INSTITUTIONS

About

KRUPANIDHI GROUP OF INSTITUTIONS

Krupanidhi Group of Institutions is a premier institute founded in 1985 by Prof. Dr. Suresh Nagpal, Mrs. Geeta Nagpal and Prof. Sunil Samson Dhamangi. Started with the Central Goal of Nurturing the naive young minds into leaders of tomorrow, the institution's Sprawling Residential Green Campus now fosters a diverse and Multi-Ethnic Environment with more than 6,500 students from 35+ countries bringing in Uniqueness from different corners of the world.

Krupanidhi is dedicated towards the holistic development of the student community via engagement and mentorship in multitude of factors like Entrepreneurship, Research, Innovation, life skill Trainings alongside Academics that features Global Curriculum with Unique teaching techniques.

About

KRUPANIDHI SCHOOL OF MANAGEMENT

Krupanidhi School of Management (KSM) is an integral part of the Krupanidhi Group of Institutions, founded with the vision to Develop a course of study that leads to a Dynamic Management Degree.

Established in 2008, KSM is one among the Top Business Schools in Bangalore, providing Excellent Academic delivery and Infrastructure to its students. It is the first Institute in India to introduce PGDM in Healthcare Analytics. KSM has been Ranked the 7th Best B-School in South India by Times of India. It is also ranked as the 14th Best MBA Private Affiliated College and 34th Best Private B Schools in the South Zone categories by the Outlook ICARE 2021 B-School Ranking. It is also ranked amongst the 100 Best B Schools in India by the Dalal Street Investment Journal 2021.

The MBA program under Krupanidhi Group of Institutions is affiliated to Bangalore North University, approved by AICTE Delhi, and recognized by the Government of Karnataka and the PGDM program is approved by AICTE Delhi and recognized by the Government of Karnataka.

KSM has long played a pivotal role in building the Core Competencies of the students such that they transform into the Catalysts of the Socio-Economic progression of the country and the world at large. With much emphasis on global education and Mentorship towards Research and Innovation, KSM also nurtures the Entrepreneurial spirit of the students, thereby, producing not only the competent job seekers but also modeling the job givers who become the veritable game changers of tomorrow.

MESSAGE FROM CHAIRMAN'S DESK

Prof. Dr. Suresh Nagpal
Chairman,
Krupanidhi Group of Institution

Greetings from Krupanidhi Group of Institutions!

Our vision is to be a leading global institute for learning, innovation, research, and discourse. We envision entrepreneurship as the central stratagem to best serve the nation in general and the world at large.

In keeping with this vision, since its inception in 1985, KGI has distinguished itself by its outstanding Academic Programms, support for Entrepreneurs, and Research across various domains. Our 75,000+ Alumni are making KGI proud with their significant contributions across myriad sectors globally. The Group boasts of imparting exemplary education to several colleges under its wing including Business School, Pharmacy College, Physiotherapy College, Degree and PU College, Nursing College, and International School.

Krupanidhi has always been futuristic in its approach to Education. We are the first Institution to introduce International Healthcare Analytics in India.

specially designed to combine the best of healthcare and data analytics to match the current need in the market.

With widespread open access to information, the youth of today are more curious and resolute than ever before. Understanding the need to refine the traditional curriculum with integration of research and innovation, Krupanidhi School of Management drives its research initiatives under Krupanidhi-Research Incubation Center which helps keep the vigor of education alive amongst its students. The real goal of KSM does not solely rest upon producing Industry- Ready, Competent job seekers but also providing environment that flourishes adroit entrepreneurs who become capable job givers of the future. Our mentors at Krupanidhi Center for Entrepreneurship provide impeccable guidance to mold the students' ideas of businesses into a start-up of their own.

While all of our faculty members are exceptional scholars in their own disciplines, they are also inspiring teachers, impactful consultants, award-winning case writers, and renowned corporate and policy advisers. They understand KGI's core vision of empowering future generation and hence, they practice the unique art of teaching with a Student-Centric and Transformational Methodology.

