

## **AURORA COLLEGE OF ENGINEERING, HYDERABAD – HOSTEL DETAILS**

### **Hostel**

We at AEC provide you a decent stay and the best possible learning environment in Bhongir town at very affordable cost of living. Transport facility is available to the students from the hostel to college. The stay at the hostels that have a tie up with the college would certainly provide a wealth of experience by developing qualities such as comradeship and social responsibility.

Life on-campus helps the students not only to study but also to socialize with the peers. Friendship formed in the campus lasts a lifetime. SRM provides a comfortable and safe housing to all its students. The students housed in the hostels are encouraged to use the library, gymnasium, playground and all indoor gaming facilities.

The student-friendly system helps the students feel at home by providing a friendly, comfortable, well furnished and secure ambiance. Apart from that the hostel also provides a healthy competitive and diverse cultural learning environment and, inculcates discipline making students more systematic and strategic.
