OUR VISION

“To be an aviation university that is ranked among top 200 universities of the world within 20 years of setup”

OUR MISSION

“To create and disseminate knowledge that facilitates progress and excellence in the field of Aviation”

A MESSAGE FROM SECRETARY, CIVIL AVIATION

A dedicated National Aviation University is a step forward to facilitate the growth of aviation in India, which is a highly technology-and-skill oriented sector and cater to its requirement of skilled professionals. Hence, with the launch of the first PG Diploma course in August, 2019, RGNAU will be committed to keep itself on the edge of the academic and technical innovation.

Shri Pradeep Singh Kharola
Secretary, MoCA

A MESSAGE FROM VICE CHANCELLOR'S DESK

Rajiv Gandhi National Aviation University (RGNAU), established by an act of Parliament in 2013, is India's first dedicated aviation university. It aims to be an apex institution focused at achieving excellence in areas of aviation management, policy, science and technology, safety and security. It maintains a very close connect with industry so as to provide practical, relevant and futuristic insights to its students.

18 March 2021

Dear Colleague,

Subject: Request to consider RGNAU students for recruitment

The Rajiv Gandhi National Aviation University (RGNAU) has been established under RGNAU Act, 2013 at Amethi, Uttar Pradesh and functions under the administrative control of Ministry of Civil Aviation, Government of India. It is a unique university, established by and for the aviation industry.

RGNAU offers an 18-month course called Post Graduate Diploma in Airport Operations (PGDAO) in collaboration with GMR Aviation Academy. It comprises 12 months of classroom sessions followed by 6 months' internship in a live airport environment. The students are currently undergoing the internship at Delhi and Hyderabad international airports and will be ready to commence their jobs by May 2021.

We request you to consider our students for recruitment in your esteemed organisation. We are confident that the well-trained students of RGNAU will prove to be assets to your organisation. A snapshot of RGNAU and the course curriculum is appended herewith. The interviews may happen online or at your office, based on your convenience.

Look forward to your kind response and feedback.

With warm regards,

Yours faithfully,

Amber Dubey 18.3.21

(Amber Dubey)

Vice Chancellor, RGNAU

About Rajiv Gandhi National Aviation University

The Rajiv Gandhi National Aviation University (RGNAU) has been established by an Act of Parliament called the Rajiv Gandhi National Aviation University Act, 2013 at Fursatganj Raebareli, Dist. Amethi, Uttar Pradesh. The university has been envisaged as the premier institution of higher learning within the aviation milieu aimed at providing cutting edge and critical research to enhance the aviation industry in India.

The objective of RGNAU is to facilitate and promote aviation studies, teaching, training, research and by extension work in conjunction with the industry to achieve excellence in operations and management of all the sub-sectors within the aviation industry. The university intends to offer a number of courses as required to bridge the skill gap within the Indian Aviation industry at present as well as taking into consideration future requirements.

The common theme that the university shall follow in all of these programmes would be that of undertaking research on problems that the industry faces. The university shall commit academic resources to resolve these business problems so as to not only provide business solutions, but also to stay relevant to the Indian aviation industry while realizing the trust reposed in it by the Ministry of Civil Aviation.
