MESSAGE FROM THE DIRECTOR

Dear Recruiting Partners,

It is a great pleasure for me to welcome you to placement activities of our Institute. IMT Hyderabad has carved out its own identity in the industry in a very short span of time since its inception in the year 2011. In pursuance of its core values of the IMT Group, IMT Hyderabad strives to achieve academic excellence and all round growth for its management graduates.

We groom the business leaders of tomorrow through our unique two-year full time residential PGDM Programs, which are centred on rigor and unique teaching-learning processes. Our curriculum continues to incorporate changing business requirements through feedback from the industry experts on a continuous basis, which of course, better prepares our students to tackle contemporary business needs.

We are proud to present you the class of 2021, whose academic rigour, multitude of activities and extensive industry interface has endowed them with essential business acumen, decision making skills and necessary aptitude. IMT Hyderabad has always believed in achieving excellence through training the well balanced individuals who would be the change agents of future and carry forward the unsurpassed legacy of IMT group.

Our PG Programs are known for the quality of its graduating students and their ability to adapt to the challenging business requirements. I am confident that the batch of 2021 will prove to be a valuable resource to your organization.

Warm Regards,

Dr. M. Venkateshwarlu
Director
IMT Hyderabad

Students at IMT Hyderabad learn by knowing, doing and being, to evolve as socially responsible, industry ready professionals. Through our PGDM Programs, we provide enough opportunities to students to acquire domain proficiency, sharpen critical thinking & problem-solving skills and develop interpersonal skills.

We develop global perspectives through cases & global immersions, and instil social consciousness through community connect initiatives among our students.

We welcome you to explore young and energetic talent at IMT Hyderabad to further your organisational goals.

Warm Regards,

Dr. Sriharsha Reddy
Professor, Finance & Accounting and Dean - Academics

MESSAGE FROM THE DEAN- ACADEMICS

MESSAGE FROM THE HEAD- CORPORATE RELATIONS

IMT Hyderabad is a part of the IMT group, which has a legacy of over 40 years in management education. IMT Hyderabad offers 2-year full time residential Post Graduate Diploma in Management (PGDM) Programs and also Post Graduate Diploma in Management Program for Executives.

Widely experienced faculty, state of the art infrastructure combined with innovative pedagogy and rigorous learning processes render IMT Hyderabad as the most apt platform for grooming and molding the business leaders of tomorrow.

Because of our experience in management education and the overall rigor of the programs, we are preferred by the industry when it comes to recruiting bright talent from campus. Companies like Walmart, KPMG, Deloitte, PwC, Colgate Palmolive, Amazon, Tresvista Financial Services, Khimji Ramdas, Zomato, CBRE, Novartis, VE Commercial, Coffee Day Beverages, IBM, Tata Capital are just a few names who have hired students of IMT Hyderabad. The fact that companies who visit our campus for recruitment are our regular recruiters, is a testimony of the fact that they are extremely happy with the performance of our students.

The batch of 2019-21 is a good mix of students from all backgrounds and has students from engineering background (43%), Commerce (37%), Arts (4%), Management (7%) and science (7%). There are students with work experience greater than 2 years (13%), work experience between 1 to 2 years (19%) and work experience 0 to 1 years (68%). Besides diversified backgrounds, the batch is a good mix of gender diversity with 30% female students.

The students specialize in the areas of Marketing, Finance, HR, Operations, Analytics and General Management.

All the students have undergone a 14-week summer internship, which gives them a good notion of the market trends. The students contribute substantially and at the same time get a good amount of learning during their summer internships.

I extend a warm invite to you to attend our final placement process for the class of 2021 and look forward for a symbiotic relationship.

Warm Regards,

Prakash Pathak

The academic building showcases modern architecture, offers

cutting-edge teaching facilities in its celebration of open spaces and natural light. IMT Hyderabad boasts of world class IT infrastructure, with Wi-Fi in every corner of the campus, which makes learning more meaningful and insightful.

IMT Hyderabad is bestowed with well-built hostels having all the necessary facilities, which ensure

comfortable stay for our students on campus. There are few things as alluring as a healthy lifestyle, and the recreation centre at IMT Hyderabad is equipped with latest exercise machines and accessories. A mess, dining hall, cafeteria, and groceries store cater the everyday need of campus residents.

