PREFACE

I deem it a privilege, as the Vice-Chancellor, to present, the Self Study Report to NAAC for the Reassessment and Reaccreditation process of this *Holy place of Research and learning*, the **Tamil University**, unitary in its kind. It is an honour to showcase the unique features of Tamil University which is located in Thanjavur, a heritage seat of Tamil Nadu known for its famous 1000 year old World Heritage monument of the Brihadeeswara Temple.

The Tamil University was established at Thanjavur, on 15th September 1981. The very aim of the University is to promote research on the various aspects of Tamil Language, History, Art, Culture and all of science areas.

The University aims to utilize the Tamil Language as an effective medium for the promotion of Science and Technology. In other words, development of Tamil language through modern and science and technological advancements is attempted.

Initially, when the University was started, it was solely meant for the advancement of researches on Tamil study. During the academic year 1992, academic research degrees like M.Phil. and Ph.D. had been introduced. After 2001, in order to serve the society at large, the University also started P.G. Degree level courses and a few specialized diploma and certificate courses.

The University aims to function as a high-level research institution in Tamil language, Literature and Culture and to impart education and research simultaneously. Hence research, teaching, and extension activities are the triune aspects of the University.

It aims to facilitate and regulate research in fields such as arts, culture, music, dance, drama, paintings, sculpture, architecture, literature, grammar, linguistics, history, religion, philosophy, geography, soil sciences, astronomy, navigation and shipping, astrology, Siddha medicine, engineering sciences and handicrafts and that developed the basis of the Tamil Language, Literature and Culture.

I am pleased to inform that various Departments of this University have completed more than 96 research projects and 84 research projects are in progress, after the first accreditation by NAAC, projecting the potential of this University to excel in research. Most of these research findings are brought out as publication by the University in order to reach the society. The Publication department of Tamil University has published 99 books of advanced research, after the earlier NAAC's accreditation in 2007. Besides, the faculty members have published 188 books, 10 monographs and 133 edited books during the assessment period.

Establishment of **Centre for World Classical languages** under the auspices of UGC grants, organizing the historically significant **World Conference on Classical Tamil** in the year 2010, publication of entire volumes of **Compendium of Sangam literature** which was long due over two decades, projects on **Historical Atlas of South India, Digitization of Modi Manuscripts at Tamil University** and the establishment of **ETD lab at Tamil University Library** are some of the development features in the field of research.

The University has been accredited once earlier by NAAC for its credentials. The University viewed positively and constructively the critical inputs of the NAAC and in this regards, I am to state that the University has implemented most of the recommendations made during the earlier accreditation. The strength, Weakness, Opportunities and challenges have been identified and appropriate measures are in progress to further strengthen this University to the level of University with the Potential for Excellence.

I place on record my sincere indebtedness to all the academic and administrative staff and student community for their fullest cooperation, support and contribution in preparing this comprehensive self-study report.

Tamil University focuses its attention to achieve all round excellence in the context of global changes and challenges and aims to being well recognized for its holistic perspective of true education when the assessment is taken up by the Peer Review Committee.

Thanjavur
01.12.2014

M.TIRUMALAI
Vice-Chancellor

EXECUTIVE SUMMARY

The Tamil University, a unitary type of University, was established at Thanjavur, on 15th September 1981, by the then Chief Minister of Tamilnadu. The very objective of the University is to promote research on the various aspects of Tamil Language, History, Art, Culture, Linguistics and all areas of science.

The University aims to utilize the Tamil language as an effective medium for the promotion of Science and Technology. In other words, new developments in the area of Science and Technology would be made available in Tamil language for the benefit of the entire society.

The University is located in the vicinity of Thanjavur, at a distance of about 8 km southwest of the town. It is a rural University located in the agrarian region of the Kaviri delta of Tamil Nadu.

Initially, when the University was started, it was solely meant for the advancement of research activities in Tamil Studies and related areas in Humanities and Social Sciences. In 1992, academic research degrees such as M.Phil and Ph.D. were introduced. After 2001, in order to serve the society at large, the University also started P.G. Degree level courses and a few specialized diploma and certificate courses towards the target of achieving expansion programs.

The University has 25 academic departments and three research centres (projects). The University has a library, and museum. The University has a vast campus covering about 800 acres and has an herbal garden.

CRITERION I: CURRICULAR ASPECTS

The Tamil University primarily focuses on research activities, and offers several research programmes and a few P.G. courses. Currently 23 departments offer Ph.D programmes, 25 departments offer M.Phil, courses and thirteen departments offer Masters (PG) courses. However, there has been decrease in demand for the Masters courses and only two Masters (PG) courses are offered in the year 2013-14. The demand for the M.Phil., and Ph.D. courses is more when compared to the P.G. courses. The B.Ed. and M.Ed. courses have a very high demand when compared to other courses. During the last four years M.Ed. course and PG Diploma in Coastal Ecosystem and GIS (under the UGC scheme) were introduced in the Tamil University.

The curricula at Tamil University are unique and innovative. They are interdisciplinary in nature and are in commensurate with the mission of the concerned department. The curricula of the University are designed in such a manner to suit and reflect the vision and mission of the University, and also to meet the changing needs of the society and to empower the students with necessary, practical skills. Most of the curricula of the programmes of Tamil University have incorporated the guidelines of regulatory bodies like UGC and Tamil Nadu State Council for the Higher Education (TANSCHE). Syllabi formation and revision is done with a national level vision. Tamil University interacts with industry, research bodies and the civil society in the curriculum revision process. Boards of

studies of most of the departments include expert from industry/artists/ professionals/artisans and seek their expertise in restructuring the curricula.

The students in the arts and language faculty are exposed to seminar events, lectures, field training, and practical activities to perform well in their specialized areas. With regard to science faculty, the students are trained at the industries at least once in a year.

B.Ed. and M.Ed. courses are the only programmes offered through self-financing mode. All PG programmes follow semester system. Once in every 3 years, curricula are revised and upgraded for enabling the students to gain up-to-date knowledge in the emerging research area.

CRITERION II: TEACHING-LEARNING AND EVALUATION

The process of admission to Tamil University's programmes is conducted in a transparent manner according to the guidelines of the government agencies. Applications for admissions to P.G., M.Phil., and Ph.D. courses are invited through advertisements in the leading national newspapers. Selection is made through Entrance Test/Qualifying Marks/Interview/Counseling. The admission process in the Tamil University's departments are monitored by the Admission Monitoring Committee constituted by the University comprising Dean, Head of the Department, and faculty members of the department for the admission of Ph.D.

Since the University focuses on research activities and is equipped with a well-managed library and undertakes research projects and organizes numerous seminars and workshops, the students of the Tamil University get opportunity to receive the latest developments, skills and practical training in their area of studies. Students are trained in computer skills, and special attention is given to slow learners. Teachers use IT-enabled methods as well as conventional methods for imparting academic skills to the students. Field visits and site studies are also used wherever necessary.

The evaluation is based on internal assessment and an external examination system. The skills of the students are evaluated through interim tests, practical, seminars and assignments. Slow learners are given special attention, and remedial courses are offered to the PG Students. Systematic guidance is given to the doctoral students and the progress of doctoral students is monitored.

Some of the University Departments has fewer faculty members, due to retirement of professors. The University is in the process of recruiting new faculty members.

CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION

The main thrust area of Tamil University covers high-level research and publications for the benefit of the researchers and the public. The University constantly encourages the individual teachers and department to undertake research projects. Tamil University administration promotes for timely release of funds, pre-auditing and submission of utilization certificate to the funding agencies for the smooth implementation of research projects. Most of the departments in Tamil University are unique and multidisciplinary in nature and multidisciplinary research activities are given importance.

Various collaborative research projects with various national institutions such as Mysore Institute of Indian Languages, Central Institute of Indian Languages, Thanjavur Sarasvathi Mahal Library, SASTRA, National Institute of Technology, funded by ICHR, CSIR, ICMR, ICSSR, DST and various other institutions are being carried out. Dept. of Industry and Earth Science has been functioning as a Nodal Agency of Ministry of Earth Sciences for Beach Placer Mineral studies evaluation. Many collaborative research works at national level have been carried out by the faculty members for various departments including the Dept. of Siddha Medicine, Department of Epigraphy and Archaeology, Dept. of Tamil Studies in Foreign Countries. As part of this collaboration, eminent scholars from all over India visited University departments, providing academic exposure to the PG and doctoral students through seminars, lectures, training programmes in computer applications etc.

The Historical Atlas of South India Project was jointly undertaken with generous funding from the **Ford Foundation of India**. Tamil University jointly undertook this project in collaboration with French Institute of Pondicherry, MG University, Kottayam, Mangalore University and Central University of Hyderabad. The School of Indian Languages and Comparative Literature collaborates with **Volkswagen Foundation**, Germany. The joint project aims at study of the Endangered Languages (Kurumba and Cholanayakkan). The **Government of Maharashtra** sponsored a project for documenting and digitizing the Modi manuscripts through funding 1.33 crores in 2013-14.

The faculty members of the University have carried out more than 96 research projects during the past seven years, and 84 projects are in progress. In 2013-14, 38 research projects were completed with the financial support from the Government of Tamil Nadu. Tamil University organized many seminars and workshops. Tamil University coordinated the academic activities of the World Classical Tamil Conference organized by the Government of Tamil Nadu in 2010. In addition, the University organized 136 conferences

and seminars. A total of 49 workshops/ training programmes and 4 refresher courses were conducted during the seven year period (2007-2014).

Publication of research works, popular texts, and reference works such as encyclopaedias and dictionaries forms one of the important activities of Tamil University. During the past seven years the University has published 99 books. The University publishes two journals one in Tamil, *Tamil Kalai* and, another in English, *Tamil Civilization*. The faculty members have published 591 papers in journals, 449 chapters in books and 90 web articles. The faculty members have edited 133 books, and published 188 books and 10 monographs. The faculty members serve in the editorial boards of National and international journals.

During the period from 2007-2014 567 scholars completed PH.D. An average of 0.61 to 1.57 1 Ph.D. students per faculty member, and 1.87 to 4.48 M.Phil. students per faculty member successfully completed their degrees.

There is no structured consultancy offered by the University, as its main area of research is humanities and social sciences. However, free consultancy services are provided by the University in the following areas of research. The faculty of Siddha medicine offers assistance for the researchers in analysis and diagnosis of parameter-related to health and medicine for researchers. Geological and hydrological consultancy, identification of musical ragas and instruments for the research projects of students, identification and period for temples sculptures, writing local history of villages, town and monuments, assistance in reading and deciphering inscriptions, palm leaf and rare paper manuscripts, consultancy in digital documentation, in video documentation of traditional pearl fishing funded by CIIL. Expert advice was offered for setting up archaeological museum at School of Social Sciences, M.G. University, Kottayam in Kerala. The School of Indian Languages and Comparative literature teaches Tamil to IAS and IPS probationary officers

One faculty member has received **Presidential Award** for promoting Classical Tamil, and another faculty member received **Muttutandavar Award** for the best book.

In the arena of public outreach, the Tamil University has undertaken several programmes. The faculty members deliver lectures in seminar programmes aimed to sensitize the students and the research scholars in many parts of India. Tamil University organizes Tamil art and culture competitions in the field of music for the school and college at state level. The Yoga Centre of the University offers training in Yoga practice to the public. This centre has offered special training to the *Juvenile Home at Thanjavur*. Lectures and exhibitions on Tamil heritage and culture are organized annually by the University

departments. Environmental and wildlife conservation programmes are conducted by the department of Environmental and Herbal Science. As part of social health awareness programme, free daily consultancy service is provided to patients attending Siddha Clinical unit. Health awareness camp and Blood donation and eye donation camps have been organized by the NSS unit. First-aid programmes are organized by Red Ribbon Club. AIDS awareness programmes are organized by Social Sciences Department. Red Ribbon Club and Red Cross Society are organizing health awareness programmes.

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES

The University has adequate space for its academic and administrative activities. Each department has separate space for the staff members, classrooms, and research students. The University has one administrative complex, three academic building complexes (two new complexes are to be opened in 2015), and additionally, two more complexes have been approved by the government, and they are expected to be completed in another three years.

The University has three seminar halls, viz., “Karikalchozhan Kalai Arangam” with a seating capacity for 1000 persons, a conference Hall in the Language Faculty with a capacity for 160 persons, a Seminar Hall in the library premises with a capacity of 230 persons, and a Senate Hall (200 persons) and a Syndicate Hall (50 persons). The Faculty Guest House has a seminar hall with seating capacity for 60 persons. There are two open air-theaters for performances traditional arts and drama.

The University has a main library and each department has its own departmental libraries with books and journals. Photocopy facility and generator facilities are available in the University. Department of Tamil Studies in Foreign Studies has Athikumanan Library which has a collection of books of Tamil writers from Singapore, Mauritius, Fiji, Sri Lanka, Canada, Germany and Malaysian. This resource is used by the research scholars for their research activities.

The University has adequate drinking water facility, gymnasium and a playground and restrooms facilities

The University has an animal House, an herbal garden, and three laboratories fully equipped with modern scientific equipments to promote research activities. Archaeological research equipment (including Underwater Diving apparatus) is available. The University has a separate museum in the Thanjavur Palace complex (of the Nayak and Maratha period) with more than 5000 antiquities. Public visit this museum and researchers also visit the museum for collecting data related to their research work.

The University has four hostels for men and women, provided with safe drinking water, kitchen and dining hall facilities. Bank of India has opened branch office within the Tamil University campus, and 24 hr ATM facility is available and a separate Post-Office is located within the campus. The University has facility for the transport of students within the campus, so that they can attend the classes and seminars on time. The University has two buses, which are also used for site visits and study tours. The University is well connected with Thanjavur bus-stand.

New constructions have been undertaken to improve the infrastructure. A new complex in the shape of Tamil letter (alphabet) “DU” has been constructed (area 1593 sq m) and it will be opened for housing the departments under the Developing Tamil faculty in 2014. Another complex in the shape of Tamil letter (alphabet) “Mi” is under construction (area 1938 sq m) for the departments under science faculty. It will be opened in 2015. The Government of Tamil Nadu has approved Rupees 15 crores for the construction of two complexes (in the shape of Tamil letter “Na” and “Ta”), which would cover an area of about 2788 sq m and 1840 sq m, respectively, for the Faculties of Arts and Manuscriptology.

Desktop computers and Internet facility are available in many of the departments for teaching and research activities. Departments have been given LCD projectors and laptop computers for the purpose of teaching. Separate lap-top computers have been given to all the departments, exclusively for the use of research students. An herbal garden (5 acres) is available within the Tamil University campus. It is being renovated and expanded as part of enhancing the research resources of the University. A Heritage Museum is proposed on the campus of the Tamil University to improve teaching and research activities, and also for creating heritage awareness among the public. A proposal for Soft-Skill Centre has been sent to the Government under the RUSA scheme. On the campus, local transportation is provided to the students and staff members of the University, since the campus covers a large area.

The University has research laboratories equipped with scientific instruments, Language Lab (School of Indian Languages and Comparative literature), Phonetic lab (Dept. of Linguistics), Bio-Chemistry Lab (Dept. of Siddha Medicine), Quality Control Lab (Dept. of Siddha Medicine), Microbiology Lab (Dept. of Siddha Medicine), Environmental Research Laboratory (Dept. of Environmental & Herbal Sciences), Industries and Earth Sciences Laboratory, Survey and Excavation Equipments (Epigraphy & Archaeology), Under water Diving Equipments (Dept. of Maritime History and Marine Archaeology), Computer Lab (Dept. of Computer Science)

The Computer Science Department has a computer lab with 25 computer terminals and one server, and an ETD lab at the library. WiFi is available in the main complex and the University proposes to setup WiFi facility in all the departments. A technical assistant has been appointed by the University to look into the IT related services of the faculty. The University supplies hardware and software required for the academic activities of the departments.

CRITERION V: STUDENT SUPPORT AND PROGRESSION

The University offers support to the students in undertaking their studies as well as in choosing career options. As the University focuses on higher level research it has more students pursuing doctoral research than M.A. and M.Sc. courses.

The University has well equipped hostels and green landscapes. Laptop and internet facilities are extended to the students to support their learning activities. Information on various fellowships and scholarships are offered to the students. Seminar and conference announcements are also supplied to the students and they are encouraged to attend seminars and present papers. Assistance is also offered in the preparation of research papers and abstracts.

Special coaching is being offered for SC and ST students for NET exams, IAS and other Competitive exams. Career Guidance and Counseling cell, SC and ST student cell and student grievance redressal cells of the University offers support to the students. The University professors offer personal counseling to the students. Spoken English classes are arranged and computer literacy is included as part of the courses. Special coaching is arranged for slow learners. The University has produced many first generation Post-graduates and doctorates.

CRITERION VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

The vision of Tamil University is to further the advancement of high level learning and research on Tamil language, literature and culture from the past records. The focus is not just on existence, but on excellence in all fields of knowledge for the benefit of the ordinary citizens in particular and humankind in general.

Motto: The Tamil University Motto is "Uḷḷuvatellām Uyarvuḷḷal" meaning to "Aim High".

The Syndicate, Senate and planning board which govern the University according to the bylaws and the regulations of Government of Tamil Nadu and the UGC.

The University seeks to create responsible citizens in the age of globalization. The distinctive character of the University is to aid the society and students in inculcating the

traditional values through teaching and research. The public and students are made aware of the needs to keep the traditional knowledge and values in the era of Globalization lest the entire culture would be lost in course of the social dynamics. The researches in the traditional medicine system, history, literature and art forms by the University give new insights into the cultural system of Tamil Nadu an integral cultural system of Sub-continent. The furtherance of such researches in the light of modern world is the vision of the future.

The leadership is groomed at all the academic level of the University. The University professors are also given additional responsibilities

Teaching in mother tongue, gender equality, socially inclusive development, higher level research, applied research, management of Traditional Knowledge System, Focus on public outreach are the aspects that are considered in the policies and strategies.

The University seeks to ensure highly quality education and seeks quality output from its staff and students. The Vice-Chancellor seeks report of the activities of various departments periodically, and reviews their performance. Based on the analysis of performance suitable changes are made in the activities, programmes and rules and regulations related to Ph.D. programmes and courses and other research activities.

The Grievances Redressal Cell looks into the grievances for better stakeholder-relationship. The University works on to enhance the professional development of teaching and non-teaching staff.

There is a separate Finance Section for effective and efficient use of financial resources. The finance section is headed by the Finance Officer who is generally deputed from the experienced state Local Fund Audit department.

CRITERIA VII: INNOVATIONS AND BEST PRACTICES

The University has conducted a Green Audit of the campus. The University celebrates World Environment Day on June 5. Trees are planted regularly on the campus. The University has an herbal garden and it preserves rare medicinal plants. The University has Garden Unit for maintaining the campus green. Several initiatives have been undertaken for energy conservation. The University has three reservoirs covering about 50 acre area has been created in the University for Water harvesting. The University is covered with trees and plants. The University campus is green and has more trees and less building. Through the students of NSS every year tree planting and maintenance is done for unnatural deforestation like natural death of trees The University campus is completely covered with trees and plants, and has pollution-free atmosphere. The University has a deer park. A few

wild animals including fox, black-naped hare and snakes and a variety of birds such as partridges and peacocks are found in the campus. Many people from Thanjavur visit the campus for morning stroll in the green environment.

As the University is mainly research-oriented (unitary), it gives primary importance to research activities. In order to encourage publication of books and monographs, short-term research projects (27) were initiated in 2008. In 2013-14, 59 research projects were undertaken with funding from Tamil Nadu Government. Many of these projects have been completed and they will be published as monographs in future. The review meeting to check the progress of Ph.D. scholars was introduced in 2013-14 in order to streamline the doctoral research activities. This has created a positive impact on the research activities of the University.

Innovative Courses

- P.G. Diploma in Coastal Ecology and GIS was started with funding from the UGC under Innovative Scheme.
- The University offers training in Tamil Language for the IAS and IFS officers, whose mother tongue is not Tamil. Twenty two courses were conducted during the past seven years.

Communication and Dissemination

- FM radio station functions in the University. It operates from 9 to 10 AM, 1 to 2 PM and 4-5 PM (91.2) everyday. University teachers talk on various subjects and relevant issues.
- Exhibition was organized in 2008 during Anna Centenary Celebration for popularizing the academic activities of the University among the public. A large number of people from Thanjavur and neighbouring town attended the programmes.
- The results of research projects of the University and the highlights of the conferences are regularly published in local newspapers.
- People from neighborhood attend the seminar programmes of Tamil University.
- In 2010 the University organized an exhibition on archaeology and history in the exhibition arranged by the Tamil Nadu Government at Thanjavur for the on the occasion of 1000th year anniversary of the Brihadhiswara temple Thanjavur
- The University participated in the book exhibitions conducted in many parts of Tamil Nadu and its publications are available on sale.
- On the campus Passport Camp was organized in collaboration with Regional Passport office Thiruchirappalli, for the students and staff of Tamil University during the year 2009 and 230 passports were issued.

Public Awareness

- International Mother Tongue day is celebrated by the University every year.
- The University participated in the Heritage Awareness programs conducted by the Archaeological Survey of India on the occasion of World Heritage Week and World Heritage Day.

Academic quality Improvement

- University has taken efforts to establish new endowments to organize lectures that can help students benefit from the experts' knowledge.
- One-to-one meeting with research scholars by the Vice Chancellor of the University for improving the quality of research.

Support for the Local People and Public

- In order to improve the condition of villages, the University has adopted Pillayarpatti village. Awareness programs and NSS camps were conducted at this village.
- Writing village histories based on the request from local people.

Best Practices**Best Practice 1: "Siddha Medical Service to the Public"**

The Tamil University has established a Siddha Medical hospital in its Palace Complex in Thanjavur town. The purpose of the initiative is offer free medical service to the public. Through this practice the Tamil University reaches out to the public with its expert academic research findings. Hence Tamil University felt that the knowledge generated by the University should reach the public and it should be beneficial to the society. A University runs on public funds and hence its activity should offer services to the society at large. Based on this principle the University has established the Siddha hospital.

Best Practice 2: "Motivation and Monitoring of Doctoral Research Students"

Research students who register for Ph.D. need to be systematically monitored for their progress in research. At Tamil University, it was found that some of the research students took longer duration for completing their research degrees, and hence the Hon'ble Vice Chancellor Dr. M.Tirumalai took the initiative to meet all the research students of Tamil University personally along with their research supervisor and assessed the progress of their research in 2014. The purpose of this practice is to improve the quality of research activities.

SWOC ANALYSIS**Strengths**

- Teaching through Tamil language which attracts poor and people from rural background.
- Departments focusing on interdisciplinary research in Tamil, literature, Cultural Studies (Archaeology, Epigraphy, Architecture, culture and folklore), Social sciences and sciences
- Publications in vernacular language (Tamil) which is widely used by the public.
- Research in traditional medicine (Siddha) and indigenous knowledge system (Ancient Sciences)
- Core Science departments such as Earth Science, Environmental Sciences and Siddha Medicine

Weaknesses

- Human resource (lack of faculty members)
- Teaching in Tamil medium which fails to attract the middle class as employment opportunities in the globalized urban context.
- Lack of financial resources.

Opportunities

- Location in rural area.
- Vast campus that can be developed and utilized for various academic activities.
- Huge potential for research Traditional knowledge system that can be utilized.
- Application of knowledge for social welfare and upliftment.

Challenges

- Decreasing demand for academic courses.
- Students from rural background.
- Decreasing quality of incoming graduates.
- Mobilization of resources.

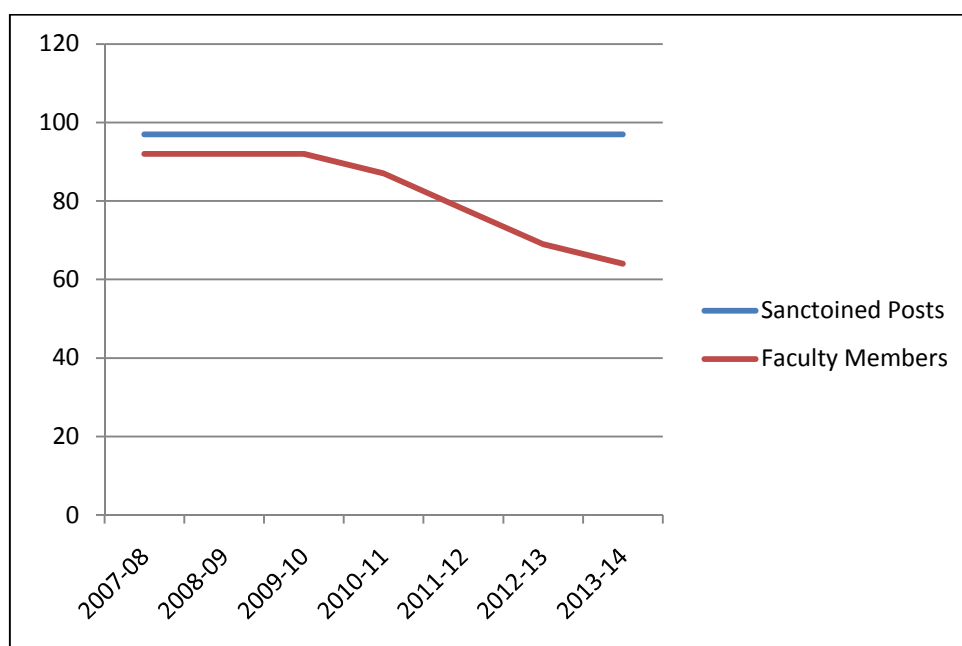

ACTION TAKEN REPORT

Suggestion 1

Steps may be taken to fill up all vacant faculty position so that each Department has sufficient faculty members to carry on teaching and research programmes.

