## Message from the Chancellor

### Greetings!

The ICAI University, Dehradun, founded in the year 2003, has, over the years, developed the capacity and capability to strive to scale new heights in the area of higher education. It has persistently crafted right systems, staff, processes and technology to evolve into one of the finest hubs of learning.

With the guidance and encouragement of the Board of Governors, the target oriented approach of the present Vice Chancellor and of the entire team under his leadership has, in recent months helped catapult the University to a position of 44th among the Top 50 Universities globally in Industry Initiatives in the World University with Real Impact Rankings (WURI) 2020, besides getting the NAAC accreditation last year.

The University is sensitive not only to the challenges posed by the present pandemic but also to the changes in the field of technology. It has been swift to respond to these challenges and has adopted latest technology to create a customized online platform for imparting education to its students. The University keenly focuses on updating and innovating its course curriculum to keep it relevant and contemporary for its high level professional, postgraduate and undergraduate programs. It is among the few pioneering Universities that were quick to earn the global QS iGauge E Lead Certification for E-Learning Excellence and Digitization.

The 25 acres campus of the University, nestled in the foothills of the Himalayas and the Shivaliks, is well equipped with modern labs, smart classrooms, well stocked library and utilizes latest technology to impart education, training and entrepreneurship development skills to its students. The University aims to provide relevant applied learning experiences to its students through research, internships and community outreach projects. Besides the curricular activities, the student-led clubs, social, cultural and sports activities make the campus vibrant and prepare the students to be mentally and physically fit, necessary in high demanding job profiles.

The University, today in its eighteenth year, is diligently working in the pursuit of excellence in its academic offerings, through cooperation and commitment of all our stake holders and will continue in its endeavor to groom its students into ethically grounded professional who are capable of managing change and transformation in a globally competitive environment.

**Dr. M Ramachandran**  
Chancellor

## Message from the Vice Chancellor (In-Charge)

### Greetings!

It is my privilege to present the 17<sup>th</sup> Annual Report 2019-20 of the University.

The report comprehensively covers activities conducted by the four Schools of the University from April 1, 2019 to March 31, 2020. The last two decades have witnessed a remarkable growth in Higher Education in India and across the globe. There has been a major thrust towards interdisciplinary studies and interactive learning has opened up several horizons for the learner.

Since its inception in 2003, the University has continuously strived to provide quality education to its students. The campus of the University is situated in a serene environment with latest infrastructure facilities conducive to Curricular and Co-Scholastic activities. The whole campus is Information & Communication Tech (ICT) enabled which helps the students and faculty to access E-Teaching and E-Learning along with the traditional teaching pedagogy. The University also boasts of latest laboratories, virtual labs which help the faculty to impart practical hands on training to the students.

The University marches ahead to achieve its mission through a goal of blending contemporary knowledge with skills and values required to produce good citizens for our Country. The University has highly qualified Faculty in their respective fields of expertise. A large number of National and International Conferences / Seminars/ Workshops are organized by the University on a regular basis. Such events provide a variety of experiences to the students and inculcate in them skills of leadership and team spirit besides providing them exposure to the changing world which helps the students in developing their holistic personality. In terms of credentials, the University has a long history of achievements and has been awarded with several honours on National and State levels for its contribution in the field of Higher Education. Recently the University was accredited by National Assessment and Accreditation Council (NAAC). The University has entered into collaborations with many prominent industry and business houses for internships with them, which have helped the students acquire skills relevant to industry requirements. Structured training programs on Soft Skills and preparatory training for competitive exams are offered in the University to help students become more employable. Almost 100 percent placements in the Schools of the University speak the effectiveness of these programs.

We would like to extend our sincerest thanks and gratitude to Chancellor, Dr. M Ramachandran, IAS (Retd.) for his continuous guidance and his visionary leadership that has always motivated us to tread the path of continuous progress and development of the University.

We are thankful to members of Board of Management, Academic Council, Research Committee and Board of Studies for their significant and valuable inputs in all aspect of University Academics and Administration.

Our sincere thanks to Press and Media fraternity.

We are proud of our Alumni and their achievements.

Last but not the least, our heartfelt thanks to those who have been associated with the University and share the common dream of taking the University to greater heights.

I deem it my honor to be part of such a Team which is highly motivated in fostering a healthy, peaceful and engrossing atmosphere and taking the University on the global road map in the years to come.

