

## **INDIAN ACADEMY DEGREE COLLEGE AUTONOMOUS BANGALORE – HOSTEL DETAILS**

### **Hostel Accommodation**

The boarding accommodation made available by our group of institutions, for students who choose to live close to the campus, is a home away from home. Separate housing and dining facilities are available for boys and girls, in hostel blocks that have been specifically established for the students of Indian Academy Group of Institutions. These premises are located very close to the campuses of IAGI.

Hostel rooms are well-ventilated and adequately lit. Well-trained security staff extend round the clock security to our hostelites. Each room is furnished with suitable furniture and has access to washrooms, reading rooms, indoor sports area, etc. Full-fledged dining facilities ensure fresh food is served on a regular basis. In-house wardens are the custodians of hostels, who ensure smooth functioning. Accommodation in these hostels is limited; the rooms are sanctioned as per IAGI hostel admission norms.