From the first NAAC accreditation, the University has taken great efforts in filling up the vacant positions. In the year 2007-2008, all the approved positions were filled up; of which most of them were Assistant Professor posts in the substantiated posts of Associate Professors and Professors. Since the many faculty positions have become vacant due to the retirement/on lien of the teachers, to fill up the vacant posts that came up during the last stage of assessment period, action has been taken. Advertisement has been issued in 2013-14 by 2014-15 all the posts will be filled up soon.

Year	Sanctioned	Filled	Vacant
2007-08	97	92	5
2008-09	97	92	5
2009-10	97	92	5
2010-11	97	87	10
2011-12	97	78	19
2012-13	97	69	28
2013-14	97	64	33

Suggestion 2**More faculty exchange programmes and inter-disciplinary interactions are needed.**

Actions have been taken to encourage faculty exchange programmes of the University Departments.

1. The **Historical Atlas of South India Project** was jointly undertaken in the Department of Epigraphy and Archaeology with the funding from Ford Foundation of India. Tamil University jointly undertook this project in collaboration with the French Institute of Pondicherry, MG University, Kottayam, Mangalore University, Karnataka, and Central University of Hyderabad. The project was completed in 2008 which involved eminent scholars of Archaeology, Epigraphy, History and Cartography deriving from various parts of India and abroad. The faculty members of the department participated in the academic activities of the project and visited the above mentioned institutions and participated in academic discussions.
2. The staff members of the Department of Epigraphy and Archaeology took active participation in excavations conducted by Kerala Council for Historical Research at Muziris the ancient port city of the Tamizhagam now situated at West coast of India in Kerala State. Every year the staff members and a few students participate in the excavations and offer their expertise.
3. The staff of the Department of Maritime History and Marine Archaeology has participated in the Marine Archaeological Explorations conducted by Kerala Council for Historical Research off Muziris the ancient port city of the Tamil Nadu now situated at West coast of India in Kerala State.
4. Dr. A.Tulasendiran, Department of Epigraphy and Archaeology has visited Indian Institute of Advanced studies, Shimla as UGC Research Associate.
5. The staff members of the Department of Tamil Studies in Foreign Studies conduct joint training programmes to the teachers and scholars living abroad. Dr. A. Karthikeyan, Professor of Department of Tamil Studies in Foreign Countries was in the Board of Studies of Mahatma Gandhi Institute of Oriental Studies, Mauritius 2009-10, 2010-11, 2011-12. He also delivered lectures at the institute. Dr. Udayasurian, Head of Dept. of Tamil Studies in Foreign Countries delivered lectures the University of Malaya. University of Sultan Idris Educational University. He also delivered lectures at Mahatma Gandhi Institute of Oriental Studies, Mauritius.
6. Dr. P.Jayakumar, Assistant Professor of Tamil University, supported as visiting faculty for the course in Diploma in Epigraphy at SASTRA University, Thanjavur.
7. Dr. N.Athiyaman, Dr. S.Rajavelu and Dr. V.Selvakumar, Faculty of Tamil University, have conducted a workshop on Archaeology to the students of Kumbakonam Govt. Arts College for women.

Suggestion 3**Gender disparity among teaching and non-teaching staff should be minimized.**

Since only a few posts were filled up during the last accreditation cycle the gender disparity could not be eliminated and action would be taken in future in this regard.

Suggestion 4**Faculty members should take up more research projects and publish the findings in Refereed Journals.**

The faculty members are encouraged to take up more research projects by send proposals to various national and state level agencies. In addition, the Vice Chancellor has special meetings with the Tamil Nadu Government and grants were received for research projects under the Part II scheme of Tamil Nadu Government. In the last seven years, they have completed more than 96 research projects and 84 research projects are in progress

(Please see Annexure VII and Annexure VIII, Page nos. 189 and 197)

During the seven year period, the faculty members have published 591 papers, which include papers in the refereed journals.

(Please refer to the Vol.2 Evaluative Reports)

Suggestion 5**There may be a restriction in the maximum number of Ph.D. student supervision by a Faculty within the norms.**

Since the main objective of the University is advanced research rather than teaching, the teachers were allowed to supervise 12 candidates as with the upper time limit enrolments. In the year 2012, a resolution was passed in the Research Council to allow a maximum of only 12 candidates per faculty. Only when a student completes his/her Ph.D., another student is allowed to enroll. Besides, the process enrolment of the Ph.D. students has also been revised in tune with the regulations of UGC and the Tamil Nadu Higher Education Council. Before the admission, the student has to appear before the selection committee headed by the Dean of the Faculty and members of the Department. After discussions the student is admitted to the degree of Ph.D.

Suggestion 6**Steps may be taken to attract more students in different programmes.**

Steps were taken to identify new programme to attract more students. For, example, the Bachelors' Degree in Performing Arts was started.

Suggestion 7**Teacher evaluation by students may be introduced in all Departments.**

Yes. It has been introduced at the Master's level.

Suggestion 8**Efforts may be made to attract foreign students.**

The University has a tie up with the University of Malaya and has conducted workshops and seminars. The faculty members visited many foreign countries and this

contributed to creating awareness about the activities of Tamil University abroad. The list of Foreign Students of Tamil University from 2007-2014 is below.

List of Foreign Students Admitted to Tamil University from 2007 to 2014

S. No	Name of Department	Name of Student	Course	Year	Country
1.	Music	C.Suriya Kumar	Ph.D	2007 January	Sri Lanka
2.	Siddha Medicine	Sri Ranjani Sivabalan	Ph.D	2007 July	Sri Lanka
3.	Library	Gananathan Maithili	Ph.D	2008 July	Sri Lanka
4.	Music	Kirushanthi Ravindra	Ph.D	2009 July	Sri Lanka
5.	Philosophy	Ganapathi Pillai Ganesha Rasa	Ph.D	2009 July	Sri Lanka
6.	Music	Krishna Sharmila Rajit Kumar	Ph.D	2010 April	Sri Lanka
7.	Drama	G.Jayaranjani	Ph.D	2010 July	Sri Lanka
8.	Music	Anandhajothi	Ph.D	2010 July	Sri Lanka
9.	Music	Shyamalanki Karaunakaran	Ph.D	2010 October	Sri Lanka
10.	Music	Jayanthini Vignarajan	Ph.D	2011 July	Sri Lanka
11.	Music	Duraisingam Shanthi	Ph.D	2011 July	Sri Lanka
12.	Music	G.Dhakshayani	Ph.D	2012 January	Sri Lanka

18.	Music	C.Mahendran	Ph.D	2011 October	Sri Lanka
19.	Music	Shankar Kanthaswamy	Ph.D	2012 July	Malaysia
20.	School of Indian Languages & Comparative Literature	Amithalingam Rasakumaran	Ph.D	2012 October	Sri Lanka

Sl No.	Name of the Student	Country	Course	Department
1	Gwendolyn Kelly	USA	Ph.D. Registered at Wiscon University, USA	Epigraphy and Archaeology

Suggestion 9

Emphasis may be given on providing more sports facilities for the students.

- Gymnasium has been set up at an expense of 5.42 lakhs during this assessment period.
- A Sports ground has been created

Suggestion 10

Grievance redressal cell and placement services are to be made more proactive.

- Grievance redressal cell has been constituted in the University. It meets regularly.
- There is also a suggestion and complaint boxes available near the Vice Chancellor's office.
- Placement cell has been functioning in the University.

Suggestion 11

University needs to strengthen its consultancy work in as many departments as possible.

There is no structured consultancy offered by the University, as its main area of research is humanities and social sciences. However, free consultancy services are provided by the University in the following areas of research.

- Testing and evaluation of Siddha drugs for the students research projects of other institutions.
- Free Siddha medical consultancy is given to patients in the outpatient unit.
- Analysis and diagnosis of parameter-related to health and medicine for researchers.
- Geological and hydrological consultancy.
- Identification of musical ragas and instruments for the research projects of students from other institutions.
- Identification and period for temples sculptures as requested by the local people.
- Writing local history of villages, town and monuments.
- In reading and deciphering inscriptions, palm leaf and rare paper manuscripts.
- Consultancy is provided in digital documentation of traditional arts preserved in various types of traditional media such as 16 mm films and video cassettes for South Zone Cultural Centre
- Consultancy was provided by the Audio-visual department for making Documentary film on Saraswathi Mahal Library, Thanjavur
- Expertise was provided in video documentation of traditional Pearl fishing funded by CIIL.
- Expert advice was offered for setting up archaeological museum at School of Social Sciences, M.G. University, Kottayam, Kerala

Suggestion 12

Extracurricular activities as well as academic programmes need to be organized through clubs and associations, such as the debating club, literary society, arts club etc.

The following units function in the Tamil University

NSS

- NSS camp activities are arranged by the NSS unit of the University. Though NSS camps organized annually, students actively take part in enhancing and promoting environmental educational and health awareness in rural areas in and around Tamil University Campus.

Please see the detailed report on NSS activities in *Evaluative report* Vol.2, page ???

Red Ribbon Club

The Red Ribbon Club, which is a unit of Tamil Nadu Aids Control Board, was started in Tamil University in the year 2010. It was started with one unit of 100 students.

Please see the detailed report on Red Ribbon Club in *Evaluative report* Vol.2, page ???

First Aid Training Programme: St John's Ambulance

Recognizing the first aid training programmes of Tamil University, His Excellency the Governor of Tamilnadu has awarded the Best Services for the programme conducted by St. John Ambulance and Tamil University (2013).

Suggestion 13

Internet facilities to students may be made available in departments itself.

Computer and Internet facilities are available for the students. Each department has been given a laptop for the use of students.

Suggestion 14

Popular Diploma/Certificate courses may be started in the town to attract more students.

Diploma and Certificate courses have been started in the Distance mode.

Details of courses offered in Distance Mode

Programme	No. of Courses
PG Diploma	3
Diploma	29
Certificate	14
Online Courses	15
Total	61

Suggestion 15

The Department of Drama may be named as Department of Performing Arts which should provide space for doing extensive research on traditional and modern theatre as well as production.

Efforts are on to rename the department. As the senior faculties have retired, it would take some more time to change the name of this department.

Suggestion 16

Some of the important publications brought out in Tamil by the University may be translated to English for the benefit of larger group of non-native researchers.

Several steps were taken to bring out publications in languages other than Tamil.

1. *Pattupattu*, one of the Classical Sangam Anthologies is brought out into Hindi.
 2. *Thirukkural* has been translated into Chinese, with the support of the Tamil Nadu Government.
 3. Select poems of the famous Tamil poets Bharathiyar and Bharthidasan are under translation into Chinese, with the support of the Tamil Nadu Government.
- Efforts are on to translate the publications of Tamil University into English.
4. *Ainkurunuru*, a Classical Tamil Literary work is translated into English and it is in print now; it comes around 900 pages

The following English publications were brought by the Tamil University from 2007.

- *Tamil Civilization Journal* 3 Volumes
- *Tamil Civilization Special Supplement*, 2010
- *Tamil Cultural Connections Across the World*, 2010

SECTION B

1. PROFILE OF THE UNIVERSITY

37. Any other relevant data, the University would like to include (not exceeding one page).

The University was established as a unitary University meant to involve in high-level research in 1981. The University focuses on advanced research and publication in Tamil and English for the benefit of the scholarly world and common people.

Major Publications

The University has been publishing basic reference books such as **Lexicons** and **Compendium of Sangam Literature, Pure Tamil Dictionary, Encyclopaedia of Science and Humanities** (35 volumes), and **Encyclopaedia of Drama**, and they have been well received by the scholars and the public.

Documentation Work

Major documentation work (audio and video) was carried on traditional arts and crafts of Tamil Nadu and these documentations are preserved in the archives. The seminar proceedings are recorded and preserved in video and audio formats by the Audio Visual Centre.

Collection of Primary Sources

The Department of Epigraphy and Archaeology has carried out archaeological excavations at Vallam, Kodumanal, Periyapattinam, Mayiladumparai, Thandikkudi, Nagapattinam and Pillayarpatti, and in addition through surface survey several archaeological sites have been located. Over 8000 Palm-leaf manuscripts have been collected by the Tamil University. The Department of Rare Paper Manuscript has collected more than 5 lakh pages of Modi (Marathi) documents. Digital documentation of inscriptions, palm-leaf manuscripts and rare paper manuscripts are also undertaken by the departments of Tamil University. These sources support the research activities.

Sciences

The Department of Siddha Medicine contributes to the field of research and development of herbal and herbo-mineral drugs for their therapeutic efficacy and standardization of traditional Indian medicine through botanical, chemical, biochemical and pharmacological studies.

The Industries and Earth science Department focuses on the investigation of natural resources such as sea, land, water and their utilization for economic development. Department of Ancient Science and the department of architecture focus on traditional architecture and sciences.

Languages

The language faculty researches on various languages. School of Indian Languages and Comparative literature offers training in Tamil for IAS, IPS and IFS officers. Translation Department focuses on translation of traditional and Classical Tamil works into English and other language works into Tamil.

Diaspora studies

The Department of Tamil Studies in Foreign Countries studies the Indian and Tamil Diaspora and their literature and culture.

Courses

Offering Degree courses was not main thrust area of the University, initially. However, later on this University started academic courses to suit the social and local needs and also to serve the students from the rural background. Hence only a few departments offer academic courses.

2. CRITERIA-WISE INPUTS

CRITERION I: CURRICULAR ASPECTS

1.1. CURRICULUM DESIGN AND DEVELOPMENT

1.1.1. How is the institutional vision and mission reflected in the academic programmes of the University?

Vision

The University serves as a cultural causeway between Tamil Nadu and people of Tamil and Indian origin living abroad. The following are the visions of this University:

- To function as a high-level research centre for Tamil language, literature and culture;
- To impart training to the people of Indian and Non-Indian origins who desire to study Tamil
- To facilitate and regulate research in fields like art, culture, music, stage-plays, painting, sculpture, architecture, literature, grammar, linguistics, history, archaeology, epigraphy, religion, philosophy, geography, earth sciences, astronomy, ancient sciences, manuscripts, navigation and shipping, astrology, Siddha medicine, engineering sciences and handicrafts that have developed on the basis of the Tamil language and literature;
- To translate books in other languages into Tamil according to the needs in consonance with the objectives of the University and also to translate Tamil books into other languages;
- To preserve and publish palm-leaf manuscripts and rare paper manuscripts;
- To document and publish epigraphs relating to Tamil language, culture and history;
- To compile and publish words, expressions, colloquial terms, words peculiar to different segment to the Tamil society;
- To institute studies in Tamil language and literature in relation to other Indian cultures; and
- To organize advanced studies and research programmes based on a deep understanding of the trends in Tamil language and literature.

Mission

The mission of the University is to further the advancement of learning and research in Tamil language, literature and culture.

Ever since its inception Tamil University is striving hard to achieve its vision through various Departments and Goal oriented centres. It has now 26 departments to cater to the needs of the society.

Research Programmes

The University provides multi-disciplinary research courses in all the departments to provide knowledge at higher level in all disciplines of Tamil language and culture. The

courses are offered in Tamil medium in line with the objective of promoting education in mother tongue.

The Tamil University initially focused on research activities. Later it started spreading its wings for the cause of the student community. Keeping this in mind, in 1992, the University started conducting academic courses by offering M.Phil., and Ph.D. programmes in various disciplines.

After a decade, the scope was further broadened. In 2002, Post-Graduate courses in arts and humanities were introduced and subsequently, in 2005 PG courses in sciences were included to meet the aspiration of contemporary society. Certificate and Diploma courses are also offered. By this way, research and teaching have become the integral part of the University.

Academic programmes of the University are designed in such a way that they incorporate empowerment of rural students and development of Tamil language and culture. Thus almost all the academic programmes are taught in mother tongue, i.e. Tamil, to enable poor and rural students understand the subjects in their native language. Syllabi of most of the courses meet the objectives of concerned departments.

Higher level research

The faculty members of Tamil University have completed 96 research projects so far, and 84 projects being undertaken now. Results of many of these research projects have been published as books.

Focused reference Publications in Tamil

The basic reference books such as **Lexicons** and **Concordance of Sangam Literature, Pure Tamil Dictionary, Encyclopaedia of Science and Humanities** (35 volumes), **Compendium of Sangam literature**, and **Encyclopaedia of Drama**, published by Tamil University have been well received by the scholars and the public.

Publications for the academics and the public

So far, 493 books have been published by the University from 1983. Books numbering 99 (including reprints) have been published after the First Cycle Accreditation by the NAAC, i.e. from 2007-08.

Translation of Works into Tamil

The University has translated important works into Tamil. Its translation of Edger Thurston and Rangachari's work *Castes and Tribes of South India*, has been well received by the researchers and the public.

Translation of Tamil Works into Other Languages

Several steps were taken to bring out publications in languages other than Tamil.

1. *Pattupattu*, one of the Classical Sangam Anthologies is brought out into Hindi.
2. *Thirukkural* has been translated into Chinese, with the support of the Tamil Nadu Government.
3. Select poems of the famous Tamil poets Bharathiyar and Bharthidasan are under translation into Chinese, with the support of the Tamil Nadu Government.

Efforts are on to translate the publications of Tamil University into English.

4. *Ainkurunuru*, a Classical Tamil Literary work is translated into English and it is in print now; it comes around 900 pages.

Public Outreach

Tamil University maintains constant contacts and interactions with the public. Mother Tongue Awareness programmes are conducted every year to create awareness about Tamil language and its importance among the public.

Announcement of seminars and conferences and endowment lectures are widely circulated among the institutions and in the local newspapers, and local people also participate in the proceedings. The major research findings and highlights of the seminars are also published in local newspapers.

The faculty members also write popular articles in local newspapers and journals for public awareness.

Partnership with the public and Private

As a language-oriented institution, Tamil University caters to the entire Tamil speaking world and the various linguistic groups of India. Since Tamil University is associated with Tamil language, the public always watch the activities of University and write their suggestions to the University, and have a lot of expectations from the University. They also support the initiatives of the University.

The public have contributed books and palm-leaf Manuscripts to Tamil University. Many endowments have been created in the University with the help of the public.

The University also offers counseling to the public and does advisory activities when queries come from the public, regarding language, culture and arts.

Tamil Nadu Archaeological Society, established in the Department of Epigraphy and Archaeology, involves the public in its activities. Inscriptions and archaeological sites are identified with the help of the public through this society and they are published in a journal (*Avanam*) in which public also contribute. This is one best example of cooperation and collaboration between the academicians and the public.

All India Scientific Tamil Association was established in the Department of Scientific Tamil Department, and All India University Tamil Teachers Association was established in the Department of Tamil. All India Tamil Linguistics association is in the Department of Linguistics. All India Tamil Folklore Association was established in the Department of Folklore. These organizations are involving various academic and public outreach activities by conducting seminars and workshops.

Kalam, Folklore Research Association, was founded by the faculty of the Department of Folklore. The association organizes seminars in which teachers, students and the public attend.

The Department of Palm leaf Manuscripts of Tamil University makes regular collection of Palm leaf manuscripts from all parts of Tamil Nadu. Kalambur Govindasamy Atikalar Endowment was established in the Department of Palm leaf Manuscripts of Tamil University. This endowment has organized a conference on Saiva *Thirumurai* (Saivaite canons) in different parts of India.

Women's Association of Tamil University organizes seminar and programmes every year.

1.1.2. Does the University follow a systematic process in the design and development of the curriculum? If yes, give details of the process (need assessment, feedback, etc.).

Yes.

The curriculum of each department is designed by the expert committee (Board of Studies) consisting of academicians and industrialists, artists and artisans. Feedback from students on the content of curriculum is sought and if necessary suitable changes or modifications are also incorporated. While designing the courses, current trends in academic advancement and placement opportunities are also considered.

At University level, Choice Based Credit System is followed for all the PG courses and students are permitted to choose one or more optional subjects. In addition to that simultaneously diploma and certificate courses are also opted by the students.

1.1.3. How are the following aspects ensured through curriculum design and development?**Employability**

Curricula are designed to meet the changing needs of the society and to empower the students with necessary skills.

The students in arts and language faculty are exposed to seminar events, lectures, field training, and practical activities to perform well in their specialized areas. With regard to science faculty, the students are trained in industry at least once in a year.

Innovation

The curricula at Tamil University are unique and innovative. They are interdisciplinary in nature and commensurate with the mission of the concerned University department.

Research

Curricula of almost all departments are enriched with elements of research which motivate the students to pursue research after completion of the course.

Periodical assessment is made on the basis of assignments and short-term projects prepared by the students and counseling is provided to improve current research knowledge of the students.

1.1.4. To what extent does the University use the guidelines of the regulatory bodies for developing and/or restructuring the curricula? Has the University been instrumental in leading any curricular reform which has created a national impact?

Most of the curricula of the programmes of Tamil University have been incorporated with the guidelines of regulatory bodies like UGC and Tamil Nadu State Council for the Higher Education (TANSCH). Syllabi formation and revision is done with a national level vision.

The University focuses on education through mother tongue, i.e. Tamil. This effort has been a success. Telugu, Kannada and Malayalam Universities were started after the success of Tamil University.

1.1.5 Does the University interact with industry, research bodies and the civil society in the curriculum revision process? If so, how has the University benefitted through interactions with the stakeholders?

Yes.

Tamil University interacts with industry, research bodies and the civil society in the curriculum revision process. Board of studies of most of the departments include expert from Industry/Artists/Professionals/Artisans and seek their expertise in restructuring the curricula. Local body members also offer their suggestions during the process.

1.1.6 Give details of how the University facilitates the introduction of new programmes of studies in its affiliated colleges.

NA

1.1.7 Does the University encourage its colleges to provide additional skill-oriented programmes relevant to regional needs? Cite instances (not applicable for unitary universities).

Not Applicable

1.2. ACADEMIC FLEXIBILITY**1.2.1 Furnish the inventory for the following:****Programmes taught on campus**

- B.Ed.
- M.Ed.
- Certificate
- Diploma
- P.G. Diploma
- M.A.
- M.Sc.
- M.Phil.
- Ph.D.

Courses Offered in Tamil University (Inventory of Courses) 2013-14

Overseas programmes offered on campus

Not Applicable

Programmes available for colleges to choose from

Not Applicable

1.2.2. Give details on the following provisions with reference to academic flexibility**a. Core / Elective options**

Different programmes at post-graduate level are available in the core subjects and the students can choose the elective papers from various subjects.

b. Enrichment courses

Advanced post-graduate diploma courses are available as additional enriched subjects, e.g. Diploma in Translation and Diploma in Yoga for P.G. students.

c. Courses offered in modular form

NIL

d. Credit accumulation and transfer facility

No

e. Lateral and vertical mobility within and across programmes, courses and disciplines

Lateral and vertical mobility are allowed within and across programmes for P.G. programmes. Students from M.A. History and Archaeology course can choose elective papers in Computer Science and Yoga. Students of M.A. Tamil Literature can choose elective course in Archaeology, Indian Languages and Literature, Linguistics and Lexicography.

1.2.3. Does the University have an explicit policy and strategy for attracting international students?

Yes. Tamil University statute itself explicitly envisages the policy for the spread of Tamil language and culture throughout the world.

International students, especially from the Indian Diaspora, join in many courses, especially in Music, Translation, Lexicography, language and literature.

1.2.4. Have any courses been developed targeting international students? If so, how successful have they been? If 'no', explain the impediments.

Yes.

Some of the courses, for example, Music, Siddha Medicine, and Language attract foreign students. Since the courses are offered in Tamil, mainly students from Tamil Diaspora from various countries choose them.

1.2.5. Does the University facilitate dual degree and twinning programmes? If yes, give details.

Yes.

Tamil University offers additional courses like Diploma through distance mode to students in regular stream, i.e., regular students can undertake any one certificate or diploma course. Students are also allowed to undertake one P.G. Diploma programme along with the regular P.G. Course. Only one additional course is permitted.

1.2.6. Does the University offer self-financing programmes? If yes, list them and indicate if policies regarding admission, fee structure, teacher qualification and salary are at par with the aided programmes?

B.Ed. and M.Ed. courses are the only programmes offered through self-financing mode. For these courses, the admission procedure, teacher qualification and salary are on par with the aided programmes. Fee structure, though higher than aided programme, is in accordance with state government guidelines.

1.2.7. Does the University provide the flexibility of bringing together the conventional face-to-face mode and the distance mode of education and allow students to choose and combine the courses they are interested in? If 'yes,' give operational details.

Yes.

Students of regular stream can choose an additional diploma course from distance mode, at a time with one diploma or PG degree or Ph.D.