Knowledge is vast and so is the

Learning resource Centre at IMT Hyderabad, with a huge collection of books, Journals, Electronic Databases. Learning Resource Centre at IMT Hyderabad aims at knowledge advancement by providing free and open access to the materials and information to be used by all the students, faculty, research associates and staff of the institute. It is a one-stop place for meeting all the information requirements. The resource centre is well equipped with the latest print and non-print resources consisting of around 14000 books and latest national and international journals.

IMT Hyderabad believes at creating lifelong learners and researchers by providing access to numerous analytical tools such as EBSCO;

Capitaline; CMIE- ProwessIQ, Economic Outlook, TradeX; Emerald; EMIS Intelligence and EPWRF India Time Series. Students are prescribed Harvard Case Studies during their curriculum and the Learning Resource Centre at IMT is equipped with almost 300 Harvard case studies in all the domains which are readily available for reference.

Learning Resource Centre provides the students with the facility of remotely accessing the digital database of a variety of E-books, E-journals, Plagiarism checker- Turnitin and other E-resources. For convenience, the users can use the computers available in the LRC for accessing the library resources including online catalogue of holdings and E-resources. The

campus is fully Wi-Fi enabled for accessing the E-resources. The LRC users are empowered with many facilities through Online Public Access Catalogue (OPAC).

The health of students is given paramount importance. There is an in-house clinic with a full time residential medical professional available 24/7 on campus.

The student fraternity at IMT Hyderabad comes from different cultural background, promoting diversity and thus creating an environment, which propels building interpersonal skills and attain a broad experience grounded in reality so that they can effectively and innovatively tackle everyday hurdles.

"No two leaves were alike, and yet there is no antagonism between them or between the branches on which they grow"

EQUALITY FOR OPPORTUNITY

The programs at IMT Hyderabad are designed with expert supervision in order to offer equal prospects for every possible skillset of students who walk in for knowledge. Our courses are the foundation of tomorrow's success.

PGDM PROGRAMS

IMT Hyderabad offers two year full time PGDM, PGDM (Finance) and PGDM (Marketing) Programs approved by AICTE. PGDM Programs have an innovative and industry relevant curriculum with contemporary courses that provide a holistic picture and learning about real life business situations and problems. Programs at IMT Hyderabad are offered in trimester pattern. Students are exposed to core courses in the first year and elective courses in the second year. The pedagogic approach followed by the institute is student centric, participative, experiential and team-based. As a part of our efforts to prepare the students for industry, 10-20% of our sessions in the regular courses are conducted by practitioners from different

sectors of business. Our industry-centric approach is also reflected in our extended internship program, which, our students undertake during the intervening period between first and second year. The internship extends over a period of 14 weeks. Students can select wide range of industry relevant and contemporary electives from a basket of 100+ elective courses in the areas of Marketing, Finance, Human Resources, Operations, Strategy and Analytics.

In pursuit of academic excellence, IMT Hyderabad provides curricular and extracurricular inputs through live projects, simulations, showcases, industrial visits, international exchange programs, sports fest, management fest, debate clubs, cultural clubs and many more.

PEDAGOGY

IMT Hyderabad offers a distinct curriculum focusing on an insightful and practical mode of study for the students who embark upon it. This is achieved by various case studies from Harvard Business School and other globally renowned Universities. The distinguished professors provide the students with holistic view on the subject, igniting young minds.

Through a uniform blend of case based pedagogy and through practitioner sessions, where eminent members of companies' seniority level deliver around 20% of the course, students thrive at IMT and equip themselves with the requisite skills to understand the ever-changing industry requirements and adapt themselves to the nuances of Global Market.

LEADERSHIP SERIES

CXOs from various leading corporates and speakers with proven expertise are invited to the campus to share their business building experience with the students. Seeing a new face in front of the room provides students not only with different perspectives, but also with insightful knowledge, which they can apply in their personal and professional front. The sessions enhance the educational experience of the students. They learn about the prospect future challenges, motivating them to think out-of-the-box.

Such lectures from the professionals are a great way of augmenting the students with the industry and technical know-how. Today, higher education embraces the idea of interdisciplinary thinking and performance, and the leadership series is a way to model this in addition to the regular routine lectures.

