

JERUSALEM ENGINEERING COLLEGE, CHENNAI – HOSTEL DETAILS

The college offers hostel facilities within the campus. We appreciate that most of our students are moving away from home for the first time, so we strive to make the transition as smooth as possible by offering comfortable and safe hostels within the campus. It offers separate hostel facilities for boys and girls with hostel warden in each hostel to supervise day to day management. Each hostel operates its own mess providing hygienic and nutritious meals, as a part of the hostel fee, with a varied menu that caters to a range of taste buds. All the rooms have been designed to provide adequate moving space, ample air and light.
