

SREE VIDYANIKETHAN ENGINEERING COLLEGE – HOSTEL

DETAILS

Hostels & Dining

HOUSING

The housing space is logically and smartly designed denoting the letter BABU M, the name of the college's founder chairman. The college hosts six housing blocks accommodating 100 students in each. Each block is divided into 10-15 dormitories, which can accommodate 8-12 students in each. The dormitories are spacious and well-ventilated, with neatly maintained washrooms, giving the space a homely ambience.

Every nook and corner of the campus is under 24 hour surveillance 40 well-trained security guards, who are mostly ex-service men who give utmost importance to discipline, security and safety. The campus is fully equipped with necessary technicalities to ensure 24 hour power supply. The campus houses a tuck shop that sells toiletries, stationary, light snacks and confectionery for students to readily buy anything that they would need.

DINING SERVICES

SVEC's dining halls are a natural focus of social life with meals of all types spread on a bigger scale. The spacious yet stupendous dining spaces are capable of accommodating 900 students at once. Moreover, the food served is tasty, nutrition-rich and hygienic, offering a choice of vegetarian or non-vegetarian menu. The kitchen is equipped with modern cooking gadgets and is hygienically maintained. The in-house mineral water plant supplies fresh bacteria free drinking water to hostel, cafeteria, and class rooms round the clock.
