Honorary Fellowship by Broadcast Society of India. He was decorated with Life Time Achievement Award by IETE and also by Computer Society of India. Prof. Aggarwal has been associated with NBA in various capacities since its inception and was Chairman, EEAC (Tier-II) before taking over as Chairman, NBA on 14th January, 2019.

ABESEC is an epitome of academic heritage believing in “Guru Shishya Parampara”, it is the revered place of learning, nurtures students' overall personality, inculcates moral values to attain academic excellence. We believe in pragmatic, creative and interactive learning approach with emphasis on quality education to budding technocrats and managers.

Vision

To take the ABES Engineering College by the year 2020 to such a level that it is an equal partner of the other leading institutions of the world to provide leadership to the international education system and is rated as one of the top world institutions which produces world-class competent and dedicated technical and managerial human resource embedded in traditional Indian values and positive attitudes.

Mission

- To create an ambiance for healthy teaching-learning process.
- To nurture the students and infuse in them :
 - a passion to excel professionally
 - A spirit to be of utmost use to the industry, corporate sector and the society at large
 - An intense desire to take challenging responsibilities and leadership roles
 - A craving to be wholesome good human beings
- To develop an environment for creating new knowledge through research and by thriving to explore innovative ideas.

Quality Policy

To continuously thrive to provide a congenial and wholesome academic environment and a healthy culture for faculty, staff and students which would motivate teachers' full participation with passion and develop an intense desire in the students to acquire comprehensive education and hence become a useful and confident human resource for the industry and academia.

Courses Offered

Undergraduate Programmes [B.Tech. (4 years full time degree program)]

	First Shift
Civil Engineering	- 120
Computer Science & Engineering	- 180
Computer Engineering & Information Technology	- 60
Electronics & Comm. Engineering	- 180
Electrical & Electronics Engineering	- 120
Information Technology	- 180
Mechanical Engineering	- 180
Computer Science	- 60
Computer Engineering	- 60

Postgraduate Programmes

MCA (3 years full time program)	- 120
MBA (2 years full time program)	- 120
M.Tech. (2 years full time program)	
Computer Science and Engineering	- 18
Electronics and Communication	- 18
Mechanical Engineering	- 18

Director's Report

Hon'ble Vice Chancellor of Dr. A.P.J. Abdul Kalam Technical University, U.P., Lucknow, Prof. Vinay Kumar Pathak, Sh. K.D. Bhardwaj, Regional Director & Head, National Productivity Council, Delhi, President, ABES Engineering College Sh. Neeraj Goel, Vice President Sh. Sachin Goel, Advisor Sh. Raghunandan Kansal, Members of the Board of Governors, Faculty, Staff, Members of Press, Graduating Students, Ladies & Gentleman, it gives me immense pleasure to extend a very warm welcome to all of you on the occasion of 15th Convocation of ABES Engineering College, Ghaziabad.

To all my beloved students, I am elated to see you graduating this year. I convey my heartfelt congratulations to each one of you. I am sure the precious time that you have spent here will go a long way in creating a solid foundation for a brilliant career. You have learnt enough of theory and practice in various Technical and Management facets; but, above all, you have also learnt how to work together while keeping your own identity. This learning will be there with you throughout your life and you will inspire many lives in future. I am also confident that you will always remain connected to your own institution and contribute in building the future of many ABES students. My profound gratitude goes to the parents and guardians too, who have shown immense faith in the choice of students to come to ABES Engineering College. I hope we have been able to meet your expectations. We have brilliantly achieved a remarkable growth that serves as a role model for other institutions, in a short span of 20 years. The concerted and relentless efforts of each stakeholder of ABES Engineering College are great examples of the unity of many in body, one in mind. I would like to specially put on record, that the marvellous, monumental expansion of the ABES students in particular, will surely be remembered as a "Wonderful Story" that will be shared from generation to generation and endure for all time!

Thank you! Thank you so much!

Trail of Triumph...

More than anything else, ABES is one of the pioneering engineering institutes of Ghaziabad, in the state of Uttar Pradesh. The guiding forces of our institution are always, propagation of knowledge, devotion in work and dedication towards learning of science and technology kindling the spirit of "Vigyanam, Yagyam, Tanute". The vision of our institution is to chisel and ignite the young technocrats and budding management graduates into effectual technocrats, software professionals & committed managers. ABES is fulfilling this vision continuously from past 20 years and in the quest, produce abundant finely nurtured and skilled professionals to combat tough challenges in the competitive global arena. These skilful respectable human resources; imbued with ethical, moral and human values are continuously contributing in society and nation building.