1.2.8. Has the University adopted the Choice Based Credit System (CBCS)? If yes, for how many programmes? What efforts have been made by the University to encourage the introduction of CBCS in its affiliated colleges?

Yes.

Tamil University has been adopting Choice Based Credit System for all P.G. programmes since 2008-09. Tamil University has no affiliated colleges. However, Choice Based Credit System pattern is followed in all programmes in its recognized centres.

1.2.9. What percentage of programmes offered by the University follow:

Annual System:	1. Diploma and Certificate courses of regular stream 2. All distance education programmes 3. M.Phil. programmes
Semester System:	All PG programmes (100%)
Trimester	Nil

1.2.10. How does the University promote inter-disciplinary programmes? Name a few programmes and comment on their outcome.

The following P.G. programmes are interdisciplinary in nature.

1. M.Sc. Environmental Science
2. M.Sc. Biomedical Science
3. M.A. Tamil
4. P.G. Diploma in Coastal Ecosystem and GIS

Students from various science streams can join the above courses and the subjects taught are interdisciplinary in nature. Multidisciplinary and employable skills are imparted.

1.3 CURRICULUM ENRICHMENT

1.3.1 How often is the curriculum of the University reviewed and upgraded for making it socially relevant and/or job oriented / knowledge intensive and meeting the emerging needs of students and other stakeholders?

Once in every 3 years, curricula are revised and upgraded for enabling the students to gain up-to-date knowledge in the emerging research area.

1.3.2. During the last four years, how many new programmes at UG and PG levels were introduced? Give details.

UG - Nil

Sl. No.	Year	P.G. Level Program
1	2012-13	M.Ed.
2	2013-14	PG Diploma in Coastal Ecosystem and GIS

1.3.3 What are the strategies adopted for the revision of the existing programmes? What percentage of courses underwent a syllabus revision?

Revision or revamping of curricula is made to suit the changing scenario in local and global levels and the demand. The Boards of Studies meetings are conducted once in three years to revise the syllabus. The curricula underwent syllabus revision for every three years to keep pace with the current trends.

M.A. & M.Sc.

100 %

1.3.4. What are the value-added courses offered by the University and how does the University ensure that all students have access to them?

Several value added courses are offered at Tamil University both in regular and distance modes. The students can choose add-on course from either regular or distance mode. Twenty percent (20%) concession in tuition fee is offered to Tamil University students and Alumni for courses offered in distance mode.

- P.G. Diploma in Translation

1.3.5. Has the University introduced any higher order skill development programmes in consonance with the national requirements as outlined by the National Skills Development Corporation and other agencies?

Yes.

Department of Industries and Earth Sciences offers one year P.G. Diploma course in Coastal Ecosystem and GIS which is an innovative programme sanctioned by the UGC.

1.4 FEEDBACK SYSTEM

1.4.1 Does the University have a formal mechanism to obtain feedback from students regarding the curriculum and how is it made use of?

Yes.

Faculty members of Departments have discussion with concerned students regarding the suitability of the curriculum, during revision of the curricula.

1.4.2 Does the University elicit feedback on the curriculum from national and international faculty? If yes, specify a few methods such as conducting webinars, workshops, online discussions, etc. and its impact.

No.

However, concerned Board of Studies consisting of eminent academicians of National repute offers their suggestion and expertise during curriculum revamping. But based on National and International conferences subject criteria are upgraded.

1.4.3 Specify the mechanism through which affiliated institutions give feedback on curriculum enrichment and the extent to which it is made use of.

Not applicable. Tamil University is unitary in nature.

1.4.4 What are the quality sustenance and quality enhancement measures undertaken by the University in ensuring the effective development of the curricula?

During the process of initiation of new curricula and revamping of existing curricula, brain-storming sessions are held by the faculty members with eminent academicians, experts and the students and a strategy evolved for the development and revamping of the concerned curricula.

Any other information regarding Curricular Aspects which the University would like to include.

CRITERION II: TEACHING-LEARNING AND EVALUATION

2.1. STUDENT ENROLMENT AND PROFILE

2.1.1 How does the University ensure publicity and transparency in the admission process?

Applications for admissions to P.G., M.Phil., and Ph.D. courses are invited through advertisements in the leading national newspapers, as well as placing banners outside the University, and notifications are also placed in the University website. Selection is made through Entrance Test/Qualifying Marks/Interview/Counseling for P.G. and M.Phil. courses. The admission process of Tamil University Departments are monitored by the Admission Monitoring Committee constituted by the University comprising Dean, Head of the Department, and faculty members of the department for the admission of Ph.D.

2.1.2 Explain in detail the process of admission put in place by the University. List the criteria for admission:(e.g.: (i) merit, (ii) merit with entrance test, (iii) merit, entrance test and interview, (iv) common entrance test conducted by state agencies and national agencies (v) other criteria followed by the University (please specify).

Based on Tamil Nadu State Council for Higher Education guidelines, the admissions to all the PG, M. Phil. and Ph.D. courses are through merit (based on written entrance test and interview). On the basis of the marks scored in the written test and/or on the basis of the consolidated marks obtained in the UG/PG courses, candidates are placed in the merit list. In some Schools/Departments, the candidates appear for written test and interview, for P.G. courses. A rank list is prepared as per the marks scored in the above selection process and reservation policy of the Tamil Nadu State Government, i.e., 31% for OC, 30% for BC, (including 3% for Muslims) 20% for MBC and 18% for SC (including 3% for *Arunthathiyar*), 1% for ST. The reservation is also made for students from differently-abled and sports. Waiting-list is also prepared for each category. All admissions are monitored by the Admission Monitoring Committee.

The following criteria are followed for admission to various PG courses in the University.

i) Merit with entrance test – M.Phil Courses (Entrance Test (75% of PG Marks + 25% of the written test Marks)

ii) Merit -PG Courses in Humanities and Sciences.

2.1.3. Provide details of admission process in the recognized centers and the University's role in monitoring the same.

Admissions in all recognized centers are also carried out through merit-cum-reservation policy framed by the University, State and Central Governments. The admissions in centers are monitored by the University by sending a faculty member/committee for verification and monitoring.

2.1.4 Does the University have a mechanism to review its admission process and student profile annually? If yes, what is the outcome of such an analysis and how has it contributed to the improvement of the process?

Yes.

The Admission Monitoring Committee for Ph.D. Admission of the University conducts meetings periodically once in three months. This Committee evaluates the applications and monitors the process of admission. It also discusses the relevance of the research topics chosen for the Ph.D. programme.

2.1.5 What are the strategies adopted to increase / improve access for students belonging to the following categories:

The Central and State Governments' Reservation Policy is strictly adhered to the admissions (31% for OC, 30% for BC, (including 3% for Muslims) 20% for MBC and 18% for SC (including 3% for Arunthathiyar), 1% for ST). Application form is issued 50% of cost to SC/ST students. They are permitted to pay the mess bill as and when they receive the scholarship. No tuition fee is collected from the persons with varied disabilities. The University assists students belonging to economically weaker sections to get scholarship(s) from the Central and State Governments.

Number of students admitted in University departments in the last seven academic years:

Student Admission	Certificate	Diploma	B.Ed	UG	PG	M.Ed	M.Phil	Ph.D.	Total
2007-08	73	0	100	-	188	-	269	184	814
2008-09	5	0	100	-	105	-	275	204	689
2009-10	9	9	100	-	72		318	146	654
2010-11	0	0	100	-	114		291	118	623
2011-12	0	19	96	7	113		324	183	742
2012-13	0	0	100	0	58	35	284	137	614
2013-14	0	0	100		22	22	333	64	541
Total	87	28	696	7	672	57	2094	1036	4677

2.1.6 Has the University conducted any analysis of demand ratio for the various programmes of the University departments and affiliated centers? If so, highlight the significant trends explaining the reasons for increase/ decrease.

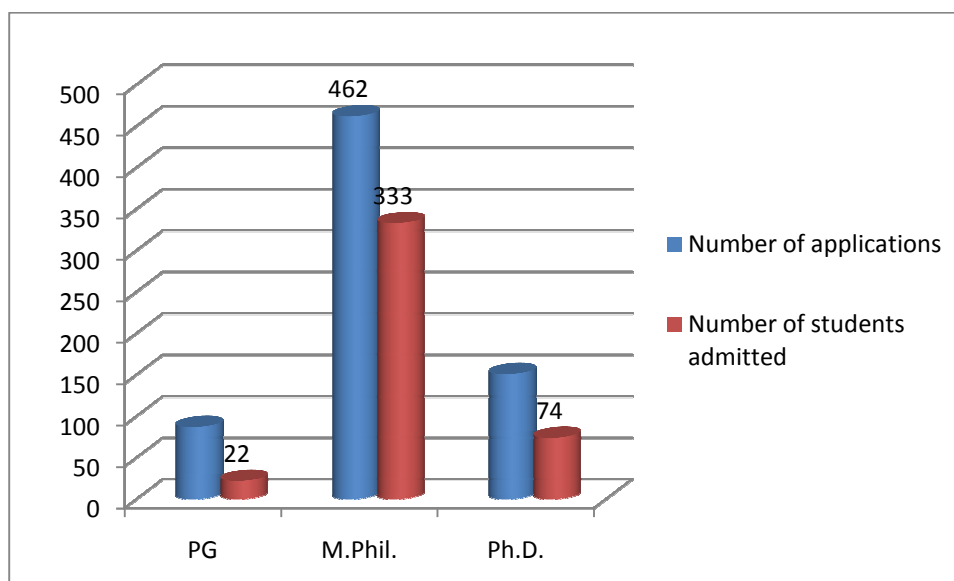

Yes.

In the study conducted by the University, it was found out that the employment potential and higher educational opportunities determine the decline in the demand for the courses. The demand ratio has come down over the years because of the limited employment potential, especially for the PG courses. The demand for B.Ed. course has been very high and

constant; all the available seats were filled during the past seven years. The number of applications received for this course is very high.

Demand Analysis of Academic courses: Admitted students from 2013-14

Programmes	Number of Applications	Number of Students Admitted	Demand Ratio
PG	87	22	1:4
M.Phil.	462	333	1:1.4
Ph.D.	151	74	1:2.04

Demand Analysis for Courses for the Year 2013-14

Demand for the PG. Courses

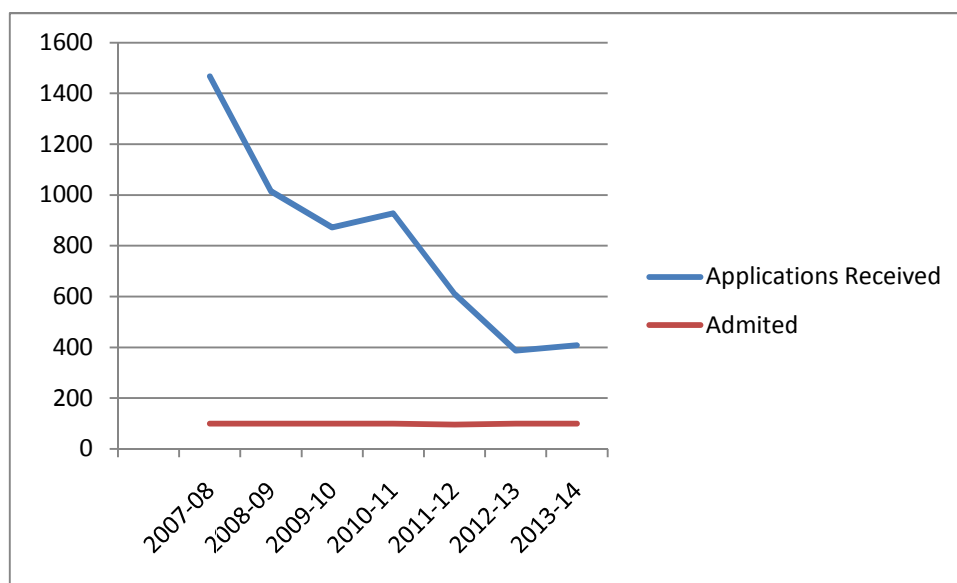

Demand for B.Ed. Course

Demand for B.Ed Course	Applications Received	Admitted
2007-08	1467	100
2008-09	1015	100
2009-10	872	100
2010-11	928	100
2011-12	610	96

Demand for B.Ed. course

Demand for B.Ed. Course

Demand for M.Phil Course: Number of seats filled

2.1.7. Were any programmes discontinued / staggered by the University in the last four years? If yes, please specify the reasons.

Yes.

Due to lack of students the following programmes were discontinued.

M.A. – Music, Folklore, Applied Tamilology.

M.Sc. – Bio-Medical Sciences.

2.2 CATERING TO DIVERSE NEEDS OF STUDENTS

2.2.1. Does the University organize orientation / induction programme for fresher's? If yes, give details such as the duration, issues covered, experts involved and mechanism for using the feedback in subsequent years.

Yes.

The admission to the academic programme starts with briefing about the opportunities, scope of the subject of study, the need to avoid ragging and time management for academic excellence. It also guides them appropriately for the selection/choice of elective courses.

2.2.2. Does the University have a mechanism through which the “differential requirements of the student population” are analyzed after admission and before the commencement of classes? If so, how are the key issues identified and addressed?

Yes.

- Interactions with the students before the commencement of the classes help to identify the slow learners.
- Through the assessment methods such as written test and seminars, slow learners are identified. The slow learners are given remedial coaching.
- Considering the heterogeneous composition of the students, adequate opportunities are created for promoting social mixing.
- Guidance Cell for SC/ST students of the University assists the students to familiarize with the various courses and facilities available.

2.2.3. Does the University offer bridge / remedial / add-on courses? If yes, how are they structured into the timetable? Give details of the courses offered, department-wise/faculty-wise?

Yes.

Remedial courses are given to PG Students.

The courses are offered either in the afternoon or after the regular working time on holidays depending upon the convenience of the students.

Remedial courses are offered for the following P.G. Courses.

Faculty of Languages

Department of Tamil Literature

M.A. Tamilology

Faculty of Manuscriptology

Department of Epigraphy and Archaeology M.A. History and Archaeology

Addon Course: P.G. Diploma in Translation

2.2.4 Has the University conducted any study on the academic growth of students from disadvantaged sections of society, economically disadvantaged, differently-abled, slow learners, etc.? If yes, what are the main findings?

No

2.2.5 How does the University identify and respond to the learning needs of advanced learners?

Advanced learners are identified based on their performance and interest. They are encouraged to participate in national and international level seminars. In order to promote research interest of advanced learners of various schools/departments, students are encouraged to apply for the 'Research Fellowships' that are supported by UGC and ICHR.

Students are also encouraged to attend the language courses offered by CIIL, Mysore and its Language Centres

2.3. TEACHING-LEARNING PROCESS

2.3.1. How does the University plan and organize the teaching, learning and evaluation schedules (academic calendar, teaching plan, evaluation blue print, etc.)?

The students and the teachers are stimulated with the help of the academic calendar. Teaching days are fixed taking into account the mandatory number of working days (90 days per semester), core credits and elective credits.

Conduct of model examinations and tests are done by the faculty member who handles the course based on the academic calendar. Evaluations are made through internal assessment for 25% and the end-semester examinations for 75% for PG course. For M.Phil. course, evaluation is made through internal assessment for 40% and the end-semester examinations for 60%.

2.3.2. Does the University provide course outlines and course schedules prior to the commencement of the academic session? If yes, how is the effectiveness of the process ensured?

Yes.

The faculty members provide course syllabus along with the reading list to the students at the commencement of academic session. Regarding Lab-oriented courses, list of experiments and protocols are provided to the students before the commencement of academic session.

2.3.3. Does the University face any challenges in completing the curriculum within the stipulated time frame and calendar? If yes, elaborate on the challenges encountered and the institutional measures to overcome these.

No

2.3.4. How is learning made student-centric? Give a list of participatory learning activities adopted by the faculty that contribute to holistic development and improved student learning, besides facilitating life-long learning and knowledge management.

The following participatory learning activities are given to the students

- Students are asked to prepare assignments on specific topics.
- Students are encouraged to choose a topic in an emerging area for writing assignments
- Students are given an opportunity to choose a published research paper from highly indexed journals and they are asked to review the paper.
- They are instructed to make Power Point Presentations in the seminar hall for debate.
- Discussion sessions are held for nurturing problem-solving skills

2.3.5. What is the University's policy on inviting experts/people of eminence to deliver lectures and/or organize seminars for students?

Eminent academicians and subject experts from various parts of India and abroad are invited periodically for interactive lectures, seminars as well as discussions. Funds from UGC and State Government are used periodically to organize short lectures, workshops, seminars and field trips. Experts from other National institutions are invited to deliver theme-based lectures.

The University has many endowments, which are useful in inviting various experts from different parts of the country. This helps students to get exposed to various latest developments in the field.

2.3.6. Does the University formally encourage blended learning by using e-learning resources?

Yes.

- University library is equipped with learning resources (INFLIBNET).
- ETD - Electronic Theses and Dissertation Lab was established at a cost of Rs. 14 lakhs. A server, 15 workstations, two printers, two scanners are provided for this lab with internet connection and an UPS. Researchers can access the theses and dissertations submitted in universities across the country. Also,

researchers can upload their theses on the portal. This lab is provided with Wi-Fi facility so that the students, researchers and teachers could use laptop computers.

2.3.7. What are the technologies and facilities such as virtual laboratories, e-learning, open educational resources and mobile education used by the faculty for effective teaching?

- On-line Teaching and Learning using web sources (Google Earth Map and Satellite Imagery)
- Video lectures using Multi-media packages, PPT Presentation.
- GIS software is also available in the Department.

2.3.8. Is there any designated group among the faculty to monitor the trends and issues regarding developments in Open Source Community and integrate its benefits in the University's educational processes?

Yes.

The faculty members motivate the students through special lectures, workshops and seminars.

2.3.9. What steps have the University taken to convert traditional classrooms into 24 x 7 learning places?

To convert traditional classrooms to active learning workshops, students are taken to industries, institutes and laboratories. Fieldwork is arranged and Internet access relevant to their disciplines is also provided.

2.3.10. Is there a provision for the services of counselors / mentors/ advisors for each class or group of students for academic, personal and psycho-social guidance? If yes, give details of the process and the number of students who have benefitted.

Yes.

A common student counseling cell has been set up at the University library. The Student Advisory Committee is also functioning to cater to the need of the students.

2.3.11. Were any innovative teaching approaches/methods/practices adopted/put to use by the faculty during the last four years? If yes, did they improve learning? What were the methods used to evaluate the impact of such practices? What are the efforts made by the institution in giving the faculty due recognition for innovation in teaching?

Yes.

Audio-Visual Methods are used to enhance the teaching and learning processes effectively and innovatively. General skills are taught as part of the M.Phil. and Ph.D. students.

Students have been asked to prepare PowerPoint presentations on their own and this helps to assess the impact of innovative practices.

Tamil University encourages and supports the teachers who involve in innovative teaching by supporting their research and academic activities.

2.3.12. How does the University create a culture of instilling and nurturing creativity and scientific temper among the learners?

Students are encouraged to participate in various conferences, seminars, discussions, competitions conducted in and outside the University. Students are taken to National laboratories and industries and also for fieldwork to get first-hand experience of research. Students are advised to learn the courses offered by CIIL.

2.3.13. Does the University consider student projects mandatory in the learning programme? If yes, for how many programmes have they been (percentage of total) made mandatory?

Yes.

Only in the Departments of Industries and Earth Sciences and Siddha Medicine, the student's project is mandatory. However, for M.A. Courses, the project system has been dropped as the model was changed to CBCS system.

Total Programmes	No of PG. Programmes with Project	Percentage of Total
4	2	50 %

Total Programmes	No of M.Phil. Programmes with Project	Percentage of Total
20	20	100 %

2.3.14. Does the University have a well qualified pool of human resource to meet the requirements of the curriculum? If there is a shortfall, how is it supplemented?

Yes.

The University has adequate human resource. Experts and eminent scholars from other institutions, Universities and industries are invited periodically to offer special lectures.

2.3.15. How are the faculty enabled to prepare computer-aided teaching/ learning materials? What are the facilities available in the University for such efforts?

The faculty members are trained to prepare computer-aided teaching/learning materials. Computer and Internet facilities are available for the students. All the seminar halls are equipped with Audio-Visual facility. Computer-aided teaching, use of educational software packages and internet facilities enable modern information flow to students.

2.3.16. Does the University have a mechanism for the evaluation of teachers by the students / alumni? If yes, how is the evaluation feedback used to improve the quality of the teaching-learning process?

Yes.

Only from the students in the PG course Department. As the courses are only few, the feedback system is managed by the Department itself. As the progress of the M.Phil and Ph.D

courses is concerned with the supervisor, the faculty members themselves serve as the counselors for individual students. When representation from a particular student is received as a grievance, the matter is placed before the Vice-Chancellor and necessary help is provided to the student.

2.4. TEACHER QUALITY

2.4.1. How does the University plan and manage its human resources to meet the changing requirements of the curriculum?

- All faculty members are encouraged to attend seminars, workshops, orientation and refresher Courses, which are organized by the UGC Academic Staff Colleges to keep their knowledge updated.
- The University appoints also Visiting Professors, Guest Lecturers in the concerned discipline to meet the changing requirements of the curriculum.

2.4.2. Furnish details of the faculty

2.12: Furnish details of the faculty

Highest Qualification	Professor		Associate Professor		Assistant Professor		Total
	Male	Female	Male	Female	Male	Female	
Permanent Teachers							
D.Litt.	1	---	---	---	---	---	1
Ph.D.	5	3	---	---	30	13	51
M.Phil.	---	---	1	---	3	---	4
PG	---	---	---	---	---	---	---
Temporary Teachers : NIL							
Ph.D.	---	---	---	---	---	---	---
M.Phil.	---	---	---	---	---	---	---
PG	---	---	---	---	---	---	---
Part-time Teachers : NIL							
Ph.D	---	---	---	---	---	---	---
M.Phil	---	---	---	---	---	---	---
PG	---	---	---	---	---	---	---

2.4.3. Does the University encourage diversity in its faculty recruitment? Provide the following details (department/ school-wise).

Department/ School	No. of Faculties	% of faculty from the same Univeristy	% if faculty from other universities within the State	% of faculty from universities outside the State	% of faculty from universities outside the country
Sculpture	AP- 1+1=2	50%	50%	NIL	NIL

2.4.4. How does the University ensure those qualified faculties are appointed for new programmes / emerging areas of study (Bio-technology, Bio-informatics, Material Science, Nanotechnology, Comparative Media Studies, Diaspora Studies, Forensic Computing, Educational Leadership, etc.)? How many faculty members were appointed to teach new programmes during the last four years?

The University advertises in the leading Newspapers and as well as circular is placed in the University website giving the minimum necessary qualification as prescribed by UGC norms.

During the assessment period, one Professor and Three Associate Professors were appointed to teach new programmes.

2.4.5. How many Emeritus / Adjunct Faculty / Visiting Professors are on the rolls of the University?

Emeritus Professors	Visiting Professors (2013-14)
01	23

(Please see Annexure III page No. 163)

2.4.6. What policies/systems are in place to academically recharge and rejuvenate teachers? (e.g. providing research grants, study leave, nomination to national/international conferences/seminars, in-service training, organizing national/international conferences etc.)?

- Support (leave with pay and/or travel) is extended to teachers for getting training, pursuing collaborative research work and teaching in other institutions.
- Faculty members are supported with travel grants to attend national and international conferences.
- Funds are provided to organize symposia, seminars, conferences and workshops.
- Faculty members are also encouraged to apply for research grants.
- Provision for sabbatical leave is also given even at Statute level.

2.4.7. How many faculty received awards / recognitions for excellence in teaching at the state, national and international level during the last four years?

Nil

2.4.8. How many faculty underwent staff development programmes during the last four years (add any other programme if necessary)?

Academic Staff Development Programmes	Number Courses attended by Faculty*
Refresher courses	92
HRD programmes	---
Orientation programmes	118
Staff training conducted by the University	02
Staff training conducted by other institutions	---
Summer / Winter schools, workshops, etc.	119

*Details are provided in the Evaluative Report

2.4.9. What percentage of the faculty have

been invited as resource persons in Workshops / Seminars / Conferences organized by external professional agencies?	30%
participated in external Workshops / Seminars / Conferences recognized by national/ international professional bodies?	15%
Presented papers in Workshops / Seminars / Conferences conducted or recognized by professional agencies?	90%
Teaching experience in other universities / national institutions and other institutions?	50%
Industrial engagement?	05%
International experience in teaching?	05%

2.4.10. How often does the University organize academic development programmes (e.g.: curriculum development, teaching-learning methods, examination reforms, content / knowledge management, etc.) for its faculty aimed at enriching the teaching-learning process?

As and when the necessity arises, the matter such as curriculum development, examination reforms are decided through Head of the Departments, deans meeting including the experts. The decisions are placed before the Syndicate for ratification before implementation.

2.4.11. Does the University have a mechanism to encourage Mobility of faculty between universities for teaching?

- Faculty members visit other universities, colleges and institutions to deliver lectures as resource persons and visiting fellows. Faculty members are also encouraged to visit other universities/institutions with leave and pay.

