CELEBRATING 25 YEARS

CMRIT

CMR INSTITUTE OF TECHNOLOGY, BENGALURU.

Permanently Affiliated to VTU | Approved by AICTE | Recognised by the Govt. of Karnataka
Accredited by NAAC With A+ Grade
All UG Programs accredited by NBA

ACCREDITED WITH GRADE A+ NAAC

Visvesvaraya Technological University, Belagavi

FUELLING DREAMS FOR THE FUTURE

CMR GROUP OF INSTITUTIONS

The CMR Group is a unique educational conglomerate consisting of K-12 schools, a number of institutions of Higher Education, a Pre-University College, various Centres of Excellence in Research, and a Private University. These educational institutions are located at eleven different campuses across the city of Bangalore, India. CMR has also partnered with the National Education Trust to found the NPS International School on a lush 6-acre campus in Singapore. The Group caters to over 20,000+ students from 60+ countries. Academic programmes are varied and cover more than 50 areas of study including engineering, education, law, management, biosciences, business administration, and psychology at the undergraduate, postgraduate, and doctoral levels.

CMR University
CMR Institute of Technology
CMR Centre for Business Studies
CMR Life Skills Institute
CMR National Public School
CMR National P.U. College - HRBR
CMR National P.U. College - ITPL
Ekya School - JP Nagar
Ekya School - ITPL
Ekya School - Kanakapura Road
Ekya School - BTM Layout
Ekya School - Byrathi
NPS International School, Singapore

GREAT CAREERS BEGIN HERE !!

Pursuing a career in engineering, an age-old favourite, is a tricky choice to make. Because, once you make it, you realize that you're not alone. Thousands of students choose to pursue engineering every year, and the competition is fierce. The key to a successful career in engineering, is a matter of where you begin.

An education at CMRIT is more than just a mere degree. Here, we don't just teach, but ensure every student's success through the application of design thinking, critical reasoning and analytical skills, which means you learn by doing, making and experiencing. You'll also find an industry-ready curriculum that doesn't just serve your present, but stays relevant even in your future.

Established in 2000, the CMR Institute of Technology (permanently affiliated to Visvesvaraya Technological University) imparts quality, pragmatic education in engineering and management to help students hone their analytical abilities and develop their creative thinking skills. CMRIT meets the rapidly growing need for technology professionals by nurturing young minds in an innovative and progressive learning environment. Situated in the very heart of South India's IT corridor, the CMRIT campus in Whitefield, Bangalore, is centrally located, easily accessible and well connected.

CMRIT is located on IT Park road in the heart of Bengaluru's IT hub. And that means...

- Industry expert participation in departmental advisory boards
- Student project work and internships
- Industry visits by faculty and students
- Lectures by industry experts
- Industry expert participation in development and training programme
- Recruitment of faculty with industry experience.
- Well connected to transport infrastructure

COURSES OFFERED

UNDERGRADUATE

- B.E. | Computer Science & Engineering
- B.E. | Electronics & Communication Engineering
- B.E. | Electrical & Electronics Engineering
- B.E. | Information Science & Engineering
- B.E. | Mechanical Engineering
- B.E. | Civil Engineering
- B.E. | Artificial Intelligence & Machine Learning
- B.E. | Artificial Intelligence & Data Science

POSTGRADUATE

- M.Tech - VLSI Design & Embedded System
- MBA | Master of Business Administration
- MCA | Master of Computer Applications (Regular/Lateral)

DOCTORAL

- Ph.D. | Computer Science & Engineering
- Ph.D. | Electronics & Communication Engineering
- Ph.D. | Electrical & Electronics Engineering
- Ph.D. | Mechanical Engineering
- Ph.D. | Civil Engineering
- Ph.D. | Business Administration
- Ph.D. | Computer Applications
- Ph.D. | Physics
- Ph.D. | Chemistry
- Ph.D. | Mathematics

MOCK CET ONLINE EXAM
AVAILABLE TO ALL
Practice for Karnataka CET with our online Mock CET
http://cmrit.ac.in/mockCET

Comed-K code for Engineering – E032
CET code for Engineering – E097
PGCET code for MCA – C420
PGCET code for MCA (Lateral Entry) – L420
PGCET code for MBA – B151
PGCET code for M.Tech. – T821