Society for Educational Excellence

With a strong vision and a noble belief, Mr. Ved Prakash Goel founded "Society for Educational Excellence" (SEE) in the year 1999 under his chairmanship. The inception of 'SEE' focused on Quality Technical and Professional Education, various Skills Development and Training and creating samaritans for nation building. In the year 2000, this dream was seeded, resulting in establishment of "Academy of Business and Engineering Sciences" (ABES).

ABES Engineering College... A Brand

ABES is a manifestation of academic heritage, with strong belief in the legacy of "Guru-Shishya Parampara". At this temple of learning, we are rooted to our rich tradition and culture and our focus is on human values, academic excellence, enhancing over all personality development, empowering the students with the modern trends of global technical knowledge and professional skills; imbued with the Indian value system. ABES is focused as "student driven" institute of higher learning with a mission to create an ambience for a healthy teaching – learning process, to nurture students, faculty and staff, to instil a passion to excel professionally. A pragmatic, dynamic and creative approach in education has been adopted towards building a pool of robust and highly skilled budding Technocrats and Managers; at par with global standards.

Journey of ABES Engineering College

Mr. Ved Prakash Goel started his journey to establish ABES with a noble mission to provide amalgamated and state of art education to young minds in the field of Engineering & Management Education. Initially, the programs offered by the institution were Bachelor of Technology (B.Tech) in 'Computer Science Engineering', 'Information Technology' and 'Electronics and Communication Engineering' along with the Master degree in Computer Applications (MCA) under the norms of AICTE, New Delhi and UP Technical University, Lucknow, with UPTU Code 032.

Since then, many under graduate and post graduate programs have been added to the Institution like 'Mechanical Engineering' in 2003, 'Master of Business Administration' (MBA) in year 2006, 'Electrical and Electronics Engineering' in 2008, 'Civil Engineering' in 2011, Computer Engineering & Information Technology in 2018, Computer Science in 2019 & Computer Engineering in 2019 and also programs of Master of Technology (M.Tech) in 2010 in the branches of Computer Science Engineering, Electronics and Communication Engineering and Mechanical Engineering. In year 2009, 'Academy of Business and Engineering Science' (ABES) had further branched out another institution with the name of 'ABES Engineering College' with UPTU code 032.

Affiliation and Approval

- Affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow
- Approved by AICTE and Ministry of HRD, New Delhi Accreditation & Ranking

Accreditation & Ranking

- Accredited by National Board of Accreditation, NBA, New Delhi, for CSE, ECE, IT and EN Undergraduate Programs.
- Accredited by National Assessment and Accreditation Council (NAAC) till May, 2021
- Accredited by Tata Consultancy Service and Capgemini India
- NIRF Ranked (151-200) in 2017

Certification

- An ISO: 9001-2015 certified institution by TUV Rheinland

Our Faculty – The Beacons of Hope

For any learning institutes, faculty fraternity is the biggest strength and so is ours. We are proud to have a qualified, experienced, committed and dedicated team of about 242 faculty members having past association with reputed and renowned institutions. Many of them have rich experience of the corporate world as well, which works as a boon for our students. They are the backbone of our academic and research activities and mentoring 4346 students individually. As a result, in the last one year only, students and faculty have published 164 papers in reputed journals such as indexed in SCI and Scopus databases. We have 57 faculty members who have PhD degrees and 101 are pursuing PhD.

The college is also providing financial support to faculty members for becoming members of professional societies and is also motivating students towards adopting a new path of learning through these societies. Currently, we are running Undergraduate Programs in Civil Engineering, Computer Science & Engineering, Computer Science & Information Technology, Electronics and Communications Engineering, Electrical and Electronics Engineering, Information Technology and Mechanical Engineering. Our college also has post graduate programs M.Tech. (Computer Science & Engineering, Electronics and Communications Engineering and Mechanical Engineering), MCA and MBA programs. It has been a legendary trend that our students always remain among the top achievers and position holders in the university examinations in different semesters & streams.

We have a state of art infrastructure with all latest requirements.

