1. About Bodoland University

Bodoland University was established by an act of the Assam Legislative Assembly on 28th February, 2009 with the objective of higher education accessible to students in lower Assam in general and to various communities in Bodoland Territorial Area Districts (BTAD). This is the only University in the region providing quality higher education and plays important role in all round development of the people and the society of the region. The picturesque campus of Bodoland University at Debargaon in Kokrajhar is surrounded by several institutions of higher education and research. The university offers an ideal site for academic interaction and exchange of ideas across disciplines. The serene surroundings and excellent academic and infrastructural strengths make Bodoland University a perfect academic platform for traditional wisdom and contemporary knowledge.

Google Location Map of Bodoland University

The university is situated at Rangalikhata, Debargaon, which is approximately 9kms. from Kokrajhar town. The Bodoland Martyrs Cemetery is adjacent to the University campus. The university is blessed with natural landscape that reflects a living synthesis of people. The university provides a standard platform to achieve academic excellence and for superior performance. The serene surroundings and excellent academic and infrastructural strengths make Bodoland University a perfect academic platform for traditional wisdom and contemporary knowledge.

The nearest airport the Gopinath Bordoloi International Airport, Guwahati is 191 kms. from the Kokrajhar and Bagdogra Airport in West Bengal is at 200 kms. distance. University is well connected by road and rail. This is also strategically located at a distance of 45 kms. from West Bengal, 50 kms. from Bhutan and 110 kms. from Bangladesh. This makes Bodoland University possible to cater to the needs of higher education for students from the neighboring countries, Bhutan, Bangladesh and Nepal.

2. The University Motto, Vision and Mission

Motto

“Shraddhavan labhate jnanam” means people with shraddha (intelligent faith) can only imbibe knowledge.

Vision

Bodoland University aspires to be a leading public university that can indoctrinate moral values, scientific temper, socio-cultural, economic and political leadership qualities into students in order to meet the regional, national and global challenges.

Mission

1. To impart value based education leading to holistic sustainable development.
2. To conduct need-based location research and development of the highest quality with a wide range of interest.
3. Keeping clear focus on the advancement of technology, efforts to be made to increase efficiency of existing technology, to optimize the use of natural resources and to preserve the environment.
4. To ensure access of all sections of the society for higher education keeping in view the prevailing socio-economic deprivation.
5. To inculcate women empowerment potential through education.
6. To protect, preserve and promote ethics and cultural heritage pertinent to the location in particular and country in general for furtherance of national integrity.
7. To provide up-to-date, relevant and need based knowledge.
8. To promote flexible, effective governance.
9. To create linkage with concerned centres of advancement excellence in the country / abroad.
10. To promote high calibre students who are expected to play leading roles in their chosen careers ensuring and sustainable social actions. The University should be a breeding ground of new generation of human resource who would be job creators, not job seekers.

3. University Logo

The Logo of Bodoland University presents an eternal epistemological quest. It reflects on the motto of the University, viewed as a temple where knowledge is power, devotion, strength and a journey in the continual wheel of life. Juxtaposing the socio-culture, economic, historical and Indian mythological images of rice grain, the usual pattern of Aronai and the lotus, it respectively stands for hard work, prosperity, art, divinity and purity. The pink Supreme Lotus untouched by the impurities despite growing in the mud encompasses new talents irrespective of one's caste/creed/race/country, representing purity of heart and mind. The blending of traditional instruments like Siphung (flute), Kham (drum), Jotha and Serja (sarangi) resonate a soulful imaginative rhythm encouraging creativity, love and peace. Here the bright yellow colour usually akin to Chinese Dragon, Chinese ancient art and architecture reiterate the Mongoloid affinity of the Bodos and also connects to their traditional dress, weaving and women participation. It is an all-inclusive emblem that disseminates light all around and within us to redeem and master newer horizons in the present and future.

Faculty Development Programme for Bodoland University

A 10-day training on Behavioural Remodelling and Classroom Delivery Enhancement Techniques, and use of ICT was conducted from August 20 to 29 for the professors of Bodoland University and other colleges under Bodoland University. The training programme was conducted by E&ICT Academy, under IIT Guwahati, in the Commerce Department of the University premises itself with a vibrant group of 53 nominated professors from the University. The entire programme was spearheaded by Dr Rajesh Debbarman, HOD, Commerce, Bodoland University.

A technical team from IIT conducted sessions on the importance of ICT tools and its usage in regular classrooms for better performance of students.

The training was single handedly handled by Training Consultant of IIT Guwahati, and Managing Director of Indian Skills Academy, Anjan Chowdhury, who initiated sessions that included various activities of relevance to each topic.

The participants were given certificates at the end of the programme.