INTERNSHIP PROGRAM

Internship is the express ticket to the career of dreams, helping a student to bridge the gap between knowledge gained in theory and practice. Summer internship provides the students with plethora of opportunities to apply their classroom knowledge on the field and at the same time, get a chance to step their foot in the real corporate world. Internship helps the students to hone their skills and boost their confidence and attitude, which the professional life demands. Summer internships are about exploration, learning, building skills and planning the long-term goals.

In the curriculum, Internship forms an integral part in the evaluation with a weightage of 15 credits, which is equivalent to 5 full courses and to make it more effective, Internship Program is jointly

evaluated by both Faculty Guide and Industry Guide. It provides students with an opportunity to learn and practice business knowledge and professional behaviour.

PRACTITIONER SESSIONS

At IMT Hyderabad, real-time information, with all the insightful happenings in the industry is being conveyed to the students in the form of practitioner sessions conducted by senior officials from the corporate world. Almost 20% of every course delivered will be covered by industry experts to ensure that the students are well updated about the current business scenario and to make them future-ready to face real-world challenges once they enter into the corporate.

CONCLAVES AND GUEST LECTURES

Bringing innovation & creativity among the students of IMT Hyderabad has been always a priority. Eminent speakers from across the industry share insightful information with young minds. There are a lot of instances that come up in the corporate which require quick thinking and knowledge of core concepts. Therefore, sessions like guest lectures bring reality in front of the students and help them become future business leaders.

Conglomeration of thoughts emerging out of eminent speakers' intellectual sharing during conclaves offer a good opportunity to the students to acquire strategies and skills. IMT Hyderabad organized a conclave on "Challenges in Developing Leadership" at Hyatt Hyderabad on 24th January, 2020. The two keynote speakers were Mr. Yogi Sriram and Prof. E.S. Srinivas. The conclave saw participation from some renowned eminent personalities from the industry.

COURSE CURRICULUM

IMT Hyderabad curriculum is benchmarked against the best in the world to ensure our students are equipped to achieve excellence. With rapidly changing business needs, the Institute reviews and revises the course curriculum every year. Industry experts play a very important role in designing the course curriculum. This ensures that the courses offered have practical relevance and aim at making the students understand various facets of the businesses

STUDENT EXCHANGE PROGRAM

Class 2021

40 PARTNER INSTITUTES ACROSS THE GLOBE

To provide our students with relevant exposure to international business practices and culture along with the building of social skills in international setup, the IMT-Group has tied up with more than 40 partner institutes across the globe, including the USA, Europe, Australia, Asia, and Africa. The exchange program consists of both inbound, where students from partner institutes spend a term at IMT-Hyd, as well as outbound where IMT-Hyd students spend a term at partner institutes. Over the years, the program has enabled broader exposure for our students from insights gained from visiting international students and also increased opportunities to collaborate with students from diverse cultures.

The partner institutes are chosen based on the criteria of accreditation, ranking, diversity and their past performance with other partner institutes. Many of the partner institutes are Triple Crown i.e. AACSB, EQUIS and AMBA have accredited them.

In Kedge, I've had an opportunity to interact with many international students and understand how cultural differences play a key role in business management. The professors were supportive and helped me throughout my course. Meeting people from different backgrounds and nationalities gave me new perspectives.

I would like to thank IMT Hyderabad for giving me this once in a lifetime opportunity.

Sai Kiran, PGDM (Marketing)
Exchange Student -KEDGE Business School, France (2019-20)

IMT Hyderabad is one of the happening places I have ever experienced. Apart from the high-end curriculum, participation in campus events gives a real-time experience of the assignments and case studies taught in the class.

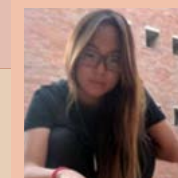

Michael Hager
FH Kufstein Tirol, Austria, 2017-18

"When you live in a place away from your parents you learn how to live, but when you live in a place away from your culture you rediscover life and yourself. You not only learn how to survive but also see the beauty in it.

This is what I went through, my zeal for learning to survive in a new place increased. I finally understood that after all life is about new experiences and discovering a newer version of yourself during all the new experiences."

