PREFACE

Angammal Educational trust was founded in 1987 by Prof. Dr. M. Karunanithi, B. Pharm., M.S., Ph.D., D.Litt., a far-famed philanthropist, a distinguished educationalist and a far-heard industrialist. His dedication to the cause of Women empowerment is laid bare in all his activities. Vivekanandha College of Arts and Sciences for Women (VICAS) was founded in 1995 with 4 courses and 63 students. It is affiliated to Periyar University, Salem and approved by AICTE, New Delhi. Now our institution has crossed many a milestone in its march towards academic excellence. Our college is renowned for its passionate commitment to quality education and high standards in discipline and decorum. Of course, this young and dynamic institution has registered a phenomenal growth in terms of buildings, infrastructure, and academic courses.

Prof. Dr. M. Karunanithi, B. Pharm., M.S., Ph.D.,
Chairman & Secretary
Angammal Educational Trust
Krishna Educational & Charitable Trust

Our campus is regularly bustling with a flurry of creative activities like conferences, seminars, symposiums, guest lecturers etc. Eminent personalities and experts in different disciplines visit VICAS to enrich and widen our students' knowledge and expertise of the faculty. Our faculty and staff demonstrated the innovation, proactive attitude and emphasis on student success. The college works with industry partners and clients to develop and deliver a range of training programs and products designed to meet desired specifications. The quality of VICAS is continuously improved through a policy-based cyclical review process that seeks input from learners,

graduates, employers, industry advisors, faculty, and staff. Our college offers a residential campus that helps learners achieve successful outcomes by providing a safe and caring environment. Students at VICAS enjoy an easy access to a complete range of services designed to enable each of them to meet their educational goals.

Accredited with "B" Grade by NAAC, (National Assessment and Accreditation Council), the Institution has been in the forefront of women's education for nearly two decades. Also the institution availed 2(f) and 12 (B). During the current academic year 2013-14 our college has achieved a significant milestone in quality standard through ISO: 9001: 2008 Certification from TUV Rheinland (India) Pvt Ltd.

Sprawling over 10 acres, with a serene atmosphere and spiritual ambience, the Institution caters to the needs of nearly 8000 students, studying in various Arts, Science, Commerce and Management courses. A pioneer in the field of higher education, the institution houses excellent laboratories, a well-stocked, General Library and a Digital Library along with Language Lab and Computer Centre.

I would thank all the members of the Self Study Report committee. I appreciate the committed work of the NAAC coordinator Dr. L. R. Gopinath, and IQAC coordinator, Mr. B. T. Sureshkumar, and all other members of steering and self study report committees. It is my pleasure to present SSR to the NAAC for validation and accreditation.

SELF STUDY REPORT SECOND CYCLE

EXECUTIVE SUMMARY

Criterion 1-Curricular aspects

At present 6678 students are pursuing 19 UG, 17 PG, 12 M. Phil. and 7 Ph. D. programmes in our college. The students are from Karnataka, Andhra Pradesh, West Bengal, Kerala and Manipur. In the light of NAAC accreditation instigated the management to attain academic freedom to achieve its goal through relevant courses and timely change to suit the

local conditions to attain Autonomous status from UGC during 2011-12. As an Autonomous Institution, academic professionals of the college framed Curriculum and Syllabi, to cater the needs of the young women to fulfill the present Industrial needs to the local benefits. The students were empowered with confidence and required skills to face

the society. As a result the college introduced 2 UG courses and 2 PG courses and 27 certificate courses. Following Autonomous status, the college also attained 12(B) status to strengthen the research facilities and increased 8 M.

Phil. courses and 4 Ph. D. courses and availed funding from national agencies like UGC, DST, TNDCE, etc. and international agencies.

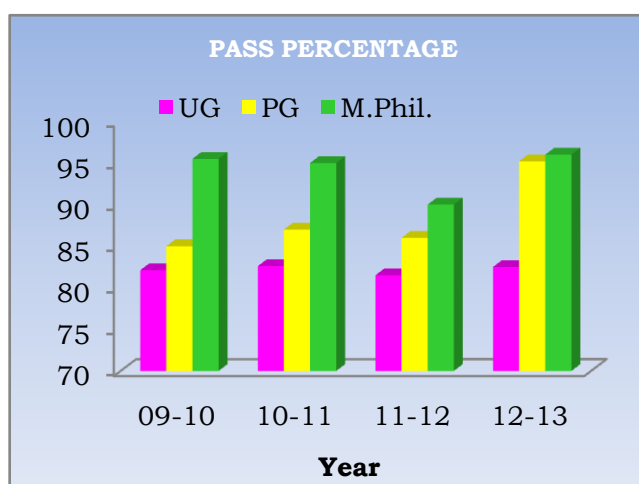

Curricular enrichment was addressed through Choice Based Credit System (CBCS) and introducing Yoga, Human Rights and

Environmental studies as compulsory courses during non autonomous period. After obtaining autonomous almost all the departments redesigned the courses as per the local environment, feedback from industrial experts, academic experts, alumni through board of studies of each department. As a result bridge courses were evolved for newcomers, English department redefined the subject into communicative English. Number of elective courses were evolved for skill enhancement, placement, entrepreneurship development, etc., in their respective specialization.

