# About JMC

## Down Memory Lane

Jesus and Mary College, a constituent College of the University of Delhi, was established by the Congregation of Jesus and Mary in 1968. This religious congregation was founded by Saint Claudine Thevenet in Lyons (France) in 1818. Six Sisters of the Order came to India in 1842 and the first Institution started by them was St. Patrick's school in Agra. In 1904 the first women's college, St. Bede's was established in Shimla, Himachal Pradesh. Mother Del Rosaria, Superior General of the Congregation of Religious of Jesus and Mary, who had visited India in 1955, was alert to the needs of youth. She took the first step to open new paths to higher education for girls of all social strata. It seemed ideal to open a college for girls in Delhi in keeping with this goal.

With the constant support of Fr. Loesch s.j., the then Provincial, Sr. Felix Pritchard, identified a 15-acre plot on the boundary of Diplomatic Enclave in Chanakayapuri. In 1962, official permission was granted to start a new College for women with the right to a grant from the University Grants Commission, New Delhi. On the seventh of January 1967, Archbishop Joseph Fernandes of the Delhi Diocese officiated the Blessing of the foundation stone in the presence of Rev. Mother Del Rosaria the Superior General of the congregation.

The main building of the College, stands on the solid rock of the Aravalli Range, consisting of three buildings: the interconnected Teaching and Administrative block, the Library and the Multipurpose Hall. The elegant residence for the nuns is set apart, surrounded by a lush garden. The College maintains lush fields for hockey, cricket, lawn tennis, football and basketball. Also set in the grounds is an amphitheater.

The College started with 116 students, offering English Hons and a B.A. (Pass) Course. Over the years the College has evolved to a strength of 2,500 students offering 10 Honours Courses, B.A. Restructured Programme with 17 subject combinations, Bachelor of Elementary Education (B. El. Ed.), Bachelor of Vocation (B. Voc.), and Post-Graduation courses in English and Hindi.

The LOCF approach has been adopted to strengthen the teacher- learner interaction as students engage themselves in programmes of their choice and learn to realise their inner calling. Students are required to take a prescribed set of courses :

**Core courses** refers to a course studied compulsorily by a student as a core requirement of her particular discipline.

**Discipline Specific Elective (DSE) Courses** are Elective courses which may be offered by the main discipline/subject of study.

**Generic Elective (GE) Courses** are elective courses chosen generally from an unrelated discipline/ subject, with an intention to seek exposure.

**Ability Enhancement Courses (AECC)** are of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon content leading to Knowledge enhancement. These are i. Environmental Science and ii. English/MIL Communication which are mandatory for all disciplines. SEC courses are value-based and/or skill based and are aimed at providing hands-on-training, competencies, skills, etc.