Infrastructure

- Built on a sprawling area of 15.78 Acre
- Fully wi-fi campus under surveillance of 500 cameras
- Around 100 fully A/c Classes and Tutorial Rooms, separate A/c rooms for high end Labs, Seminar Halls, Conference Halls, MDP Hall, Centres of Excellence, and Incubation Centres.
- State of art Auditorium with a seating capacity of more than 500
- Stadium with flood lights and well equipped Gymnasium
- Solar plant of 500KW capacity
- Only college in the vicinity of Delhi/NCR having half-Olympic size swimming pool.
- Safe and comfortable hostels
- State-of-art Library with a collection of 8356 titles, 111398 volumes, 26 magazines, 93 Indian and Foreign Journals, 282 e- Journals - Elsevier (Science direct) & Institute of Engineers (India)
- The library operations are automated using Integrated Library Management Software (Libsys7) & digital library

The various pillars of ABESEC that are playing an important role in the holistic development of students towards their future are:

- Academics
- Industrial Consultancy & Entrepreneurship
- Skill Building
- Career Planning

Academics

Academics at ABESEC cater to the diverse needs of learners in terms of their background, abilities and other personal attributes influencing their learning. The college believes in learner centric education through appropriate methodologies including participative learning, experiential learning and collaborative learning, facilitating effective learning. The developments in academic as well as administrative processes, at the college, may be attributed to the impact of technological advancements and innovations in educational transactions that are practiced at various levels. To make the learning more individualized, creative and dynamic, the college has developed a dedicated centre for effective teaching and learning (CETL).

Center of Excellence for Teaching and Learning (CETL)

CETL (Centre of Excellence for teaching and learning) has been established for enhancing the skills of delivery and effective learning. The center is equipped with the latest technology, learning tools and supporting infrastructure, a committed team of subject matter experts adds strength to the center. CETL has started a YouTube channel to showcase the e content developed by faculty members.

YouTube Link

(<https://www.youtube.com/channel/UC2FRToMrgAHFEKkC1gZS2Uw>)

Another great initiative has been taken by CETL in the form of a digital studio for creating high quality video lectures with state of the art recording facility.

Industrial Consultancy & Entrepreneurship

❖ BITS – An innovative approach

The unique initiative 'BITS' (Building Industrial Technical Solution) helps students experience real time commercial projects in mechatronics and firmware areas. These real time commercial projects are made available at institute level by strategic partnership with industries.

These opportunities made available through industry oriented projects are extremely helpful for grooming

students on industrial culture in real time basis. When involved in real time projects, the imminent toiling, the failures and the rising-again cycles and then the taste of ultimate success as a team imbibes an attitude of patience, endurance, hard-work and above all that, an attitude of teams first. This grind will help the budding engineers become team players with practical skills and ability to apply knowledge in combined efforts. All this will remain his virtues for a life time.

Following are the projects taken care of by BITS:

1. We have successfully completed the project of 'Research & Design of Modified Rollers for Glass Doors to Improve The Roller Performance' for Kalco. Kalco Alu System Pvt Ltd. is an organization which came into existence in 1992 and is now an established player in the market as one of the leading sources of Aluminium Doors, Windows, Ventilators, Partitions, Facades (Curtain Wall/ Structural Glazing), ACP applications, and similar other Architectural products.
2. We have designed a 'Mechanical Assistant Arm' specifically for the Honda dealership i.e, Ace Honda for the purpose of assisting mechanics in efficient handling of car wheels. Ace Honda is a unit for Honda which is a State of the Art – Sales & Service Facility.
3. We worked on the project 'Improving the Air Delivery Performance of A Domestic Electric Fan' that is, to improve the flow of air at a given power consumption for Havells. Havells India Limited is a leading Fast Moving Electrical Goods (FMEG) Company and a major power distribution equipment manufacturer with a strong global presence. We took up the challenge and delivered it within 8 months' time.
4. We are working on project 'Designing and Implementation of Automatic coolant filtration and Recirculation system' for Confetti India Pvt Ltd. This organization came into existence since 1998, is manufacturing complete range of paper machine equipments for various applications with distinction.
5. We are working on the 'Designing of Plug in Box Contact Assembly for Bus Bar Trenching' for C&S Electric Ltd. C&S Electric is a manufacturer of electrical equipment & exports to over 85 countries, making it India's largest exporter of industrial electrical products. Design has been partially approved but final refinement is still going on at client's end.

Patents Filed/Under Progress

Our technical solutions have been filed as patents for industries like Shah Multilayer, LGF Sysmac, Ace Honda & Havells. The patent of Havells has been commercialized as well.

MoUs Signed

We have signed MOUs with industries like Intex Technologies, LGF Sysmac India Pvt. Ltd., PVL Tag Factory (India) Pvt. Ltd., Syscom Corporation Pvt. Ltd., Havells India Pvt. Ltd., Naksha Enterprises Pvt. Ltd., Kalco Alu Systems Pvt. Ltd., Confetti India Pvt. Ltd. & Shah Multilayer Pvt. Ltd. with the objective of establishing official partnerships and bridging the gap between industries and academia which is the main aim of BITS.

