PROSPECTUS

Moulding Characters and Careers

The Doctrine Of Life

The Tenet of Jain philosophy "Service to mankind" is basic to the functioning of the Surana Educational Institutions. The Jain Doctrine believes in sound morals and establishment of close relationship between happiness and goodness. Jainism believes that the young shall be made aware of, and alive to, the higher values of life and to a steadfast pursuit of these values.

Sri. G.C. Surana
Founder Chairman

॥ भव्योदकाय वृत्तिलाभाय च ॥
अधिष्ठानं तथा कर्ता करणञ्च पृथग्विधम् ।
विविधाश्च पृथक्चेष्टाः दैवं चैवात्र पञ्चमम् ॥

It is his vision of providing various platforms for the youth to learn and imbibe the quality of service and leadership through which, they would be empowered to give back to society, whatever they owe.

Arise! Awake! and stop not until the goal is reached.

- Swami Vivekananda

Vision

To be the educational institution of preferred choice by ushering convergence of knowledge, skills and values.

Mission

To Mould Character and Careers.

Motto

Education is the Supreme of all wealth

About Surana College, Peenya

Surana College Peenya, is a budding institution established in 2017, under the aegis of GDA Foundation and is affiliated to Bangalore University. The fundamental goal of this institution is to provide quality education and a comprehensive learning environment to help the students realize their strengths.

The curriculum is a balanced blend of academics and extra-curricular activities which facilitates a holistic development and transformation of the students into confident and passionate individuals.

Students in our campus will have the due freedom coupled with responsibility and discipline. Concern for communities is one of the forefront objectives in our students' grooming.

Surana College exists in its uniqueness as a part of Jain Community where each individual involved with the college to celebrate for his or her uniqueness. Surana College stand by Values of Truth, freedom and acceptance which we use as our framework.

Chairman's Message

Dilip Surana
Chairman
GDA Foundation

Rapid changes in the field of education have left a profound impact on the role of “Higher Education Institutions” will be playing in future. With due respect, I envision Surana College at Peenya, Bangalore as a diamond stud added to the crown of Surana Group of Institutions to undergo a transition from versatility to super specialty.

Banking on our experience, we have single-mindedly committed ourselves to innovatively enrich the course curriculum prescribed by our affiliating University to meet up the industrial demands, vetted by industry experts and applied with complete dedication to achieve academic excellence.

Our vision is to make Surana College, Peenya campus the “Centre for Innovation”, a name to reckon with in the academic fraternity by giving a strong impetus to create an environment of interdisciplinary knowledge application and holistic inspiring students to lead tomorrow's world. The quality faculty selection procedures, infrastructure and systems are set in place to manage the organization. We are prepared to accept new challenges and make our institution a globally renowned educational centre of knowledge and innovation.

Management Trustee's Message

Archana Surana
Managing Trustee
GDA Foundation

Stepping into 21st century learning with our new campus at Peenya, the Surana Group of Institutions is building a dynamic team of practitioners and masters to educate, guide and train learners from across India to explore one's own potential and serve society to one's best capability.

In a rapidly changing world the key to a holistic educational framework is one that allows for freedom of expression and exploration. A real social transformation is possible when learners understand multiple perspectives of reality, the importance of non-violent living and global trends in technology and innovation.

Our institutions are committed to quality education with a deep focus on values of compassion, mutual respect and cultivating non-violence in this new area. To ensure that our courses are effective we rely on assessments by Bangalore University, appreciating our work and providing us high ranks in academic excellence. Our excellent track record on placements, excellence in sports and an identity in the fields of art and culture is reflective of the mindfulness with which we craft lives of India's future leaders.

Our vision is to make Surana College, Peenya campus a Centre for Innovation, a name to reckon with in the academic fraternity by giving a strong impetus to create an environment of interdisciplinary knowledge application and holistic education. We are future-ready to accept new challenges of contemporary living, making our institution an internationally recognized educational centre of knowledge and innovation.

Principal's Message

Dr. Ramya
Principal
Surana College

In the world of uncertainty, where existing is not in par with the expected, where today's information becomes obsolete tomorrow, we have to be at our toes to gain the edge every time we step forth. We as an institution understand the dynamics of the changing world and work towards creating an environment which is in sync with the facets necessary to emulate oneself.

Education is the basis to envisage the future but not the only factor that determines the magnificent triumph. As an institution, we emphasize on the holistic development of aspirants with best of faculty, facility and futuristic feat to achieve excellence as a centre of innovation.

We believe in breaking the status quo and to venture the unexplored paths. We don't stop there, we believe that every fall and failure is another opportunity to rise and a stepping stone to success. We are the creator of future and our present endeavours will adjudicate eminence, so let's get together in an odyssey to create a memoir from mundane.

“Real education enhances the dignity of a human being and increases his or her self-respect. If only the real sense of education could be realized by each individual and carried forward in every field of human activity, the world will be so much a better place to live in.”

A. P. J. Abdul Kalam
