ADMISSION BROCHURE 2015-16

BHAGAT PHOOL SINGH MAHILA VISHWAVIDYALAYA
KHANPUR KALAN

RESPECTFUL TRIBUTE

Bhagat Phool Singh Ji
(1885-1942)

Born on February 24, 1885 at Mahra Village in Sonapat District, Bhagat Phool Singh was a visionary noble soul. His firm belief in empowerment and emancipation of women through education led Bhagat Phool Singh to establish a Gurukul for girls at Khanpur Kalan in 1936. The anti social elements did not appreciate the idea of women’s education and consequently killed Bhagat Phool Singh on August 14, 1942.

Subhashini Devi
(1914-2003)

Bhagat Phool Singh’s legacy and philosophy was continued by his daughter Subhashini. She established various present day constituent Institutes of Bhagat Phool Singh Mahila Vishwavidyalaya through philanthropic means. The Government of India recognized her services to society and conferred the title of Padamshri on Subhashini in 1976.

Vision

BPS Mahila Vishwavidyalaya's vision is to make a profound difference in the lives of women by empowering them to attain their full potential through pursuit of knowledge, acquisition of skills, development of character and self esteem, and recognition of their rights and responsibilities.

Vice Chancellor's Message

Dear Students

I heartily welcome you to Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) the first State Women University of North India. In a short span of less than a decade (since its establishment in 2006), the university has made remarkable progress on all fronts. Apart from having considerable expansion in infrastructure and academics, BPSMV has taken the initiative of establishing an innovative and unique centre like Centre for Society University Interface and Research (CSUIR) for strengthening the bond between the society and the university. It also has the honour of being the only university in Haryana to be awarded an Area Study Centre on Indic-Asian Studies (CIAS) by UGC. The CIAS aims to preserve Indian culture and heritage, along with conducting research on Indo-Asian heritage and culture.

For our students and faculty, we provide pollution free networked campus, new hostels equipped with modern amenities, state of the art gymnasium, central library, state of the art language labs, round the clock medical care, smart classrooms, shopping complex etc. The university is marching ahead with committed and sustained efforts for its dear students and has held two convocations so far. The Second Convocation, with the blessings of Prof. Kaptan Singh Solanki, Hon'ble Governor, Haryana was held recently at which 2153 Graduates were awarded degrees. The importance of the occasion was further highlighted by the fact that the university organized this gracious event in typically Indian tradition by wearing Anga-Vastras, leaving behind the 'Gown-wearing' tradition borrowed from the West.

Furthermore, MoUs signed by the university with the other Foreign Universities have provided new platforms for both students and faculty through exchange programmes. BPSMV has MoUs with - the University of Baltimore, USA; Nottingham Trent University, UK; St Catherine University, USA, Kwangwoon University, South Korea and British Council, Delhi. Also, a regular feature of the university is to engage the students in exchanging ideas with their foreign counterparts through video-conferencing.

The university offers 'Job oriented' programmes like - M.Tech. in Network Security, Fashion Technology and Electronics and Communications, Integrated programmes in English and Economics, Post Graduate Diploma programmes in foreign languages (German, Russian & French) etc..

We are proud to have the most dedicated and hard working faculty who are further enriched by renowned Visiting Professors and academicians. Apart from providing counseling assistance to all of its students, the university imparts coaching for competitive examinations like UGC-NET, Judiciary, and International Examinations of Proficiency in English like Business English Certificate (BEC). Recently, the university organized its 2nd Women Youth Parliament to inculcate leadership traits in our girl students.

Walking along with the State Government's initiative "Beti Bachao-Beti-Padhao", we are committed to our vision of empowering the girl students through qualitative education and are determined to emerge as one of the best Universities of North India. I solicit your significant contribution in this great endeavor and once again congratulate you for becoming a part of the BPSMV family.

“शिक्षित बेटी-सुरक्षित बेटी”

Best wishes

Prof. (Dr.) Asha Kadyan

The University

Genesis...