❖ An IT consulting initiative : DataRitz Technologies

DataRitz Technologies - An IT consulting initiative of ABES Engineering College. It is an ingenious and pioneering initiative of ABES EC to bridge the gap between the IT Industry, Research and Academia. DataRitz Technologies provides a platform where industry, researchers and students can come together and collaborate to create mutual value for global advantage.

DataRitz Technologies is a team of highly motivated engineers, researchers, and problem solvers. We nurture industry ready students, "Employable", with real High Quality Skills which can be productive for the organization from DAY-1. We believe in fostering an environment where Research and Innovation can bloom under the guidance of expert researchers. We also bring the real industry projects, Research and Consultancy, on the Latest Technologies to the campus itself, so that Students can Choose, Enrich and Empower by working on their passions.

Advanced Technology Labs

Under the aegis of DataRitz Technologies, we have created seven Advanced Technology Labs to fulfill the above vision. These labs vow to deliver "Quality Learning" by executing on Global Standards. It plans to create an ecosystem for Enterprise Training Delivery, Innovation & Industry collaboration by providing the optimized solutions.

1. TechQubator Labs – IoT & Embedded Systems
2. TechQubator Labs – Blockchain Technology
3. TechQubator Labs – Data Science & Artificial Intelligence
4. TechNovator Labs – Cyber Security & Networking
5. TechNovator Labs – Cloud Computing
6. TechXplorator Labs – Application Development
7. TechXplorator Labs – Test Automation & Business Process Automation

Achievements

DataRitz Technologies has filed a patent with the title "Device and Method for Detecting Multi-Layer Moisture Content of Soil Using Multi-Layer Soil Moisture Sensor"

DataRitz Technologies has developed and delivered a project for ABES EC for its pre-admission student's registration.

DataRitz Technologies is moving towards many strategic alliances with MNCs and Government Agencies such as NEC Technologies, Konsultera, ICAR and IMD.

More than 120 Students and faculty members are associated with DataRitz Technologies on research based industry projects.

❖ i Nurture Incubation Foundation powered by ABESEC (Registered under section 8 of Companies Act 2013):

About us:

The journey of entrepreneurship at ABES Engineering College, Ghaziabad was started with the support of AICTE, New Delhi in year 2009 by sanctioning Entrepreneurship Development Cell (EDC). It is an initiative to expedite the culture of entrepreneurship amongst the students and faculty members of ABESEC through various programmes and activities.

In year 2014 the EDC was upgraded into Business Incubator (ABESEC Startups Lab) and in year 2019 separate legal entity has formed under section 8 of Companies Act 2013 i.e. "i Nurture Incubation Foundation".

A dedicated state-of-art space of around 16000 sq. ft. area with incubation facilities like co-working space, high-end internet connection, conference/meeting room, workshop, computer lab etc. The experienced and knowledgeable mentors' pool connected with incubation centre provides support to students in its entrepreneurial journey.

Focus Areas:

- Agriculture
- Environment & Technology
- Digital payment
- Education
- Emerging Areas

7 startups are operational in incubation and 3 startups are graduated in 2019.

Achievements & Recognitions:

1. Support of Rs. 1.70 Cr. has been sanctioned under TIDE 2.0 scheme by MietY, Govt. of India for incubation center in G3 category. ABESEC is only institute in the state who received this recognition. To develop "Deep tech" startups under the scheme, SIIC-IIT Kanpur is become our mentor. The institute is also re-recognised by MSME, Govt. of India for incubation support.

2. Our startup Edu firm has received the angel investment of Rs. 5.00 lacs for operational expenses and nominated under 500 Startups in India by BENCHMARK TRUST.

3. Mr. Mahendra Gupta, Head, Business Incubator has received Best Project Award at IIM, Lucknow in a recently conducted startup event supported by TEQIP-III, AKTU.

3.1 Under DST-NIMAT Project 23 enterprises have been developed outside the campus, which generated nearly 100 direct employments in past two years and for year 2019-20 the institute has received grant of Rs. 15.20 lacs.

3.2 11 outreach centers in Tier-II and Tier-III districts of Uttar Pradesh are developed to flourish entrepreneurship culture at grass root level.

