NATIONAL INSTITUTE OF TECHNOLOGY ANDHRA PRADESH TADEPALLIGUDEM
(An Institute of National Importance under MHRD, Govt. of India)

Admission to M.Tech. Programme: 2020-21

About NIT Andhra Pradesh:

National Institute of Technology, Andhra Pradesh is the 31st institution among the chain of NITs started by the Government of India. NIT Andhra Pradesh is established in the state of Andhra Pradesh in the academic year 2015 – 2016. The campus is situated beside Chennai-Howrah Highway (NH-16), in Tadepalligudem, West Godavari District. It is a residential campus, planned and developed for the pollution-free and plastic-free green campus. The Institute provides excellence in technical education by imparting world-class teaching and best practices of research, consultancy and outreach activities.

Institute is currently having B.Tech. Programmes in eight branches of Engineering, viz., Biotechnology Civil, Chemical, Computer Science & Engineering, Electrical, Electronics and Communication, Mechanical, Metallurgical and Materials, with an annual intake of 480 students. PhD and MS (by Research) programmes have been introduced from June 2019 session. Currently, Institute has 35 Full-time and 64 Part-time PhD scholars in all branches of engineering, sciences, humanities and management.

Institute is having 51 regular faculties and 67 regular non-teaching staffs to supplement and strengthen the teaching process apart from 65 young Adhoc faculties and 80 adhoc non-teaching staffs.

Campus Facilities:

The campus has the following amenities:
1. Academic and administrative building,
2. workshops and Laboratory complex,
3. Library,
4. Halls of residence, Faculty and staff quarters,
5. Guest house,
6. Students activity centres (both indoor and outdoor),
7. Student amenities centre,
8. Medical and Transport facilities,
9. Wi-fi and internet facilities

Admissions:

The Institute offers PG courses leading to Master of Technology (M.Tech.) degree in the following six Engineering departments with specializations mentioned below,

Sl. No	Department	Specialization
1	Civil Engineering	Geotechnical Engineering
2	Computer Science & Engineering	Computer Science and Data Analytics
3	Electrical Engineering	Power Electronics and Drives
4	Electronics & Communication Engineering	Advanced Communication Systems and Signal Processing
5	Mechanical Engineering	Thermal Engineering
6	Mechanical Engineering	Manufacturing Engineering

Admission in M.Tech. programmes will be only through CCMT 2020 (www.ccmt.nic.in) on-line system for centralized admission.

Eligibility:
Eligibility criteria will be as per norms of CCMT-2020.

Accommodation:

The Institute has 12 hostels including 5 girls' hostels and 7 boys' hostel. Residential accommodation of all the UG and PG girls and boys students is provided inside the permanent campus.

Placement :

Training and placement cell having an impressive record both in terms of percentage of students placed as well as number of companies visiting the campus.