Apart from the above, continuous feedback mechanism is developed at various levels about the institution, college, department and subject from the current students and parents through regular interaction on daily and periodical basis through board of studies. As a result their evaluation pattern, teaching methodology and subject content are regularly modified and updated.

Criterion II: Teaching, Learning and Evaluation

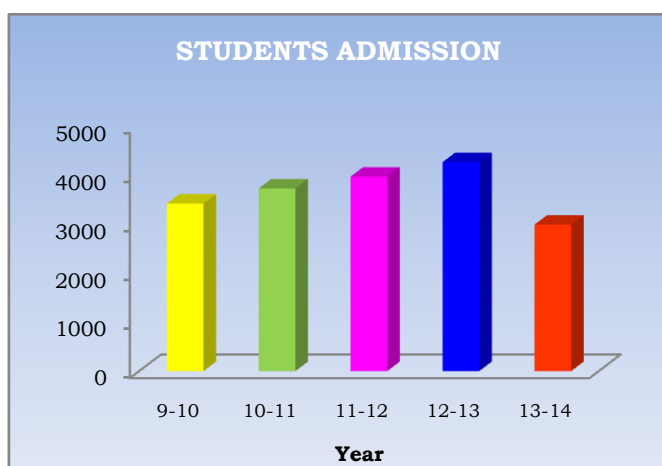

Effective teaching and learning of the institution is achieved through participatory mode with the students and parents. Constant evaluation takes place through students and parents feedback supported by industrial needs. After getting recognized as autonomous institution by UGC Delhi, the institution has become completely stakeholder centered. Admission of students and their preference of subject is subjected to transparent counselling as per government norms. The social stratification showed increasing trend in SC and ST students which represented 14% to 15%, however the institution is dominated

with OBC students 60% to 65%, General category represent 20% to 25% and others around 1%. Among the different courses, the demand increased for Computer Science, English and Commerce and in 2014 a decreasing trend was noticed for the same courses where as the demand for Maths is increasing consistently. The biological sciences which had a decreasing trend in the last few years showed an increasing trend in 2014.

After admission, based on the students strength qualified staffs are recruited and staff orientation is given to fresh and junior staffs. In the beginning of the academic year, the first year students are given one month bridge course with an intention to prepare them for college level studies especially students from Tamil medium are encouraged and equaled with English medium students.

During the course of study, the students were facilitated with structured and unstructured feed back mechanism at teaching, department and college level handled by IQAC members, Principal and Chairman. Depending upon the feedback rectification is done as per

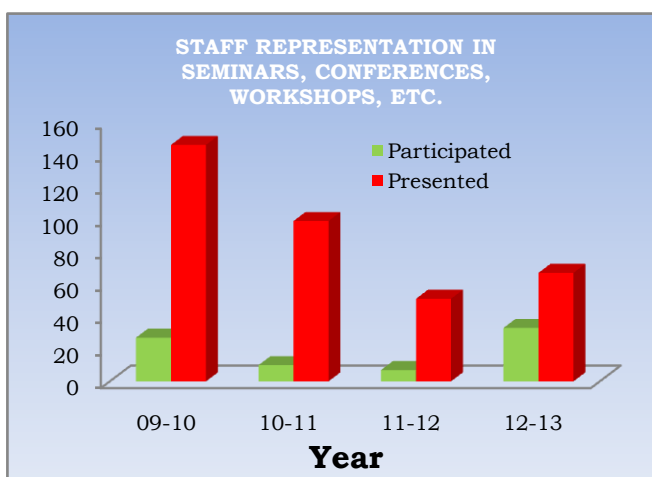

requirement. The college follows semester pattern (except M. Phil. and Ph. D.) with Choice Based Credit System (CBCS) for all subjects. Internal assessment is done through various assessment mechanisms

like, seminar, poster presentation, models, class tests, attendance, assignment, skit play, etc. Ratio of internal to external is 25:75. External exams are conducted with question paper setters from other colleges and universities and evaluated by external examiners in the college. Results are published in the college website on time and the

controller permits revaluation, transparency, re-exam for final year students, within 30 days after publishing the results.