Skills Building

We believe that at the onset the new era of globalization, Indian economy has opened up to the outside world. The competition among industries has become stiff; therefore it is urgently needed to prepare engineering students for jobs in multinational companies, by exposing them to newer technologies and engineering methodologies. We welcome the rise of this global knowledge economy, which has also intensified the need for strategic partnerships. The Institutes are imparting the basic knowledge and skill, but the Industry-Institute Interaction will enable to undertake research by staff and students relevant to the industry.

Centre for Building Skills and Employability (CBSE)

CBSE is continuously analyzing changes in the global market and industries expectations. In today's world the constantly changing technology arena and business requirements create a challenge and opportunity but only for those who upgrade and update with hands-on experience. Skill Building Training of CBSE has created a platform for students to hone their "Employability" skills and achieve their dream career. CBSE is indeed a gateway towards technological advancement along with strong educational foundation.

Achievements

1. CBSE has successfully conducted the Summer Internship Program for 1010 Students of B.Tech First Year in the year 2019. The Summer Internship Program had covered various IT and Core domains related customized internship. Students have also developed various projects under this training.

2. Placement driven training to students for various campus drives, such as Capgemini, Wipro, TCS and Infosys (To name a few), to train more than 1500 students.

3. Industry based skill training in all the latest IT and Core domains. Through these programs students have been trained on MEAN Stack Development, Hybrid Mobile Application Development, Python Data Analyst, AUTOCAD, PLC etc.

4. Specific skills enhancement training in niche domain such as Cyber Security, Block chain, Data Science, Networking, Software Testing, IoT & Embedded systems and many more latest technologies. There were around 56 Training Program during semester and summer break and more than 400+ students were trained as part of these programs.

Initiatives

1. Collaboration with various industry leaders such as CISCO, CompTIA, Analytix Labs and many more.
2. A new college level initiative started with the name of "Placement 2.0". Under this initiative, CBSE has given a skill based IT training to all the IT career aspirants irrespective of any branches.
3. Seven days Hackathon on Machine Learning in association with Analytix labs. Around 200 students have participated from various B.Tech and MCA Branches in it.
4. Organized and brought the "Paid Internships" for 21 First year students and 18 second year students with DevsLane Technologies on Live Projects.
5. The Enigma Club of CBSE Department has conducted more than 6 college level and 1 state level competition on competitive coding. The name of State level Competitive Coding Competition event was "Battle of Brains". More than 350 students across UP and Delhi/NCR have participated in this event.

Career Planning

Salient features of placement season 2019-20 (currently going on):

- 1079 offers in 165 prominent companies till 7th Feb, 2020.
- Actual placement of 667 students out of 1005 registered students across all streams.
- Already achieved the target of 66% in terms of actual placements till 7th Feb, 2020. Targeting for actual placements of more than 90% likewise last session.
- Average Salary package crossed Rs. 4.00 LPA for the first time in history of ABESEC placements.
- Some of the prominent companies visited for this batch are NEC Technologies, Infosys, CodeNation, TCS, Capgemini India, Sopra Steria India, Publicis Sapient, Nagarro Software.

VVDN Technologies, Fiserv India, Hughes Systique, HashedIn Technologies, Global Logic, Traveloka, Directi, Info Edge, Grapecity, Jaro Group, MavenHive Technologies, Byju's the Learning app, Shine.com, Cognizant Technology Solutions, NIIT Technologies, American Express, NTT Data, Wipro Ltd., Zycus Infotech, NCR Corporation, EXL Services, ERGO SPACE, Truechip Solutions, IHS Markit, Xoriant Solutions, Berger Paints, Birlasoft, Tech Mahindra Ltd., KAI Manufacturing, Fanuc India, Ceasefire Industries, Xceedance, Vivo Mobiles, IBM India, Motherson Sumi Infotech and Design Systems, ColorTokens, Nucleus Software, Idemia, HSBC Technology, TATA Advanced Systems, Amazon Development Centre, Sanmar Group, Ultratech Cement, Extramarks Education, GMW, Dudhi Industries, Vegazva Engineering, Oppo Mobile India, Adobe Systems India, Supertech India, Evalueserve, Tech Mahindra, Indus Tower, etc.

• In MBA, the highest salary package offered was Rs 12.4 lakhs (2 students) per annum till date and total number of placements is 74*(Ongoing) in reputed companies such as ExtraMarks Education, Jaro Education, Byju's, Aptara Corporation, Vodafone etc.