Jeevan Saiteja Silla Reddy, PGDM (Marketing)
Exchange student, EM Normandie Business School, France-2018-19

"Doing my exchange program in India was a way for me to discover a new culture. When we arrived in Hyderabad for the first time, I felt excitement but also stress because I didn't know what to expect as it was my first time living on a campus. Students made me feel welcome and were always up for a talk and step by step I was comfortable in the college. Thanks to all the people I have met in IMT and during my travel in the country.

Vannesa You,
NEOMA Business School France, 2019-20

SOME OF OUR PARTNER INSTITUTES

WHAT SOME OF OUR STAR RECRUITERS THINK ABOUT US

Hi Team IMT Hyderabad,

It was a start to an amazing journey and a wonderful relationship of trust and transparency which we initiated with IMT Hyderabad in February 2020.

We were invited by the institute to conduct our campus drive and it was definitely an experience worth sharing-Starting from the professionalism displayed by Sowjanya M (Executive - Corporate Relations), Prakash Pathak (Head - Corporate Relations) and the excellent support mechanism provided by Dr M Venkateshwarlu (Director of IMT Hyderabad).

After an interactive session with the students, the day started with the interview process and it did finish

on an amazing note, wherein all the students interviewed were also the ones who were offered by us-it was a history in the making for sure!

This feat was possible because of the dedication, hard work and passion displayed by the students of IMT Hyderabad. We had an amazing experience and would love to continue with our relationship and participation in the year round engagement with IMT Hyderabad.

As often mentioned by me, "Campus Hiring is about a relationship with the students wherein we as a firm support them, engage with them throughout their academics and finally help them achieve the leap in their professional journey-Recruitment is certainly not the focal

point rather it is the last stage which helps young, confident individuals to embark on a journey of growth and development."

We look forward to more engagements and would not miss an opportunity to meet and spend time with the young minds at IMT Hyderabad, thank you once again for all the support extended to us.

Warm Regards,

Siddhartha Shukla
Entry Level Talent Acquisition Leader
at PWC

We have been able to pick out some capable and confident students for our company. We were impressed by the hard work done by the faculty. We look forward for a future association as well.

Divya Swaroopa Thota, Human Resources- Senior Executive at Excelra

We found the students to be knowledgeable, committed and had a fair understanding of the corporate world which is a good sign of the kind of education being shared with the students.

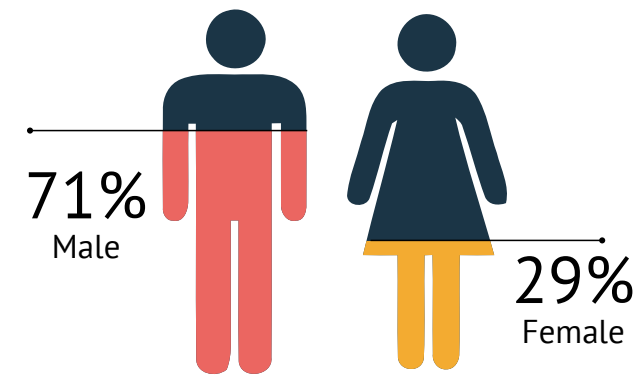

Over all it was a very good experience and I thank everyone from the institute who organized the drive.

Regards,
TVNR Satyendra Kumar

GLORY FOR GROWTH

We at IMT Hyderabad, train our batches to adorn the determination and perseverance to rise above all challenges and set the goal ahead towards accomplishment. We equip them with the knowhow and potential to turn any prospective situation into a glorious opportunity.

PLACEMENT PROCEDURE@IMT HYDERABAD

PPO POLICY

PRE-PLACEMENT OFFER

Students receiving Pre-Placement Offers, with more than previous year average campus placements salary, will not be considered in the placement process. Students with PPO's less than this salary, if they wish to, will be allowed to sit in the campus placement process, provided they have formally rejected the PPO marking a copy to Head Placements. Once a PPO has been accepted by the student, they will be automatically removed from the placement process.

Step 1

PRE-PLACEMENT TALK (PPT)

PPT is an ideal platform for interaction between corporate fraternity and students. The recruiters share their company's vision, work culture and opportunities available at Management Trainee and middle management levels. This is then followed by a detailed Q&A session to help the students gain deeper understanding about the organization and role offered.

