## ABOUT SGGS

The Shri Guru Gobind Singhji Institute of Engineering and Technology (SGGSIET) was established on 17<sup>th</sup> December 1981 with full financial aid from Govt. of Maharashtra. It is having over a green campus of 46 acres and is permanently affiliated to Swami Ramanand Teerth Marathwada University, Nanded. In 2004, it has achieved an autonomous status, governed by Board of Management, nominated by Govt. of Maharashtra. Chairman of BOM is Padmabhushan Honorable Shri Baba Kalyani – an eminent, visionary industrialist and Chairman of Bharat Forge Ltd., Pune.

## IMPORTANT FEATURES OF THE INSTITUTE

- SGGS offers 10 U. G. Programs and 7 P. G. Programs with an intake of 750+ students.
- Recognised Research Centre of SRTMU, Nanded since 2007.
- NBA accredited programs in 2003-04, 2008-09; accreditation for 2012 in progress.
- Highly qualified and experienced faculty (50 faculty members are Doctorate)
- Being members of various committees formed by AICTE/NBA, majority of the faculty members are contributing to the technical education of the country.
- Funded research projects from AICTE, DST, BARC, BRNS, NRB, and other funding agencies having sponsorship over Rs. 3 Crores during last three years.
- Through Liberal Learning, students get an opportunity to promote their hobbies & interests in the areas like Music, History, Literature, Performing Arts, etc.
- Innovation Lab. providing platform for ignited students to work on innovative projects for self development and development of the society.
- Residential facility to 1000 students including 100% girl students.

- Well managed transport facility for staff and students.
- Library with an ample stock of 55,296 books, 138 subscribed journals and 720 e-journals.
- Excellent sports facilities such as Boat Club, Lawn Tennis, Cricket, Basketball, Table Tennis, Athletics, Football and a well equipped gymnasium.
- Bank facility including an ATM at a doorstep.

## **MAJOR ACHIEVEMENTS OF OUR INSTITUTE**

- SRTM University Best Institute Award – 2010
- SRTM University Best Principal Award (Late Dr. S.R. Kajale) – 2011
- Approval for QIP centre for research ( 10 Ph.D. Scholarship) – 2011
- MoU with TCS Pune, D-Link India ltd. Mumbai, and NVIDIA Pune.
- Strong bond with Alumni (received donation of Rs. 25 Lakhs for Canteen)
- Was selected under prestigious TEQIP (Phase-I) program of World Bank during 2004-08.
- Presently, it is selected under TEQIP (Phase-II) program for Postgraduate Education and Research (2011-14).

## **EXAMINATION SYSTEM**

Examination system is governed by Controller of Examination. Every semester is having two examinations - a) Mid Term b) End Term

In addition, in summer vacation, summer term examination is conducted for students having backlog subjects, giving them a chance for improvement. This is a unique feature of this Institution. Students passing through summer term join the regular students at the opening of the 1<sup>st</sup> semester.

Results are declared in the form of grades such as A+, A, B+, B, C+, C, D & F (failed). For details see Academic Link at institute website ([www.sggs.ac.in](http://www.sggs.ac.in)).

## **WHY RECRUIT FROM SGGSIE&T**

### **INPUT QUALITY**

- Admission is based on high MH-CET marks.
- Admission is highly competitive.

[illegible]

QIP centre for research (Ph.D.) since 2011-12.

The seats sanctioned under QIP are 10. Two seats for each disciplines namely Civil Engineering, Electronics and Telecommunication Engineering, Instrumentation and Control, Mechanical Engineering, Production Engineering

## **FACILITIES AVAILABLE**

Central computing facility, CAD laboratory, Quality Improvement Programme, Central Library, TEQIP Cell, Training & Placement Cell, Academic cell, R and D cell, Examination Cell, Sports section, Gymnasium, Campus wide networking, Services to Community, Health care unit, UPSC chapter, etc.

- All the disciplines are having common courses like basic science, mathematics, computer programming, communication skills and environmental science.
- Elective subjects are introduced from 3<sup>rd</sup> year onwards.
- Stress is given for interdisciplinary subjects as per the need of the course.
- Managerial subjects are introduced at appropriate level to make a complete engineer.
- Academics are strictly followed as per planned program of the semester. Academic calendar is made available on Institute's web site at the beginning of every semester.
- Continuous evaluation system is followed
- Transparency is maintained by showing assessed answer sheets to students.
- Option is open for revaluation of papers.
- An additional chance is given to students for reappearing in examination, summer term in case he/she fails in earlier terms. Passed students of summer term can join the regular first semester of the next academic year.
- A student obtains a relative grading for each course and his final CGPA is cumulative for the courses done at the institute on a 10 point scale.

