LIFE TIME ACHIEVEMENT

Born on 24th July, 1936 in a small trader's family, Dr. K.H.Sancheti had to earn to pay his tuition fees.

His contribution towards serving the weaker section of society by conducting over 200 free Polio camps all over India has earned him the award of "Padmashree" in 1991.

His overall contribution in providing medical services to poor and needy patients at a reasonable cost, his contribution in awareness program on preventive health care and providing an Institution imparting medical related education has earned him the award of "Padma Bhushan" in 2003 and "Padma Vibhushan" in 2012.

He is a super specialist in orthopaedics and in particular the area of joint replacement surgery. He has carried out in-depth research and designed an indigenous knee, named as "INDUS" which will bring down the cost of joint replacement surgery by more than 50%.

Today, having completed 84 years of age and 55 years of medical practice in Pune, the legend continuous to work tireless for more than 16 hours a day in all spheres of medical activities from Research & Development, teaching to complicated surgeries to examining patients in O.P.D., attending camps & operating outside for social cause.

His focus has been responsible for development of academic field. Dr. Sancheti has established Post graduate training section in Orthopaedics. Further, he started Physiotherapy & Hospital Management courses. The batch of PGDHM 2020-21 is the 37th Batch of PGDHM course. Many Past Students of PGDHM course are serving in various hospitals in India and abroad, at senior positions.

THE UNIVERSITY

Established on February 10, 1949, as a Regional University, the university of Pune has achieved the highest status of Five Star Rating from National Assessment and Accreditation Council (NAAC) and is among the first five Indian Universities with the "**Potential of Excellence**" status conferred by the University Grants Commission (UGC). Spread over 400 acres

of land at Ganeshkhind in Pune, with unique architectural buildings and intellectual legacy, the University has grown in the shadows of big banyan and many other trees on the green campus. The Ganeshkhind Campus has forty-two Postgraduate departments, and interdisciplinary schools. Various national facilities such as IUCAA and C-DAC are present on the Campus. In 2014 name of University of Pune (UOP) is changed to Savitribai Phule Pune University (SPPU)

About Sancheti Healthcare Academy (SHA)

Sancheti Healthcare Academy (SHA) is part of Sancheti group of hospital, Pune specializing in Orthopaedic treatment in India.
