## I. Introduction

The Government of Karnataka under the Universities of Agricultural Sciences Act, 2009 and as amended in 2012, has established five Farm Universities in the state with a view to impart quality agricultural education in Karnataka State. Among the universities, oldest is the University of Agricultural Sciences, Bangalore (UAS, Bangalore) established during 1963 located at Gandhi Krishi Vigyana Kendra (GKVK) campus, Bangalore. The University of Agricultural Sciences, Dharwad (UAS, Dharwad) was established in 1986 to cater to the education, research and extension requirements of the Northern parts of the Karnataka State. During 2008, the University of Agricultural Sciences, Raichur (UAS, Raichur) was carved out of the University of Agricultural Sciences, Dharwad with its headquarter located at Raichur to cater to the farming needs of the Kalyana Karnataka (Hyderabad Karnataka) (KK / HK) Region of the Karnataka State. The University of Horticultural Sciences, Bagalkot (UHS, Bagalkot), was also established during 2008 with jurisdiction of entire Karnataka to cater the teaching, research and extension needs in horticultural sector. During 2012, the fifth University was established at Shivamogga as University of Agricultural and Horticultural Sciences (UAHS, Shivamogga) and this was formed out of UAS, Bangalore and UHS, Bagalkot.

The five Farm Universities, namely, UAS Bangalore; UAS Dharwad; UAS Raichur; UHS Bagalkot and UAHS Shivamogga have most of the Master's / Doctoral Degree courses in common, the eligibility for which, generally is a Bachelor's / Master's Degree in any faculty / discipline/ subject of farm science Universities.

Each University had a separate schedule of admissions to the Post Graduate Degree Programmes for Master's Degree till 2014 and for Doctoral Degree till 2016. Thus, admitting candidates for these Post Graduate Degree Programmes separately was causing lot of inconvenience to the candidates, both in terms of expenditure and time. Hence, from the year 2015-16, all the five Farm Universities decided to have a Common Post Graduate (PG) Admission for Master's Degree courses and University of Agricultural Sciences (UAS), Dharwad conducted the process of the admission. Likewise, from the academic year 2016-17, it was decided to include Doctoral Degree programme also under common admissions process.

The process of common admissions 2020-21 leading to Master's / Doctoral Degree Programmes in constituent colleges of participating Farm Universities of Karnataka State has been entrusted to University of Agricultural Sciences (UAS), Dharwad. The detailed procedure for conducting Common Admission to the Master's / Doctoral Degree programmes in five Farm Universities of Karnataka State is furnished in this Information Bulletin.