**Prof. (Dr.) Muddu Vinay**

Vice Chancellor (In-charge)

## 5. Campus and Infrastructure

The University has a lush green campus spread over 25 acres at Selaqui, Dehradun. It has around 2.5 lacs sq.ft. of built up area with academic blocks, workshops, laboratories, faculty rooms, auditorium, seminar halls, computer labs with computing facilities, library, canteen, sports and recreation facilities. The campus provides latest teaching aids and is wi-fi enabled. The University is being widely recognized as an institution devoted to quality research and teaching. It gives utmost importance to Industry-University interface.

A number of full time campus based educational programs are offered in Management, Science and Technology, Education and Law at Bachelors, Masters and Ph.D. levels.

### Library Facilities

The campus has a state-of-the-art centralized library along with a specialized Law Library. Both the libraries are fully computerized along with Internet facilities.

The University main library contains reference materials, Indian/ International books and magazines. Subscription to industry information data base ensures that extensive research resources and publications with search facilities are available to students and faculty. In addition, it contains directories, industry reports and statistical compilations that provide timely and concise information for project work. The law library has up-to-date volumes of All India Reports, Criminal Law Journal, Taxation Law Reporter, Consumer Protection Reporter, Current Civil Cases, All Indian Rent Control, Supreme Court Cases (Weekly), Supreme Court Cases (Criminal), Supreme Court Cases (Labour), Indian Bar Review, Yale Law Journal, Harvard Law Review, International & Comparative Law Quarterly, Cambridge Law Journal and other publications. The students also have access to a vast array of books of other interests which are available from the University Central Library. The library also provides online legal resources such as Manupatra, EBSCO etc.

The library facilities are open to all students and faculty members and are continuously updated with the latest books and journals.

### IT Infrastructure

**IT Facilities:** The University emphasizes on the use of IT for teaching and in its operations. Consequently, it has deployed modern IT hardware and software on campus. Keeping the rapid obsolescence in IT hardware, software, and technologies, the University constantly upgrades its IT infrastructure. The

University campus has added one additional computer lab which is used for ANSYS & Pro-E software.

The faculty uses the computing facilities for teaching and research. The computers are networked and have Internet & Intranet facilities. The computers at the IT lab are provided with standard office productivity software and antivirus.

**Intranet:** The University with its Wi-Fi enabled campus, uses IT for planning and dissemination of information. It has developed an Intranet for organizing its operations more effectively and efficiently. It helps to provide better services to students and better utilization of the University resources.

**Computing Facilities:** The University has more than 350 Personal computers with Pentium Core i5, Core 2 Duo and Dual Core processors and servers of IBM, HCL and SUN make. The other hardware includes CD Writers, Data Modems, Scanners, Network Printers, and Laser Jet Printers. The operating systems used are Windows 7, 8, 8.1, Windows 2003, Professional, Red Hat Linux6.5 and Solaris. The applications include Office 2013, Acrobat Reader17, FrontPage 2003, TurboC/C++, JAVA2.0, VisualBasic6.0, Oracle10g server and client, SQL Server and client, IBMDB2, MATLAB7b, AutoCad 2016, IBM websphere, Adobe PhotoShop, Adobe PageMaker, Macro Media Flash, Oracle ERP application server, Tally, and Focus. The University also has statistical/simulation software tools like SPSS which students and faculty are using for their research and analysis work. Students, faculty and staff are given access to all the computing facilities. Packet tracer and Wire shark are being used for networks and security lab.

**New Technology Infrastructure:** The entire campus is Wi-Fi enabled. Students have the option of using the internet access anywhere in the campus. The IT labs are equipped with the latest software and hardware. The University has 120 mbps internet bandwidth for the use of students, faculty and staff. The internet facility has been provided to all the students for their academic and research work. Computers are provided to all the teaching staff. The facilities are upgraded regularly, based on requirement, to avoid technological obsolescence.

**Photocopying and Printing Facilities:** The University provides photocopying and printing facilities both for the students, faculty and staff within the campus. Similarly, students and the faculty also have access to document scanning and CD writing facilities.

**Hi-Tech Innovative Labs:** The following hi-tech specialty labs have been set up at the University:

- **Texas Instrument (Lab) by Texas Incorporation, USA:** To facilitate imparting of knowledge about Wi-Fi Technology and Internet of Things (IoT)
- **Northern Region Hubby FOSS Project (Ministry of HRD), IIT Bombay:** To help in conducting workshops and symposiums, jointly sponsored by the ICAFI University, Dehradun and FOSS Project, IIT Bombay, in four States (UP, UK, HP and J&K).
- **Knowledge Partner, FOSS Project (Ministry of HRD), IIT Bombay:** To facilitate use of FOSS (Open Source Software) for developing course material online.