Club Activities

To develop a sense of responsibility towards society, environment and nation through extracurricular activities, we provide a platform to our students through various Students' Societies /Clubs, namely:

1. Spirituality And Yoga Club
2. Sports Club
3. The Minerva –Literary Society
4. Environ – Environ Society
5. NSS CLUB
6. Aagaz-Publication Club
7. Picturesque Club
8. Cultural Club
9. Creative U
10. SPIC MACAY
11. SAMVAAD- Dramatics Society
12. Technovation, Requiza, Enigma, Stambh (Departmental Technical Club)
13. TEDx Talks

Major events organized by the societies in session 2019-20:

- TEDx Talk: The theme was 'Backstage: Drawing The Curtains'. Invited speakers for TEDx at ABES were Arvind Gaur, (Theatre Director), Caralisa Monteiro (Singer, Social Activist), Meenakshi Lekhi, (MP, Socio Political Activist), Sahil Verma (Actor , Comedian, Writer), Sandeep Mishra (Educationist), Sandeep Sridharan (Chef, Entrepreneur), Srijan Pal Singh (Author, Public Speaker), Vikramjit Singh Rooprai (Heritage Activist).
- A talk show and interaction session by R J Raunak on “Yoga and Meditation”.
- A talk by Dr. Rajendra Singh (Jal Purush of India) to spread awareness about Pollution, Climate and Environment.
- Organized Blood Donation Camp
- Awareness about Swachhta and Tree Plantation
- A talk session by B. K. Meenakshi on “Facing Uncertainties”

Achievements:

- Students won 1 Gold Medal (Coding Contest) in Dr. Abdul Kalam Technical, Literary, and Management Fest (Zonal Level) and 1 Bronze Medal (State Level).
- ABES EC hosted Dr. Abdul Kalam Arts and Cultural fest of Dr. A.P.J. Abdul Kalam Technical University, Lucknow on Feb 7-Feb 8, 2020. This fest was a mega event which included 22 different events, and more than 50 colleges of Ghaziabad Zone were invited to participate in these events.

Sports & Athletic Activities

- The campus has various sports facilities with synthetic courts of Badminton, Volleyball and lawn Tennis. There are separate Snooker/Billiard, TT and Gymnasium facilities in the hostel campuses of Boys and Girls.
- Our teams excelled in various competition and won 16 medals (5 Gold, 4 Silver, and 7 Bronze) in Dr. Abdul Kalam Sports Fest (Zonal Level) and 4 medals (3 Gold, 1 Bronze) at state level.

International / National Conferences Organized

- Department of Computer Science & Engineering, ABES Engineering College organized 5th Springer International Conference on “Computational Intelligence and Communication Technology” (CICT-2019) on 22th-23th Feb, 2019. In this conference, more than 100 papers were submitted for conference proceedings by researchers from industry and academia. 16 Speakers of national and international accolades presented their views and shared knowledge to the students.

- Department of Information technology in association with MCA Department has organized an 'International Conference on System Modeling Simulation and Intelligent Computing' on 8th- 9th March, 2019. The objective of this conference was to provide a platform for presenting work with most recent concepts, advances, challenges and ideas associated with Intelligent Modeling and Simulation frameworks, tools and applications. 200 Papers were received, out of which 30 papers were presented and published in Scopus Indexed Journals.
- Department of Electronics & Communication Engineering organized National conference on "Sustainable Growth in Microelectronics and Communication Engineering" (NCSMCE-2019) on 28th May 2019. Nearly 90 quality research papers were selected out of 120 received papers in this conference.

Workshops/ Guest Lectures/ FDPs/ Alumni Interactions/ Industrial Visits

- 15 workshops were organized in emerging areas last year to help students achieve success in their academic growth.
- A total of 48 Guest Lectures were delivered for the benefit of students by eminent speakers from prestigious institutions such as DRDO, Benteler, CBIP, Legrand India and many more.
- ABESec facilitated its faculty in updating their knowledge by conducting 16 Faculty Development Programs funded from various agencies in diverse domains.
- 30 Alumni Interactions were conducted across various departments.
- 25 Industrial Visits were organized last year wherein students from various branches visited reputed companies such as BHEL, NTPC, Coca Cola, Harduaganj Thermal Power station etc.

Research Grants/ Patents/ MoUs

- In 2019-20, 8 R & D proposals have been accepted and Rs. 2,120,000/- have been sanctioned from various Government funding agencies.
- To promote creative thinking and innovation by students and faculty members, ABESec encourages them for Research & Development. As a result, a total of 22 patents were filed last year across various departments in the institute.

- To develop strong Industry- Academia relationships which offer long term opportunities and benefits, 14 MoUs were signed last year. Some of the partnering organizations were AIBPM from Indonesia, Motif Electric Limited, Shah Multilayer Pvt. Ltd., IKYA Human Capital, Panache Softech, Derivative World, Kaizen Training Solution and many more.

