

CHAPTER-IV

COMPUTER CENTRE

The University has a well-developed Computer Centre with a good number and variety of equipment to cater to various requirements of the faculty members, administration and research scholars. In addition- Laser Printer and high speed Line Printers are also available.

A major function of the Computer Centre is to computerize the works of the different branches of University. Almost all aspects of accounts, like re-conciliation, budget preparation, classification have been automated by the Computer Centre in the past. In addition all the work relating to salary, e.g. bills, deductions, provident fund etc. of all the employees of University has been automated by Computer Centre, which is now operated by finance department. Large component of work relating to Pension Scheme has also been computerized by Computer Centre.

Computer Centre is preparing the result of B.Tech. Engineering students of Kurukshetra University and its affiliated Colleges/Institutes. The required software has been developed by Computer Centre. In the year 2017, 29768 regular & 96029 re-appear students, result's declared by the Computer Centre.

On the training front, Centre has successfully conducted a number of short-term training programmes on computer awareness for University officials. Started from the month of January 2017, the training has been provided to 100 non-teaching staff members till date.

Computer Centre is also looking after the maintenance work of the computers, computer peripherals, laptops, printers, UPS, scanners of the University teaching/ non-teaching Departments and Offices. In the year 2017 around 700 complaints are received and maintained by the Computer Centre. Computer Centre plays a major role in the purchase of computers, peripherals, laptop, printers, UPS, scanners etc.

Computer Centre serves the work of E-waste co-ordinator for the dispose off computers & peripherals to authorized dealers as per the direction of Haryana State Pollution Control Board, Panchkula. Recently, 6460kg E-waste items of the University have been disposed of by the Computer Centre.

During Haryana Day functions & other important festivals Computer Centre provides the peripheral & computers as per the requirements of the different departments.

Computer Centre has conducted a series of short-term courses for students of University Department, particularly of those Departments where usage of computers is not a part of the formal syllabi. Besides all these, practical classes of department of Library Sc. & Information is a regular feature of Computer Centre

DIRECTORATE OF DISTANCE EDUCATION

**Director
Deputy Registrar**

**Prof. Manjula Chaudhary
Dr. Pankaj Gupta**

Distance Education Programmes of Kurukshetra University were started in 1976 through Directorate of Correspondence Courses with a vision of providing higher education opportunities to the large number of aspiring persons who could not be part of regular education. Since then the Directorate has been attempting to provide access to quality education at nominal fees. The Directorate was re-casted as Directorate of Distance Education (DDE) to keep pace with the advancements in distance education modes. It has consistently evolved and reinvented with times and in the recent years around 23000 students enrolled in about 34 undergraduate and postgraduate conventional and job-oriented professional courses in the areas of Law, Commerce, Library & Information Science, Computer Science, Management, Journalism and many more. Its courses meet students' demand and social needs. The curricula are updated along-with regular courses to offer education at par to the students of distance education. The important programmes offered by Directorate are two year LL.M and two year B.Ed. Its LL.M course is preferred by working law professionals and NCTE approved B.Ed benefits working teachers in schools and educational institutions across the country. All courses of the Directorate are recognized by regulatory bodies; Distance Education Bureau (DEB), UGC, NCTE.

The learning mode adopted by the Directorate involves use of study material for self learning and annual Personal Contact Programme (PCP) for teacher assisted learning. DDE teachers provide round the year personal counseling to its students and the time table allotted to different classes is displayed on the website in the beginning of year. DDE provides study material in SIM Format in both print and soft forms. The soft version can be downloaded from the DDE Website using a unique user Id allotted to each student. DDE aim is to provide all study material in the form of ISBN numbered books. The Directorate provides many facilities to its students such as centrally air-conditioned, well-equipped Computer Labs with internet facilities, teaching-block exclusively for the classes of distance education students, centrally air-conditioned Library, canteen and other amenities. The Directorate has kept pace with times and uses its own website www.ddekuk.ac.in for online admission and other information. It uses a mobile app 'DDEKUK' for better and effective communication with the students and to provide an overview of the services provided by the Directorate which is available free on the Google Play Store. It uses SMS service to provide the information to the students, quickly and efficiently.

An important feature of DDE evaluation system is 20% Internal Assessment in all UG/PG (except LL.M.) classes. This assessment is added to external exam marks for deciding result of students. DDE is offering incentive for girls' education beginning 2017-18 in phased manner for B.A. courses through its scheme 'Shikshit Beti' which provides 25% concession in tuition fee to the girl students who obtained more than 70% marks at 10+2 level. Hostel facilities are made available to girls during PCP to ensure equity.