- **E-Yantra Robotics Lab by IIT Bombay:** To facilitate establishing Robotics Incubation Centre that serves as knowledge & resource centre for robotics.
- **Virtual Lab Resource Center by IIT Delhi:** To facilitate imparting knowledge to engineering graduates about conducting different types of experiments and use of simulators.

**Health Centre:** First Aid room and one ambulance are functional at the campus. A medical practitioner visits the University regularly and remains available thrice a week.

**Placement Cell:** Full time placement cell is in place to look after the placement activities and summer internship programs of the students across all disciplines.

**Hostel Facilities:** University has contracted Boys and Girls Hostels with amenities such as 24 Hr power back up, Wi-Fi, mess, first-aid, washing and transportation to and from

University. A resident faculty is appointed as warden. Tie up with local dispensaries/doctors has been done to take care of emergency medical care for the hostelers.

**Sports and Recreational Facilities:** Indoor and outdoor facilities for sports and recreation are available. These activities help the students to lead a balanced life style and simultaneously enhance their leadership skills and team work. The University has a sports ground for playing football, hockey and cricket. It has Badminton, Basketball and Tennis courts besides indoor table tennis and gymnasiums for boys and girls.

**Virtual Reality Tour:** The University has developed a 360° Virtual Reality walk-through. All the prospective students and other stakeholders can now browse the virtual tour of the campus infrastructure and other facilities at [www.iudehradun.edu.in](http://www.iudehradun.edu.in)

## 6. Faculties and Programs

### ICFAI Business School (IBS):

IBS is committed to provide quality education and training in the field of management. The IBS faculty aims at providing high quality, value based career oriented education to the students in terms of market needs.

IBS students are closely involved in all forms of industry interface and gain hands-on experience, which leads to a more correct understanding of management concepts and practices. They are encouraged to organize seminars, management meets and workshops which develop managerial and organizing skills in them so that they can become tomorrow's business leaders.

IBS believes in creating opportunities for its students to apply academic knowledge to real-life scenarios. All students are required to take up Summer Internship Program (SIP) at reputed organizations. Through this, students not only learn more but can also complete a meaningful value added project for the company which may lead to final placements.

**Summer Internship Program (SIP):** Summer Internship Program (SIP) forms an important component of the MBA Program. It is an attempt to bridge the gap between academics and the corporate world. Under this program, students undertake a 14-Week internship at reputed organizations during the period between the close of Semester II and the commencement of Semester III. It requires students to undergo the rigors of a professional corporate environment. SIP exposes the students to technical skills and helps them to acquire social skills by bringing them into contact with real professionals. For proper coordination and to ensure smooth conduct of the program, each student is placed under a faculty guide. A representative of the industry/ organization guides the students and assists the faculty in monitoring the students' progress.

Career Management Center at the campus helps the students in sourcing projects. Over the years, IBS has gained extensive corporate support, with this summer projects have been diverse, challenging and mutually beneficial to both the students and the corporate.

### ICFAI Tech School

ICFAI Tech School comprises of competent faculty members in all areas of science and engineering with rich experience in academia and industry. At present, there are 15 full-time faculty members. The number of faculty members with Ph.D. and M.Tech/M.E/M.S qualifications are 5 and 10 respectively.

ICFAI Tech School has contributed a number of research papers in national and international journals along with paper presentations at conferences. Faculty members are engaged in research broadly in the areas of Image Processing, Wireless Communications, Power Systems and Fuzzy Logic, Data and Web Mining Techniques, Network Security, Object Oriented Systems and Adaptive Algorithms, Parallel Processing and Real Time Systems, Ferrite Composite Materials, Non Linear Dynamics, Quantum Computations, Mathematical Physics, Semi-conducting Oxide glasses, Organic Synthesis of Molecules of Medicinal Importance, Coordination Chemistry, Semi rings, Algebraic Geometry, Number Theory, Soil Structure Interaction, Slope Stability Problems in Civil Engineering and Robotics, etc.

