

*Shaping Excellence and Future*

[www.sssutms.co.in](http://www.sssutms.co.in)

# Welcome to Sri Satya Sai University of Technology and Medical Sciences, Sehore, M.P.

## Vision

- To foster human development through excellence in Quality Education, Research and Entrepreneurial Development.
- Sri Satya Sai University of Technology and Medical Sciences aims to expand the boundaries of human knowledge in partnership with society.

## Mission

- To provide quality education, creating human Assets / Manpower and Intellectual capital.
- To enhance research and development in different disciplines.
- To develop new generation entrepreneurs who will be instrumental in fuelling economic growth.
- To create able Leaders, Managers and Technocrats.

## About Us

- The Sri Satya Sai University of Technology and Medical Sciences is envisaged to be an enduring global center of excellence in higher education, which is learner-centric, and anchored in research & innovation, driven by an outstanding faculty, supported by national & international academic partnerships.
- After a remarkable beginning in 2013, and a phenomenal growth in the first few years, the University has now entered a phase of consolidation. It can now boast of a truly multidisciplinary character, and in this setting, the academic programs have started flourishing on progressive interdisciplinary and research-led learning.
- Sri Satya Sai University of Technology and Medical Sciences was established out of a desire to promote education and shape excellence. We are a global research University with more than 7000 students, 14600 alumni and staff of 1400.
- The University imparts Education in wide spread discipline such as Engineering Management, Pharmacy, Agriculture, Computer Science, Education, Basic Science Social, Life Science, Humanities, commerce and Arts at the level of UG, PG and Ph.D.

## A HOME CLOSE TO HOME HOSTEL

Sri Satya Sai University of Technology and Medical Sciences offers comprehensive hostel facilities for boys and girls separately within the University Campus. Caring wardens and a vigilant security ensures a pleasant stay allowing students to focus on academics. The air-conditioned residential apartment suites consist of 4 single rooms with an attached bathroom and sitting lounge equipped with sofa, cable TV and refrigerator. Normal and Non-A/C hostel rooms are also available. The life in hostels enables students to spend ample time in the institutes, utilize library and other facilities to ensure they develop academically and acquire the necessary skills that can be obtained only through experience.

## SOUL TO MIND HEALTH CENTRE

We have a full fledged multi-utility-Gymnasium to encourage students to lead a healthy and active life style. The Health centre is for the needs of the students, residents of the campus and employees of the University.

**Sri Satya Sai University of Technology & Medical Sciences**

## SPORT ACTIVITIES

Several sports and games are offered at the Sri Satya Sai University of Technology and Medical Sciences Sehore. These sports and games are categorized as indoors and outdoors. Available indoor activities include table tennis, scrabble, chess, and darts, just to mention a few. Outdoors sports include track or field athletics, Cricket, football, basketball, hockey, volleyball, netball and others.

## BANKING

The banking facilities are providing to residents and students with Punjab National Bank with its Extension Counter (PNB). An ATM (24x7) facility as well as online banking is providing by bank.

## TRANSPORTATION

Buses of the university ply between campus and cover a radius of 50 km from the campus and are well connected to Bhopal for students and employees of this University.

## QUALITY LIFE

### TIME TO HANDS-ON

### LABORATORIES

About 340 hi-tech labs of different courses are within the campus. All laboratories are as per specifications, well ventilated and have all safety measures installed.

### TIME TO STUDY

### LIBRARY

A window to the world of latest information in sciences, engineering, technology, humanities & social sciences is library. Being a major central service point, it provides necessary support for teaching, learning and research activities to the students as well as faculty members. The Library currently has 60,000 printed volumes and so many subscribed current journals. Apart from this, all departments have their individual library.

## CULTURAL & SPORTS ACTIVITIES

Further, sample aptitude tests are carried out in order to appraise the current status of the students and help them to improve

## Career Counselling, Training and Placements

The Career Counselling, Training and Placements Cell take care of all aspects of campus placements for the graduating students at Sri Satya Sai University of Technology and Medical Sciences. The Placement wing provides employment opportunities to students through campus recruitments, pooled campus and off campus recruitments. The Placement process is initiated with a clear focus on the students from all academic levels. Companies are invited for the campus recruitment drive to match with different academic levels of students. Branch specific core companies are focused equally to ensure students obtain the right match of their passion and competency. The center is well equipped with excellent infra-structure to support every stage of the placement process. Arrangement for Pre-Placement Talks, interviews, Group Discussions etc. are all handled by the staff at the office.