The School of Indian Languages and Comparative Literature collaborates with Volkswagen Foundation, Germany. The joint project aims at study of the Endangered Languages - Kurumba (Chola Nayakkan). In this connection the Dr. R.Muralidharan has visited Munich University Germany. He has taught the methods to document methods about the endangered languages to the research students and faculties.

A workshop was conducted in connection with Volkswagen Foundation Project at CIIL with the team members and research scholars of CIIL who are working in the endangered language project.

Dr. A. Karthikeyan, Professor of Department of Tamil Studies in Foreign Countries was in the Board of Studies of Mahatma Gandhi Institute of Oriental Studies, Mauritius 2009-10, 2010-11, and 2011-12. He also delivered lectures at the institute.

Dr. Udayasurian, Head of Dept. of Tamil Studies in Foreign Countries delivered lectures at the University of Malaya and University of Sultan Idris Educational University. He also delivered lectures at Mahatma Gandhi Institute of Oriental Studies, Mauritius.

Dr. Udayasurian, Head of Dept. of Tamil Studies in Foreign Countries delivers lectures at Singapore Tamil Teacher's Union on the Overseas Educational and Cultural Immersion Programme.

Dr. P.Jayakumar, Assistant Professor of Tamil University, supported as visiting faculty for the course in Epigraphy at SASTRA University, Thanjavur

Dr. N.Athiyaman, Dr. S.Rajavelu and Dr. V.Selvakumar, Faculty of Tamil University, have conducted a workshop on Archaeology to the students of Kumbakonam Govt. Arts College for women.

Visiting Faculty from Foreign Countries

Name Of Visiting Fellow	Institution	Period
Dr.Christiane Pilot	Lacito-CNRS, Paris	05.11.2012 - 10.11.2012
Dr.Christiane Pilot	Lacito-CNRS, Paris	17.03.2013 - 19.03.2013
Dr Frank Heidman	Munich University, Germany	

Faculty exchange programmes with national and international bodies? If yes, how have these schemes helped in enriching the quality of the faculty?

- This programme has helped to improve the quality of research and teaching activities.
- University has evolved a mechanism to achieve the output of high quality research publications in peer reviewed professional journals and ensure innovative teaching practices in new areas.
- The faculty members are encouraged to visit laboratories in other universities and institutes both in India and abroad.

2.5. EVALUATION PROCESS AND REFORMS

2.5.1. How does the University ensure that all the stakeholders are aware of the evaluation processes that are operative?

- The whole examination schedule and evaluation system are informed well in advance to students and teachers
- The evaluation system in detail with scheme of valuation is briefed to the Board of Examiners and teachers by the chairman of the respective boards of examiners.

- The students are given the opportunity to see their answer scripts after evaluation on demand, reflecting the true spirit of transparency. Students also have a provision to apply for revaluation.

2.5.2. What are the important examination reforms initiated by the University and to what extent have they been implemented in the University departments and affiliated colleges? Cite a few examples which have positively impacted the examination management system

The University follows uniform pattern of examinations for all the PG courses in the University Departments under CBCS. The following student-friendly reforms are introduced in the examination system.

- Central valuation system is adopted to avoid delay
- All practical examinations are conducted before the end semester exams.
- The examiners are provided with scheme of valuation and key to ensure accuracy.
- Transparency is practiced after the evaluation of answer papers in which students are given answer scripts for perusal and subsequent claim for revaluation.
- The continuous assessment of performance of the students has made the task of the students relatively easy.
- After the end-semester examinations, supplementary exams are conducted in July-August every year to facilitate students to go for higher studies or jobs.
- In the final year, consolidated mark statements and degree certificates are issued with photo identity.
- The University has introduced *Tatkal* system to issue the degree certificates on the same day.

2.5.3. What is the average time taken by the University for Declaration of examination results? In case of delay, what measures have been taken to address them? Indicate the mode / media adopted by the University for the Publication of examination results (e.g. website, SMS, email, etc.).

The University publishes the results within 30 days after the examination.

The examination results are also hosted in University website www.tamilUniveristy.ac.in

2.5.4. How does the University ensure transparency in the evaluation process? What are the rigorous features introduced by the University to ensure confidentiality?

- University ensures transparency in the evaluation processes and gives chance to the students for after the examination results are published in the University website.
- To ensure the confidentiality, question papers are opened at the commencement of the examinations by the Chief Superintendent, and before the students.

- The answer scripts are kept in cover for examination centre with the address blackened, before distributing the answer scripts to the examiners for evaluation. The settings of the question papers by the examiners are kept confidential.
- Likewise, the printing of the question papers are also kept confidential.
- Copy of answer sheets are provided to students for verification on request.

2.5.5 Does the University have an integrated examination platform for the following processes?

Since the Tamil University is unitary in nature and all the departments (except a few) offering courses are at Tamil University campus and the number of students going for examinations in regular stream is less than 500 in each semester, there is no integrated online platform or software. However, during pre-examination processes, examination processes and post-examination processes, a core examination group headed by Controller of Exams, Assistant Controller of Exams, and consisting of concerned clerks, superintendents and Assistant Registrar sit together and prepare and schedule the exam schedule, allotment of invigilators, materials management and logistics, result processing.

2.5.6. Has the University introduced any reforms in its Ph.D. evaluation process?

Yes.

Tamil University introduced UGC new regulation 2009 for Ph.D. admission and evaluation process since 2011. It also adopts the regulations of Tamil Nadu State Higher Education Council.

2.5.7. Has the University created any provision for including the name of the college in the degree certificate?

Not Applicable

2.5.8 What is the mechanism for redressal of grievances with reference to examinations?

For redressal of grievances, if any, in the examination process or in discrepancy in marks, or results, students have the option to address the Controller of Examination. They can apply for revaluation. During Passing Board meeting, concerned Heads of Departments and Deans can also raise their grievances and redressal is possible.

2.5.9. What efforts have been made by the University to streamline the operations at the Office of the Controller of Examinations? Mention any significant efforts which have improved the process and functioning of the examination division/section.

- New computers were provided to Controller of Examination section.
- Softwares were installed for printing of Marks statement, consolidated marks statement, Provisional Certificate, Convocation etc.
- New colour printer with speed and accuracy were installed for printing of certificates.
- Papers with security mark and emblem purchased for marks statement and certificates.

2.6. STUDENT PERFORMANCE AND LEARNING OUTCOMES

2.6.1. Has the University articulated its Graduate Attributes? If so, how does it facilitate and monitor its implementation and outcome?

The Graduate Attributes such as quality and enhanced understanding that a student should develop as part of the learning process are taken care by Tamil University's vision and mission, and its motto 'Ulluvathellam Uyarvullal' (Aim Higher).

Students are motivated to acquire wisdom, to aim high and to serve the society, by way of counseling at the time of admission and also during course by the faculty members. They are motivated to involve them in the activities of NSS, Red Cross Society and Red Ribbon Clubs. It enables them to be socially responsible.

Added to the subject knowledge, communication skills are imparted to the students by means of special classes. The CBCS allows them to select some of their interested interdisciplinary subjects to acquire skills.

2.6.2. Does the University have clearly stated learning outcomes for its academic programmes? If yes, give details on how the students and staff are made aware of these?

Yes.

Learning outcomes of all the programmes are stated. At the time of the first day of the programmes, the students are made aware of the expected outcomes of the programmes. The faculty members are already aware of the outcomes as they are members of the syllabus committee as ex-officio members.

2.6.3. How are the University's teaching, learning and assessment strategies structured to facilitate the achievement of the intended learning outcomes?

Intended learning outcomes of the programmes are achieved by strictly adhering to teaching schedules, internal assessment pattern (tests, seminars and assignments) and examination schedule.

2.6.4. How does the University collect and analyse data on student learning outcomes and use it to overcome the barriers to learning?

Data on student learning outcomes are collected in the middle of semesters by respective Heads of the departments and suitable remedial measures are taken to address the problems in learning like advising them to join in remedial coaching or taking extra classes for the students with learning problem. Regular interactions with the students help understand the learning outcomes.

2.6.5. What are the new technologies deployed by the University in enhancing student learning and evaluation and how does it seek to meet fresh/future challenges?

The following new technologies are adopted to enhance learning:

- Using PowerPoint presentation in the class room teaching.
- Arranging visits to places of interests (like temples, excavation sites, field of study, concert, etc.).

- Encouraging students to search the Internet, to know recent global scenario in their respective disciplines and to understand requirement and skill needed for up-liftment and employability.
- Encouraging students to read newspapers and watch certain education-oriented programmes on TV.
- Education related videos are also arranged
- Special lectures by eminent scholars in respective disciplines
- Encouraged to participate in seminars

Any other information regarding Teaching, Learning and Evaluation which the University would like to include.

CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION

3.1 PROMOTION OF RESEARCH

3.1.1 Does the University have a Research Committee to monitor and address issues related to research? If yes, what is its composition? Mention a few recommendations which have been implemented and their impact.

Yes.

The University has a Research Committee comprising the Vice Chancellor, as Chairman, Deans of Five Faculties, Controller of Exams, Director of DDE and a representative each from the cadre of Professor, Associate Professor, and Assistant Professors as Members.

The Committee regularly meets once in three months, to ensure and adopt the regulations as per the requirements and regulations essential for the current trends in research work officially for multidisciplinary area of research, following the guidelines of UGC and TNSCHE.

Recommendations include:

1. Written entrance examination to be followed for non-M.Phil Ph.D. students and interview, for Ph.D. scholars with M.Phil. Degree.
2. Course work with 4 papers in the first year of Ph.D. program.
3. Speeding up evaluation of Ph.D. dissertations.
4. Bi-annual review on the research work of the Ph.D. scholars to monitor the progress is followed.
5. This results in the publication of at least one research paper in a year in refereed journals.
6. Review of Ph.D. students' progress by the Vice-Chancellor

3.1.2 What is the policy of the University to promote research in its affiliated / constituent colleges?

Not applicable

3.1.3 What are the proactive mechanisms adopted by the University to facilitate the smooth implementation of research schemes/ projects?

Tamil University administration promotes for timely release of funds, pre-auditing and submission of utilization certificate to the funding agencies for the smooth implementation of research projects.

Tamil University has appointed a Special Officer for speedy transactions of research projects in 2012. The following are the major steps taken for the speedy implementation of research projects.

➤ Advancing funds for sanctioned projects

As soon as the Project Investigator places the request for field trip or purchase of equipments, speedy processing of the file is ensured by the Grants section.

- **Providing seed money**
Limited support is provided for fieldwork, if there is any request from the faculty members, and also if the research work is very important.
- **Simplification of procedures related to sanctions /purchases to be made by the investigators**
Yes. The process related to the purchase of equipment (up to Rs. 50000) has been simplified.
- **Autonomy to the principal investigator/coordinator for utilizing overhead charges**
No. But, the money is spent for departmental activities through the University.
- **Timely release of grants**
The grants for research sanctioned on time.
- **Timely auditing**
Yes. Support is provided.
- **Submission of utilization certificate to the funding authorities on time**
Yes. Support is provided.

3.1.4. How is interdisciplinary research promoted?

Most of the departments in Tamil University are unique and multidisciplinary in nature. For example, the Departments of Siddha Medicine, Drama, Music, Sculpture, Palm leaf Manuscripts, Rare Paper Manuscripts, Epigraphy and Archaeology and Folklore.

Collaboration with national and international institutions is encouraged by the University. Various collaborative research projects with various national institutions like Central Institute of Indian Languages, Mysore, Central Institute for Classical Tamil, Thanjavur Sarasvathi Mahal Library, SASTRA, National Institute of Technology, funded by ICHR, CSIR, ICMR, ICSSR, DST and various other institutions are being carried out.

The **Historical Atlas of South India Project** was jointly undertaken with generous funding from Ford Foundation of India. Tamil University jointly undertook this project in collaboration with French Institute of Pondicherry, MG University, Kottayam, Mangalore University and Central University of Hyderabad. The project was completed in 2008 which involved eminent scholars of Archaeology, Epigraphy, History and Cartography.

The School of Indian Languages and Comparative Literature collaborates with Volkswagen Foundation, Germany. The joint project aims at study of the Endangered Languages - Kurumba (Chola Nayakkan). In this connection the Dr. R.Muralidharan has visited LACITO-Paris and Munich University Germany. He has taught the methods of documentation of the endangered languages to the research students and faculties. In connection with the project, a workshop was organized at Mysore in India for the CIIL team.

3.1.5. Give details of workshops/training programmes/ sensitization programmes conducted by the University to promote a research culture on campus.

A total of 49 workshop/training programmes and 6 refresher courses were conducted during the seven year period (2007-2014).

(Please See Annexure IV page no. 165)

3.1.6. How does the University facilitate researchers of eminence to visit the campus as adjunct professors? What is the impact of such efforts on the research activities of the University?

Eminent professors, scholars and scientists from India and abroad are invited to Tamil University to take part in conferences, workshops and discussions and to deliver lectures on various topics in the departments.

This helps the faculty members, PG, M.Phil. and Ph.D. scholars to get exposed to the advancements in their domains, and to generate new ideas and concepts.

3.1.7 What percentage of the total budget is earmarked for research? Give details of heads of expenditure, financial allocation and actual utilization.

Actual Expenditure for Research and its percentage in the Total Expenditure (Rs.)

	Head	2009-2010	2010-2011	2011-2012	2012-2013	2013-2014
A	Total Expenditure	2,76,46,79,99	45,02,91,038	38,31,50,083	41,51,50,826	63,18,22,791
B	Research Projects	2065501	1739283	3069489	5050820	13135812
	Endowment Lecture	2690038	2465763	5876001	3748879	4500497
	Publications of Research papers	0	3451686	2564325	0	0
	Machine Translation	1587798	96000	0	0	0
	Wordnet	472068	894482	12045	0	0
	OASTC	233712	201647	232016	0	0
	INCOAS	365721	120000	59570	0	0
	MOES	318921	11009	0	0	0
	Other Research Projects	2978220	1323138	303631	0	0
Total of B		7733759	8979870	11813446	8799699	17636309
% of Total Budget for Research		2.79 %	1.99 %	3.08 %	2.11 %	2.79 %

3.1.8 In its budget, does the University earmark funds for promoting research in its affiliated colleges? If yes, provide details.

Not Applicable

3.1.9 Does the University encourage research by awarding Post-Doctoral Fellowships/Research Associateships? If yes, provide details like number of students registered, funding by the University and other sources.

Yes. Tamil University encourages Post-Doctoral research.

- Dr. Nallathambi was working as Research Associate in the Dept. of Maritime History and Marine Archaeology.
- Dr. S.B. Darsana was a Post-Doctoral Fellow Funded by ICHR. She was working in the Department of Maritime History & Marine Archaeology.
- Many scholars are encouraged to apply for Post-Doctoral Fellowship from other institutions.

Table List of Post-Doctoral Researchers of the University

	Name	Department	Year	Funding Agency
1	Dr. T. Nallathambi	Maritime History and Marine Archaeology	2009-2011	Tamil Nadu Government
2	Dr. S.B.Darsana	Maritime History and Marine Archaeology	2008-2010	Indian Council of Historical Research
3	Dr.A.Vasanth	Department of Folklore	2008-2010	UGC

3.1.10. What percentage of faculty has utilized the sabbatical leave for pursuit of higher research in premier institutions within the country and abroad? How does the University monitor the output of these scholars?

Nil

3.1.11 Provide details of national and international conferences organized by the University highlighting the names of eminent scientists / scholars who participated in these events.

(Please see Annexure V National and International Conferences/Seminars Organized page No. 170)

(Please see Annexure VI Eminent Visitors and Scholars who attended the Seminars and Lecture Programmes page No. 181)

3.2 RESOURCE MOBILIZATION FOR RESEARCH

3.2.1 What are the financial provisions made in the University budget for supporting students' research projects?

- Lab and infrastructure facilities
Analytical laboratories, computer infrastructure, and internet connectivity are provided to the research students for pursuing the research and the faculty for carried out the research projects.
- Field visits are arranged for the students to visit the research institutions, industries, herbal gardens, hills and forests, historical places and museum for collection and surveying of data for the concerned subjects.
- Providing Laptop computers and library facilities for the students.

3.2.2 Has the University taken any special efforts to encourage its faculty to file for patents? If so, how many have been registered and accepted?

Yes. The Tamil University has applied for a patent in the field of herbal sciences.

Applied Patent : 1 (Dept. of Environmental & Herbal Sciences)

Registered and Accepted : Nil

3.2.3 Provide the following details of ongoing research projects of faculty:

(Please see Annexure VII Ongoing Research Projects of the faculty, page no. 189)

3.2.4 Does the University have any projects sponsored by the industry / corporate houses? If yes, give details such as the name of the project, funding agency and grants received.

No

3.2.5 How many departments of the University have been recognized for their research activities by national / international agencies (UGC-SAP, CAS; Department with Potential for Excellence; DST-FIST; DBT, ICSSR, ICHR, ICPR, etc.) and what is the quantum of assistance received? Mention any two significant outcomes or breakthroughs achieved by this recognition.

- Dept. of Industry and Earth Science has been functioning as Nodal Agency of Ministry of Earth Sciences for Beach Placer Minerals
- Dept. of Industry and Earth Science has received funding for PG Diploma course under Innovative Scheme
- Dr. R.Muralidharan, School of Indian Languages and Comparative literature was given funding by the Volkswagen Foundation Germany for research on Endangered Languages - Kurumba (Chola Nayakkan)

3.2.6 List details of

- a. Research projects completed and grants received during the last four years (funded by National/International agencies).

*(Annexure VIII Completed Projects and Funds Received
(funded by National/International agencies). Page No. 197)*

b. Inter-institutional collaborative projects and grants received**i) All India collaboration**

	Department	Title of the Project	Collaboration	Funding Received
2007-08	Epigraphy and Archaeology	Historical Atlas of South India	The Tamil University has collaborated with French Institute of Pondicherry, M.G. University, Kottayam, Mangalore University and Central University of Hyderabad for the preparation of Historical Atlas of South India www.ifpindia.org/histatlas/	18 Lakhs
2013-14	Rare paper Manuscripts	Digitization of Modi Manuscripts	The Government of Maharashtra	133 lakhs
From 1989	School of Indian Languages and Comparative literature	Special Tamil Training Course	Personal and Administration Reforms Department of Government of Tamil Nadu for teaching Tamil to IAS probationary officers	Funding according to the Number of Participants
From 1989		Special Tamil Training Course	Home (Police) Department of Government of Tamil Nadu for teaching Tamil to IPS probationary officers	Funding according to the Number of Participants
From 1989		Special Tamil Training Course	Environment (Forest) Department of Government of Tamil Nadu for teaching Tamil to IFS probationary officers	Funding according to the Number of Participants

International : 2

1	Department of Translation Department of Translation	Translation of Tamil literary work <i>Thirukkural</i> into Mandarin (Chinese)	Government of Tamil Nadu Project in collaboration with poet Yu-Hsi of Taiwan	41.70 lakhs
2		Translation of Poems of Bharathiyar into Mandarin (Chinese)	Government of Tamil Nadu Project in collaboration with poet Yu-Hsi of Taiwan	36.0 lakhs
3	School of Indian Languages and Comparative literature	Documentation of Endangered Languages	Volkswagen Germany	

3.3 RESEARCH FACILITIES

3.3.1 What efforts have been made by the University to improve its infrastructure requirements to facilitate research? What strategies have been evolved to meet the needs of researchers in emerging disciplines?

The University has approached several agencies for improvement of research facilities. The University infrastructure has been developed mostly through UGC grants and Tamil Nadu State government funds.

- Under the RUSA plan following several new schemes have been proposed.
- Bio-medical research instrumentation for traditional drug-standardization and therapeutic evaluation has been proposed.
- Tamilnadu Govt. Laboratory facilities for environmental science.
- Equipment facilities for geology, geo chemistry and geo information systems.
- DNA sequencing facility for herbal sciences.

3.3.2 Does the University have an Information Resource Centre to cater to the needs of researchers? If yes, provide details of the facility.

Yes.

- Research information centre at Central library under UGC-INFLIBNET Programme provides data retrieving facilities to students and research scholars from various journals and University databases.
- Geoinformatics system service is provided by the department of Industry and Earth Sciences for conducting geological, geo chemical and hydrological investigations.
- Computer centre provides browsing and data collections to the research students and faculty.

3.3.3 Does the University have a University Science Instrumentation Centre (USIC)? If yes, have the facilities been made available to research scholars? What is the funding allotted to USIC?

The University does not have a separate **Science Instrumentation Centre. However, laboratory** facilities are made available in the departments of science faculty. They are utilized by all the students and faculty members of the departments. Analytical instrument facilities are available in the department of Industries and Earth Sciences, Department of Siddha Medicine and Department of Environmental and Herbal Sciences.

3.3.4 Does the University provide residential facilities (with computer and internet facilities) for research scholars, post-doctoral fellows, research associates, summer fellows of various academies and visiting scientists (national/international)?

Residential facilities are provided for research scholars on request. Similarly guest house and hostel facilities are provided for visiting professors and scholars. Internet facility is also available in the Guest House, Library.

3.3.5 Does the University have a specialized research centre/workstation on-campus and off-campus to address the special challenges of research programmes?

- Animal House facilities for carrying bio-chemical and pharmacological studies of Siddha Drugs standardization.
- Herbal garden for collecting and identifying medicinal plants for research studies.
- Siddha Clinical Out-patient Unit: for evaluating Siddha drugs in patients with various diseases.
- Language Lab in the School of Indian Languages.
- Phonetic Lab for morphological analysis of languages and grammar for research projects and students in the Department of Linguistics
- GIS Software in the Department of Industries and Earth Sciences
- Department of Tamil Studies in Foreign Studies has a library called Athikumanan Library which has a collection of writings/books of Singapore, Mauritius, Fuji, Sri Lankan, Canada, Germany and Malaysian Tamil Literature. This resource is used by the research scholars.

3.3.6 Does the University have centres of national and international recognition/repute? Give a brief description of how these facilities are made use of by researchers from other laboratories.

Nil.

3.4 RESEARCH PUBLICATIONS AND AWARDS

3.4.1 Does the University publish any research journal(s)? If yes, indicate the composition of the editorial board, editorial policies and state whether it/they is/are listed in any international database.

Yes.

Two National Journals with ISSN No.

Tamil Kalai (Quarterly) ISSN 2277-7822

Editorial Board

Chief Editor Dr. M. Thirumalai
Vice Chancellor

Editors Dr. S. Rajavelu

Editorial Board Members

Dr. K.Tilagavathy
Dr. K.Viswanathan
Dr. G.Palanivelu
Dr.P.Nallasivam
Dr.R.Kamarasu

Tamil Civilization (Quarterly) ISSN 2277 - 7814**Editorial Board**

Chief Editor Dr. M. Tirumalai
Vice Chancellor

Editors Dr. M. Jegadeesan
Dr. K. Chinnappan

Editorial Board Members

Dr. R. Bhaskaran
Dr. V. Elango
Dr. R. Muralidharan
Dr. V. Selvakumar

3.4.2 Give details of publications by the faculty:

(Please see Annexure IX page No . 205)

- **Number of papers published in peer reviewed journals**
 - National** : 538
 - International** : 53
- **Monographs** : 10
- **Chapters in Books** : 449
- **Books edited** : 133
- **Books with ISBN with details of publishers** : 188
- **Articles in web sites** : 38
- **Number listed in International Database (For e.g. Web of Science, Scopus, Humanities International Complete, EBSCO host, etc.)** : Nil
- **Citation Index** - 585

Department Name	Citation Index	Citation Range/ Ave	Impact fact range/ ave	i10 Index	h-index
Siddha Medicine	623	1-14	-	14	11
Industries & Earth Sciences	-	11/2.2	2.6/0.051	-	-
Herbal & Environmental Science	583	1-13	-	-	13

Range / average : 1-13

3.4.3 Give details of

- Faculty serving on the editorial boards of National Journals: 13
International Journals : 6
- **Faculty serving as members of steering committees of international conferences recognized by reputed organizations / societies**

1	Coordinators Dr.M. Rajendran, Vice-Chancellor Dr. M. Ramasami, Professor	International Conference on Classical Tamil 2010 of Government of Tamil Nadu
2	Dr. N.Athiyaman Dr. V.Selvakumar	Scientific Committee of First Asia Pacific Underwater Cultural Heritage Conference, Manila 2011
3	Dr.N.Athiyaman Dr.S.Rajavelu Dr. V.Selvakumar	Scientific Committee First Asia Pacific Under Water Cultural Heritage Conference, Hawai'i 2014

3.4.4 Provide details of

- **Research awards received by the faculty and students**

Faculty Members

- The **Indian President Award** for Classical Tamil for the year 2005-06 (Young Scholar), Dr.M.Bavani, Department of Epigraphy and Archaeology Young Scholar Award (Rs.1,00,000-/-)
- Professor A. Angayarkanni –Tamil Perayam Award in 2013 **Muttutandavar Tamil Music award** by SRM University, Chennai (Rs.1,50,000-/-) for her book *Pannum Layamum*.