The reach of the Directorate and its ability to support education in the country is its biggest achievement. The Directorate has been acknowledged for its efforts on many occasions namely; ranked No. 1 by Career 360 Magazine in the year 2012, awarded with "Dnyandeep Award" by Yashwantrao Chavan, Maharashtra Open University, Nasik, Maharashtra in 2015, conferred with the "CSR Top Distance Learning Institutes of India Award" for the year 2016 by the Competition Success Review, New Delhi. These recognitions have strengthened the commitment of Directorate towards quality education and empowerment of the society. DDE plans to build more student friendly systems with the use of technology and wishes that learners from all sections of the society get opportunities for higher education.

The Directorate is presently offering 34 programmes as per details given here under:-

Key Features:

Study Material

The Directorate provides quality course material in SIM Format prepared by experts of repute keeping in mind the quality and academic standard for each course in respective fields. The Chairpersons or senior faculty of University Teaching Departments acts as Coordinators of the distance education courses. Study material is also supplemented by books referred to in the syllabi to reinforce learning. A number of Power Point Presentations related to the course contents of classes of this Directorate have been prepared by teachers of the Directorate and uploaded on the Website of the Directorate.

Personal Contact Programme

Personal Contact Programme is an integral part of distance education to stimulate and help students to come out with the problems they face during the course of their study. The Directorate organizes short-term, condensed, intensive coordinated PCPs both for theory and practical contents of the courses conducted by the University Teaching Departments in the University and at various other centres of University affiliated Colleges for the benefit of students. It provides the students an opportunity to solve their problems and enables them to have a opportunity of social interaction with other students of the programme. Efforts are made to cover maximum part of the syllabi in the PCPs.

ICT Innovations

The Directorate of Distance Education has launched its own website www.ddekuk.ac.in for online admission and other enquiries. The study material of various courses offered by this Directorate is being made available online in the form of books w.e.f. the session 2016-17. However, the old question papers, syllabi and Power Point Presentations related to the course contents of various classes of this Directorate is available on the website. Apart from these the Directorate has also launched a mobile app and bulk SMS services in order to build a better communication system with the existing as well as potential students.

Internal Assessment

For continuous evaluation and to make courses/programmes at par with the various regular courses of the University, the Directorate of Distance Education, Kurukshetra University, Kurukshetra has introduced 20% Internal Assessment from the session 2012-13 for Undergraduate and from the session 2013-14 for Postgraduate courses along with Certificate and Diploma Courses in each theory Paper.

Students Counselling

Students counselling is also an important aspect of distance education, which plays a vital role in guiding the learners in respect of academic, administrative and personal problems. Students are advised to contact the teaching faculty of the Directorate and the Course Coordinators during working hours to discuss their problems. The personal counseling schedule of the teachers is also available on the website of the Directorate.

Library Facilities

The Directorate has an independent centrally air-conditioned, well-equipped library of its own and has rich collection of books on all subjects. Learners are allowed to use library facilities on all working days on production of identity card issued by the Directorate.

Computer Labs

Apart from the facilities available at the Institutions for hands-on practice where the PCPs of distance education courses are conducted the Directorate has centrally air-conditioned, well-equipped Computer Labs having 60 notes facility for simultaneous use of students at a time and is connected with internet facilities.

Teaching Block

The Directorate has an independent 3-Storey Teaching Block meant exclusively for the students of distance education courses. The teaching block comprises lecture theatres, tutorial rooms, teachers rooms, common rooms for boys and girls, a counter for distribution of study material, staff room, open-air theatre, centrally air conditioned Library and Computer Labs equipped with Wi-Fi facility and other allied modern amenities.

Single Window Service

In order to facilitate the admission procedure, Directorate has introduced Single Window Service. Not only the admissions have been computerized but the admission forms also have been simplified with detailed provisions in the DDE Prospectus for reference by the candidates. Reception-cum-Enquiry for pre/post admission counselling, multiple number of counters for receipt of admission forms and for issue of the study material facilitates the admission procedure that hardly takes 15-20 minutes to complete.

Student Support Services

Student Support Services is a special feature of the Directorate of Distance Education. Students finding any difficulty in pursuing distance education courses may get in touch with the concerned officer/official or the Coordinator, Student Support Services in the Directorate.

Financial Assistance

The candidates belonging to be Scheduled Caste/Tribes and the University employees and their wards are entitled to tuition fee concession out of the fee payable to the University. Financial assistance to a limited extent is also given to students on means and merit-cum-means basis out of Dr. Radha Krishnan Foundation Fund.
