

## **LOYOLA ICAM COLLEGE OF ENGINEERING AND TECHNOLOGY, CHENNAI – HOSTEL DETAILS**

### LICET Hostel

Hostel is where our stories begin. Licet hostel is a unique combination of professional engineering students as well as arts students. This hostel is a new way of finding togetherness. One will certainly admire the ability of the students to find togetherness, friendship and youthfulness. It is a home away from home, where we find a unique enjoyable way of living, studying and cultivating talents.

Hostel facilities for both boys and girls are available in the LICET campus with well furnished rooms and modern amenities. The overall atmosphere is very conducive for students to concentrate on studies. Well maintained kitchen and spacious dining area has been provided for both boys hostel and girls hostel. Hygiene and cleanliness is emphasized in the hostel.

Students who seek hostel admission should meet the Hostel Director along with the parents once the college admission process is over.