(Please see Annexure X, Page No. 206)

- **national and international recognition received by the faculty from reputed professional bodies and agencies**

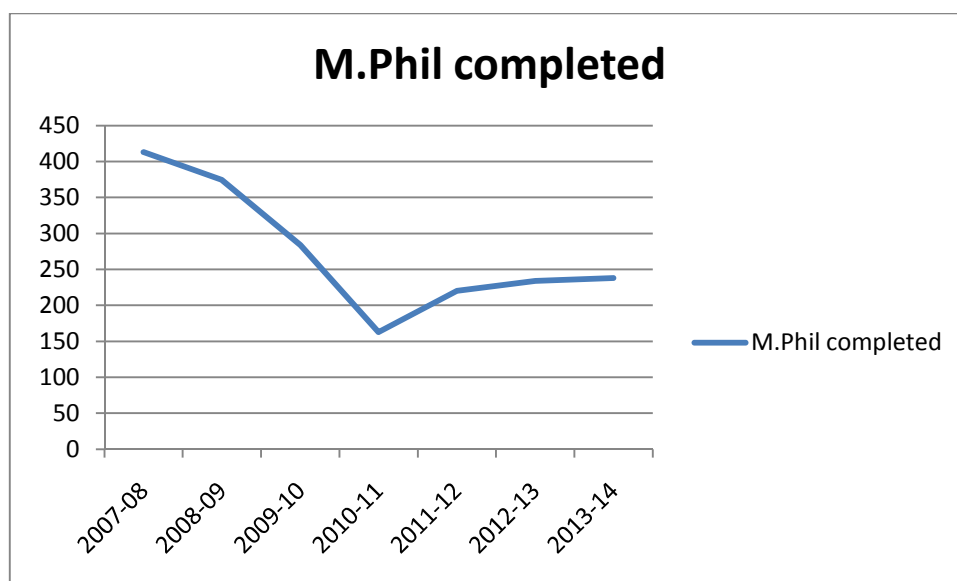

1	Coordinators Dr.M. Rajendran, Vice-Chancellor Dr. M. Ramasami, Professor	International Conference on Classical Tamil 2010 of Government of Tamil Nadu
2	Dr. N.Athiyaman Dr. V.Selvakumar	Scientific Committee of First Asia Pacific Underwater Cultural Heritage Conference, Manila 2011
3	Dr.N.Athiyaman Dr.S.Rajavelu Dr. V.Selvakumar	Scientific Committee First Asia Pacific Under Water Cultural Heritage Conference, Hawai'i 2014

3.4.5 Indicate the average number of successful M.Phil. and Ph.D. scholars guided per faculty during the last four years. Does the University participate in *Shodhganga* by depositing the Ph.D. theses with INFLIBNET for electronic dissemination through open access?

An average of 0.61 to 1.57 Ph.D. students per faculty member and 1.87 to 4.48 M.Phil. Students per faculty member successfully completed their degrees.

Yes. The University participates in *Shodhganga* by depositing the Ph.D. theses with INFLIBNET for electronic dissemination through open access.

	M.Phil completed	Ph.D. Completed	Number of Faculty Members	Successful M.Phil. per faculty	Ph.D. per faculty
2007-08	413	71	92	4.48	0.77
2008-09	374	57	92	4.06	0.61
2009-10	284	58	92	3.08	0.63
2010-11	163	75	87	1.87	0.86
2011-12	220	100	78	2.97	1.28
2012-13	234	105	69	3.39	1.52
2013-14	238	101	64	3.71	1.57
Total	1926	567			

3.4.6 What is the official policy of the University to check malpractices and plagiarism in research? Mention the number of plagiarism cases reported and action taken.

The research committee checks the malpractices in research. The Ph.D. committee scrutinizes the applications received for Ph.D. and checks for duplication of research titles. For every Ph.D. student, Pre-thesis-submission presentation is conducted. During this presentation, plagiarism if any is checked. The Ph.D. theses are placed in the Library and Department for 15 days prior to the public viva voce for open access. These procedures help to eliminate plagiarism in research. Strict warning has been issued to all students and researchers regarding plagiarism.

- One Ph.D. thesis was rejected on the ground of plagiarism during 2010-11.

3.4.7 Does the University promote interdisciplinary research? If yes, how many interdepartmental /interdisciplinary research projects have been undertaken and mention the number of departments involved in such endeavours?

Yes.

Interdisciplinary research is being carried out in most of the departments of Tamil University. Interdisciplinary researches in science are undertaken by the following departments: Dept. of Siddha Medicine, Dept. of Environmental and Herbal Sciences, Dept. of Industry and Earth Science.

In the department of Siddha Medicine interdisciplinary projects in biomedical science, pharmaceutical sciences are carried out.

3.4.8 Has the University instituted any research awards? If yes, list the awards.

Two awards are instituted for the best literary works.

The University gives "Rajarajan Award" for best literary work.

The "Karikalan Award" is given to the literary works of Tamil Diaspora writers of Singapore and Malaysia.

3.4.9 What are the incentives given to the faculty for receiving state, national and international recognition for research contributions?

Nil

3.5 CONSULTANCY

3.5.1 What is the official policy of the University for structured consultancy? List a few important consultancies undertaken by the University during the last four years.

There is no structured consultancy offered by the University, as its main area of research is humanities and social sciences. However, free consultancy services are provided by the University in the following areas of research.

- Testing and evaluation of Siddha drugs for the students research projects of other institutions.
- Free Siddha medical consultancy is given to patients in the outpatient unit.
- Analysis and diagnosis of parameter-related to health and medicine for researchers.
- Geological and hydrological consultancy.
- Identification of musical ragas and instruments for the research projects of students from other institutions.
- Identification and period for temples sculptures as requested by the local people.
- Writing local history of villages, town and monuments.
- In reading and deciphering inscriptions, palm leaf and rare paper manuscripts.
- Consultancy is provided in digital documentation of traditional arts preserved in various types of traditional media such as 16 mm films and video cassettes for South Zone Cultural Centre
- Consultancy was provided by the Audio-visual department for making Documentary Film on Saraswathi Mahal Library, Thanjavur
- Expertise was provided in video documentation of traditional Pearl fishing funded by CIIL.
- Expert advice was offered for setting up archaeological museum at School of Social Sciences, M.G. University, Kottayam, Kerala
- Consultancy to learn Indian Languages to Students at CIIL, Mysore
- Dr. N. Athiyaman and Dr. Rajavelu were invited to deliver special lectures in the subject of Indian architecture for students of Sri Lanka, and the program was organized by Directorate Hindu Religious Endowment, Sri Lanka in May 2012.

3.5.2 Does the University have a University-industry cell? If yes, what is its scope and range of activities?

Yes.

The University's industry related consultancies and activities are undertaken by a committee consisting of members from science faculty departments.

- To promote the expertise for the benefit of the society
- To generate employment opportunity for the students
- Standardization of Siddha drugs
 - A few Herbal and herbo-mineral drugs and medicinal foods have been standardized for their therapeutic activity in animals and in human volunteers, for various diseases like Diabetics, arthritis, liver disorder, heart diseases, hypothyroidism, renal disease, skin diseases, fertility disorders both in male and female, prostate disorders, etc. and their chemical and physico-chemical properties.

3.5.3 What is the mode of publicizing the expertise of the University for Consultancy Services? Which are the departments from whom consultancy has been sought?

The University does not publicize the expertise of the University for Consultancy Service. The services are offered on the basis of the contacts and interactions of the faculty members with the various media, industries, institutions and the public. Expertise and specialization of the faculty members are made available in the University Website.

The departments providing consultancy services are:

- Department of Siddha Medicine.
- Department of Earth Science
- Department of Environmental and Herbal Science
- Department of Music
- Department of Sculpture
- Department of Sociology
- Department of Palm Leaf Manuscripts
- Department of Rare Paper Manuscripts
- Department of Epigraphy and Archaeology
- School of Indian Languages and Comparative literature

3.5.4 How does the University utilize the expertise of its faculty with regard to consultancy services?

Whenever the consultancy is placed before the administration by the industries, agencies and the public, immediately permission is granted without any delay and hurdles.

3.5.5 List the broad areas of consultancy services provided by the University and the revenue generated during the last four years

- Geology and soil studies
- Siddha Medicine
- Traditional music
- Digital documentation
- Language and Learning
- Cultural Studies (identification of inscriptions, temples and transliteration of documents)

Only free consultancy is provided by the University department and no income has been generated from this service.

3.6 EXTENSION ACTIVITIES AND INSTITUTIONAL SOCIAL RESPONSIBILITY (ISR)**3.6.1 How does the University sensitize its faculty and students on its Institutional Social Responsibilities? List the Social Outreach programmes which have created an impact on students' campus experience during the last four years.**

The faculty members of all the five faculties deliver seminar programmes in various subjects aimed to sensitize the students and the research scholars.

- Organizing popular Tamil Art and Culture competitions in the field of music for the school and college at state level.

- Lectures and exhibitions on Tamil heritage and culture are organized annually.
- Environmental and wildlife conservation programmes are conducted by the department of Environmental and Herbal Science.
- As social health awareness programme free daily consultancy service is provided to patients attending Siddha Clinical unit.
- Health awareness camp and Blood donation and eye donation camps have been organized.
- First-aid programmes are organized by Red Ribbon Club.
- AIDS awareness programmes are organized by Social Sciences Department.
- Red Ribbon club and Red Cross Society are organizing health awareness programmes.
- Heritage Tour to historically important monuments

3.6.2 How does the University promote University-neighborhood network and student engagement, contributing to the holistic development of students and sustained community development?

- The students are engaged in social welfare activities through NSS and Red Ribbon Club programmes.
- Though NSS camps organized annually, students actively take part in enhancing and promoting environmental educational and health awareness in rural areas in and around Tamil University Campus.
- This promotes special collective living experience in the community.
- Through Siddha Medical out patients unit.

3.6.3 How does the University promote the participation of the students and faculty in extension activities including participation in NSS, NCC, YRC and other National/International programmes?

- Through programme of NSS and RRC and Department of Social Sciences many annual activities are conducted in the district of Thanjavur.
- In eye donation camp, the Hon'ble Vice Chancellor Dr. M. Tirumalai, Tamil University initiated eye donating programme on 24.2.2014.

3.6.4 Give details of social surveys, research or extension work, if any, undertaken by the University to ensure social justice and empower the underprivileged and the most vulnerable sections of society?

Social justice oriented surveys are undertaken by the Dept. of Social Sciences.

The students are encouraged to take up Ph.D. research topics related to **social justice and to empower the underprivileged and the most vulnerable sections of society**

The list of Ph.D. theses related to social issues and social justice is below.

	Title of Ph.D. Thesis	Name of Candidate	Year of Award
1	Social work perspectives of quality of life satisfaction, self esteem and hazards of commercial sex workers in Tamil Nadu with special reference to Thanjavur district	L. Rani	2007
2	A critical study in the changing scenario on the status of Muslims in Aravakuruchi Taluk of Karur District Tamilnadu	N. Shahul Hameed	2007
3	An Analysis of Urban Slums in Karaikal	S. Pandi	2007
4	A study in Adjust mental problems of industrial alcoholics with reference to textile workers at Karaikal Union Territory of Pondicherry	V. Lakshmanapathi	2007
5	Sociological perspectives of problems faced by construction workers in Thanjavur town a study	V. Gitanjali	2008
6	Job satisfaction of staff nurses in government hospitals : A social psychological study in Thanjavur	A. Thirumagal Rajam	2009
7	Divorce – A sociological study in Thanjavur district	S. Iraniyan	2009
8	Status of municipal women sanitary workers – A case of Thanjavur town socio – economic perspectives	J. Shanthi	2010
9	Customs, culture and religion of Paniya Tribe and their social change	Jacob Varghese	2010
10	Socio- psychological perspectives of abandoned children – A social work study in Thanjavur	G. Hemalatha	2011
11	Cultural dynamics of religious conversion in Tamil Nadu with special reference to Kanyakumari district	Reji Samuel	2011
12	Social work perspectives of HIV/ AIDS infected women – A study in Thanjavur District	M. Buvaneswari	2012
13	Social perspectives and determinants of child labour in Thanjavur district	R. Pooniselvan	2012
14	A social work study on tobacco use among male college students in Thanjavur	C. Manogaran	2012

3.6.5 Does the University have a mechanism to track the students' involvement in various social movements / activities which promote citizenship roles?

- Tamil University celebrates the Mother Tongue Day with functions and processions creating awareness on the importance of the Mother Tongue.
- NSS and RRB organized health awareness programmes.
- The students actively participated in Eye donation camps and HIV awareness programmes.
- The students participated in the Heritage Day Celebrations organized by the Archaeological Survey of India.

3.6.6 Bearing in mind the objectives and expected outcomes of the extension activities organized by the University, how did they complement students' academic learning experience? Specify the values inculcated and skills learnt.

Extension activities of Tamil University like Tree Plantation, Environmental Awareness programmes and Heritage Awareness programmes help the students to understand the importance of environment and its impact on society they belong. Students' self-esteem is being elevated by involvement in their activities. Through awareness programmes and health camps (Eye donation, Blood donation camp etc.) they themselves learn and make the common man learn the responsibility and involvement of an individual to societal development. The students' skill in tree plantation, tutoring the common man, through usage of local language and learning the societal need and environmental impact of anthropogenic activities are enhanced.

3.6.7 How does the University ensure the involvement of the community in its outreach activities and contribute to community development? Give details of the initiatives of the University which have encouraged community participation in its activities.

Tamil University has been involving in community outreach activities such as

- NSS programmes
- Eye camp
- Blood donation camps
- Aids awareness Programme
- Earth Day's Celebration
- Heritage Awareness programmes
- Mother Tongue Awareness Rally
- Book Exhibition
- Residents from these areas use Tamil University library and the playground and campus road for morning walk.
- Some of the local residents have contributed donations to Tamil University Library.
- Traditional Cultural programmes are organized by the University students and staffs
- Outpatient Siddha Clinic
- Herbal exhibition
- Free Medical camps for the Public

3.6.8 Give details of awards received by the institution for extension activities and/contributions to social/community development during the last four years.

Recognizing the first aid training programmes of Tamil University, His Excellency the Governor of Tamilnadu has awarded the Best Services for the programme conducted by St. John Ambulance and Tamil University (2013).

3.7 COLLABORATION

Various departments of Tamil University have undertaken collaborative research with other institutes/ universities. Funding from various agencies like UGC, CSIR, OST, AYUSH, ICHR, ICSSR etc. help bringing out quality research in terms of publication of research articles in journals of International and national repute. Research students from

Tamil University visit and carry out research in other institutes/universities of repute thus improving the skill and exposure of students. These collaborations help Tamil University getting recognition at national level from institutions, including Dept. of Industry and Earth Science. Ministry of Earth Sciences Ocean-Earth Atmospheric Science and Technology Cell sponsored by Ministry of Earth Sciences to sanction the research fund for the placer mineral deposits. Attracted by research activities of Tamil University, students from abroad are joining in the Departments of Music, School of Indian Languages, Tamil Studies in Foreign Countries and Sociology.

3.7.1 How has the University's collaboration with other agencies impacted the visibility, identity and diversity of activities on campus? To what extent has the University benefitted academically and financially because of collaborations?

Many collaborative research work at national level have been carried out by the faculty members for various departments including the Dept. of Siddha Medicine, Department of Epigraphy and Archaeology, Dept. of Tamil Studies in Foreign Countries, under this collaboration eminent scholars from all over India visited University departments, providing academic exposure to the PG and doctoral students through seminars, lectures, training programmes in computer applications etc.

- Publications of international standard were brought out.
- Research scholars had opportunities for conducting their research work at highly equipped laboratories and facilities at the state and national levels.
- This increased the quality and employment opportunities of the students.
- Ministry of Earth Sciences Ocean-Earth Atmospheric Science and Technology Cell sponsored by Ministry of Earth Sciences to sanction the research fund for the placer mineral deposits, every year an amount of 5 - 6 lakhs was offered to promote infrastructure. The department serves as an expert for identification of placer deposits in India and it sanctions the research funds through the Ministry of Earth Sciences.

3.7.2 Mention specific examples of how these linkages promote

➤ **Curriculum development**

PG, M.Phil. and Doctoral students improved the research project works and publication by interacting with the collaborating institutions and their expert staff.

➤ **Internship**

Because of the MOU between Tamil University and Kerala Council for Historical Research, doctoral students from Tamil University participated in the interdisciplinary Archaeological Excavations at Pattanam in Kerala. This helped them to interact with international scholars.

➤ **On-the-job training** Nil

➤ **Faculty Exchange and Development**

Faculty and students are exchanged between collaborating institutions for utilizing expertise and facilities. The faculty members of Tamil University visited the archaeological excavations at Pattanam in Kerala organized by the Kerala Council for Historical Research

➤ **Research**

Research articles international and national with high impact factors were published in Journals by various departments. Tamil University faculty members (Department of

Epigraphy and Archaeology and Department of Maritime History and Marine Archaeology) and students have participated in the Archaeological Excavations at Pattanam in Kerala.

➤ **Publications**

Joint publications have resulted due to the collaboration between KCHR and Tamil University

➤ **Consultancy**

- Free consultancy by faculty members for collaborative institutions is provided.

➤ **Extension**

Conducting seminar and Workshops

➤ **Student placements**

Students who were trained in GIS under the Historical Atlas Project of South India funded by the Ford Foundation found placement in Government Agencies such as Archaeological Survey of India and Tamil Nadu State Government Archaeology Department.

➤ **Any other (please specify)**

NA

3.7.3 Has the University signed any MoUs with institutions of national/international importance/other universities/ industries/corporate houses etc.? If yes, how have they enhanced the research and development activities of the University?

- The Tamil University and the University Of Yaounde II Of Cameroon have signed a Memorandum of Understanding (MoU) recently for academic cooperation.
- The MoU would pave the way for exchange of visits between the two universities, Joint research activities, including collaborative professional development, exchange of publications, reports and other academic materials and information would be taken up.
- The Tamil University has earlier signed MoUs with Kannada, Dravidian and Telugu universities, Sri Lanka University and University of Malaya, Kuala Lumpur.
- Under the MoU signed with Malay University, training programmes were conducted for teachers of Malaysia in Sangam literature.
- The University of Yaounde II has 40,000 students. It offers courses in social sciences, law, political science, economics, mass communication and journalism, international relations and demographic studies, the University Vice Chancellor Dr. Manga Said.
- MoU with CICT for research work (2011-12)
- MoU with Nine Stars Information Technologies Ltd. for development and formation of digitization of Encyclopaedia (2013-14)
- MoU signed with Malaysian University (Malaysian Sultan Idhris Educational University) (2013-14)

The MoU enhanced the research and development activities through intellectual and infrastructure levels.

3.7.4 Have the University-industry interactions resulted in the establishment / creation of highly specialized laboratories / facilities?

No. However, interaction with other institutions and industries helped to promote facilities in Tamil University departments. Students and staff of departments utilize the training facilities conducted at the collaborative institutions promoting their employability.

Any other information regarding Research, Consultancy and Extension, which the University would like to include.

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES

4.1 PHYSICAL FACILITIES

4.1.1 How does the University plan and ensure adequate availability of physical infrastructure and ensure its optimal utilization?

Tamil University has appropriate infrastructure for undertaking the teaching and research activities efficiently.

Administrative and Academic Buildings

The University has adequate space for its academic and administrative wings. Each department has separate space for the staff members, classrooms, and research students. The University has one administrative complex, three academic building complexes (two are to be opened in a few months), and additionally, two more complexes have been approved by the government, and they are expected to be completed in another three years.

Conference Halls

The University has three seminar halls, viz., “Karikalchozhan Kalai Arangam” with a seating capacity for 1000 persons, a conference Hall in the Language Faculty with a capacity for 160 Persons, a Seminar Hall in the library premises with a capacity of 230 persons, and a Senate Hall (200 Persons) and a Syndicate Hall (50 person). The Faculty Guest House has a seminar hall with seating capacity for 60 persons. There are two open air-theaters for performances traditional arts and drama.

In addition, each faculty has class-room-cum-seminar halls for conducting Ph.D. viva-voce (Open Defence), lectures and demonstrations.

Library

The University has a main library and each department has its own departmental libraries with books and journals. Photocopy facility is available in the library.

Power Backup

Generator facility is available in the University. An Animal House, an herbal garden, overhead water tanks, gymnasium and playgrounds and restrooms, ladies rest rooms are also available.

Laboratory and Research facilities

The University has three laboratories fully equipped with modern scientific equipments. There is an Animal House and an Herbal garden in the University complex. Archaeological research equipment (including Underwater Diving apparatus) is available. The University has a separate museum in the Thanjavur Palace complex (of the Nayak and Maratha period) with more than 5000 antiquities. Public visit this museum and researchers also visit the museum for collecting data related to their research work. The University also has a language lab and phonetic lab.

Publication Division

The University has a dedicated publication department for bringing out publications on time. The publication division has two off-set printing machines. It has professional technicians. So

far, the division has (from 1983) published 493 books. From 2007-08 to 2014, totally 99 books have been published (including reprints).

Hostels

The University has four hostels for men and women, provided with safe drinking water, kitchen and dining hall facilities. Recreation halls with Dish TV.

Bank and other facilities

Bank of India has opened branch office within the Tamil University campus, and 24 hr ATM facility is available and a separate Post-Office is located within the campus. The University has facility for the transport of students within the campus so that they can attend the classes and seminars on time.

The University has well-laid out road network and the University has two buses, which are also used for transport within the campus, site visits and study tours for the staff members and students. The University is connected with Thanjavur bus-stand through public transport system. Bus-shelters, four wheeler and two wheeler parking stands are available. Toilet facilities are available in all the complexes of the University campus. Accessibility for differently-abled persons is provided in all the building complexes.

Comments

Based on the need and requirement, the University deliberates and plans for the improvement of its infrastructure. Most of its infrastructure is optimally utilized. Almost all the seminars, workshops, exhibitions and other events of the University are organized within the University. Accommodation for the visitors is also provided within the University at the Faculty Guest House. Very rarely private accommodation is used when the guest house of the University is fully occupied. Thus the infrastructure of the University is utilized at optimal level.

4.1.2 Does the University have a policy for the creation and enhancement of infrastructure in order to promote a good teaching-learning environment? If yes, mention a few recent initiatives.

Yes.

The University strives hard to improve its infrastructure to promote good teaching and learning environment.

- A new complex in the shape of Tamil letter (alphabet) "DU" has been constructed (area 1593 sq m) and it will be opened for housing the departments under the Developing Tamil faculty in 2014.
- Another complex in the shape of Tamil letter (alphabet) "Mi" is under construction (area 1938 sq m) for the departments under science faculty. It will be opened in 2015.
- The Government of Tamil Nadu has approved Rupees 15 crores for the construction of two complexes (in the shape of Tamil letter "Na" and "Ta"), which would cover an area of about 2788 sq m and 1840 sq m, respectively, for the faculties of arts and manuscriptology.
- Desktop computers and Internet facility is available in most of the departments for teaching and research activities.
- Departments have been given LCD projectors and laptop computers for the purpose of teaching.
- Separate lap-top computers have been given to all the departments exclusively for the use of research students.

- An herbal garden (5 acres) is available within the Tamil University campus. It is being renovated and expanded for enhancing the research resources and learning.
- A Heritage Museum is proposed within the campus of the Tamil University to improve teaching and research activities, and also for creating heritage awareness among the public.
- A proposal for Soft-Skill Centre has been sent to the Government under the RUSA scheme.
- On the campus local transportation is provided to the students and staff members of the University, since the campus covers a large area.

4.1.3 How does the University create a conducive physical ambience for the faculty in terms of adequate research laboratories, computing facilities and allied services?

- The University has research laboratories equipped with scientific instruments.
- Language Lab (School of Indian Languages and Comparative literature)
- Phonetic lab (Dept. of Linguistics)
- Bio-Chemistry Lab (Dept. of Siddha Medicine)
- Quality Control Lab (Dept. of Siddha Medicine)
- Microbiology Lab (Dept. of Siddha Medicine)
- Environmental Research Laboratory (Dept. of Environmental & Herbal Sciences)
- Industries and Earth Sciences Laboratory
- Survey & Excavation Equipments (Epigraphy & Archaeology)
- Under water Diving Equipments (Dept. of Maritime History and Marine Archaeology)
- Computer Lab (Dept. of Computer Science)

The Computer Science Department has a computer lab with 25 computer terminals and one server, and an ETD lab at the library. WiFi is available in the main complex and the University proposes to setup WiFi facility in all the departments. A technical assistant has been appointed by the University to look into the IT related services of the faculty. The University supplies hardware and software required for the academic activities of the departments.

4.1.4 Has the University provided all departments with facilities like office room, common room and separate rest rooms for women students and staff?

Yes. All the departments have been provided with facilities such as office rooms, class rooms, and separate restrooms for men and women. Security facility is offered in both the hostels. Surveillance cameras have also been fixed in the main complex. There are watchmen in all the entrances of the University.

