

ABES INSTITUTE OF TECHNOLOGY, GHAZIABAD – HOSTEL FEES

Hostel Fees Structure for session 2021-2022 For the Academic Session 2021-22 considering the present situation, the classes have begun in online mode. However, being optimistic, we are anticipating that classroom mode of teaching would commence from August/September 2021 onwards. Students desiring to reside in Hostel upon commencement of classroom teaching are required to pay Hostel Registration fee of Rs. 20,000/- followed by hostel accommodation fee on per month basis payable at the time of hostel allotment which is as follows:

BOYS HOSTEL FEES FOR SESSION 2021-22		
Particulars	Non AC (per student)	AC (per student)
Double Seater	10000/Month	13000/Month
GIRLS HOSTEL FEES FOR SESSION 2021-22		
Particulars	Non AC (per student)	AC(per student)
Double Seater	10000/Month	13000/Month
Single Seater	11000/Month	14000/Month

IMPORTANT NOTE – In view of the COVID-19, as preventive measure, for keeping social distancing in hostels also, Triple seater rooms will be allotted as a Double Seater room for session 2021-22. **The Institute would like to give confidence that all possible preventive measures to tackle the current situation has been taken.** Registration fee would make us estimate the number of students desiring to reside in hostel. At the time of occupying the hostel, **the charges for four months with adjustment of registration fee** has to be deposited by the student. In case classes extend beyond four months, the next installment of ‘four months’ hostel charges will have to be deposited. In between, for unfortunate/unforeseen reasons, if there is any lockdown for 1 month or more, the monthly charges of hostel will be adjusted. ***Note 1:** Hostel security fees (refundable) will be Rs. 5000/- from session 2021-22. Applicable for New Hostel students in session 2021-22.*

22. GUIDELINES FOR HOSTEL –

1. Electric Facility for cooler can be availed by hostlers by paying Rs. 4000/- per year and the hostler has to install his own cooler.
2. AC and Cooler will be on Hydel Supply only and it will be made available before and after college hours (i.e. 9AM-5PM).

3. Students residing in hostel rooms will ensure that door and windows of the room should not be found open under any circumstances when AC/cooler is working.
4. It is being further brought to knowledge of students that electric supply for AC and Cooler will be off from 6AM-10AM in the morning on all non working days also.
5. Use of Electric Kettle is permitted but use of **Room Heater/Hot Plates is strictly prohibited and not allowed** in view of Fire and Safety Reasons.
6. Only Vegetarian food will be served.
