Student Feedback on Institutional Governance/faculty performance

The subject wise feedback is taken from the students in the 4th week of the semester. Apart from this, the institution has suggestion boxes located in all the departments where the students can deposit their suggestions for the improvement of teaching-learning processes, infrastructure and governance. Yearly formal feedback is also taken on the above parameters.

Grievance redressal mechanism for faculty, staff and students

- The college has established a Grievance cell with a senior Professor as its Director. There is adequate representation of women in the grievance cell to take care of complaints from women employees.
- The grievances of the faculty and staff are also taken care of by the college Governing Council.
- Grievances of students are taken care of through the feed back system, suggestion boxes and counseling system.