4.1.5 How does the University ensure that the infrastructure facilities are disabled-friendly?

The University has taken several steps to ensure the smooth access of the differently abled students and scholars. Transport facility is given within the campus. Exclusive ramps with hand-rails have been provided in all the buildings to assist the access of differently-abled people. This facility has been added to the buildings constructed earlier; and all the new constructions are designed as disabled-friendly.

4.1.6 How does the University cater to the requirements of residential students? Give details of

The University has separate hostels for men and women. Purified drinking water is being supplied to the students. All the hostels rooms have lights and fans. The hostels are located in the clean, green atmosphere of the University.

- Mess facility is available in the ladies hostels.
 - In the Men's hostel kitchen is available and provision is available for cooking.
 - Canteen facility is available on the campus.
 - Recreation room with Dish TV is provided
- **Capacity of the hostels and occupancy (to be given separately for men and women)**

Table Tamil University Hostel Capacity and Occupancy

	Number of Hostels	Capacity	Occupants
Men	02	156	156
Women	02	210	210

- **Recreational facilities in hostel/s like gymnasium, yoga centre, etc.**
- TV hall has been provided in the hostels with separate LCD TV.
 - Yoga classes are arranged for the students by the Department of Philosophy.
 - Reading hall with newspapers and weekly magazines is provided with TV in both men's and women's hostels
 - Gymnasium with state-of-the art instruments is available in the University sports Centre.
- **Broadband connectivity / wi-fi facility in hostels.**

Not available now in the hostel premises. The University has taken steps to create this facility. Cable lines have been laid within the University campus.

4.1.7 Does the University offer medical facilities for its students and teaching and non-teaching staff living on campus?

The University offered medical assistance during day time, by employing a part-time doctor till 2010. Now the **University** offers support system by arranging vehicles to take the needy to the government hospitals. A private hospital is located just about 500 m from the University campus. Also the Government Medical College hospital is located only at a distance of 3 km from the University campus. Transport facilities are made to the needy students and staff members to hospitals.

4.1.8 What special facilities are available on campus to promote students' interest in sports and cultural events/activities?

- Well equipped gymnasium is available in the University Sports Centre within the Karikalchozhan Kalaarangam (Auditorium).
- Playgrounds are available for the games such as Badminton and Volleyball

- Open-air Auditorium exists for organizing cultural programmes
- Sports events and cultural programs are conducted every year to promote students interest in these activities.
- Yoga centre offers training in Yoga to the students, public and the staff for their physical well being.
-

4.2 LIBRARY AS A LEARNING RESOURCE

4.2.1 Does the Library have an Advisory Committee? Specify the composition of such a committee. What significant initiatives have been implemented by the committee to render the library, student/ user friendly?

Yes. The Committee comprises of following members.

Vice Chancellor	Chairman
Dean, Faculty of Arts	Member
Dean, Faculty of Manuscriptology	Member
Dean, Faculty of Developing Tamil	Member
Dean, Faculty of Language	Member
Dean, Faculty of Science	Member
Registrar	Member
Finance Officer	Member
Library Director	Coordinator

4.2.2 Provide details of the following:

➤ Total area of the library (in Sq m)

2407 Sq. m.

➤ Total seating capacity

102

➤ Working hours (on working days, on holidays, before examination days, during examination days, during vacation)

9.30 am to 5.45 pm

➤ Layout of the library (individual reading carrels, lounge area for browsing and relaxed reading, IT zone for accessing e-resources)

Given in the Next Page

➤ Clear and Prominent Display of Floor plan; adequate sign Boards fire alarm access to differently aided users and mode of access to collection

Yes, Provided in the Library Premises

4.2.3 Give Details of the Library holdings**a) Print (Books, Back Volumes and theses)**

1,61,691

b) Average number of books added during the last three years

Books numbering as average of 3611 have been purchased during last three years.

Table of Books and Reference Books purchased after Accreditation

Year	Books and Reference Books	Total Cost (Rs.)
2007-08	305+91 = 396	51,577
2008-09	3421+250 = 3671	11,75,963
2009-10	920+25 = 945	4,21,624
2010-11	3406+248 = 3654	24,28,206
2011-12	676+21 = 697	4,50,472
2012-13	6737+892 = 7529	24,71,242
2013-14	1606+1000= 2606	13,57,233

c) Non-Print (Microfiche, AV)

Rare books have been microfilmed by the Tamil University. The University library has microfilm collection numbering 335.

d) Electronic (e-books, e-journal)

e-journals are available through INLIBNET.

e) Specific Collections (Text Books, reference books, standards, Patents)

A total of 10,029 books have been added between 2007 and 2014 under the category of textbooks. During this period 2436 books have been added to reference section of the Library.

f) Book Banks

Nil

g) Question Banks

Nil

4.2.4 What tools does the library deploy to provide access to the collection?➤ **OPAC**

Yes

➤ **Electronic Resource Management package for e-journals**

No

➤ **Federated searching tools to search articles in multiple databases**

No

➤ **Library Website**

No separate Library website. However a separate website for entire catalogue is under consideration.

Library Web page

http://www.tamilUniveristy.ac.in/tu_english/library_books.php

➤ **In-house/ remote access to e-publications**

Users can use the e-publications through INFLIBNET portal.

4.2.5 Provide details on the ICT and other tools deployed to provide maximum access to the library collection?

- | | |
|--|---------------------------------|
| ➤ Library Automation | Yes |
| ➤ Total number of computers for public access | Six |
| ➤ Total number of printers for public access | Two |
| ➤ Internet bandwidth/ speed | 2 mbps 10 mbps 1 Gbps |
| ➤ Institutional Repository | No |
| ➤ Content management system for e-learning | No |
| ➤ Participation in Resource sharing networks / consortia (like INFLIBNET) | Yes |

4.2.6 Provide details on the following items:

- | | |
|--|--------------------|
| ➤ Average number of walk-ins | 120 |
| ➤ Average number of books issued / returned | 83 / 66 |
| ➤ Ratio of library books to students enrolled | 1: 10 |
| ➤ Average number of books added during last three years | 3611 |
| ➤ Average number of login to OPAC | 15 |
| ➤ Average number of login to e-resources | 5 / per day |
| ➤ Average number of e-resources downloaded / printed | 2/ per day |
| ➤ Number of information literacy trainings organized | |
| Orientation Class for Students and Researchers | Every Year |
| | Orientation Course |
| ➤ Details of 'Weeding out' of books and other materials | |
| Damaged books are separated by a Committee and they are auctioned. | |

4.2.7 Give details of the specialized services provided by the library**➤ Manuscripts**

Not available in the Library.

There are separate departments for palm-leaf manuscripts and rare paper manuscripts in the University. They have collections of for palm-leaf manuscripts and rare paper manuscripts.

➤ Reference

CAS, SDI service provided to researchers, scholars and academicians.

➤ Reprography/Scanning

Photostat copy service, scanning, computer printout, India Office Records available in microfilm form

➤ ILL (Inter Library Loan)

Service in vogue. But nobody has utilized recent path.

➤ Information deployment and notification

Information about new arrivals is sent to students and teachers through circulars to the notice board of library and departments' notice board and through informal communication with the students. New arrival display is available.

➤ OPACs

For OPA online catalogues are available to the users for the personal collections, library staff help the user directly.

➤ Internet Access

Internet access facility for the students with four systems in the speed of 1Gbps.

➤ Downloads

Yes. Download facility provided to the students and researchers from the related databases.

➤ Printouts

Yes. Printing service is provided whatever they download research papers.

➤ Reading list / Bibliography Compilation

Yes

➤ In-house/ remote access to e-resources

In-house access is permitted. Users can use the e-publications through INFLIBNET portal.

➤ User Orientation and awareness

Yes. Orientation class is conducted for the benefit of new students, every year.

➤ Assistance on searching Databases

Whenever students ask for search databases, the library staff members immediately help them.

➤ INFLIBNET/IUC Facilities

INFLIBNET, UGC-Infonet Consortium facilities are available.

➤ M.Phil.Ph.D. Dissertation Catalogues

Offers the dissertations for reference.

4.2.8 Provide details the Annual Library Budget and the Amount Spent for Purchasing new Books and Journals

Table of Books and Reference Books purchased after Accreditation

Year	Books and Reference Books	Total Cost (Rs.)
2007-08	305+91 = 396	51,577
2008-09	3421+250 = 3671	11,75,963
2009-10	920+25 = 945	4,21,624
2010-11	3406+248 = 3654	24,28,206
2011-12	676+21 = 697	4,50,472
2012-13	6737+892 = 7529	24,71,242
2013-14	1606+1000= 2606	13,57,233

4.2. 9 What Initiatives has University taken to make the library a happening place on campus?

The library is modernized with ETD lab facilities for the benefit of students and teachers. The internet access provided to the students makes the researchers to visit library very often. Periodically new books were purchased, which encourages the staff and students to use library frequently.

4.2.10. What are the strategies used by the library to collect feedback from its users? How is the feedback analyzed and used for the improvement of the library services?

A suggestion box is placed in the entrance and necessary actions are taken for the improvement in library services.

The Director of Library readily looks into the feedback from the users and takes necessary action.

4.2.11 List the efforts made towards the infrastructural development of the library in the last four years.

- ETD lab facilities 2013
- Internet Facility
- Digitization of Rare books
- Drinking water facility

4.3. IT INFRASTRUCTURE

4.3.1 Does the University have a comprehensive IT policy with regard to

Currently, the University does not have a comprehensive IT policy. However, several measures have been adopted for the management of IT and related services. We have a dedicated Computer Science Department and in addition one technical person has been appointed on ad hoc basis to manage the IT services.

*IT Service Management

- High speed broadband Internet connection Service has been provided in the main complex, and in the Department of Linguistics.

- UGC-INFONET facility is available in the library
- Students have been given Internet facilities and separate Laptop has been provided in the Departments
- Wi-Fi facility is available in the DDE section.
- In the administrative section all the processes are computerized

***Information Security**

- Anti-virus protection software is installed in most of the computers.
- Computers are password protected.
- Firewall protection is available for all the computers

***Network Security**

- Network is password protected.

***Risk Management**

- Antivirus software is installed in many of the computers.
- Periodic data back-up is done by the staff members.

***Software Asset Management**

- Software programmes purchased by the University are registered in stock registry

***Open Source Resources**

NIL

***Green Computing**

-

4.3.2. Give details of the University's computing facilities i.e., hardware and software.

- **Number of systems with individual configurations**

Number of Desktop Systems	:	184
Number of Laptop Systems	:	82
- **Computer-student ratio** : 1:20
- **Dedicated computing facilities** : 1
- **LAN facility** : 80 **Terminals in the Administrative Building**
- **Proprietary softwares** : 9
 1. Centamil Tamil Tutor Software for Learners of Tamil
 2. In the Finance Section for Computing the Accounts
 3. Tamil -Tamil- English Dictionary Software
 4. Tamil Spell Check software
 5. ETD lab Soft ware
 6. GIS Software in the Dept. of Earth Sciences
 7. DDE Admission and other process Software
 8. Software for Controller of Exams section
 9. Software in the Library Utilities

Number of nodes/ computers with internet facility - 80

- **Any other (please specify)**

4.3.3 What are the institutional plans and strategies for deploying and upgrading the IT infrastructure and associated facilities?

Fiber Optic cable has been laid in the University campus for faster data transfer and connectivity through National Knowledge Network (NKN) National Mission for Education through Information and communication Technology under the MHRD. It will become functional in the near future.

Computer facility has been extended to all the departments and Internet facility is available in most of the departments.

4.3.4 Give details on access to on-line teaching and learning resources and other knowledge and information database/packages provided to the staff and students for quality teaching, learning and research.

- A multimedia package called Senthamil-Tamil tutor is used for teaching Tamil to Non-Tamil.
- The Education Department has created Computer Assisted Instruction (CAI) using HTML and Visual Basic Program for teaching and also for assessing student's academic achievements.
- INFLIBNET offers the e-journals for the users
- Mobile learning is used by the faculty.
- Blogs are used by the faculty members for the learners in distance mode.

4.3.5 What are the new technologies deployed by the University in enhancing student learning and evaluation during the last four years and how do they meet new / future challenges?

- Teaching through PowerPoint Presentations, and Audio Visual aids.
- Use of Internet, Google Earth and other online resources.

4.3.6 What are the IT facilities available to individual teachers for effective teaching and quality research?

1. Computer has been supplied to all the departments
2. Students have been given Laptop computers for research activities in the department.
3. Laptop computers have been provided to all the Heads of the Departments

4.3.7 Give details of ICT-enabled classrooms/learning spaces available within the University? How are they utilized for enhancing the quality of teaching and learning?

- No dedicated ICT enabled classrooms are available.
- Laptop computers and LCD projectors are available in many of the departments.
- ICT enabled conference halls are available.

ICT enabled conference halls are used for workshops, seminars and special lectures.

Class rooms are used for teaching through PowerPoint and for showing video clippings and movies, using LCD projectors.

4.3.8 How are the faculty assisted in preparing computer-aided teaching-learning materials? What are the facilities available in the University for such initiatives?

- Faculty members prepare their computer-aided teaching materials on their own.
- Internet facilities, scanners and computers have been provided for this purpose.

4.3.9 How are the computers and their accessories maintained?

- Newly purchased computers are maintained by dealers.
- The computers and accessories are maintained through a dedicated full-time technical staff.
- For major maintenance services, outside agencies approached.

4.3.10 Does the University avail of the National Knowledge Network connectivity? If so, what are the services availed of?

- Yes. University has availed of the Internet services through the National Knowledge Network (NKN) under NME-ICT project of MHRD
- The University has signed a MOU with BSNL for LAN network and the project would be completed in the near future.

4.3.11 Does the University avail of web resources such as Wikipedia, dictionary and other education enhancing resources? What are its policies in this regard?

Yes. Online Resources are accessed for the benefit of the students, under the supervision of the faculty members and plagiarism is not encouraged. Students are encouraged to make PowerPoint presentations and assignments based on these materials.

4.3.12 Provide details on the provision made in the annual budget for the update, deployment and maintenance of computers in the University.

In the University budget, funds for computer related maintenance are allotted under the head General Funds.

4.3.13 What plans have been envisioned for the gradual transfer of teaching and learning from closed University information network to open environment?

- Tamil University has signed a MOU with Tamil Virtual University and created **Tamil Information Database** and the information based on University's research has been made open to the public through the Internet. Basic information on various aspects of Tamil culture has been prepared and it is available on the website of Tamil Virtual University's website.

Tamil Information Database: <http://www.tamilvu.org/tdb/html/index.htm>

- The University publishes books for the benefit of the people. Awareness programmes are also arranged for the benefit of the public.
- Whenever seminars, workshops and endowment lectures are organized they are published in the newspaper and the interested public can attend these programmes.
- The main findings and the results of the research undertaken are published in the local newspapers.
- Research papers are published in *Tamil Civilization* and *Tamil Kalai*

4. 4. MAINTENANCE OF CAMPUS FACILITIES

4.4.1 Does the University have an estate office / designated officer for overseeing the maintenance of buildings, class-rooms and laboratories? If yes, mention a few campus specific initiatives undertaken to improve the physical ambience.

- Yes. The Engineering section takes care of the maintenance of the buildings.
- Green campus initiative (plantation of tree and gardening)

4.4.2 How are the infrastructure facilities, services and equipments maintained? Give details.

- The Engineering section takes care of the maintenance of the buildings
- Other equipments are maintained by employing specialized agencies.

Any other information regarding Infrastructure and Learning Resources which the University would like to include.

CRITERION V: STUDENT SUPPORT AND PROGRESSION

5.1 STUDENT MENTORING AND SUPPORT

5.1.1 Does the University have a system for student support and mentoring? If yes, what are its structural and functional characteristics?

Yes.

- Career Guidance and Counseling cell, SC &ST student cell and student grievance redressal cell are available.
- University professors offer personal counseling to the students.
- Information on various fellowships and scholarships are offered to the students.
- Notices on fellowships from UGC, ICHR, ICSSR websites are given to them
- Seminar and conference announcements are also supplied to the students and they are encouraged to attend seminars and present papers. Assistance is also offered in the preparation of research papers and abstracts.
- Special coaching for competitive exams is offered.
- Counseling is provided to the students for vocational choice. Special coaching is offered to the students for their academic programs through the coaching cell.
-

5.1.2 Apart from classroom interaction, what are the provisions available for academic mentoring?

- Assistance is offered to the students for their career guidance
- Remedial classes are arranged for the needy students.
- Study tours are arranged to enhance their knowledge.
- Training in fieldwork is offered to the students.

5.1.3 Does the University have any personal enhancement and development schemes such as career counseling, soft skill development, career-path-identification, and orientation to well-being for its students? Give details of such schemes.

Yes.

Career Guidance and Counseling cell is available in the University. Special programmes are arranged for the improvement of the soft-skills of the students

5.1.4 Does the University provide assistance to students for obtaining educational loans from banks and other financial institutions?

Yes.

The University provides assistance to students for obtaining educational loans. Assistance is provided in filling out the forms and necessary endorsements are given on time.

5.1.5 Does the University publish its updated prospectus and handbook annually? If yes, what are the main issues / activities / information included / provided to students through these documents? Is there a provision for online access?

Yes.

The University publishes updated prospectus every year.

The prospectus gives the course title, duration of the course, fees etc.

5.1.6. Specify the type and number of University scholarships / free ships given to the students during the last four years. Was financial aid given to them on time? Give details (in a tabular form) for the following categories: UG/PG/M.Phil/Ph.D./ Diploma/others (please specify).

Most of the University students receive financial assistance from UGC, ICHR and Tamil Nadu State Government. The University offers limited financial assistance to the students help through an endowment, every year.

5.1.7 What percentage of students receives financial assistance from state government, central government and other national agencies (Kishore Vaigyanik Protsahan Yojana (KVPY), SN Bose Fellow, etc.)?

Almost 90 % Students receive financial assistance from various sources to meet their study requirement every year. When the scholarship amount is not sufficient Bank loan facility is also provided by the University.

Following are the sources of funding

1. State Government Scholarships for SC/ST and OBC
2. Endowment Scholarships
 - Gurusamy Endowment
 - Dr. K.Thankamani Endowment
 - A.T. Panneselvam Endowment
3. Rajiv Gandhi Fellowship
4. ICHR Fellowship
5. ICHR Contingency Grants
6. CICT Fellowship
7. CIIL Fellowships

5.1.8 Does the University have an International Student Cell to attract foreign students and cater to their needs?

No.

The University does not have an International Student Cell. However foreign students are enrolling in the departments of Music and others.

5.1.9 Does the University provide assistance to students for obtaining educational loans from banks and other financial institutions?

Yes.

The University provides assistance to the students for obtaining loans from banks.

5.1.10 What types of support services are available for

➤ **overseas students**

- University offers accommodation and assistance in getting Visa for the foreign students.
- Support is provided for acclimatization with the local culture.

- **physically challenged / differently-abled students**
 - Ramps have been provided in many of the buildings
 - Student fees are waived
- **SC/ST, OBC and economically weaker sections**
 - Scholarships and fellowships of Central and state government schemes are offered
 - Application Fees are given at reduced rate for the SC/ST students
 - NET-SLET Coaching is offered
 - Remedial coaching are conducted
- **students participating in various competitions/conferences in India and abroad**
 - Uniforms are provided for the sports students.
 - Travel allowance is provided for attending sports events.
- **health centre, health insurance etc.**
 - Gymnasium is available to the students
- **skill development (spoken English, computer literacy, etc.)**
 - Spoken English classes are arranged
 - Computer literacy is included as part of the courses
 - Internet services are provided to the students
- **performance enhancement for slow learners**
 - Special coaching is arranged for slow learners.
 - Assistance and support are provided by the faculty members
- **exposure of students to other institutions of higher learning/ corporate/business houses, etc.**
 - Special tours are arranged for students
- **publication of student magazines**
 Nil. Research students are encourage to publish in *Tamil Civilization* and *Tamil Kalai*

5.1.11 Does the University provide guidance and/or conduct coaching classes for students appearing for Civil Services, Defense Services, NET/SET and any other competitive examinations? If yes, what is the outcome.

Yes.

The University offers assistance to the students. Conducts coaching classes for students appearing for Civil Services, Defence Services, NET/SET and other competitive examinations. About 15 per cent of the students have succeeded in the exams.

5.1.12 Mention the policies of the University for enhancing student participation in sports and extracurricular activities through strategies / schemes such as

- Students are allowed to participate in sports programmes and tournaments.
- Sports quota is available for PG and M.Phil programmes.
- Travel allowance and uniforms are provided to the sports persons

➤ **additional academic support and academic flexibility in examinations**

Flexibility in course programme is provided for attending the sports events

➤ **special dietary requirements, sports uniform and materials**

➤ **any other (please specify)**

5.1.13 Does the University have an institutionalized mechanism for students' placement? What are the services provided to help students identify job opportunities, prepare themselves for interview, and develop entrepreneurship skills?

Yes.

Career Guidance and Counseling cell organizes placement meetings in the University.

5.1.14 Give the number of students selected during campus interviews by different employers (list the employers and the number of companies who visited the campus during the last four years).

Details of students found Placement

Sl No.	Year	No of Students Placed
1	2007-08	17 B.Ed. Students
2	2008-09	147
3	2010-11	400
4	2011-12	150
5	2013-14	4

* Accurate data not available for the years 2009-10 and 2012-13, although placement cell was active in these years.

Details of Students who found Placement through University's Placement Cell

5.1.15 Does the University have a registered Alumni Association? If yes, what are its activities and contributions to the development of the University?

Yes.

The alumni association was established in 5.12.2005.

The association created two endowments of one lakh each.

- The interest from the endowment (established on 16.04.2009) is for distributing prizes for the students who secure 1st, 2nd and 3rd places in the P.G. exams.
- The second endowment is meant for arranging lectures for vocational guidance of students in the Department of Education.
- Signboards to direct visitors to the various complexes and facilities on the campus have been provided by the association at the cost of 1.5 lakhs.

5.1.16 Does the University have a student grievance redressal cell? Give details of the nature of grievances reported. How were they redressed?

Yes.

Initially the grievances were handled directly by the Registrar and Vice Chancellor. The Vice Chancellor has allotted specific time to meet the students to take care of their needs. The grievances received from the students are addressed immediately. It is often related to delay in the release of scholarship amount. Then representations are made to the government to immediately release the funds related to the scholarships. Other minor requirements related to the hostels are redressed immediately on day to day basis.

5.1.17 Does the University promote a gender-sensitive environment by (i) conducting gender related programmes (ii) establishing a cell and mechanism to deal with issues related to sexual harassment? Give details.

Yes.

The University creates a gender-sensitive environment. During the Annual Sports day competition, separate events are conducted for women students.

- A cell has been established to deal with issues related to harassment to women.

5.1.18 Is there an anti-ragging committee? How many instances, if any, have been reported during the last four years and what action has been taken in these cases?

No.

No instance has been reported from the University with regard to ragging. Since mainly a few postgraduate courses are offered, the University so far has not encountered this issue.

5.1.19 How does the University elicit the cooperation of all its stakeholders to ensure the overall development of its students?

The University motivates the faculty members to provide right guidance to the students. Lectures, workshops, seminars and conferences are organized for the overall development of the students and their skills. The University also sends proposals to government for various schemes and infrastructure facilities for the development of students. With the grant provided by the Tamil Nadu government laptop computers have been provided to the students. If the students are not regular or up to the mark in their studies, the parents are informed about their progress and their support is sought.

5.1.20 How does the University ensure the participation of women students in intra- and inter-institutional sports competitions and cultural activities? Provide details of sports and cultural activities where such efforts were made.

- Separate sports activities are arranged for women students, during time of Pongal festival every year.
- Sperate Oratorial skill and essay writing competitions are arranged for women students.
- The students of Music and Drama departments participate in various cultural programmes.
- Women Kabadi team of Tamil University participated in the inter-University tournament sponsored by Association of Indian Univerisites in the year 2012-13
- Karate Programme is offered to women students as part of self-defense skilldevelopmetn shceme.

5.2 STUDENT PROGRESSION

5.2.1 What is the student strength of the University for the current academic year? Analyse the Programme-wise data and provide the trends for the last four years.

5.3.4 How does the University involve and encourage its students to publish materials like catalogues, wall magazines, college magazine, and other material? List the major publications/ materials brought out by the students during the last four academic sessions.

Students are encouraged to publish in University journals and e-journals.

5.3.5 Does the University have a Student Council or any other similar body? Give details on its constitution, activities and funding.

No. As the number of PG Courses and students are minimal there is no Student Council.

5.3.6 Give details of various academic and administrative bodies that have student representatives on them. Also provide details of their activities.

- RUSA Committee
- Student Committee for Library

Any other information regarding Student Support and Progression which the University would like to include.

CRITERION VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 INSTITUTIONAL VISION AND LEADERSHIP

6.1.1 State the Vision and the mission of the University

Vision

To further the advancement of high level learning and research on Tamil language, literature and culture from the past records. The focus is not just on existence, but on excellence in all fields of knowledge for the benefit of the ordinary citizens in particular and humankind in general.

Mission

To preserve the valuable elements of Tamil language and culture. To offer education in mother tongue for excellence and exuberance. To empower human resource, beyond caste and creed, with creative and analytical skills necessary for their survival and excellence in the age of globalization. To create responsible citizens for the overall growth of the nation.