## **FACULTY**

The faculty members of this prestigious institute are well experienced and highly qualified. Forty Six teachers have obtained their doctorate degree from various IITs & NITs. Eminent guests from Industries, Research organizations and a good number of IIT professors visit this institute every year to share their experiences, deliver expert lectures as well as for conferences and student evaluation.

## **R & D**

SGGSIE & T is recognized as a research centre of the University. Institute has well equipped laboratories for carrying out research activities. Eighty five students have so far completed their Ph.D. degree at this institute and 100+ are in progress. Institute regularly receives number of research projects from AICTE, DST, BARC & other research organizations. The institute has signed MOU with BARC, University of Glasgow, Scotland, Control Solutions, Mumbai, University Autonomas de Barcelona (CVC UAB) Spain, CEERI, Pilani and others, in different research projects

## **DIFFERENT DEPARTMENTS**

DEPARTMENT OF EXTC.

DEPARTMENT OF CIVIL WATER  
MANAGEMENT

DEPARTMENT OF PRODUCTION  
ENGINEERING

DEPARTMENT OF TEXTILE  
TECHNOLOGY

## CENTRAL COMPUTER LAB

### ALL ROUND DEVELOPMENT OF STUDENTS:

Institute provides all the required facilities of sports for the all round growth of the students.

Various clubs are formed like Robo Club, UPSC Club, R&D-Kc, Renaissance-Tech Era Revolvers, Supra-SAE India - team, Knight Riders, Music club, Sports Club. Through these clubs students make avenues for searching talents in various aspects of quality engineers.

Each year students participate in Inter-college

Students participate in different activities of giant software companies, Youth Festivals, Students activity of IIT's and many organizations. Students not only prove their best but also win awards/prizes and appreciation.

### TRAINING PROGRAMMES

For the development of students, training programs are arranged for Soft skill development, aptitude, mathematical thinking, vocabulary & grammar, C & C++ languages and DBMS as per requirements. The training agencies are reputed professional institutions, Cognizant Tech. Solution, Pune, TCS - Pune.

### **TRAINING NAME: IBM RAD (RAPID APPLICATION DEVELOPER) ON JAVA**

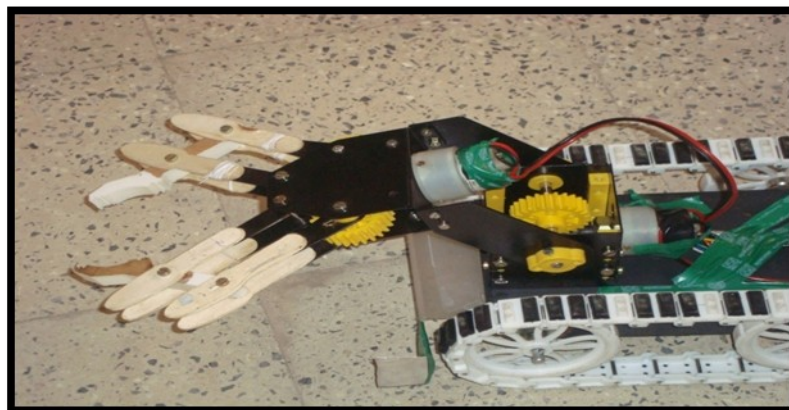

IBM-Certification program was organized on 24th Sept. 2010 to 29th Sept. 2010. On behalf of IBM, Mr. Venkatesh of Zen software, Pune provided training on advanced Java for 115 CSC and IT students.

### **TRAINING PROGRAMME IN INDUSTRY**

Students undergo industrial training in Summer & Winter vacation as per request. Students are also deputed to Bharat Forge, Pune, TCS-Pune for industrial training. Some of the P. G. students are getting an opportunity to execute their one year full time projects in the reputed companies like-HCL, Auto Desk, TCS etc.

### **ORGANIZATION OF NATIONAL EVENT**

Every year students organize National level event "PRAGYAA". Pragyaa includes various events belonging to different departments.

