

MADANAPALLE INSTITUTE OF TECHNOLOGY & SCIENCE – HOSTEL DETAIL

Hostel Facilities

The hostel is located in the town away from the campus. The students are housed in Hostel with all the facilities. The inmates have been provided typical rooms settings. Arrangements have been made to separately house girls and boys. A well - organized boarding programme is available to students to provide breakfast, lunch and dinner. Charges towards housing and meals can be obtained separately from the Hall of Admissions, Administrative Office, depending of individual preferences.

Canteen Facilities

High quality canteen providing Indian and Continental food in a hygienic setting for both staff and students is available within the campus. Visitors of the campus are also provided high quality food within the canteen at free of cost.