Step 2

APPLICATION

The interested students apply to the organization through placement office. As part of application they submit their detailed resume which then is shared with the organization by the placement office.

Step 3

PLACEMENT INTERVIEWS

The recruiters shortlist candidates for either GD rounds or Personal Interview rounds depending on the organization's recruitment policy. This gives organizations and students an excellent opportunity to interact with each other and understand the role and profile in detail.

Step 4

OFFER AND ACCEPTANCE

Once the final interview round is conducted, the company makes a firm offer to the candidate. The offer should include regular details such as job role, compensation package location and other terms and conditions required by the candidate to make further decision.

Keeping in view the current situation and trend, the entire placements procedure at IMT Hyderabad is witnessing a shift towards automation, where the process flow can be streamlined and monitored for a hassle-free placements experience.

ALUMNI TESTIMONIALS

“

It was not one thing about IMT that made it unforgettable but the mix of everything. It was burning midnight oil trying to crack accounting case studies, the Janmashtami competition between juniors and seniors, the Antragna performances which made me realize that I can dance, the nights we spent in Amphitheatre for Finacea club, the faculty who inspired us and more than anything the friends we made for life.

PRANAV MITRA

2012-14
Manager – Treasury and Corporate Finance at Hetero labs

”

“

DARSHAN GANATRA

2013-15
Senior Analyst at JPMorgan Chase & Co.

The rich and diverse background of the faculties and the quality of courses covered helped me nurture my skills and remain relevant in today's dynamic job market. Given all the success IMT-H alumni have seen over past few years, it's matter of time before the Institute makes a mark for itself.

”

“

AKSHAY JAIN

2011-13
Assistant Manager – Area Business Manager
Samsung India Electronics

"MBA at IMT Hyderabad had been a place of great learning, fun and diverse culture. We had the blessing of learning from the incredible faculty along with the top-notch infrastructure facilities. The faculty were more like friends & mentors who guided us not just during our course but after that as well.

The Case Study based approach to learning & participating in various business simulations made us understand the concepts beyond just the theory. Those concepts are still quite relatable in my current field of Digital Marketing as well.

EXECUTIVE PGDM

IMT Hyderabad offers AICTE approved PGDM Executive program for working professionals on weekend mode. The program is specially designed for professionals with five years of experience who want to gain an extra edge in their career. The program structure is flexible and customized to the needs of sponsoring organizations. The program grooms the participants for leadership roles besides instilling functional expertise.

STRUCTURE OF THE PROGRAM & PEDAGOGICAL APPROACH

The program is of 18 months, comprising of nine terms. The program structure had been devised considering the contemporary requirements of the working professionals. The courses are delivered using a mix of different effective pedagogical methods such as case discussions, lectures, business simulations, games and industry expert sessions. The delivery of courses substantially relied on experiential learning and supplemented by case discussion. The participants also work on the field-based dissertation in real life business settings to create value for their employer through a measurable outcome.

EXECUTIVE EDUCATION

IMT Hyderabad has been very active in executive education since its inception. IMT Hyderabad believes that every organization goes through business cycles and face challenges in the business environment. Hence it is necessary for them to keep pace with by adapting latest concepts and techniques.

Each of the above categories of programs are designed and delivered keeping in mind the various managerial and business needs to be addressed by the organizations. IMTH has experienced and expert faculty members. The focus of executive education programs are typically the training needs of industries across all functional areas such as Operations Management, Marketing Management, Accounting and Finance, IT and Analytics, Human Resources Management, Organizational Development and Business strategy etc.

To meet the training needs of managers, IMTH offers Executive Education under three categories

- Company Based Programs offered by the Institute are customized to meet the specific needs of organizations. The focus of these programs is understanding the training needs of different organizations across functional areas to design and deliver considering the latest concepts, tools and techniques in field of management.
- Management Development Programs are offered by faculty in the area of expertise across various disciplines of management and invite participation from different organizations. MDP Programs are primarily short duration from 2 days to 5 days.
- Certificate Programs are offered to the participants on a specific theme and typically long duration ranging from 1 month to 1 year.
