

BLDE ASSOCIATION'S VP DR PG HALAKATTI COLLEGE OF ENGINEERING & TECHNOLOGY BIJAPUR – HOSTEL DETAILS

HOSTEL

Hundreds of students from all across the state live in hostel premises, which come closest to being 'a home away from home'. The separate facilities for boys and girls, caring wardens and a tight security ensure a pleasant stay allowing the students to focus on academics. Whilst internet access and best lab facilities ensure close contact with family and friends outside, the fully equipped common rooms allow for that relaxed time with friends on Campus.

The College has a elegantly constructed Girls' Hostel in the campus having two , three and four seaters. Hygienically prepared nutritious food, recreation room equipped with T.V., facility of games and internet, exemplary discipline with desired freedom make the hostel a home away from home. We appreciate parents' anxiety regarding a safe and secure environment for their wards. The wardens in both the hostels act as guardians for the hostellers. Ragging is given a big NO both at our campus and in our hostels.