Motto

The Tamil University Motto is "Uḷḷuvattellām Uyarvuḷḷal" meaning to "Aim High".

Various symbols signifies the following meanings

The Vimana of Thanjavur Brihadeeswara Temple	: Represents the greatness
The World	: Represents the benefit for the Entire World
The Palm leaf Books	: Represents the Knowledge
Veena	: Represents the instrument of Knowledge Goddess Saraswathi
The Peacock	: Represents the beauty

6.1.2 Does the mission statement define the institution's distinctive characteristics in terms of addressing the needs of the society; the students it seeks to serve, the institution's tradition and value orientations, its vision for the future, etc.?

Yes. It seeks to create responsible citizens in the age of globalization. The distinctive character of the University is to aid the society and students in inculcating the traditional values through teaching and research. The public and students are made aware of the needs to keep the traditional knowledge and values in the era of Globalization, lest the entire culture would be lost in course of the social dynamics. The researches in the traditional medicine system, history, literature, art forms etc. by the University give new insights into the cultural system of Tamil Nadu an integral cultural system of subcontinent. The furtherance of such researches in the light of modern world is the vision of the future.

6.1.3 How is the leadership involved

- **in ensuring the organization's management system development, implementation and continuous improvement?**

The University's leadership focuses on the improvement quality of education and research. The administrative system, which includes the Senate, Syndicate, Finance Committees chaired by the Vice Chancellor designs and implements the various programmes for the smooth running of the institution and for enhancing the quality. The University promotes democratic and participatory management system. The focus is on socially inclusive policies and promotion of education in mother tongue for the all round development of the nation. Constant thrust is given for publications in mother tongue, higher research, and use of information technology and to reach out to the public. The Board of Studies, Research Committee, Senate and Syndicate take active part in setting and monitoring the goals of the University.

- **in interacting with its stakeholders?**

The University constantly interacts with the public. The lectures and seminars are advertised in local dailies and local people are invited to participate in the seminars and lectures. Special exhibitions are organized by the University for the benefit of the public. Competitions are organized by the University on Environment day and important days for the school children. Its DDE section offer many courses for the benefit of the public. The Vice Chancellor and the faculty members attend various academic programmes organized by local institutions.

- **in reinforcing a culture of excellence?**

The University strives hard to reinforce the culture of excellence. In research and education quality is maintained through monitoring the rules and regulations. The rules related to the maximum number of students who can register for Ph.D. is strictly adhered to.

- **in identifying organizational needs and striving to fulfill them?**

The senate, syndicate and Planning Boards look into the Vision of the University and actively involve themselves in identifying the Institutional future needs. Accordingly the proposals are made to improve the infrastructure, filling up the Vacant Posts, Auditing the research works etc. The funding organization is identified and the proposal is placed to the

concerned authorities. For example for the infrastructure development the funds from the UGC are sought for besides State Government offers generous grants in the infrastructure every year. Every year new endowments are established to offer research lectures, fellowships to the needy students and for publication of the Books etc.

6.1.4 Were any of the top leadership positions of the University vacant for more than a year? If so, state the reasons.

Yes.

Registrar Post was vacant till June 2013 and Registrar in regular service is appointed in the year 2013.

6.1.5 Does the University ensure that all positions in its various statutory bodies are filled and meetings conducted regularly?

Yes.

The University ensures that all the positions in its various statutory bodies like Syndicate, Senate, Planning Board, Finance Committee, Purchase Committee, Research Committee, etc. are filled regularly. The nomination of the memberships for the statutory bodies is made as soon as possible.

6.1.6 Does the University promote a culture of participative management? If yes, indicate the levels of participative management.

Yes. The frequent meetings among the Deans and Head of the Departments are made in decision making. Added to that the meeting with all the Academic personnel are made for efficient function of the University. The grievances posed by the academic and administrative staff are immediately attended and the meeting of all Deans is convened. To attend any special need a committee is constituted by the Vice-Chancellor and based on the resolutions of the committee the actions are taken.

The research committee is represented by Deans, and a representative each from Professor Level, Associate Professor level and Assistant level is nominated to present their views.

6.1.7 Give details of the academic and administrative leadership provided by the University to its affiliated colleges and the support and encouragement given to them to become autonomous.

Not Applicable

6.1.8 Have any provisions been incorporated / introduced in the University Act and Statutes to provide for conferment of degrees by autonomous colleges?

Not Applicable

6.1.9 How does the University groom leadership at various levels? Give details.

The leadership is groomed at all the academic level of the University. The following are the Leadership level posts and concerned posts

Leadership	Academic Level
Register (i/c)	Professor
Special Officer (Grants and Projects	Professor
Controller of Exams (i/c)	Professor
Additional Controller of Exams (i/c)	Asst. Professor
Director DDE (i/c)	Professor
Deputy Director - in - Charge (i/c)	Assistant Professor
IQAC Director	Professor
Publication Director (additional Charge)	Assistant Professor
Research Committee	Deans, One Professor, One Associate Professor, One Assistant Professor
Chairman Purchase committee	Professor & Syndicate Member
Girls & Boys Hostels' Warden	Assistant Professor

6.1.10 Has the University evolved a knowledge management strategy? If yes, give details.

Yes. The University has a knowledge management strategy. The University gathers the knowledge that is preserved among the people in language, culture, material culture and traditional knowledge and studies them scientifically. The generated knowledge is published, archived for the benefit of the society and the public.

6.1.11 How are the following values reflected the functioning of the Univeristy?➤ **Contributing to national development**

The University offers degrees to the rural and socially and economically backward students. It helps improve the disparity in development.

➤ **Fostering global competencies among students**

The University offers skill development for the students by organizing lectures on Personality Development and Spoken English.

➤ **Inculcating a sound value system among students**

Yoga practice is offered by the University. NSS and RRC units help enhance the a good value system among the students.

➤ **Promoting use of technology**

Training is offered for IT skills through curriculum. Added to that short term courses are offered to the students in the Computer Science Department. Orientation Programme is offered to new students in accessing the books in the Library through computers.

➤ **Quest for excellence**

The University constantly reviews its policy for excellance in its thrust areas. The faculty members have been encouraged to undertake more research projects and are motivated to brighout quality publications. In order to maintain research quality the number of Ph.D. students guided by the faculty members is maintained within the stipulated norms.

6.2 STRATEGY DEVELOPMENT AND DEPLOYMENT

6.2.1 Does the University have a perspective plan for development? If yes, what aspects are considered in the development of policies and strategies?

Yes. Teaching in mother tongue, gender equality, socially inclusive development, higher level research, applied research, management of Traditional Knowledge System and focus on public outreach are the aspects that are considered in the policies and strategies.

➤ **Vision and mission**

Focus on the learning in mother tongue and high level research

➤ **Teaching and learning**

To offer the latest developments in a creative manner using traditional and modern methods

➤ **Research and development**

To undertake higher level research for the benefit of the society. Validating the traditional knowledge for contemporary use.

➤ **Community engagement**

To engage and interact with people constantly.

➤ **Human resource planning and development**

Improving the quality of human resource to survive in the age of globalization.

➤ **Industry interaction**

To improve the relevance of research the University encourages interaction with industries.

➤ **Internationalization**

The University encourages its faculty to develop international collaboration and tie up.

6.2.2 Describe the University's internal organizational structure and decision making processes and their effectiveness.

Administrative System of Tamil University

Chancellor

Dr. K.Rosaiah

His Excellency the Governor of Tamilnadu

Pro- Chancellor

Dr.K. C.Veeramani

Hon'ble Minister for School Education, Sports and Youth Welfare

Vice - Chancellor

Dr M.Thirumalai

Syndicate

Senate

Registrar

Dr.S. Ganesh Ram

Finance Officer

M. Partheeban

Faculty Members

Administrative Staff

6.2.3 Does the University have a formal policy to ensure quality? How is it designed, driven, deployed and reviewed?

Yes.

The University seeks to ensure high quality education and seeks quality output from its staff and students. The Vice-Chancellor seeks report of the activities of various departments and reviews their performance. Based on the analysis of performance suitable changes are made in the activities, programmes and rules and regulations related to Ph.D. programmes, courses and other research activities.

6.2.4 Does the University encourage its academic departments to function independently and autonomously and how does it ensure accountability?

- The academic departments function independently
- They decide on the academic issues related to seminars conferences and curricula.
- The University monitors the academic process through reporting and discussions
- However, many of the activities are done with due deliberations with the administration.
- Accountability is ensured through periodic meetings and reviews.

6.2.5 During the last four years, have there been any instances of court cases filed by and against the institute? What were the critical issues and verdicts of the courts on these issues?

Yes.

There have been cases filed against the University.

- Issues related to adopting roster system in the University appointments
- Issues related to promotion, salary fixation.

Number of Cases from 2010 to 2013

Sl. no	Nature of the Cases	No of cases
1	Salary fixation and Promotion	13
2	Reservation	4
3	Accident	1
4	Defamation	1
5	Syndicate Resolution	1
	Total	20

6.2.6 How does the University ensure that grievances / complaints are promptly attended to and resolved effectively? Is there a mechanism to analyse the nature of grievances for promoting better stakeholder-relationship?

The students have been given specific visiting time to meet the Vice Chancellor. The employees of the University meet the administrations as and when needed. The grievances are forwarded to the concerned department for necessary action. Recently in 2014 Grievances Redressal Cell has been created in the University.

6.2.7 Does the University have a mechanism for analyzing student feedback on institutional performance? If yes, what was the institutional response?

Student feedback is received and action is taken based on the queries received. The grievances relating to the Hostels are received through representation from the students and the problems are solved through Hostel committee represented by the senior faculties of the University.

6.2.8 Does the University conduct performance audit of the various departments?

Yes.

The University conducts performance audit of its departments. The Vice-Chancellor meets every faculty of the department and looks in to the progress of the faculty in research endeavour.

6.2.9 What mechanisms have been evolved by the University to identify the developmental needs of its affiliated institutions?

Not Applicable

6.2.10 Does the University have a vibrant College Development Council (CDC) / Board of College and University Development (BCUD)? If yes, detail its structure, functions and achievements.

The University has a Planning Board (PB) which is represented by the eminent personalities of the society besides the syndicate members of the University. They meet once in a year to offer their suggestions in the functions of the University. The University does not have affiliated colleges. Hence there is no College Development Council.

6.3 FACULTY EMPOWERMENT STRATEGIES**6.3.1. What efforts have been made to enhance the professional development of teaching and non-teaching staff?**

- The University offers financial support for organizing seminars and lectures in the University
- The staff members are encouraged to attend orientation, refresher courses, special training courses and workshops
- Under UGC's unassigned grant financial support is offered for attending conferences at state level, national level and also at international level.
- The staff members are encouraged to apply for research projects
- The project management, the process for purchasing equipment up to Rs.50000/- has been simplified to speed-up the research activities.
- Internet facility and Laptops are available in most of the Departments.
- Training and lectures are arranged for the non-teaching staff.

6.3.2 What is the outcome of the review of various appraisal methods used by the Univeristy? List the important decisions.

- The major appraisal method is review by the Senate and Syndicate based on the Annual report submitted by each Department. These are reviewed in the meeting. The suggestions provided by the members are adopted.
- Apart from the above, frequent meeting at HOD level, provide some form of appraisal about the activities of the concerned department and necessary suggestions are placed to them.
- For the Research projects funded by the State Government Appraisal meeting is made every three months and the suggestions are given to concerned staff.
- When special need arises the meeting of all Deans is convened and the decisions are taken.

6.3.3 What are the welfare schemes available for teaching and non-teaching staff? What percentage of staff have benefitted from these schemes in the last four years? Give details.

The following schemes are made available to the staff of the University.

• General Provident Fund Advances	100 %
• Festival Advance	90 %
• Health Insurance scheme	100 %
• Staff cooperative Society	30 %

6.3.4 What are the measures taken by the University for attracting and retaining eminent faculty?

- Wide publicity is given in the newspapers and the University's website about the vacancies for faculty
- The University encourages the staff members to undertake research activities
- 30 days duty leave is offered for attending conferences seminars and workshops
- In addition permission is granted for fieldwork related to their research projects.
- Sabbatical leave is offered to professors for undertaking research.
- The University offers visiting fellowships for senior researchers
- Eminent professors are advised to apply for UGC Emeritus professor Scheme
- Professor S.N.Kandasamy has been appointed as the head of the Centre for Study of Classical Languages.

6.3.5 Has the University conducted a gender audit during the last four years? If yes, mention a few salient findings.

No.

As only very few appointments have been made the gender audit could not be made.

6.3.6 Does the University conduct any gender sensitization programmes for its faculty?

Yes.

Staff members are advised on this aspect by the Vice Chancellor during the meetings.

International Women's day is celebrated in the University and awareness is created among the women faculty members.

Women redressal cell is functioning in order to help the women gender grievances.

6.3.7 What is the impact of the University's Academic Staff College Programmes in enhancing the competencies of the University faculty?

By attending the refresher courses of the Academic Staff Colleges the teachers who attend the programme enhance and update their knowledge in their field.

- They are able to identify the emerging area of research to focus their future researches.
- They are able to have good contact with the senior scholar in order to get their advices.
- They develop the inter relationship among the participants who are working in the same field.
- The updated knowledge is passed on to the younger generations by teaching new areas to them.

6.4 FINANCIAL MANAGEMENT AND RESOURCE MOBILIZATION

6.4.1 What is the institutional mechanism available to monitor the effective and efficient use of financial resources?

There is a separate Finance Section for effective and efficient use of financial resources. The finance section is headed by the Finance Officer who is generally deputed from the experienced state Local Fund Audit department. Under the Finance Officer an Accounts Officer (level of Assistant Registrar) and two superintendents (level of Section officer) of the University work on the effective use of financial resources of the University.

6.4.2 Does the University have a mechanism for internal and external audit? Give details.

Yes.

The University has the mechanism of internal audit and external audit mechanism. The State Government's audit body namely Local Funds Audit has an office at Tamil University to look into the current audits. Whenever there is a clarification required the matter is immediately referred to the Assistant Director (In Campus) for further actions.

The AG of Central Government organization also visits the University periodically and makes remarks on the financial proceedings.

6.4.3 Are the institution's accounts audited regularly? Have there been any major audit objections, if so, how were they addressed?

Yes.

Regular Audit of the institution's accounts is mandatory. The Local Funds audit Department goes through all the accounts place remarks if exists. Following are the audit objections for the past four years.

L.F Audit Remarks Between 2007-08 and 2010-11

Sl. No	Year	Previous Remarks	New comments	Total Remarks	Remarks dropped	Balance Remarks
1	2007-08	281	55	336	62	274
2	2008-09	274	58	332	54	278
3	2009-10	278	101	379	25	354
4	2010-11	354	95	449	0	449
5	2011-12*	449	Yet to receive		0	
5	2012-13*	449	Yet to receive		0	
6	2013-14	449	Yet to receive		46	403
7	2014-15	403	-	-	40	363
	Total		590		227	363

Central Government AG Audit

Total Objections	- 38
Objections dropped	(2013) - 20
Pending Objections	- 18

The major audit objections are regarding appointment of a few Non-Teaching staff without prior approval of the Government. However, getting the representation to the Government is made and there is positive response in this regard.

Generally the joint meeting with finance Department of Tamil University and Deputy Director of Local Fund Audit is held to provide clarification for the remarks.

6.4.4 Provide the audited income and expenditure statement of academic and administrative activities of the last four years

Generally, the final audited statement of the expenditure is submitted within a maximum four years after the completion of financial year. However, in the finance committee the income expenditure statements are placed for the approval. The finance committee comprises of the State Government Secretaries who approves the future budget and past expenditures. The financial expenditure statement for the past 4 years is given under.

(Please see Annexure XI Page no. 214)

6.4.5 Narrate the efforts taken by the University for Resource Mobilization.

The University has taken several measures to raise resources.

- Efforts have been taken to generate resources through Research Projects
- The faculty members take initiative to get private sponsorships for managing events
- The faculty members also take the support of private persons to create endowments for delivering special lectures for the students
- DDE section is optimally utilized for generating resources
- UGC- plan grants and State Government Grants are also sought for raising resources
- Efforts are taken to obtain private funding also by requesting to create endowment in the Departments and Publication of books etc.

6.4.6 Is there any provision for the University to create a corpus fund? If yes, give details.

So far no provision is being made to corpus fund as most of the expenditure on research and administration is met out by the State Government. As there is no source of income through courses of affiliated colleges, corpus funds could not be created. However, initiation is on for creating corpus fund through the income generated by DDE.

6.5. INTERNAL QUALITY ASSURANCE SYSTEM

6.5.1 Does the University conduct an academic audit of its departments? If yes, give details.

Yes.

As the University mainly focuses its activities in Research and offering Research Degrees, the academic audit is done mostly for the research work.

Academic audit is conducted through regular annual report of research activities. It is done annually and the report is submitted before the Senate and Syndicate. Actions are taken according to the feedback from those administrative bodies.

Besides, the quality of individual research works is reviewed by the experts from a panel. On receipt of the review, the teacher is advised to make necessary changes in his research work if called for. The research work is directly sent to the Publication Department to Publish in the form of books.

In addition the PBAS of the staff members are collected annually. Based on the review of these reports the Vice Chancellor advises the staff members to apply for more research projects and to publish more books.

6.5.2 Based on the recommendations of the academic audit, what specific measures have been taken by the University to improve teaching, learning and evaluation?

Usually academic activities on teaching learning and evaluation are done at the Department level. In the regular Head of the Departments meetings the Vice-Chancellor discusses on this issue.

The LCD facilities and Internet facilities are provided to all the departments.

The arrangement of field trip and necessary facilities like transport are provided to the students.

Cameras and audio visual equipments are provided to the students for field trip.

6.5.3 Is there a central body within the University to continuously review the teaching learning process? Give details of its structure, methodologies of operations and outcome?

The Vice-Chancellor, the Syndicate and the Board of Studies review the teaching-learning process.

Students are encouraged to participate in the seminar programmes of the University.

Students also present papers in the seminars organised

As part of the academic audit initiative 59 research projects were initiated by the Tamil University in 2013. Similarly in 2008 short term projects were initiated.

- It has been advised to use IT services for improve the teaching methods
- University vehicles are offered for field based study tours and training.
- Coaching is offered for competitive exams.

Yes. The Board of Studies reviews the teaching and learning process. The Curricula are updated with the latest developments in the field. It is done by the Dean of the Faculties and also by the Vice-chancellor.

6.5.4 How has IQAC contributed to institutionalizing quality assurance strategies and processes?

Though the IQAC of Tamil University was established during 2010, its activity is limited in institutionalizing quality assurance strategies and processes. There is a well organized quality assurance system in Tamil University and this system includes the committees such as Syndicate, Senate, Dean's committee, HOD committee, Planning Committee, Research Committee which meet regularly and takes up quality related issues. The University is planning to refurbish the IQAC in line with the modern trend in quality assurance system by allowing it to do the coordinating role, while the existing agencies within the University would also actively involved in quality assurance. The University feels that quality assurance should be the priority of all these committees, in addition to the activities of the IQAC.

6.5.5 How many decisions of the IQAC have been placed before the statutory authorities of the University for Implementation?

Two decision/reports.

- The IQAC reports were placed in Syndicate for approval.
- IQAC has received PBAS formats from all the faculty members and the same was scrutinized with the help of expert committee. The staff members who did not provide necessary information were asked to supply the necessary information. Only eligible candidates have been considered for promotion. Those who did not meet the minimum criteria were advised to undergo necessary courses like orientation courses/refresher courses. These recommendations were placed before the Syndicate of the University.

6.5.6 Does the IQAC have external members on its committees? If so, mention any significant contribution made by such members.

Yes. But, as the activity of IQAC was limited in quality assurance, the contribution of external committee members is insignificant.

6.5.7 Has the IQAC conducted any study on the incremental academic growth of students from disadvantaged sections of society?

No such study has been conducted. However, the University plans to undertake such a study in future.

6.5.8. What policies are in place for the periodic review of administrative and academic departments, subject areas, research centres, etc.?

- The University seeks a report on the activities of each department every year and they are published in the form of annual report. The annual report is reviewed and placed in the Senate and Syndicate.
- Vice-Chancellor regularly meets the staff members of the faculty and checks the progress of the research activities.
- The Vice-Chancellor also visits the departments and evaluates their performance.
- The administrative sections and their functions are also reviewed periodically.
- Based on the issues that emerge the departments and administrative sections are also reviewed.

Any other information regarding Governance, Leadership and Management which the University would like to include.

- An endowment has been established for training the administrative staff members and programmes are organized every year.

CRITERION VII: INNOVATIONS AND BEST PRACTICES

7.1. ENVIRONMENT CONSCIOUSNESS

7.1.1 Does the University conduct a Green Audit of its campus?

Yes. The University has conducted a Green Audit of the campus. A committee has been created for the Green Campus initiative.

1. A compost pit has been created in the campus for disposing solid wastes.
2. Removal of plastic bags on the campus is done periodically.
3. The University celebrates World Environment Day on June 5.
4. Trees are planted regularly on the campus.
5. The University has an herbal garden and it preserves rare medicinal plants.
6. The University has Garden Unit for maintaining the campus green.

7.1.2 What are the initiatives taken by the University to make the campus eco-friendly?

➤ Energy conservation

- No Incandescent bulb is used in the Campus.
- The regular tube lights are changed to CFL bulbs in phased manner
- The staff and students are made aware of saving energy by using electricity optimally.
- Conventional tube light chokes are replaced with electronic chokes to conserve energy in phased manner.
- In the University canteen, high roof with natural wind blow arrangement is made reducing electrical power.

➤ Use of renewable energy

No renewable energy system is used in the University. However, efforts are on for the establishment of solar power panels. Proposals are placed to the State Government for solar energy lights

➤ Water-harvesting

Three reservoirs covering about 50 acre area have been created in the University for Water harvesting.

➤ Check dam construction

Nil.

➤ Efforts for Carbon neutrality

The University is situated in serene atmosphere where in no air and noise pollution is felt, except from the vehicular traffic of the National Highway. The vast number of trees and plants in the large campus takes care of carbon neutrality. This is the reason that people from Thanjavur and nearby area take stroll in the campus during morning and evening hours. Added to that

- Tree plantation is being done regularly on the campus.

➤ Plantation

- The University is covered with trees and plants. The University campus is green and has more trees and less building.
- Saplings are planted regularly.
- Through the students of NSS every year tree planting and maintenance is done for unnatural deforestation like natural death of trees

➤ Hazardous waste management

- Hazardous waste management is done.
- Chemical and biological wastes are properly disposed.
- Proposal for creating an incinerator is under consideration

➤ **e-waste Management**

- e-waste is disposed through periodic auction.

➤ **Any other (please specify)**

The University campus is completely covered with trees and plants, and has pollution-free atmosphere. The University has a deer park. A few wild animals including fox, black-naped hare and snakes and a variety of birds such as partridges and peacocks are found in the campus. Many people from Thanjavur take morning walk in the green environment of the Tamil University campus.

7.2 INNOVATIONS

7.2.1 Give details of innovations introduced during the last four years which have created a positive impact on the functioning of the University.

- As the University is mainly research-oriented (unitary), it gives primary importance to research activities. In order to encourage publication of books and monographs, short-term research projects (27) were initiated in 2008. In 2013-14, 59 research projects were undertaken with funding from Tamil Nadu Government. Many of these projects have been completed and they will be published as monographs in future.
- The review meeting to check the progress of Ph.D. scholars was introduced in 2013-14 in order to streamline the doctoral research activities. This has created a positive impact on the research activities of the University.

Innovative Courses

- P.G. Diploma in Coastal Ecology and GIS was started in 2013-14, with funding from the UGC under Innovative Scheme.

Communication and Dissemination

- FM radio station has been started in the University. It operates from 9 to 10 AM, 1 to 2 PM and 4-5 PM (91.2) everyday. University teachers talk on various subjects and relevant issues.
- Exhibition was organized in 2008 during Anna Centenary Celebration for popularizing the academic activities of the University among the public. A large number of people from Thanjavur and neighbouring town attended the programmes.
- The results of research projects of the University and the highlights of the conferences are regularly published in local newspapers.
- People from neighborhood of Thanjavur attend the seminar programmes of Tamil University.
- In 2010 the University organized an exhibition on archaeology and history in the exhibition arranged by the Tamil Nadu Government at Thanjavur for the occasion of 1000th year anniversary of the Brihadhiswara temple Thanjavur
- The University participates in the book exhibitions conducted in many parts of Tamil Nadu and its publications are available on sale.

Public Awareness

- International Mother Tongue day is celebrated by the University every year.
- The University participated in the Heritage Awareness programs conducted by the Archaeological Survey of India on the occasion of World Heritage Week and World Heritage Day.

Academic quality Improvement

- University has taken efforts to establish new endowments to organize lectures that can help students benefit from the experts' knowledge.
- One-to-one meeting with research scholars by the Vice Chancellor of the University for improving the quality of research.

