

## **GLOBAL ACADEMY OF TECHNOLOGY, BANGALORE – HOSTEL DETAILS**

### **Hostel**

Global Academy of Technology has a very well-equipped hostel facility for both boys and girls. The building is an elegantly designed eight storied Hostel Building near the college premise to ensure that the students dwell in a healthy environment that helps them to grow and learn without any obstacle.

- There are single, double, and four sharing rooms
- Each room is equipped with basic furniture like cot, chair, table, cupboard for individual student with common tube light and fan.
- Wi-Fi enabled facility.
- Each floor in the hostel has separate arrangement for RO drinking water facility with in- house RO plant.
- Well maintained dining Hall with TV and clean kitchen (which provides nutritious & healthy vegetarian & non-vegetarian food of student's choice).
- 24 hrs hot water facility through the solar panels.
- Each floor in the Hostel is equipped with CCTV cameras to keep a strict vigil and a security guard for 24 hours.
- 24 Power Supply.
- Guest House and parking facility.