A team of 500 students with 15 core members under the leadership of teaching faculty coordinators organize this Mega event in March every year. Students from all over the India, 2000-3000 in number, visit this

institute during the span of 3 day National level program. Some of the events of attraction are paper presentation contest, fashion exhibition, technical textile exhibition, e- C Brain, e-thy Chem., Robo-war, Aqua Bot and many other events.

## ALUMNI

SGGSIE&T has a strong fleet of Alumni who are well recognized for their work in different fields. Some of them are already well established entrepreneurs. Some of them are holding prestigious administrative posts like Additional Commissioner of Police, District Collector, and holding high portfolios in software and hardware companies; and also holding higher profile posts in Engineering Institutes.

Most of the alumni are attached with this Institute directly or indirectly for betterment of this Institute. **It is worth mentioning that one of the alumni has donated Rs.25 lakhs for construction of canteen and requested to remain anonymous.**

## PLACEMENT PROCESS

- At the beginning of the academic year companies are given invitation letter for campus. Companies are requested to provide necessary data for job requirements – a form may be available with the institute.

- Formal invitation is given through e-mail/Phone.
  - Visit is announced to student community after confirmation from the company.
  - Students are informed about the requirements of the company, test procedures. Interested students' resume in excel sheet is collected and sent to the company.
  - If online requirements are there students as well as company are being informed about our availability (Detailed information see ON LINE FACILITY).
  - Company reconfirms travel plan and date.
  - Accommodations is arranged or booked on request (on payment basis) in different available hotels within a periphery of 10 Km from the Institute.
  - PPT hall is arranged and student volunteers take care on logistics.
  - Selection list is displayed as soon as company announces the same.
  - Student sign offer letter and the same is given to respective company representatives.
  - Company must provide offer letter at the end of selection process otherwise there is no guarantee that the student will join in that company.
  - Joining date at company will be within two months from the date of declaration of students' end semester result. If it is found that date is extended by the company there is no guarantee that the student will be available afterwards.
- \* NOTE: Institute provides digital projector, online/offline test facility & presentation.

### ON LINE FACILITY AVAILABLE

On line test is possible for 120 students at a time. Computers are having only LINUX operating system. Every computer is having 10Mbps speed. Diesel Generator set is also available as an alternative for electricity failure.

### VISIT TO SGGSIE & T

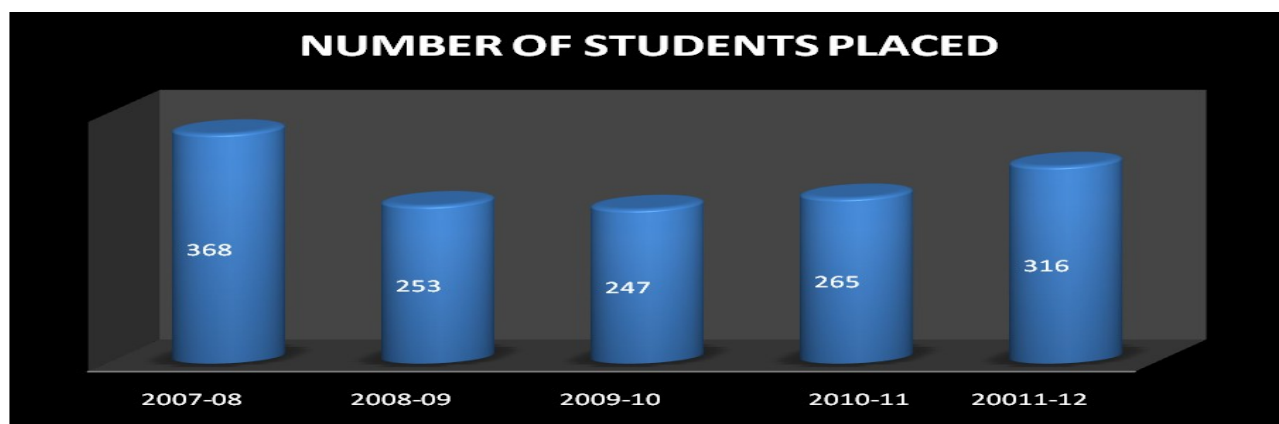

Nanded is well connected to New Delhi, Mumbai, Bangaluru, Jaipur, Nagpur and Hyderabad by Air, Road and Rail. Nanded is in the southern region of Maharashtra state and blessed by Sri Huzur Sahib Sachkhand Gurudwara –a place of worship for Sikhs.

NEAREST RAILWAY STATION: **HUZUR SAHIB NANDED.**