## Programs offered

B.Tech	Computer Science and Engineering
	Data Science and Artificial Intelligence
	Database Administration & Big Data
	Mechatronics Engineering
B.Tech (LE)	Computer Science and Engineering
	Mechatronics Engineering
M.Tech	Computer Science and Engineering
	Transportation Engineering
Ph.D	Science and Engineering

ICFAI Tech School has well equipped Laboratory facilities as detailed below.

### Civil Engineering

Department of Civil Engineering has modern laboratories which are well equipped and continuously upgraded with modern equipment.

- Surveying Laboratory
- Hydraulics and Hydraulic Machines Laboratory
- Geotechnical Engineering Laboratory
- Concrete Laboratory
- Transportation Laboratory

### Computer Science and Engineering

The Department has well equipped computer laboratories containing sufficient number of computers to conduct lab sessions. The computers are dual boot (Windows/Linux) systems and all are connected to servers. These labs mainly cater to the needs of OOP's, JAVA, PL/SQL and .NET programming needs of the students.

- Specialized Computer Laboratory

### Electronics and Communication Engineering

The Electronics and Communication Department has the following laboratories:

- Basic Electronics Laboratory
- VLSI-CAD Laboratory
- Microprocessor & Microcontrollers Laboratory
- RF & Microwave Engineering Laboratory
- Digital Signal Processing Laboratory
- Digital Electronics Laboratory
- Communication System Laboratory
- Electronic Devices and Circuits Laboratory
- Robotics Laboratory

Software tools such as Mat lab, Tanner tools and Cadence etc., are also used.

### Mechanical Engineering

The Department of Mechanical Engineering has advanced laboratories as mentioned below:

- CAD/CAM Laboratory
- Internal Combustion Engines Laboratory
- Automobile Engineering Laboratory
- Machine Drawing Laboratory

- Engineering Graphics Laboratory
- Metrology and Machine Tools Laboratory
- Production Technology Laboratory
- Mechanics of Solids Laboratory
- Refrigeration & Air-conditioning Laboratory
- Measurement Techniques Laboratory
- Fluid Mechanics Laboratory
- Hydraulics & Hydraulic Machinery Laboratory
- Heat and Mass Transfer Laboratory

Software used: ANSYS, Pro E and Cadian.

**Workshop:** The Workshop contains various machine tools and equipment like CNC lathe, Capstan lathe, Turret lathe, Wood turning lathe along with shaper, Planner, Drilling machine, Bench grinder, etc.

Students get the hands on training in various areas of workshop as given below:

- a. Lathe machine shop
- b. Shaper
- c. Drilling
- d. Fitting
- e. Arc welding
- f. Sheet metal
- g. Carpentry
- h. Electrical wiring

### ICFAI Law School

The ICFAI Law School is a constituent of the ICFAI University, Dehradun. The programs offered are duly recognized by The Bar Council of India. Since its inception in 2004, ICFAI Law School is on the path to achieve its objective of developing well equipped and dedicated legal professionals for both Bar and Bench through a comprehensive body of integrated knowledge, rigorous education and certification programs. The main focus is on academic excellence and to strengthen by a drive towards diversifying the gamut of student activities.

The ICFAI Law School at present offers five year integrated BBA-LL.B. (Hons.) and BA-LL.B (Hons.), three year LL.B. and one Year LL.M programs. The University also encourages research

activities by offering Ph.D for higher research education. It facilitates its students to explore their intellectual potential and encourages their professional development through its career oriented courses and compulsory internships in Law Firms, MNCs, NGOs, Advocates, International Organizations, State and Central Government departments etc. The programs are thus designed to impart legal knowledge and skills, both functional and integrative to the students to make them leaders in their professional life.

**Academic Counseling Committee (ACC):** Students who are weak in studies or who are not able to meet the academic requirement are counseled, assisted and advised as to how they can improve their performance.

#### ICFAI Education School

ICFAI Education School, a constituent of the ICFAI University, Dehradun aims at developing a new cadre of teaching professionals through a rigorous full-time B.Ed program. As a professional institution of teaching, the ICFAI Education School has a responsibility to prepare qualified professionals in teaching and academic leadership.

#### B.Ed. Program (2 years Full Time Campus based)

ICFAI Education School has conceived and developed a unique B.Ed Program to train the teachers to meet the challenges of emerging trends and competitive environment. The curriculum and pedagogy adopted are exploratory and reflective in nature. An applied approach to learning is followed keeping in view the national and international standards of Education. Emphasis is given to holistic development of the students to meet the ever-changing demands of Education through our two year full-time program. The prospective Teachers receive a unique opportunity by engaging them actively and thoughtfully in the relevant process and issues in Education. The purpose of curriculum is to develop the domain of knowledge, teaching skills, IT skills and soft skills within the behavior of the prospective teachers. Students are trained in computer aided learning ambience where they get an opportunity to appreciate the application of IT in school education.

