Our Alumni Are Our Testimony

At Sri Eshwar, we help students to explore their strengths & interests and provide the best facilities & opportunities to build on them and realize their dreams.

We train Engineers not to just solve technical problems, but to shape the future of the World.

Meenaksy Sundaresan Anand Raj

ECE, 2012 Batch

"The encouragement that Sri Eshwar gave to learn engineering by doing projects, provided a good exposure and helped me to position myself at Audi, Germany, the world's leading car manufacturer."

Saravanakumar M

ECE, 2012 Batch

"The extraordinary focus on structured programming provided at Sri Eshwar, got me a job at Microsoft, the dream company of every budding engineer. I am a proud Sri Eshwar alumni."

Vinoth Ravi

IT, 2012 Batch

"Easy access to the management and faculty and availability of a conducive learning environment at Sri Eshwar molded me into an excellent software programmer."

Yazhini Venugopal

CSE, 2014 Batch

"The holistic and industry-oriented curriculum offered by Sri Eshwar helped me to land in SAP Labs, the pioneering ERP Company."

R.S.Mahima

MECHANICAL, 2019 Batch

"With very few girls in Mechanical Engineering Department, the constant guidance and consistent motivation by Sri Eshwar management, gave me the confidence to get placed in the world famous RANE Group."

Mu.Subashree

CSE, 2018 Batch

"The focus on overall development of students by Sri Eshwar management helped me to shape myself holistically, emerge as the Best Outgoing Student and get placed in Duen IT."

“ Begin your success story at SRI ESHWAR

Our Vision

To be recognized as a premier institution, grooming students into globally acknowledged engineering professionals.

Our Motto

Leadership and Excellence

Merit Scholarship

Scholarship is provided based on cut-off for all four years. Prior approval has to be obtained from the Trust before attending counselling.

Contact : **73736 17171**

National Awards

Our extensive industry collaboration and continued outstanding performance have been appreciated nationally.

Best Industry Linked Emerging Engg. Institution Award from among 952 nominations across India in the AICTE - CII Survey 2014

Best Placement & Career Building Institution Award

Ranked as **5th Best Private Engineering Institution** in India among colleges established after year 2000

Courses Offered

UG

- ☆ B.E Computer Science and Engineering
- ☆ B.E Computer and Communication Engineering
- ☆ B.E Electronics and Communication Engineering
- ☆ B.E Electrical and Electronics Engineering
- ☆ B.E Mechanical Engineering
- ☆ B.Tech Artificial Intelligence & Data Science
- ☆ B.Tech Computer Science & Business Systems
- ☆ B.Tech Information Technology

PG

- ☆ M.E VLSI Design
- ☆ M.E Computer Science and Engineering
- ☆ M.E Engineering Design

We don't just make students interview-ready, we make them industry-ready

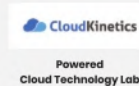

Sri Eshwar has collaborated with more than 20 globally leading companies to establish "Industry Powered Laboratories" where students and faculty are trained on emerging technologies to execute industry assigned projects.

Industry Powered Laboratories

Energising Eshwarites' EEE / ECE career

Programming Eshwarites' CSE / IT career

Streering Eshwarites' Mechanical Engineering career

Edition

**POWER PACKED
WEBINARS**
BY SENIOR INDUSTRY EXPERTS

HIGHLIGHTS OF THE EVENT

- Total 51 Webinars without overlap in topics
- Topics covering all engineering branches
- Average Experience of Speakers - 20+ Years
- International Speakers from UK, USA and Germany
- 8 women leaders as speakers
- Total No. of participants - 75610
- Average No. of Participants per Webinar - Around 1500
- e-certificate for all webinars for every participant

Giving the ultimate experience of an IT company

In its endeavor to provide the students with not only the experience of working on industry projects, but also the real environment of an IT company, SECE has established 11000 Sq Ft Centrally Air-Conditioned Sri Eshwar IT Centre in its campus. The highlight of Sri Eshwar IT Centre is the operation of the four **Extended Development Centres of Bahwan CyberTek, Cloud Kinetics, Sysnautix Technologies and CADEploy**, where the students of SECE are employed and engaged in their projects.
