

## Toc H Institute of Science and Technology, Kochi – Hostel Details

### Hostel & Accommodation

Separate safe and secure in-campus hostels are provided for boys and girls with capacity to accommodate 700 inmates with well-furnished, comfortable rooms in a pleasant and hygienic environment. There are separate buildings meant both for the graduate and post-graduate students as well. Vegetarian and non-vegetarian meals are cooked and served separately as per requirement. Common facilities like mess, study rooms, TV, recreation, internet (Wi-Fi) etc. are arranged and run in the best possible way, to provide a good and amicable atmosphere for the constructive mental development of the students.

There is also provision for accommodating unexpected reputed guests or other faculty personnel. We also provide security & ambulance service round the clock to handle emergencies. The hostels are under the close supervision of wardens, matrons and resident tutors to take care of the hostel discipline.
