

**NATIONAL INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH  
GUWAHATI**

**Post Graduate Programme**

| <b>Post Graduate</b> | <b>Discipline</b>                        | <b>Duration (In Year)</b> | <b>Total Seats</b> |
|----------------------|------------------------------------------|---------------------------|--------------------|
| MS (Pharm.)          | Pharmacology & Toxicology                | 2                         | 18                 |
| MS (Pharm.)          | Biotechnology                            | 2                         | 10                 |
| M.Pharm              | Pharmacy Practice                        | 2                         | 12                 |
| MS (Pharm.)          | Pharmaceutics                            | 2                         | 20                 |
| MS (Pharm.)          | Pharmaceutical Analysis                  | 2                         | 25                 |
| MS (Pharm.)          | Medicinal Chemistry                      | 2                         | 12                 |
| MS (Pharm.)          | Pharmaceutical Technology (Formulations) | 2                         | 12                 |
| MTech (Pharm.)       | Medical Devices                          | 2                         | 16                 |

## PhD Programme

| Doctoral | Discipline                               | Total Seats |
|----------|------------------------------------------|-------------|
| PhD      | Pharmacology & Toxicology                | 3           |
| PhD      | Biotechnology                            | 2           |
| PhD      | Pharmacy Practice                        | 2           |
| PhD      | Pharmaceutics                            | 3           |
| PhD      | Pharmaceutical Analysis                  | 3           |
| PhD      | Medicinal Chemistry                      | 3           |
| PhD      | Medical Devices                          | 2           |
| PhD      | Pharmaceutical Technology (Formulations) | 3           |
