

E G S PILLAY ENGINEERING COLLEGE, NAGAPATTINAM – **HOSTEL DETAILS**

E.G.S.Pillay Engineering College has established Following Laboratories in order to implement practical training to Students

Constructed in a calm and healthy location, the hostel for both boys and girls in college provide complete residential facilities to the students. The facilities include a common room, computer room with WiFi Campus facility, reading room along with indoor and outdoor recreational activities..

Hostel Administration

The hostel administration is carried on by the Secretary with the assistance of Warden and Deputy Wardens. Residential Lecturers are available for guidance and Counseling. A separate mess is functioning inside the hostel providing quality and nutritious food – both Vegetarian and Non-Vegetarian.

Hostel Admission

The Application Form for hostel admission can be obtained from the hostel office. The applicant should meet the Warden with his /her Parent / Guardian and has to pay the hostel admission fees as prescribed by the hostel management. Parent / Guardian's presence is compulsory at the time of hostel admission.

Hostel & Mess

The college has well furnished hostels for boys & girls. Fine dining facilities, first aid facilities and recreations are provided separately for boys and girls. EGSPEC has 5 deputy wardens for the welfare of the students. Safe drinking water and nutritious foods (Veg as well as Non Veg) are provided. Every effort is being taken for the comfortable stay of the inmates and make them feel at home.

In order to have a good health care of the college staff and students, a Doctor has been appointed.

Accommodations – Staff Quarters, Guest House:

Faculty may stay with their family in the staff quarters. The Guest house is available for visitors.
