Throughout my 2 years of MBA at BVIMR I had countless opportunities to develop analytical skills, leadership and proactive thinking through various programs and events. It gave me a opportunity to enrich my knowledge, to learn and to grow gradually. Academics are in accordance with the latest industry trends. It's been a privilege to be a part of this esteemed University. My sincere appreciation & gratitude to the CRC for getting me placed into Luminous technologies. I'm thankful for this opportunity. My sincere thanks to all the Faculty members, mentors and everyone in the BVIMR family for their support. Thank you for making this journey so pleasant.

My journey with BVIMR has been one of the most enlightening endeavours of my life, it has been a major contributor towards the development of my personality. Being the Vice President of student council, the bumpy ride has taught me to find my way and make a place. The supporting faculty members and director sir have been a guiding light which motivated me to develop my skills and flourish. I proudly call myself an MBA from BVIMR for making me a future leader. I want to take this opportunity to present my gratitude towards this prestigious institution for providing me an ocean of opportunities and help me enter the corporate world with ITC LTD. I appreciate the efforts of CRC team who have worked through thick and thins to help the students make the best out of placement opportunities.. I consider myself fortunate to be a part BVIMR and would always cherish these 2 years of my life

I found studying MBA at BVIMR to be a milestone in my professional and personal life. The quality of lecturers surpassed my expectations and they represented a great blend of academic and real world.

"I am very thankful to the faculties as they are very much supportive, helpful and to the Placement Cell which does great job by arranging excellent placements of National Blue-Chips, MNCs & good corporate exposure is given to students." The encouragement and support provided by Dr. Neelam Sharma and her CRC team is highly commendable. They have indeed put their best foot forward to bring top notch companies for campus placement. I secured my job with ICICI Bank, a leading private sector bank in India. I can say that the learning's from my MBA have already been put into practice.

BVIMR, indeed has been a wonderful journey throughout. Being a part of several events, music society and most important of all serving the Student's Council as a Female President has taught me what exactly management is. Not paying gratitude to the CRC team would be an injustice. This student driven team under the supreme guidance of Dr. Neelam Sharma, Dr. Gagandeep Kaur and Vikas Tank Sir works throughout for the student community of BVIMR. Resultant, I got placed with Nando's Services India Private Limited; a prestigious name in today's premium dining industry. I feel truly blessed to be a part of BVIMR at some point in my life which ended up creating a great impact on my career. Hence, giving it a superb Kickstart. At the last but not the least I would like to extend my heartfelt regards to Dr. Vikas Nath and the entire faculty members for being a constant source of motivation and inspiration.