CMRIT offers merit and merit-cum-means scholarships to deserving students each year. Students with exceptional academic credentials may have part or full fee waiver. Contact Admissions **Office for more information.**

STUDENT-CENTRIC INITIATIVES

EMPHASISING ON EXPERIENTIAL LEARNING
- Three mini-projects every semester
- Maker-space facility open 24x7 for students
- Laboratories available beyond working hours
- Awards for exceptional projects

ENHANCING CLASS-ROOM LEARNING
- Video session on technology and course modules
- 1 mandatory MOOC certification every semester
- Use of e-contents for learning and assignments

BLOOMING STUDENT CLUBS
- Hacker Earth, Code Chef, FoSS, Google, Mozilla, IEEE, TEDx, CSI, ISTE, and departmental clubs
- Music, Art, Photography, Dance, Literary, Theatre, Media, and Well-being clubs
- Cultural, Sports, and NSS activities

SUPPORTING STUDENT PROGRESSION
- Mentoring by faculty member for each student
- Professional counsellor on campus
- Career Advisor on campus
- Intensive coaching program
- Additional tutorial sessions
- Special session for lateral entry students
- Online grievance redressal system available

NURTURING INNOVATION AND ENTREPRENEURSHIP
- Incubation centre facility
- Patent filing mechanism and support
- Guidance available to setup a company
- Collaboration with various funding agencies

INVOLVING IN RESEARCH AND DEVELOPMENT
14 Centres of Excellence (CoE)
- CoE – Machine Intelligence and Big Data
- CoE – Data Driven Internet-of-Things
- CoE – Integrated Circuits
- CoE – Signal Processing
- CoE – Additive Manufacturing
- CoE – Sensors and Nano-electronics
- CoE – Materials Science
- CoE – Natural Resource Management
- CoE – Metallurgical Engineering
- CoE – Intelligent Energy System
- CoE – Intelligent Human Computer Interaction
- CoE – Intelligent Robotic System
- CoE – Centre for Financial Market
- CoE – Embedded System

EXPOSING TO INDUSTRIES FOR CUTTING-EDGE TECHNOLOGIES
- Session by industry experts
- Industrial visits, Workshops, Panel discussions
- Internships
- Seminars, Conferences, Competitions, Exhibitions

PROVIDING BEST PLACEMENT OPPORTUNITIES
- Top-notch companies doing campus placements
- TYL (Tie Your LACES) program on Language Aptitude, Core, Experiential and Soft-skills.
- Special sessions on guidance for higher studies
- Special coaching for competitive examinations
- Support for national & international competitions
- Training on programming skills
- Optional foreign-language training
- Certification from reputed organizations
- Hand-holding for entrepreneurship
- Career guidance and mentoring

Exposure to industries for cutting-edge technologies
Sessions by Industry Experts
Industrial visits, workshops, panel discussions and internships
Seminars, conferences, competitions and exhibitions

UNLEASH YOUR CREATIVITY

MAKER SPACE

At CMR institute of Technology, we are preparing our students to excel in a rapidly changing and evolving world, with skills that enable them to innovate, adapt and lead. Our holistic approach to teaching and learning instills curiosity, empathy and social responsibility, psychologically preparing students to be independent thinkers, visionary leaders and dynamic world citizens.

DESIGN THINKING
Design thinking is a creative approach to solving complex problems of different natures; from engineering and manufacturing a new product, improving in-patient experience in hospitals, all the way to adapting cities to climate change.
Being a human-centered process, it prioritizes user needs by using empathy building methods that deepen the understanding of the context. It integrates human desirability, technical feasibility and business viability to provide holistic, unprecedented solutions.

Tie Your LACES

In today's dynamic and challenging business environment, the Career Guidance & Placement Bureau continues to work closely with industry fraternity, delicately balancing an appreciation of their customers' expectations with expectations of our vibrant students.

In addition to the college curriculum, we facilitate the holistic development of students in preparing them for future. Keeping industry's ever growing business driven expectations in technical and soft skills over and above the regular course work, CMRIT designed a flagship program called Tie Your LACES (TYL) to develop students with Language, Aptitude, Core technical, Experiential and Soft skills. The TYL trainings and initiatives will transform the students to a corporate citizen as well as improve the overall employability of the individual.

