About Us

Srinivas Institute of Technology, NAAC Accredited college, is a unit of A. Shama Rao Foundation, Mangaluru, headed by Sri. CA A. Raghavendra Rao, well known for imparting value based education. The college was established in 2006 with the aim of producing world class technology graduates tuned to the demands of a fast changing global scenario.

SIT has gained the name as the best, self financed, engineering college in Karnataka in terms of infrastructural facilities. Keeping pace with global changes the college is imparting quality management education to develop the skills necessary to meet the global challenges.

MCA Program

The MCA program aims at creating technical professionals who represent the union of best class room experience and practical exposure. Department of MCA started in the year 2008, offering two years full time MCA post graduate degree. The program is affiliated to Visveswaraya Technological University, Belgavi and approved by AICTE, New Delhi. It believes in creating intellectual capital that will be a basis for a strong and effervescent world in the commercial arena. The department has also been recognized as Research Center by VTU in 2013 to pursue PhD in the faculty of computer applications.

Duration of the Course: 2 years

MTech Program

The college offers 2 year M.Tech programs in the following areas
- ❏ Digital Electronics
- ❏ Industrial Automation and Robotics
- ❏ Computer Science & Engineering

June 2018-19 Examination

MBA Program

Since the inception of the MBA department in 2007 it is exhibiting an excellent track record of creating successful business executives, management professionals, and entrepreneurs. The primary objective of the MBA program is to prepare students for management leadership in business administration by providing them with the necessary managerial skills. This program aims at developing student's ability to work effectively with others. The job oriented curriculum is designed to match the needs of the changing business environment, and focus on providing innumerable career opportunities in the core and related field of General management, Marketing, HR & Finance. The Department is a VTU recognized Research Center so that aspiring PhD candidates can enroll.

**Duration of the Course:** 2 years

Specialisation Offered:

Finance, Marketing, Human Resource Dual specialization.

Faculty

The faculties, in addition to essential educational qualification from reputed universities, have worked in a diverse array of corporate environments, bringing real-world dimensions to their class preparation.
Well qualified, and most of them having several years of invaluable industrial experience.

Placement & Training:

Srinivas Institute of Technology has an excellent and fully functional Training and Placement Division. This division provides the soft skill training for all the students as per industry standard from both industry/educational experts. The placement cell also maintains a database of all registered students with all relevant details and information of companies visiting the campus. A large number of companies visit the campus every year and recruit eligible students. The number of students placed through campus recruitment activity increases every year.