Registered NGOs

- A group of our students have founded a social venture by the name 'Help Us to Help The Child' (HUHC), wherein 5 days a week they conduct literary camp for very poor children of the slums near Delhi/NCR. One centre of HUHC is currently operating in Pune, M a h a r a s h t r a . Recently this NGO has completed its seven glorious years.
- Another group of our students are also contributing in educating poor children under the name "Light the Literacy" (LDL).

Alumni

ABES Alumni Association (AAA) was founded in 2007 with the objective to promote and foster mutually beneficial interaction between the Alumni and the present students of the ABES Engineering College. All students, on passing out, become members of the alumni association.

- As on date the association has 12K members registered with Association.
- Our Alumni are the Brand Ambassadors of ABESec on various platforms
- Our alumni are placed in top class organizations like Facebook, Google, Byju's, TCS, Infosys, Videocon, Samsung, IBM, Wipro, ASSOCHAM etc.
- There has been immense contribution of the alumni towards career enhancement of ABES Students
- 1st Local Chapter in Bangalore, Karnataka was inaugurated on 23rd September 2018 by ABES Alumni Association.
- AAA organizes Alumni Meet cum Decadal Celebration every year

Institution's Innovation Council (IIC)

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs to encourage, inspire and nurture young students.

The IIC at ABES Engineering College, Ghaziabad, is established with the focus on various innovation and entrepreneurship-related activities. It organizes periodic workshops/ seminars/ interactions with entrepreneurs and creates a mentor pool for student innovations. It also prepares the institute for Atal Ranking of Institutions on Innovation Achievements Framework.

Under IIC at ABES-EC, an internal Smart India Hackathon-2020 was organized from 21st to 22th January-2020 with huge participation from student and winners in both software and hardware categories were awarded cash prize and certificates.

Internal Quality Assurance Cell (IQAC)

IQAC of ABESEC was established in 2014 with a motive to engrain quality culture in the Institution. The primary objective of IQAC is quality enhancement through internalization of quality culture and institutionalization of best practices. Major role of the IQAC is to develop mechanisms and procedures required for improvement in academic performance as well as administrative and financial tasks. IQAC is responsible to undertake various initiatives towards the development and application of quality benchmarks/parameters for various academic and administrative activities. The diverse tasks of IQAC involves dissemination of information on various quality parameters, organization of workshops & seminars on quality related themes, documentation of the various activities and processes, conducting annual internal quality audit and to connect with the stakeholders for the sustenance cum enhancement in the overall quality culture.

Induction Program

Department of Applied Sciences & Humanities successfully conducted a 3-Week Induction Program, from 31.07.2019 to 22. 08.2019, for the newly admitted students of first year in accordance with the guidelines provided by AICTE. In order to allow the students to explore their academic and co-curricular interests, a series of events and activities have been conducted during the Induction Program in the fields of Creative and Literary Arts, Guest Lectures, Proficiency Modules, Universal Human Values, Sports and Physical Activity. The Induction Program gave the students an opportunity to understand the purpose of academic advisement and course selection as well as feel confident about their decision.

Launch of "Karampatri"

On 27 January 2020, Karampatri – The Student Career Book was launched. Karampatri is a flagship initiative of ABESEC designed to assist students to link and suitably map all the

domains and attributes that they encounter throughout their engineering life. It will provide them with the opportunity to choose what is best for them according to their dexterity and make the most out of it. The career book will be in possession of the students throughout their four years of Engineering Program starting from first year. Karampatri was designed with the motive of strengthening the students' resoluteness towards their aspirations and guiding them onto a deterministic path full of opportunities and success.

Gyan Deeksha Sanskaar

As per AKTU guidelines, 'Gyan Deeksha Sanskaar' ceremony was organised by the department of Applied Sciences & Humanities in coordination with Divya Sanskriti Viswa Vidyalaya (DSVV), Haridwar, for the students of B.Tech I year on 31 January, 2020. Gyan Deeksha is an invocation ceremony where members of DSVV introduced Indian Culture and value system to the newly joined students so that they can imbibe these values and fulfill the expectations of the college, university and society at large.