We develop students through the following activities:

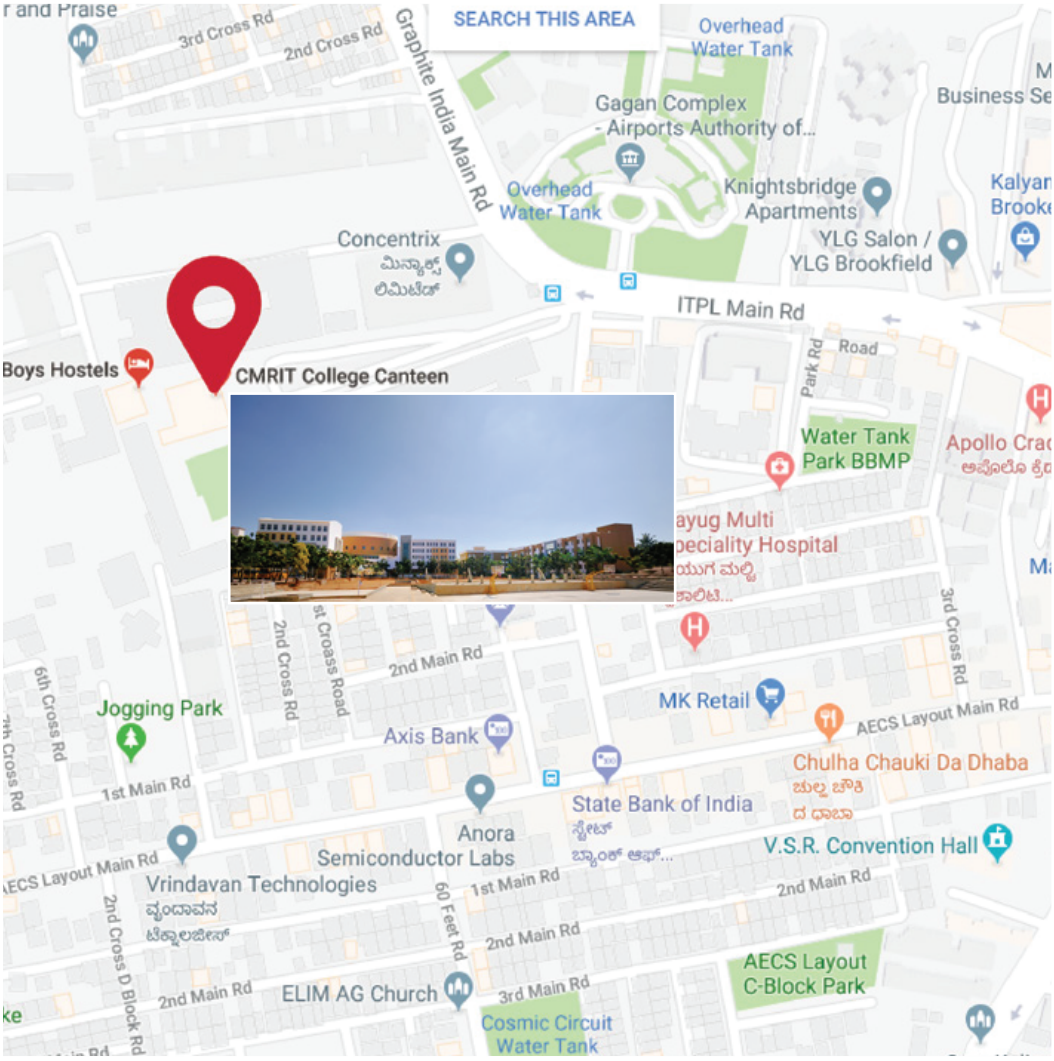

- Awareness sessions for career opportunities available to students
- Industry and Technology trends awareness sessions
- Language, Aptitude, Soft Skills and Personality development programs
- Industry and job specific technical certification programs leading to placements
- Readiness Talks from Company Representatives and HR professionals from Corporate
- Teamwork through mini projects, technical and cultural clubs
- The program aims at graduating students right from their first year
- We encourage our students to network with our alumni and successful entrepreneurs
