National Conference on Current Trends & Futuristic Challenges in Pharmaceutical Sciences

22nd September, 2018

ABOUT MIET

Meerut Institute of Engineering and Technology (MIET), located in the National Capital Region (NCR), is one of the best and oldest self financed institutes in Uttar Pradesh, India. This Institute today, is a leading Institute known for its academic excellence and placement. At MIET special emphasis has been placed on developing highly conducive environment for building of a solid foundation of knowledge, personality development, confidence building, pursuit of excellence and self-discipline which helps to produce professionals well trained for the rigors of professional and social life. It lays claim to have an extensive academic environment, finest faculties and best infrastructure to provide quality education.

ABOUT DEPARTMENT OF PHARMACEUTICAL TECHNOLOGY, MIET

The Department of Pharmaceutical Technology at MIET, Meerut is one of the premier department in Pharmacy Education & Research in Uttar Pradesh, India. The department was established with the aim to be "Center of Excellence" by imparting quality education & developing vision & research skills in young Pharmacy Professionals.

The Department of Pharmaceutical Technology is also an **Approved Research Center** of **Dr. A.P.J. Abdul Kalam Technical University, Lucknow**, for conducting Ph.D Program. The Department is well equipped with "state-of-the-art" laboratories. The Departmental faculty is highly qualified, experienced & specialized in different areas of Pharmacy.

ABOUT THE CONFERENCE

The Conference intends to promote high standards in Technical Education by way of extending opportunities to the Academicians and Working Professionals by providing a forum for sharing their knowledge, experiences, innovations and inventions. The Conference cum poster presentation session will provide an excellent opportunity to Scientists, Technologists, Educationists and Researchers to come on a common platform to discuss and exchange ideas on recent developments in the field of Pharmaceutical Sciences and facilitate exchange of new ideas among members of the Pharmacy Profession.