ICFAI Education School believes in concentric learning approach that is specifically designed to facilitate 'learning for wisdom and understanding'. The approach adopted aims at imparting

intellectual and creative skills to the learners in an integrated and well-processed manner. The educational methodology followed here is an optimal blend of innovative teaching approach that strengthens the stance of the learners in the age of mounting competition. It includes the following:

- **Intensive Teaching Workshops**
- **Soft Skills Development**
- **IT Labs**
- **Seminars**
- **Co-curricular Activities**
- **Talk Fests**
- **Projects**
- **Case Study Project**

**Teacher Internship Program:** The Teacher Internship program (TIP) of three months forms an important component of B.Ed.

Program. TIP is a simulation of real work environment in schools requires the student to undergo the rigors of professional environment both in form and substance through micro-teaching, macro teaching and simulated social skill teaching sessions.

**Placements:** The ICFAI Education School gives utmost importance to ensure success to the B.Ed. graduates to achieve suitable placement through campus selection. For achieving success in this area it has developed a strong network with the reputed schools of the region. A strong placement cell works for developing a network by conducting seminars, internships, projects and other initiatives. All pass out B.Ed graduates of the last five batches have been placed in leading schools of Uttarakhand, Delhi, Haryana, Punjab, HP, UP and other States.

**Conference on Technological Developments & Changing Dimensions of Law**

By OUR STAFF REPORTER DEHRADUN, 13 Apr: The ICFAL University is organizing a National Conference on the topic of Technological Developments and Changing Dimensions of Law on 13th & 14th April. The Conference aims at having a healthy intellectual discussion on topics pertaining to the agenda of the Conference.

Addressing the conference on the first day, the Chief Guest for the Inaugural Session, Justice L. Nageswara Rao, a sitting Judge of the Supreme Court of India said, "Whether it is the technological development in the investigative methods or in the field of technical and record keeping work, technology is having a vast impact on our dynamic justice system. Students should take interest in understanding how technology improves the efficiency of their work and performance in court. The judiciary is focusing upon creating paperless courts and facilities like e-filing which is now being introduced in many courts for the citizens. Brain mapping and narco analysis are also used for investigation and the results are always corroborated with the story and circumstantial evidence for judgment. On one hand, mobile phone records and information in the computers of the accused are used in courts for cross questioning and on the other use of mobile phones have also caused major concerns for protection of privacy of individuals. Therefore knowing the law is not enough for the students of law, the use of technology for improving knowledge and the knowledge of technological developments itself is important for helping the society."

The Chief Guest of the Valedictory session is Justice Siddhartha Verma, a sitting judge in the High Court of Judicature at Allahabad.

The Guest of Honour of the session was Padmasree Dr. Anil Joshi, the founder of Himalayan Environmental Studies and Conservation Organization.

The guest of honor & key note speaker was Prof. RK Murali, Faculty of Law, BHU, Varanasi.

Other guests of honor were Prof. Prit Saxena from School for Legal Studies, BBAU Central University, Lucknow and Dr. Yogesh P. Singh from National Law University, Cuttack, Odisha.

## Girls should get equal opportunities in education, career: Governor

DEHRADUN, JULY 26 (HNS) Uttarakhand Governor Baby Rani Maurya has said that parents play very important role in the success of students especially girls. Girls should get equal opportunities in education and career.

Youngsters should use their education for the upliftment of the society, eradication of caste based discrimination, establishing social justice and women empowerment. Youths should come forward to create employment opportunities instead of seeking jobs.

The Governor expressed these views on the convocation of ICFAI University at Selauki, Dehradun on Friday. The Governor added

that education should be used to solve the problems of society. University imparts both education and moral values to the students. Students of law may play very important role in establishing social justice and helping needy people. Students should also focus on environment and water conservation. Teachers should always keep themselves updated.

A total 235 students were given degrees on the occasion. Chancellor M Ramchandran and Vice Chancellor Dr Pawan Kumar Aggarwal were present on the occasion.

