OUR MOTTO
We Work and Win

FROM THE CHAIRMAN'S DESK

I am delighted to welcome you to the Nopany Institute of Management Studies (NIMS). NIMS has been promoted by the Nopany Foundation. The Nopany Education Trust along with the Nopany Foundation has been successfully running Shri Daulatram Nopany Vidyalaya (now known as Nopany High) for more than 60 years.

The Objective of the institute is to provide excellence in education which is a stepping stone towards a bright future. With this aim in mind, we have diversified into Management & Technological Studies and Health Care Education. NIMS however, deals exclusively with Management Studies. I am confident; you will find our Management Institute friendly, progressive and sensitive to fulfill your needs.

Mr. B. K. Nopany

Chairman

Nopany Institute of Management Studies

FROM THE DIRECTOR'S DESK

Dear Candidate,

We recognize that choosing your institution for higher learning is one of the most important decisions in your life. I hope this will help you in your decision making process. NIMS provides quality education along with overall development in your career path.

At NIMS, we seek young, talented boys and girls who are eager to accept the challenges of an academically rigorous, service oriented and personality fulfilling learning program.

NIMS aims at providing you a combination of both theoretical and practical exposure to provide a solid foundation to pursue your career in any part of the world. At NIMS, we build strong future for our students. I am sure that pursuing your higher education through NIMS would be one of the most rewarding experiences of your life.

I welcome you all at NIMS for building your career goal.

Dr. Shabnam Agarwal, Ph.D. (Australia)

Director-Education

Nopany Institute of Management Studies

FROM THE PRINCIPAL'S DESK

With the advent of globalization and stiff competition in the world economy, there has been a huge demand of efficient managers and technical professionals in the industry.

To meet the huge industry - requirements and bridge the global standards of employability gap, Nopany Institute Management Studies was established in 2002 after conducting extensive research and interaction among researchers, academicians and industrialists.

Presently, NIMS offers three under graduate courses: Business Administration (BBA), Computer Application (BCA) & Hospital Management (BBA-HM) which are affiliated to Maulana Abul Kalam Azad University of Technology (MAKAUT), West Bengal.

Our pedagogy includes real business case studies, industry visits, professional seminars, on-campus recruitment, interaction with renowned speakers and patrons which helps the students in achieving their goals. Our most distinguished faculty has been drawn from a balanced mix of academics, Researchers and professionals from Industry.

Our students are encouraged, motivated & mentored such that at the end of their tenure, their skills & predispositions are matched to their personal & professional vision. Special focus is laid on personal goal setting & defining of the international vision, risk taking and exploring opportunities, nurturing entrepreneurship & understanding corporate culture, along with the key modules on international business environment.

In response to the feedback from the students, alumni and industry, NIMS regularly updates its curriculum and add new offerings for the students based on the current trends and industry needs, which make our students "Industry Ready". We regularly conduct seminar by the resource persons of national and international level universities, workshop, industry – visits etc. for the said purpose. All stakeholders imbibe an overall openness of culture and strong desire to serve the society through best propagation of doctrine of knowledge.

The key objective of our programmes is to impart management education in the fast changing globalised economy so as to enable the student to be optimally equipped to respond to the changing requirements of the industry in the Indian ethos.

Every student of NIMS is special and nurtured as per their personal strengths, vision, passion, goals and objectives. Our Mentor concept provides a unique model of best personal customized advice & continuous guidance for each student from advisors with academic and professional backgrounds who are always there to offer advice and encouragement.

Dr. Subir Ghosh, Ph.D.

Nopany Institute of Management Studies

ABOUT NIMS

Nopany Institute of Management Studies (NIMS) is a unit of Nopany Foundation that owns an enviable educational heritage exceeding 50 years.

The Foundation has a track record of producing large number of successful candidates at different Boards and University Examinations. NIMS has been founded with the mission to impart quality education to students to enable them to achieve their full potential. The ultimate goal of NIMS is to prepare Business Executives and Entrepreneurs, who are imbued with analytical skills, excellent team spirit and lifelong inquisitives and thus are able to contribute to the growth of the society at large. In order to meet its obligation in teaching, research work and scholarly activities, NIMS has been studded with high quality professionally competent faculty, who are excellent teachers and legendary experts in their respective fields. They are handpicked from leading Educational Colleges and Business Houses.

OUR PHILOSOPHY

The hallmark of our intellectual capital is the firm belief that there lies an innovative solution for every situation and ability to search ways and means of reaching it. It is this training of the mind which helps us to seek winning solutions. It is this doctrine that lies at the foundation of our march "in pursuit of excellence".

OUR MISSION

Commitment to personal and professional development of Individuals (staff members, students and faculties) throughout their career. Commitment of making University Education accessible and achievable to a wider section of society.

Improvement and continuous up gradation of course curriculum characterized by significance, relevance, excellence and rigor to meet the growing need of the IT and Business Administration sector and create world-class professionals.

Acquisition of State-of-the-Art skill and improvement of infrastructure, conducive to excellence in learning and character building. To build linkage with Corporate Houses, Universities of repute for broader perspectives and standards.

OUR VISION

- To build a conducive learning environment that promotes creativity and leadership.
- To maintain a continuous equilibrium of society, science, education and environment through the principles of Excellence, Efficiency and Ethics.
- To impart education and training through creation, utilization and dissemination of knowledge by focusing on application of concepts in a diversified manner.

INFRASTRUCTURE

Resources and Facilities at NIMS befit the excellent reputation and profile the Institute maintains. They provide an efficient and effective support to the students in their pursuit of academic excellence.

CLASSROOMS

The need for classrooms and theoretical inputs cannot be over emphasized. Student-teacher interaction through brain-storming session is an effective way to strengthen the theoretical base of a student. The classrooms are spacious and specifically designed to facilitate such participative learning and are equipped with the necessary presentation facilities. All classrooms at NIMS are air conditioned.

AUDITORIUM

NIMS houses an auditorium with a large seating capacity. The auditorium is acoustically designed and used for lectures, screening of films and practical training programmes.

FACILITIES

The Institute has a well-stocked library and subscribes to a large number of journals of national and international repute. State-of-the-art Computer Centre with NT Network, LAN, Internet facilities through DSL and excellent student computer ratio are the unique features of our back-up facilities.

INFRASTRUCTURAL SUPPORT

NIMS believe that its students are the cream of the student community and they deserve the best. The infrastructural support it provides to students is just an expression of this belief.

AUDIO-VISUAL CENTRE

NIMS houses a fully air conditioned audio-visual centre with OHP, VCR with the necessary/Digital Projector presentation facilities.