Today's Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) is the 'dream come true' of Bhagat Phool Singh Ji (1885-1942) who established a *Gurukul* for girls at Khanpur Kalan in 1936. After the demise of Bhagat Phool Singh, his daughter Subhashini not only took control of the *Gurukul* but worked vigorously to expand the *Gurukul* in terms of its various constituent institutions like BPS Memorial Girls' College (1967), BPS College of Education (1968), MSM Ayurvedic College (1973), BPS Mahila Polytechnic (1984), TIG Bhainswal Kalan (1999) and PSD Girls' Law College (2003).

The State Government of Haryana upgraded the erstwhile *Gurukul* to the status of a University exclusively for women in August 2006 and christened it as Bhagat Phool Singh Mahila Vishwavidyalaya, which happens to be the first State Women University of North India. Since then BPSMV has undergone a complete transformation; a 79 years old *Gurukul* started with just three girls has turned into a modern university with approximately 7000 girls on its rolls studying in various job oriented programmes from KG to Ph.D. level. The university has established its two Regional Centres at Kharal (Jind) and Lulla Ahir (Rewari).

Centres of Excellence

Centre for Indic-Asian Studies (CIAS)

The Centre for Indic-Asian Studies is one of the Area Study Centres of UGC. BPSMV is the first and only university in Haryana to be awarded this prestigious Area Study Centre. CIAS carries out research on issues related to Indo-Asian knowledge systems: sciences, technology, business, management, arts, architecture, ethics, philosophy, history, culture, societal values, customs and practices, polity and pluralism. It promotes an understanding of contemporary India and its interface with the contemporary world. CIAS has operationalized its dedicated participative website www.sthaneshwaranidhi.ac.in which contains information on various themes pertaining to Indo-Asian culture and traditions.

Centre for Society University Interface and Research (CSUIR)

The Centre for Society University Interface and Research (CSUIR) was established in August 2010 to bridge the disconnect between Universities and society which is a rich store house of knowledge. CSUIR aims to understand the concept of rural sustainability and reinforcing the traditional agricultural character and strength of India. CSUIR organizes courses and activities which are of direct relevance to the rural community. The Centre also seeks to formulate schemes that recover traditional good agricultural practices and sustain and conserve the vast knowledge reservoir of rural women. The Centre offers innovative courses in three core areas viz. Integrated Energy Resource Management, Microfinance Practices and Folk Medicine.

Department of Electronics and Communication Engineering

Brief Introduction

The Department of Electronics and Communication Engineering aims at educating and training students with sound knowledge and awareness in the latest trends in Electronics and Communication Engineering and Information Technology. The students are exposed to various courses in Electronics and Communication Engineering viz Electronics Device and Circuit, Digital Circuit and System, Linear Integrated Circuit, Design and Simulation Tool, Fibre Optic Communication, Data Communication, Satellite Communication Systems, Mobile and Cellular Communications, Modelling and Simulation of Communication System, Antenna and Wave Propagation, Intelligent Instrumentation, Instrumentation and Control, Advanced Microprocessor, Embedded System Design, Microelectronic Engineering, VLSI Design, Digital Signal Processing, Digital Image Processing, Information and Coding Theory etc. The Department has several well-equipped laboratories such as Electronics Device and Circuit Lab, Digital Circuit and System Lab, Linear Integrated Circuit Lab, Communication Lab, Microprocessor Lab, Advanced Communication Lab, Circuit Simulation Lab, Digital Signal Processing Lab, Data Acquisition Lab, where students are given rigorous hands on training. The department provides excellent laboratory facilities equipped with virtual simulation environment MATLAB, Simulink, LabView, Multisim and Free Open Source Environment Scilab, Octave etc. The department is committed to overall development of students and organizes various customized in-house programmes, training and placement activities, cultural and sports programmes from time to time. The Department provides platform for developing socio-cultural traits of students through “ELECOM” society.

Centre for Society University Interface Research (CSUIR)

Brief Introduction

The Centre for Society University Interface and Research (CSUIR) was established in August 2010 to bridge the disconnect between Universities and society which is a rich store house of knowledge. CSUIR aims to understand the concept of rural sustainability and reinforcing the traditional agricultural character and strength of this country. CSUIR organizes courses and activities which are of direct relevance to the rural community. The Centre also seeks to formulate schemes that recover traditional good agricultural practices and sustain and conserve the vast knowledge reservoir of rural women.