Conclusion

In the end, I would like to say that, our endeavor has only just begun. The time has arrived where ABES Engineering College, will illuminate the entire world with the great light of hope. With deepest respect, I offer my profound gratitude and appreciation to Mr. Ved Prakash Goel for his vision to start an institution of Technocrats. I am also grateful to Hon'ble vice chancellor of Dr. A.P.J. Abdul Kalam Technical University, U.P. Lucknow, and Chief Guest for their benign presence. I am also thankful to all the Members of the Board of Governor and Executive Council of the Institute as well as to all the Department Heads. I acknowledge with gratitude, the cooperation and support extended by all the faculty and staff members of the institute throughout the year. It is my ardent hope that ABESEC, will shine with utmost brilliance while creating values in many lives. I urge each one of you to please advance in each venture of your life and help our institution to expand into an even stronger organization. My greatest joy is to see the lives of my students receiving great benefits and be brimming with happiness. In conclusion, I extend my heartiest congratulations and best wishes to all the graduating students who are here to receive their degrees and awards on 15th convocation on this 15th day of February 2020. The nation and ABESEC expect you to lead the way in transforming India from a developing country into one of the best developed countries of the Twenty First century. I earnestly pray for your great success and bright future. May you all succeed in achieving your dreams and aspirations.....

दीक्षांत धर्मादेश

“अहं त्वमेवमुपदिषामि ।
सत्यं वद् ।
धर्मं चर् ।
स्वाध्यायान्मा प्रमदः ।
मातृदेवो भव् ।
पितृदेवो भव् ।
आचार्यदेवो भव् ।
अतिथिदेवो भव् ।
यान्यास्माकं सुचरितानि तानि त्वयोपास्यानि ।
नो इतराणि ।
एश आदेशः, एश उपदेशः, एतदनुशासनम् ।
षिवास्ते पन्थानः सन्तु” ।

दीक्षांत धर्मादेश

मैं तुमको इस प्रकार प्रबोधन देता हूँ !
सत्य बोलो ।
धर्म का आवरण करो ।
स्वाध्याय से प्रमाद मत करो ।
माता को देवता मानो ।
पिता को देवता मानो ।
आचार्य को देवता मानो ।
अतिथि को देवता मानो ।
जो हमारे अच्छे आचरण हैं,
वे ही तुम्हारे द्वारा ग्रहणीय हैं, अन्य नहीं ।
यही आदेश हैं, यही उपदेश हैं, यही अनुशासन हैं ।
तुम्हारा पथ मंगलमय हो ।

कुलगीत

हमारा विश्वविद्यालय, प्रगति सोपान का उद्गम।
प्राविधिक उच्च शिक्षालय, विवेक और ज्ञान का संगम ॥
हमारा विश्वविद्यालय, विवेक और ज्ञान का संगम॥
हमारा विश्वविद्यालय.....

विश्वव्यापी धरातल पर, मनुज-उत्थान का सपना।
नियोजन, भेषजी, अभियांत्रिकी, वरदान हो अपना।
कुशल प्रबंधन, सही सोच को, हम सब करें हृदयंगम॥
हमारा विश्वविद्यालय.....

सृजन की तीव्र उत्कंठा, सभी मन में समाई हो।
लगे परिवार—सम हमस ब, प्रगति की लहर छाई हो।
बने सम्पूर्ण गुणवत्ता, हृदय की कामना अनुपम॥
हमारा विश्वविद्यालय.....

हमारी प्राविधिक शिक्षा, सुमानव—मूल्य रखती हो।
हमारा ध्येय, महिमा देश की, दुनिया निरखती हो।
अमर गुण—ज्ञान गरिमा से, मिटे अज्ञानता का तम॥
हमारा विश्वविद्यालय.....

नई चेतना से प्रेरित, हम लगे जीव—कल्याण में।
मानवता हित; तकनीकी से जुटे राष्ट्र—निर्माण में।
बने प्रेरणा—स्त्रोत हमारा; योगः कर्मसु कौशलम्॥
हमारा विश्वविद्यालय.....

“

Homi J. Bhabha

A scientific institution, be it a laboratory or an academy, has to be grown with great care like a tree. Its growth in terms of quality and achievement can only be accelerated to a very limited extent.

Aryabhatta

The Universal medicine for the soul is supreme reason and absolute justice, for the mind mathematical and practical truth, for the body the quintessence, a combination of light and gold.

Srinivasa Iyengar Ramanujan

An equation means nothing to me unless it expresses a thought of God.

C.V. Raman

Ask the right questions, and nature will open the doors to her secrets.

Kalpana Chawla

When you look at the stars and the galaxy, you feel that you are not just from any particular piece of land, but from the solar system.

”

*Learning gives creativity,
Creativity Leads to Thinking,
Thinking Provides Knowledge,
Knowledge makes you great.*

- Dr. APJ Abdul Kalam
