

Rajiv Gandhi National University of Law, Patiala – Hostel details

Infrastructure / Hostels

In consonance with the master plan of the proposed campus, Eleven hostel blocks (6 for boys and 5 for girls) have been completed. All these blocks are equipped with separate mess / dining facilities. Total covered area by these hostels is 3,34,978Sq feet (1,92,614Sq feet for boys and 1,42,364Sq feet for girls). All the hostels, along with the attached mess are made fully-air-conditioned. All the hostels are equipped with one aqua guard with a water-cooler each to ensure supply of purified drinkable water for twenty four hours. Proper hygiene and sanitation facilities are maintained in all the hostels of the campus and the housekeeping service are available all day and night; the staff for same is available twenty fours at the campus.

The hostels are also equipped with secured Wi-Fi connection. Security system is very intact and the security guards are deputed in different hostels and also on different spots of the campus. In addition to this, the whole campus is under 'Close Circuit Television (CCTV)' surveillance. Power supply in campus is also available for twenty four hours. In case of power cuts; generators have been installed to be used. The interior of the hostel rooms has been designed in such a way that students get a comfortable environment to study in their own rooms also. Each room has study table(s), study chair(s), books shelve(s) etc. every room has been provided with wardrobe(s) having sufficient storage capacity; wardrobe(s) are fitted with locker for safe custody of valuables. The institution also takes due care of recreational facilities for the students staying in the hostels. Every block has common-rooms. These common-rooms are equipped with Table-Tennis Boards, Televisions, and Carom Boards etc. Badminton, basketball and volley-ball courts are available in the area adjoining the hostel buildings. We have rooms for both single accommodation and double-accommodation. The students with special abilities are given rooms having all facilities attached to them, so that by all means they can avail physical and mental comfort within their own rooms.