Reflecting on these strengths, KSM was ranked the 7th Best B-School in South India by Times of India and was also featured as one of the Great Indian Institutes of 2018 by the Forbes Magazine. We were also conferred with the Platinum Category award by AICTE for four years in a row.

So, dear students, I want to assure you that should you choose to come to KSM, you will be learning from the leaders in the field of education. Let us work together in making KGI a World-Class Institution.

Wishing you all the best at all times to come.

KRUPANIDHI

Research Incubation Center (K-RIC)

Krupanidhi-Research Incubation Center (K-RIC) was launched with the prime motive of building a robust research culture at Krupanidhi by inspiring and igniting young minds towards research, regardless of their discipline.

The B-school curriculum is integrated with research, wherein every student is initiated into the world of exploration. They learn how to build and work on a hypothesis which ultimately culminates into a research paper that is published in International Journals with Scopus level index at the least.

KRUPANIDHI CENTER FOR ENTREPRENEURSHIP

“Launch your dream Startup company at KSM”

Krupanidhi Centre for Entrepreneurship has been established in collaboration with The Bengaluru Angels with the aim of producing independent entrepreneurs who will be the veritable game changers of tomorrow. The Center, headed by Mr. Nirmal K Bhardwaj, works towards nurturing the entrepreneurial talents with profound guidance and mentorship towards modeling of the novel, creative ideas of the students into start-ups of their own. The students undergo myriad of training sessions that help stir up and strengthen their creative-entrepreneurial capabilities which help refine the idea over time, thereby, filling life into the venture. The students are mentored not just into shaping their business plan but guidance is also provided on

matters related to finances. KCE works alongside the students to help them prepare compelling pitches whilst connecting them with different investors such that they are able to seal great deals.

KCE also has come up with some initiatives to take that extra mile in ensuring student success like the foundation course in entrepreneurship, presentations by startups and monthly webinars for experience and knowledge sharing by successful entrepreneurs.

Krupanidhi Center for Entrepreneurship ensures that we support students and their start-ups in ways that make them capable of scaling –up such that they achieve wide-spread success in the future.

KRUPANIDHI CENTER OF EXCELLENCE

Krupanidhi Group of Institution has collaborated with IBM Career Education Program to establish an online platform that offers more than 100 courses on specializations like Artificial Intelligence, Data Science, and Machine Learning, Cloud Computing, Data Analytics, Cyber Security, Internet of Things and so on. The major highlights of the collaboration are:

- Access to Global Certification for Student and Faculty Members
- IBM Certificate at the end of the program for all the participants who access content online and clear the certification exam.

Industry - Academia Interface

Krupanidhi School of Management's Industry-academia interface initiatives are the soul of the education system here aimed to fill in the knowledge gap that exists between the academic curriculum and industry requirements. While Industry projects, internships and trainings along with initiatives like new age value added courses form the core of both our MBA and PGDM programs, the syllabus of our flagship PGDM programs are designed and regularly updated based on the recent industry trends and requirements. Our Panel of Advisory Governing Council and Subject Matter Experts from diverse industrial sectors provide guidance in formulation of an up-to-date industry relevant

curriculum. The academic world is creative and more often, Industries look at research based academic institutions for application of theoretical knowledge to rectify practical industrial problems. Krupanidhi School of Management collaborates with various industries to understand the unmet need or the area of concerns at recent times to formulate a tangible research question which is incubated and worked-upon by the students along with their guides in quest of a solution. Our graduate students are ready to learn and able to collaborate.

INDUSTRIAL VISITS

Industry visits form an inevitable part of the teaching-learning system at KSM. They expose the students to far more than just a glimpse of the internal working environment and current work practices at the companies. With access to real-life understanding of the matters related to execution of industry operations as well as deeper insight into industry regulations and practices, the students are also provided with the opportunity of interactive learning experiences outside the classroom. The industry visits are planned in such a way that they are spaced out throughout the course duration whilst covering diverse domains like Marketing, Finance, Manufacturing, Services and so on such that our students' industry outlook broadens with each passing semester.
