

## COMMUNICATION / LANGUAGE LAB

Students emerging out of our college are in a hope to step into a good job. This job can be attained only if they are good in their communication skills. Keeping this in mind, our college launched an English Language lab. Student community is motivated in upgrading their individual skills and talents like free speech, role plays, activities and interaction. It imparts sound knowledge in improvising and enhancing these soft skills.

## ABOUT US

Virudhunagar Hindu Nadars' Senthikumara Nadar College was founded in 1947. The aim of the college is to the backward and deserving students of Virudhunagar and its vicinity. This is an Autonomous College affiliated to Madurai Kamaraj University, Madurai. The students have a good choice of programmes in different areas. This College has been producing eminent scholars, able administrators and good sports-persons for the past Seventy Three years.

## VISION

The department envisions developing itself into academic excellence in the field of Computer Applications in order to develop competitive professionals having right knowledge, skill and attitude to serve the society and ever-changing industry.

## MISSION

To provide quality education to the students with a view to instilling confidence in them so that they can take up various challenges in the field of computer applications.

## DEPARTMENT OF COMPUTER APPLICATIONS

The MCA Department was started in the year 1993. The College is one of the pioneer institutions to introduce MCA programme in Madurai Kamaraj University region and has now become one of the leading institutions in the field of Computer Education.

The department has an eminently qualified and exuberant faculty representing all major streams of IT discipline. It is a combination of experience and youth. The department is also strengthened by our alumni drawn from different areas in the IT sector, who enrich the students to develop into competent professionals in the present day demanding and dynamic environment. Excellent infrastructure, state-of-the-art computers with the latest advances in technology and comprehensive study material make the Department a class apart.

The MCA Department helps in providing the IT and Computer Industry with world-class talent and creating some of the finest software professionals year after year. By providing concept-oriented subject knowledge through a high quality teaching that is supplemented with practical training, the Department aims at bringing out some of the brightest minds into the world.

## FEATURES

- \* The department has a huge collection of latest text books, e-books, reference books, student project reports, conference proceedings, journals and magazines related to the field of Computers and Information Technology. Faculty and the students of the department have got access to the department library.
- \* The department conducts technical activities throughout the year to develop the leadership, organizational and technical skills of the students.
- \* Opportunities for students to take up industry based projects.
- \* High Placement Opportunities in well-established organizations and MNC's.
- \* The passed out students of this department are working in different Public Sector / Private Organizations like INFOSYS, ASPIRE, SURESOFT, ACCENTURE, CDOT, TCS, SATYAM, CTS, WIPRO, HCL, VERNALS, CHAIN.SYS. Moreover some of the alumni are well placed in abroad in the field of Computer Science and Information Technology.

## COMPUTER FACILITY

- \* The Institute offers world class computing facility.
- \* A state of the art computer centre with internet and contemporary software facilities.
- \* A special server room is assigned for networking facilities.
- \* Lab has Core i5 machines with networking, audio system, Visual Projector, printers, scanner and digital camera.
- \* Besides the conventional softwares for academic curriculum, Computer Centres are installed with high-end softwares, like Windows 2003 server, Red Hat Linux, Microsoft Visual Studio. Net, PHP,Java, Net beans, ORACLE 10 g etc.
- \* Students are encouraged and assisted to do projects on these platforms, which have job value in the industrial market.
- \* Network with wireless backbone and 50 mbps leased line Internet connection offer unlimited access of Internet to the students round the clock, for their educational and research needs.
- \* Computer lab is kept open between 9.00 a.m. and 7.00 p.m. on all working days.

## DURATION OF THE COURSE

The duration of the MCA Course is three academic years comprising of six consecutive semesters on CBCS pattern and the duration of each semester is 90 working days.

## EXAMINATIONS

The theory and practical examinations have periodic assessment throughout the semester in all subjects in addition to the Summative Examination conducted at the end of each semester.

## GENERAL LIBRARY

Apart from the Department Library, the college has a well-stocked General Library and subscribes to important periodicals and journals. Our College Library claims to be one of the best in this region and also in Tamilnadu.

## CO-CURRICULAR ACTIVITIES

The Department also conducts several co-curricular activities for the development of the students' personality. The various events organized are Group discussion, Computer quiz, Mock interviews, Software contest, Current affairs, Word grip, Aptitude tests, Soft Skill Development Programmes, Personality Improvement Programmes etc.

## HOSTEL FACILITY

Separate Hostel Facility for both boys and girls is available. Purified drinking water is available inside the college campus. There are six hostels attached to this college under the direct control of Chief Warden who is assisted by the Wardens and Residential Superintendents.

Applications for admission to Hostel shall be made in the prescribed form separately. Admission is made on the merits of each application. Admission in the Hostel is as per the Hostel Rules and Regulations. College Bus facility is available for women students.

A canteen run by the Management of our college is providing hygienic food items for the welfare of the students at cheaper rate

## PLACEMENT CELL

An exclusive placement cell is functioning under the headship of the placement officer. It prepares the database of the outgoing students in the form of a brochure and it is circulated to the prospective employers. This cell, which acts as a bridge between the employers and our students, has been helping many students in obtaining their permanent placement in leading organizations. Besides, campus interviews are organized exclusively for the MCA students.