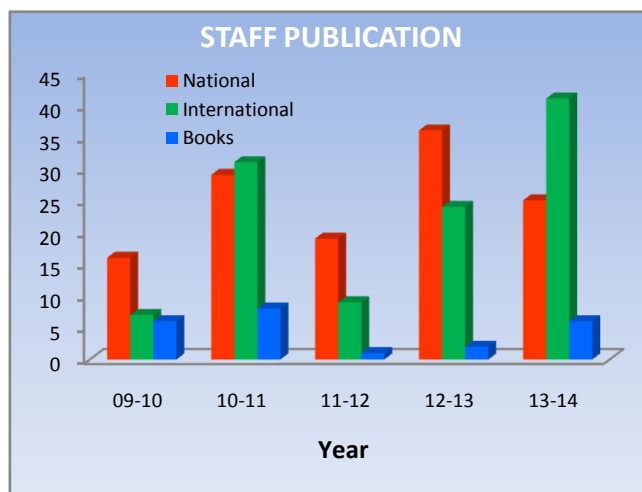

Criteria III: Research and Consultancy and Extension

As per recommendation of the last NAAC committee, the institution focussed its concentration on research in the institution and management extended support for staff to register Ph.D. increased Department were recognized as research centers and supported staff research through management fund and also availed 12(B) status from

UGC Delhi. Around 35 staffs registered for Ph. D. and 20 staff completed Ph. D. 33 staffs cleared NET/SLET/GATE in the last five years. 4 Ph.D. and 7 M.Phil. research centers were approved during last five years in which 422 M.Phil. scholars completed their research and 4 Ph.D. scholars out of 25 submitted their synopsis and published 30 papers in reputed journals. One Ph.D. scholar is availing DST INSPIRE fellowship and one Ph.D. scholar is availing TNDCE fellowship and 3 Ph.D. scholars are availing SC Scholarship for their research. 195 seminars were conducted at national and international levels during the last five years inviting 290 experts around the world. The Institution has 79 M. Phil. guides and 13 Ph.D. guides during 2014. Two minor projects from UGC have been sanctioned to the tune of 2.17 and 2.5 lakhs for Department of Biotechnology and Botany. The institution is recognized as IBM center of excellence.

Seven students from M. Sc. Biotechnology attended summer training course on research for two months in Jawaharlal Nehru University,

New Delhi. Bioscience department organized National Conference on Advancements in Transgenic Technology funded by CSIR in 2009, State Level Seminar on Agro-Biotechnology in 2010 funded by DBT (Rs. 0.60

Lakhs), Tamil department is recognized as resource center for National Testing Service (NTS), Mysore, Government of India, for Namakkal, Karur and Erode for developing question papers (Rs. 1,80,000/Year). Tamil Department conducted a National Seminar on Tholkappiathil Ikkala Mozhieyal Sinthanai, in 2012 funded by Central Institute of Classical Tamil (Rs. 1.50 lakhs). Department of Biosciences conducted an International Symposium in 2013 and a National Exhibition with Padma Shri Awardee Dr. T. Vengadapathy Reddiar Horticulturist from Pondicherry and the college received Rs. 20,000/- for this exhibition from TNSTC. Principal Dr. S. Murugesh received **“Best Teacher”** award from Dr. A.P.J. Abdul Kalam in 2013. Dr. A.P.J. Abdul Kalam, our former president visited the college and encouraged the students to conduct productive research. Department of Biosciences provides free consultancy services for neighbouring farmers in mushroom cultivation, biofertilizer production, food processing, basic awareness on health & hygiene and crop management.

Empowerment of neighbouring villages with social activities is carried out with our NSS, YRC, RRC and Consumer club team members. MoU's have been signed with 76 institutions for resources sharing by different departments of the college. Our College faculty Dr. L. R. Gopinath is being involved in policy advocacy with M. S. Swaminathan Research Foundation, Chennai, ATREE, Bangalore, GENE Campaign, New Delhi.

Criterion IV: Infrastructure and Learning Resources

The College has all the necessary infrastructural facilities in terms of modern class rooms, laboratories equipment, Computer Labs and internet connectivity of 17 mbps and department library. The number of computers has increased to 976, 32 Printers, 15 LCD Projectors and 6 Scanners cum printers. Individual Seminar hall, Computer lab,

Interactive faculty cabin and Department Library have been newly constructed for the departments of Tamil, English, Computer Science & Applications and Commerce & Management. Modernized Cafeteria and Departmental Store have been created in

our campus. New CUB ATM was started apart from IOB ATM. To enhance the communication skills of our students who are mostly from rural area, three separate communication labs have been established in English Department, Commerce Department and Computer Science Department with adequate software and hardware. New individual toilets and common toilets for both faculty and students were constructed.

