

## EASWARI ENGINEERING COLLEGE, CHENNAI –HOSTEL DETAIL

Our objective of establishing Hostels within the Campus is to provide students “a Home away from Home”, wherein they can feel at ease and put in their best efforts for acquiring ‘A’ttitude, ‘S’kill sets and ‘K’nowledge, towards life. We strongly believe in this formula for life viz., “**ASK**”. The Hostel Environment certainly provides self-confidence, instills discipline in the minds of students and also provides scope for developing their ideals for harmonious and communal living without Nostalgia; these attributes enable them to share the joys of camaraderie, friendship/ fellowship and professional fraternity; senior students have been trained to be more responsible and thus set good examples for the juniors. Every one should uphold dignity, selfrespect and reputation of every other student and of the Alma-Mater. ‘Self-help’, ‘Accommodating Intelligence’ and ‘Team spirit’ for the common good are the virtues expected from senior students as well as the freshers.