Support for the Local People and Public

- In order to improve the condition of villages, the University has adopted Pillayarpatti village. Awareness programs and NSS camps were conducted at this village.
- Writing village histories based on the request from local people.

7.3 BEST PRACTICES**7.3.1 Give details of any two best practices which have contributed to better academic and administrative functioning of the University.****Best Practice 1****1. Title of the Practice**

This title should capture the keywords that describe the practice.

"Siddha Medical Service to the Public"

2. Objectives of the Practice

What are the objectives / intended outcomes of this "best practice" and what are the underlying principles or concepts of this practice (in about 100 words)?

The Tamil University has established a Siddha Medical hospital in its Palace Complex in Thanjavur town. The purpose of the initiative is offer free medical service to the public. Through this practice the Tamil University reaches out to the public with its expert academic research findings. Hence Tamil University felt that the knowledge generated by the University should reach the public and it should be beneficial to the society. A University runs on public funds and hence its activity should offer services to the society at large. Based on this principle the University has established the Siddha hospital.

3. The Context

What were the contextual features or challenging issues that needed to be addressed in designing and implementing this practice (in about 150 words)?

In Thanjavur town mainly allopathic medical practice is offered and it plays a dominant role in treating patients. Some people prefer the traditional medicine since it has less side-effects as it is a nature oriented cure.

4. The Practice

Describe the practice and its uniqueness in the context of India higher education. What were the constraints / limitations, if any, faced (in about 400 words)?

There is a lot of academic research being undertaken in India. However this research results remain only as reports, thesis and articles. The research outcomes often do not reach the public or their applicability is limited. The Siddha Department of Tamil University is undertaking research activities in Siddha medicine and it attempts to scientifically validate traditional medical practices. With its strong research background, it was felt that offering

free medical services to the public is very essential. A Siddha doctor has been appointed for this purpose.

Since Tamil University is located 7 km away from the main city, people could not travel easily to the main campus. Hence the hospital was established in the Place complex.

5. Evidence of Success

Provide evidence of success such as performance against targets and benchmarks, review results. What do these results indicate? Describe in about 200 words.

The Siddha hospital has been a success with many patients visiting the hospital daily,

Table Number of Patients who visited the Siddha Clinic

Year	No. of Patients
2007-2008	2508
2008-2009	2855
2009-2010	3737
2010-2011	1717
2011-2012	2418
2012-2013	1938
2013-2014	1232

6. Problems Encountered and Resources Required

Please identify the problems encountered and resources required to implement the practice (in about 150 words).

Tamil University has appointed a full-time Siddha doctor to offer the services to the public from 4 PM to 6 PM every day. To draw more patients, popular articles on Siddha medicine is published in local news papers (e.g Dr Prema's articles in Dina Thanthi- Daily Thanti)

7. Notes

Such a practice can be applied to other University /institutions that have similar departments. The knowledge generated by the universities should reach out to the public and industry. Just by publishing papers, books and material in English for the benefit of career building alone is not important. The universities should offer their best services to the public.

Best Practice 2

1. Title of the Practice

This title should capture the keywords that describe the practice.

“Motivation and Monitoring of Doctoral Research Students”

2. Objectives of the Practice

What are the objectives / intended outcomes of this “best practice” and what are the underlying principles or concepts of this practice (in about 100 words)?

Research students who register for Ph.D. need to be systematically monitored for their progress in research. At Tamil University, it was found that some of the research students took longer duration for completing their research degrees, and hence the Hon’ble Vice Chancellor Dr. M.Thirumalai took initiative to meet all the research students of Tamil University personally along with their research supervisor and assessed the progress of their research in 2014. The purpose of this practice is to improve the quality of research activities.

3. The Context

What were the contextual features or challenging issues that needed to be addressed in designing and implementing this practice (in about 150 words)?

Each research student was asked to attend the meeting with a report on their research progress. The students were engaged in a discussion along with their research supervisors. It required more than a month to completely meet all the Ph.D. students and discuss their research problems, and other issues by the Vice Chancellor, because of the busy schedule of the Vice Chancellor.

4. The Practice

Describe the practice and its uniqueness in the context of India higher education. What were the constraints / limitations, if any, faced (in about 400 words)?

In some institutions, doctoral research programmes are not strictly monitored. Students registering for doctoral research in some of the rural institutions take longer duration to complete their research. It was necessary to talk to the students and find out and address the issues that prevent them from completing their research on time.

5. Evidence of Success

Provide evidence of success such as performance against targets and benchmarks, review results. What do these results indicate? Describe in about 200 words.

This practice was implemented in June 2014. The review will be done later this year. From the preliminary survey, it is clear that the students are motivated by this practice.

6. Problems Encountered and Resources Required

There was no major problem in implementing the project. It does not require much resource, except that the Vice Chancellor or the head of the institution or a committee constituted by

the Vice Chancellor needs to allot the necessary time to undertake this task, as it would require a lot of time to review the progress of the each research student.

7. Notes

Such a practice can be applied to other Univeristy/institutions and it can help students to complete their research on time.

Any other information regarding Innovations and Best Practices which the University would like to include.

**REPORT OF THE PEER TEAM CONSTITUTED FOR THE
ACCREDITATION OF THE TAMIL UNIVERSITY,
THANJAVUR, TAMIL NADU**

Section I : Preface

The Tamil University has been established in 1981. It spreads over 900 acres of land located 8 miles away from the town of Thanjavur, Tamil Nadu.

The vision of the University is that of retrieval, revival and propagation of the ancient social, cultural and scientific values and lifestyles of Tamils with the help of modern science and technology for ensuring the future development of the same for the benefit of Tamils and other linguistic denominations all over the world. In order to realize this vision, the University facilitates teaching and research in several fields such as sculpture, music, drama, linguistics, ancient medicine etc. with special emphasis on Tamil language and literature. The mission of the University as stated in "Profile 1986" is that the University should be unitary and fully devoted to research. The Projects it should take up would be carried out comprehensively and through the inter-disciplinary approach. It should devote particular attention to the problems of Tamils living abroad, in Sri Lanka, Malaysia, South Africa, Mauritius, Fiji and elsewhere. It should locate and preserve vital source materials like palm leaf manuscripts, inscriptions and other archaeological and historical evidences". As a result the University has started 23 Departments including both Arts and Sciences under 5 Faculties. Two new Departments were created recently in addition to the above 23 departments.

It earned UGC recognition under 2f and under 12B in 1985. Though the University was started with giving emphasis to only research, later, it started Post-Graduation, Diploma and Certificate Courses from the year 2002.

The University has at present 39 permanent teachers including 6 women teachers against the sanctioned strength of 89. However, the University is making

R. Sridhar
20/3/07

efforts to fill up the vacant posts. The total strength of the students is 499 in post-graduation and research courses.

The University conducts classes of some Certificate and Diploma Courses in the premises of Maharajas Palace Complex at Thanjavur Town.

The students studying in the University are mainly from Tamil Nadu. The Unit cost of education is Rs.1.17 lakhs (including salary) and Rs.0.27 lakhs (excluding salary).

In its efforts to improve the quality, the University volunteered to be assessed and accredited by the National Assessment & Accreditation Council (NAAC) and submitted the self-study report (SSR). In view of the above, the NAAC constituted a Peer Team to visit the University and validate the SSR with Prof. R. Sri Hari, Former Vice Chancellor, Dravidian University, Andhra Pradesh as the Chairperson; Dr. John Kattakayam, Director cum Professor, UGC-ASC, University of Kerala, Kariavattom, Trivandrum as the Member Coordinator and Prof. N.A. Bharathi, Professor & Head, Dept. of Indian Languages, Benaras Hindu University, Varanasi, Uttar Pradesh; Prof. C. Raveendran, Former HOD of Modern Indian Languages and Literacy Studies, University of Delhi and Professor Usha Chakraborty, Dept. of Botany, University of North Bengal, Darjeeling, West Bengal, as members. Dr.Lata Pillai, Adviser, NAAC, co-ordinated the Peer team visit.

The Peer Team visited the University for 3 days from March 28-30, 2007, carefully perused and analysed the SSR submitted by the University thoroughly. During the visit, the Peer team went through all the Departments and verified all the relevant documents. The Peer team interacted with the Vice-Chancellor, Registrar, Finance Officer, Controller of Examination, Deans, Heads and Faculty members, Non-teaching staff, students and alumni. Based on the above exercise and keeping in mind the criteria given by NAAC for the process of accreditation, the Peer Team is pleased to give its objective assessment of the University in the following paragraphs.

R. Sairaj
20/3/07

Section II: Criterion-wise analysis

Criterion I : Curricular Aspects

The Tamil University has been established with a vision of retrieval, revival and propagation of the ancient social, cultural and scientific values and lifestyles of Tamils with the help of modern science and technology and thus ensure the future development of the same for the benefit of Tamils and other linguistic denominations all over the world. The University has 25 Academic Departments under 5 faculties and 1 Centre at Mandapam, Rameswaram, as follows:

1. Faculty of Arts

- a. Department of Sculpture
- b. Department of Music
- c. Department of Drama

2. Faculty of Manuscriptology

- a. Department of Palmleaf Manuscripts
- b. Department of Rare Paper Manuscripts
- c. Department of Epigraphy & Archaeology
- d. Department of Underwater Archaeology (Centre for Underwater Archaeology)

3. Faculty of Developing Tamil

- a. Department of Tamil Studies in Foreign Countries
- b. Department of Translation
- c. Department of Lexicography
- d. Department of Social Sciences
- e. Department of Scientific Tamil & Tamil Development
- f. Department of Education and Management

R. Sathyan
20/12/14

4. Faculty of Languages

- a. Department of Literature
- b. Department of Linguistics
- c. Department of Philosophy (School of Philosophy)
- d. Department of Tribal Research
- e. Department of Folklore
- f. School of Indian Languages

5. Faculty of Science

- a. Department of Siddha Medicine
- b. Department of Ancient Science
- c. Department of Industries & Earth Science
- d. Department of Architecture
- e. Department of Computer Science
- f. Department of Environmental and Herbal Science

In addition to the above Departments, the University has a Department of Publications, Greater Tamil Lexicon Project, Dictionaries of Pure Tamil, Technical Terms & Transcreation Project, an Encyclopaedia Project and also a Museum.

The University offers 49 academic programmes (PG-11, M.Phil-18, Ph.D-20) in the above mentioned Departments. In addition to these, the university also conducts Certificate and Diploma Courses in 6 and 10 subjects, respectively.

No self- financed courses are offered by the University.

The curriculum has been designed adhering to CBCS. The PG courses have 72 credits with five courses in each of the four semesters. For one semester 18 credits are given. Each course has four credits. Of the five papers three are core papers of the discipline, one paper is offered as supportive and another is elective. The University offers only the PG courses in regular system. Hence it has only one Board of Studies for each department. The Head of the Department is the Chairman;

D. Senthil Kumar
20/2/07

four members are from outside the University and the entire faculty members of the department serve as internal members.

The institution follows the UGC guidelines in developing and restructuring curricula and a few new courses have been introduced during the last five years. Introduction to computer courses in some of the language PG degree programmes have been made. In language curriculum, National Language Processing is done with the help of computer aided learning. Women's issues are taken care in the curriculum of PG degree offered by the Department of Tamil. International students have the opportunity to learn the language of Tamil. In the departments of Philosophy and Tamil Studies in Foreign Countries students from Sri Lanka, Singapore and Malaysia have worked, and 1 student from USA is working for her Ph.D degree in the Department of Epigraphy & Archaeology. Slow learners have the opportunity to undergo remedial coaching. The University has a remedial coaching centre.

Feed-back from different stake-holders are obtained at appropriate levels.

Criterion II: Teaching-Learning and Evaluation

Admission is offered to eligible candidates who fulfill all the requirement of the UGC, the state Government and the University. The courses are advertised or otherwise communicated through brochures and the university website. Admission to most courses is made through a combination of entrance tests, interviews and academics record. Athletes and sports persons are encouraged in all possible ways. The University follows the reservation norms for admission of SC, ST, OBC & BC students.

Out of 11 PG courses offered, Demand is high only for 3 – ie., Literature, Music and to some extent, Lexicography, while it is quite low for Linguistics, Folklore, Siddha Medicine, and even computers.

The total number of working days is 265 and the total teaching days are 180. Current filled up position of faculty is only 41% (39 out of 89). But the University has taken the efforts to fill up the vacant posts and advertisements were given for the

A. S. S. S.
30/2/07

recruitment of 31 posts in various disciplines. Even interviews were over for 15 posts. The average student teacher ratio is 10:1. 86.76% of teachers have Ph.D and 5.88% have M.Phil as the highest qualification. Though the overall representation of women in staff is around 25%, in case of teaching faculty it is only around 15%.

Facilities like providing scribe to blind students are available and coaching of students of disadvantaged community for NET and SLET examinations, other competitive examinations are offered. Awareness training programmes for women on human rights and feminism are conducted. The Forum of research scholars meets at least once in a month for presenting the research papers by the talented students.

Language and social science courses use predominantly the lecture method to make the learning student centered, students are asked to read newspapers, magazines and journals and encouraged to express their knowledge in class rooms. Slide projector, OHP and LCD facilities are made available in the seminar hall of the university as a part of encouragement to modern teaching aids. Science Departments like Industries and Earth Science, Siddha Medicine etc. have well equipped laboratories. Department of Epigraphy & Underwater Archaeology is also well equipped.

Out of the 23 erstwhile Departments, 21 have departmental libraries. Free use of Infilbnet, Infonet and Internet is allowed to students and faculty, through setting up of central facilities.

The percentage of students and faculty who use library is 86. All the departmental libraries contain, comprehensive collection of books and journals. Academic audit is done by the Senate in annual Senate meetings. To evaluate the students continuously a semester system is followed. Central and double evaluations are followed for M.Phil courses and double valuation is also followed for PG also.

Feed-back evaluation of teachers by students is only practiced in two departments. Teachers submit self-appraisal reports.

The University awarded Ph.D degrees to 204 students during the last five years.

R- See Only
30/3/07

Recently University has started Distance Education Programme, offering 29 courses at UG, PG and M.Phil level.

Criterion III: Research, Consultancy & Extension

The Tamil University has a Research Committee headed by the Vice-Chancellor to monitor research. Most of the faculty members have Ph.D degrees and are carrying on research. There are 2 International collaborations and 5 National collaborations. University is not directly providing any Fellowships for Research Scholars except through endowments, but many scholarships for PG students are available. Since most of the students are undergoing Ph.D., research which is one of the eligibility condition for the appointment of the post of Lecturer. The number of students qualifying in NET or similar examinations is low, with only 4 students qualifying. University is providing available infrastructure facilities for promoting research. Some of the teachers obtained awards for their works at National level. Publication of books by faculty members is in good numbers, but publications in refereed National and International journals is rather low.

There are three major and four minor research projects financed by UGC. Department of Epigraphy & Archaeology has been chosen as a partner in the preparation of *Historical Atlas of South India* by the French Institute of Pondicherry, funded by Ford Foundation. This is a collaborative project involving 5 South Indian Universities. Besides, the University has signed an MoU with National Institute of Ocean Technology in the Field of Marine Archaeology off Indian Coast. Excavations by Epigraphy & Archaeology have yielded more antiquities than what has ever been obtained in Tamil Nadu. The most recent research outcome is the exciting discovery of hero stones, perhaps the oldest ever known. Folklore Department has an MoU for Research with St.Xaviers College, Palayamkottai, Tamil Nadu.

The Professor of Department of Drama has been invited to direct a play produced by National School of Drama, Delhi and the entire Department has been invited by the Federation of Tamil Sangams of North America to stage a play in

R. Senthil
20/2/07

USA for a month. A Professor of Department of Philosophy was awarded Commonwealth Fellowship.

Books by faculty members of the Department of Linguistics are one of the first to produce linguistic texts in Tamil as well as comprehensive thesaurus for Tamil.

Department of Earth Sciences has been chosen as a Centre for Excellence by the Department of Ocean Development, Govt. of India, as the Nodal National Centre for placer mineral studies.

University budgetary provision is made for seminars /conferences and publication of books. The university promotes participation of the students in research through the academic programmes by way of participation in class seminars and university seminars

The Department of Siddha Medicine offers consultancy services through its outpatient unit. It has an MoU with a pharmaceutical company for marketing a herbal tooth powder made by the department. The Department of Drama offers consultancy services to cine artistes, playwrights and people working in fine arts. The university library is open to the public. In the university context, services which are extended to the neighbourhood community or to the community at large, are not sporadic relief services which are generally offered by other agencies. An appreciable effort in extension service been the one carried out by Computer Science Department for self-help women groups by training them in inputting and maintaining texts in Tamil. In this programme, the woman students have trained their elders and this seems to be very popular.

Criterion IV: Infrastructure and Learning Resources

The campus area covers 900 acres and the built in area in sq. meters is 28,019. There are 5 buildings with a carpet area of 925 sq.m for 23 classrooms. Four laboratories with carpet area of 310 sq.m are also present. The total area of the library is 25,919 Sq.ft. Besides these are two separate hostels for men and women, a spacious auditorium, a Guest House and a Canteen. Administrative Offices are

A. Sreedhar
28/3/07

accommodated in permanent structures. They have also accommodated Post Office and State Bank of India Branch. There is a well-knit provision for the drinking water supply. University has 100 residential quarters for teaching and non-teaching staff (30 built by University and 70 by Tamil Nadu Housing Board).

The Library functions from 9.00 am to 6.00 pm on all working days and from 10.00 am to 5.00 pm on Saturdays and Sundays. Open Access system is followed in the library. The facilities available in the library are 12 computers, Xerox, Inflibnet and UGC Infonet. The Library Committee has been constituted to oversee and monitor the functions of the library. Library has 139428 books, 10250 reference books, 347 Indian journals, 7 foreign journals, 7025 back volumes of journals etc. The library is fully automated and the application used is AUTOLIB. Library is also open to public by payment of nominal membership fee for individuals and institutions.

The services and facilities available in the library are circulation, reference, photocopying, computer and printing, internet, digitalization, inter library loan, information display and notification, information about literacy etc.

Some of the Departments are well equipped with sophisticated modern equipment. Each Department has been provided with a computer and a staff for assisting in computer work. Centralized internet facilities are available for students.

University has a Museum containing rare collections of Tamil culture and is open to public. The University has a good press, which caters to the needs of the University publications. Good number of publications is brought out every year. University mobilizes funds from the sale of publications.

University has a good Phonetics Lab with sufficient equipment. It also has an Audio-Visual Centre which has produced lot of short films and CDs on folk arts of Tamil Nadu.

Criterion V: Student Support and Progression

In the present academic year 495 students were enrolled for various courses. Students of the University are mainly from rural areas of Tamil Nadu, coming from

D. Senthil
30/3/07

backward and lower middle class families. Good number of students belong to SC/ST and other backward communities. Success rate is 100% in the different courses. With regard to Post-graduate students no drop-outs are reported but among M.Phil students 5% of drop out is revealed. A good percentage of students of Post Graduate and M.Phil continue with Ph.D.

A lot of support services are available to SC/ ST students such as scholarships educational loans coaching facilities etc.

University has Placement and Guidance Cell, Students' Grievance Cell, Women Harassment Redressal Cell, SC/ST Welfare Cell and Coaching for SLET/NET; however, these have minimal functions. Students participate in various recreational activities like enactment of dramas, cultural events at inter-collegiate and inter-university levels.

Alumni Association started in 2005 meets periodically. Pongal festival is celebrated every year on a grand scale with public participation.

Criterion VI: Organization and Management

University has a very dedicated and committed Vice-Chancellor who has been giving effective leadership in strengthening the various activities of the University.

Syndicate, Senate, Academic Council, Boards of Studies etc. meet periodically and powers are decentralized. Internal co-ordinating mechanisms are prevalent.

The University has 39 teaching staffs and 211 non teaching staffs. The ratio of teaching and non teaching staff is 39: 211. Since the University has been allowed to offer courses the faculty strength is highly inadequate though non-teaching staff strength is sufficient. To make up the shortfall, Visiting Faculty and Guest Faculty are engaged. In addition to that after getting permission of the Syndicate and orders from the Government qualified Research Assistants were allowed to teach. The recruitment of staff is done adhering to policies of state government and UGC.

R. Senthil
30/7/07

Though there is academic calendar, due to the credit based system, different departments have autonomy and exams are conducted separately.

Performance appraisal of teaching and non-teaching staff by students are very few in number, but self-appraisal of faculties are in practice.

University is conducting refresher courses for teachers. For non-teaching staff, courses in communication skills and computer applications are conducted.

University is getting sufficient funds from public by way of donations/endowments. Funds are also raised through Distance Education Programme. No self-financed courses are conducted.

University collects nominal tuition fees for full course as under- Rs.3650 & Rs.4710/- (PG-Humanities & Science, respectively); Rs.2425/- & Rs.2925/- (M.Phil- Humanities & Science, respectively) and Rs.2800/- & Rs.3300/- (Ph.D Humanities & Science, respectively).

Unit cost of education is Rs.0.27 lakhs excluding salary and 1.17 lakhs including salary.

Criterion VII: Healthy Practices

The goal of the University, as stated in the beginning of the Document is to uphold the great human values and life styles of Tamils, both scholars and men and women in common walks of life, by unearthing, preserving and disseminating to all parts the world, the hidden treasures of the great heritage of South India as it is preserved in Tamil language and culture. The goal also includes the development of Tamil language from the point of view of the future as well.

In order to achieve the goal, University organizes different conferences and Seminars at regional and National Level. A few Departments also organized International Seminars.

However, in keeping with the times, there has also been an attempt to introduce courses, which are more relevant to the current perspective.

Innovation in teaching, learning and research are evident in few Departments. Free computer access is available to all categories of students.

R. Sreedhar
28/3/07

Concern of local public for development of University is evident.

University has Yoga Centre for public in palace campus where Yoga Training is imparted to public free of cost.

A Walkers' club has been functioning for the benefit of residents living in and around the University Campus.

Publications of research work by the Faculty members is undertaken by the University Press and the books published are well received by the researchers, reading public as well as Library Authorities.

The University was having an Adult and Continuing Education Department but UGC withdrew its financial support.

Section III: Overall Analysis

The peer team, after careful consideration of the self-study report of the university and after its three days visit to the various departments and physical facilities, as well as interactions with the various sections of the University, feels that the University is striving for fulfilling its aims and objectives. The Peer Team makes the following commendations and suggestions:

Commendations

1. The University has well qualified teachers devoted to teaching and research in many Departments.
2. Most of the programmers are designed to fulfill the vision of the University.
3. Introduction of few Science subjects in Tamil University, which contribute to the understanding of Tamil culture through scientific perspective, is appreciable.
4. Many of the Faculty members are engaged in active research and published many books and articles.
5. The University brought out nearly 100 books for the last 5 years.

A. Sathyan
28/3/07

6. University is attempting to fulfill the goal or vision of the university by involving public participation.
7. The relationship between Teaching, Non-teaching and University Authorities is very cordial.
8. In order to cope up with modern technological developments, networking facilities and computer training are given to the students.
9. Departments have academic autonomy to frame their own syllabi and to conduct examinations.
10. The dropout rate of the students is very low.
11. The examination results show a high rate of success especially in all courses.
12. The University is also happily placed to avail the fieldwork by sending its students and faculty members especially in the Department of Epigraphy and Archaeology for excavation.
13. Existence of several facilities, such as a Spacious Library, Canteen, Dispensary, Bank, Post Office, Guest House, Residential Quarters, Town Bus facilities inside the campus are quite impressive.
14. Availability of Herbal Garden, O.P. Department of Siddha Medicine, Museum are also noteworthy.
15. There is an efficient financial management in the University.

Suggestions

1. Steps may be taken to fill up all vacant faculty positions so that each Department has sufficient faculty members to carry on teaching and research programmes.
2. More faculty exchange programmes and inter-disciplinary interactions are needed.
3. Gender disparity among teaching and non - teaching staff should be minimized.
4. Faculty members should take up more research projects and publish the findings in Refereed Journals.

R. Sreedhar
30/3/07

5. There may be a restriction in the maximum number of Ph.D student supervision by a Faculty within the norms.
6. Steps may be taken to attract more students in different programmes.
7. Teacher evaluation by students may be introduced in all Departments.
8. Efforts may be made to attract foreign students.
9. Emphasis may be given on providing more sports facilities for the students.
10. Grievance redressal cell and placement services are to be made more proactive.
11. University needs to strengthen its consultancy work in as many departments as possible.
12. Extra curricular activities as well as academic programmes need to be organized through clubs and associations, such as the debating club, literary society, arts club etc.
13. Internet facilities to students may be made available in departments itself.
14. Popular Diploma/Certificate courses maybe started in the town to attract more students.
15. The Department of Drama may be named as Department of Performing Arts which should provide space for doing extensive research on traditional and modern theatre as well as production.
16. Some of the important publications brought out in Tamil by the University may be translated to English for the benefit of larger group of non-native researchers.

R. Sathya
30/3/07

The Peer team is thankful to the Vice-Chancellor, Registrar, Co-ordinator, Teachers, Students, Non-Teaching staff and Alumni for the co-operation extended in completing the assessment exercise as per the requirements of the NAAC.