## महिला को मजबूत और स्वतंत्र होना चाहिए : लावण्या

जयदत्त संवाददाता, देहरादून : टेलीविज्ड अभिनेत्री लावण्या त्रिपाठी, का कहना है कि महिलाएं बहुत मजबूत होती हैं और वास्तव में वह अपने जीवन में जो चाहती हैं कर लेती हैं। वहीं वह टूटकोण है जो हर महिला के मन में विकसित होना चाहिए।

इक्फाई बिजनेस स्कूल में आयोजित इंटरैक्टिव सत्र में उन्होंने कहा कि महिला को स्वतंत्र विचारों वाला और शक्ती में आत्मविश्वास होना चाहिए। उन्हें समझना होगा कि कोई उन्हें शक्ति नहीं देगा, बल्कि उन्हें अपने दम पर अपने लक्ष्य हासिल करने होंगे। दृढ़ संकल्प, कड़ी मेहनत व सकारात्मक दृष्टिकोण ने उन्हें 16 साल की उम्र में मिस उमराखंड बनने

में मदद की। लावण्या ने नैतिकता पर जोर दिया। मॉडलर के संबंध में पूछे गए एक सवाल के जवाब में उन्होंने कहा कि मेहनत का कोई विकल्प नहीं है। साथ ही सफलता और असफलता का रास्ता एक जैसा है। वह एक व्यक्ति का दृष्टिकोण है जो दोनों के बीच अंतर करता है। इससे पूर्व छात्र अनुगमन आकांक्ष ने अभिनेत्री का सख्त परिचय दिया। लावण्या ने छात्रों के साथ न केवल बातचीत की बल्कि नृत्य भी किया। इस दौरान इक्फाई विवि के कुलपति डॉ. पवन के अग्रवाल, प्रति कुलपति डॉ. मुदूद विनय, रजिस्ट्रार ब्रिगेडियर राजीव सेठी और अकादमिक समन्वयक डॉ. अमित जोशी आदि मौजूद रहे।

## जीवन एक संघर्षपूर्ण चक्र, जो बहुत कुछ सिखाता है: करिश्मा

### ● पर्यावरण संरक्षण को लेकर जताई चिंता

शाह टाइम्स संवाददाता सेलाकुई। इक्फाई विश्वविद्यालय में कारपोरेट क्लब 'उद्भान' द्वारा टेलीविज्ड अभिनेत्री, मॉडल और मेकअप आर्टिस्ट मिस करिश्मा रावत के साथ एक संवादात्मक सत्र आयोजित किया गया। कार्यक्रम का आयोजन श्रीमती अर्पिता सिंघल द्वारा किया गया। आयोजन के छात्र परिधि, सचिन, अरुण, गरुडित, श्रेय, तनय, परिनीता, कौशिकी, देवाशी, अनुभव, अनन्या, अनुराग और गौरव थे।

कुलपति डा. पवन कुमार अग्रवाल, रजिस्ट्रार ब्रिगेडियर राजीव सेठी (से.नि.) और मिस करिश्मा रावत द्वारा दीप प्रज्वलित कर समारोह की शुरुआत की गई। मिस करिश्मा रावत ने उमराखंड की एक ठेठ गांव की लड़की के महानगरी मुंबई में एक सुपर मॉडल बनने के

अनुभव के बारे में साझा किया। भाषा के अवरोधों के कारण उन्होंने संघर्षों के बारे में भी साझा। जिनका उन्हें सामना करना पड़ा। कहा, 'जीवन एक संघर्षपूर्ण चक्र है जो बहुत कुछ सिखाता है और सीखना एक शाश्वत प्रक्रिया है।' कहा अपने भीतर अपनी प्रतिभा का अन्वेषण करें क्योंकि कोई भी आपको अपने से बेहतर नहीं जानता है। बाहरी सुंदरता बहुत मायने नहीं रखती है। यदि आपके पास प्रतिभा है और सही समय पर इसे प्रदर्शित कर सकते हैं तो सफलता की गारंटी है।

उन्होंने सोशल मीडिया के लाभकारी उपयोग की ओर ध्यान भी आकर्षित किया। जब उनके पर्सदीया सितारों के बारे में उत्सुक दर्शकों द्वारा पूछा गया, तो उन्होंने टेलीविज्ड मेगास्टार महेंद्र बाबू, अल्लू अर्जुन और राम चरण के साथ काम करने की इच्छा व्यक्त की। उन्होंने पर्यावरण संरक्षण के महत्व पर चिंता व्यक्त की।