The library holdings are increased as a regular annual feature, providing easy access to the reading material to the students. Nearly

8000 volumes worth of nearly Rs.16 lakhs werer purchased during the current academic year. Our management has been magnanimous enough to provide funds for each and every department, department wise seminar hall and library to enable the student community to upgrade their knowledge and reading skills. Almost we have 53,000 volumes of books, and 140 national journals, 24 International Journals and 30 Magazines are subscribed. EBSCO, DELNET and N-List, three online packages, are subscribed for the betterment of the students at the cost of nearly Rs.3 lakhs. Our Librarian Mr. Boopathi has received **“Best Librarian Award”** from SALIS, sponsored by UNESCO organization.

Criterion V: Students support and progression

Nine NSS, YRC, RRC units are operating in our college since 2012 which strives to groom the students to be leaders in all walks of life and render their services to the welfare and betterment of the society. Through this activity the students have constant interaction with the neighbouring villages and addresses all the needs for their over all socio-economic development in a sustainable manner. Every year more than ten programs are conducted on environmental awareness, health awareness, basic education, blood grouping, small savings, etc. Note worthy during 2013-14 is that our NSS students organized an activity to create awareness on genetic diseases, Cancer and AIDS. Thus it fosters a sense of social responsibility and help them to become socially responsible citizens.

Women Development Cell (WDC) was constituted for the specific purpose of empowering our women students and Staff Community. The WDC has arranged various awareness programmes for our students and counselled them from time to time on various issues.

Our WDC was inaugurated on 3rd of January 2014. On behalf of WDC, health awareness programmes like “Protein Energy and Mal

Nutrition”, “Sanitation and Menstrual hygiene and Early Diagnosis and prevention of Breast Cancer”, were organized. Women empowerment programs such as “Power of Women Empowerment” “Mahabharathathil Penniyam” were also conducted in coordination with 12 of our departments.

The Citizen Consumer Club (CCC) of our college was inaugurated on 5th of October, 2013. The primary objectives of this club are to create awareness among our students about their role, the various provisions of the Consumer Protection Act, to educate them regarding their rights and responsibilities as consumers and to reach-out the public far-near. Our Citizen Consumer Club has organized different types of activities such as rally, awareness programme and poster presentation by our students on the topic of Food safety and consumer awareness.

The Institution conducted hockey tournament at university level during 2009-10 and National Power lifting championship in 2012-13. Sport students of our college has been encouraged to participate in different types of tournaments in zonal level, university level and open tournaments. Miss. S. Logeswari of Computer Application department bagged gold medal in Power lifting in all India Inter University level of 2011. Our students in 2013 got best Power lifting award at National Level.

Placement cell is playing a pivotal role in our college. It has added a new dimension trainings a components and functions as a placement and training cell. We have placement trainers for communication, aptitude, personality development. Trainers are also invited from other institution and industries to train our final UG and PG students. Each department have placement coordinators for continuous support to the final year students for placement. During this current academic year, 162 students were recruited by renowned companies like TCS, CTS, Wipro, AMAZON etc. This year the placement cell has also

initiated a English Academy which is like VETA and offers spoken English courses for our students.

Our college has become one of the pioneer institution and has the credit of placing students at top levels in different sectors both in government and private within the country and abroad. Notably one of our students is in government project in Australia; six students completed Ph.D. and settled in Canada, Singapore, Malaysia, etc. At present, atleast 30 percent of the students move from UG to PG and 5 percent move to research.

Criterion VI: Governance, Leadership and Management

Based on the vision and mission of the institution, management council develops policy from time to time in consultation with the Administrative body, Governing Body, Finance Committee and Academic Council. Based on the policy, each department evolves an annual plan of action which is communicated to the principal. The principal after ratification communicates to respective committees for approval and implementation. The institution believes in transparency and partnership between different stakeholders in evolving different action plan. Board of Studies is given academic freedom to design, develop and implement appropriate curriculum for teaching and evaluation process with the guidance of Academic Council and Governing Body.

Principal along with IQAC coordinator, research coordinators and other coordinators (NSS, RRC, YRC), committee members, trainers, placement officer, admission officer obtain time to time feed back and organize capacity building programs for staffs, students, parents, and neighbouring communities in networking and capacity building exercise on Teaching methodologies, Class room management, Communication skills, Planning and Execution skills etc.

Head of the institution regularly monitors staff and students towards effective implementation of curriculum and obtains regular feed back from students and teachers. Based on the feedback, decides the strategy to be adopted to enrich teaching and learning process for the successful development of student career. This leads wholesome development of annual budget through which the required infrastructural and other facilities are fulfilled and used for students' welfare.

Criterion VII: Innovations and Best Practices

Based on NAAC criteria and policy the Institution has redesigned its approaches towards all seven criteria's and policy. Teaching and learning culture have been a participatory mode with all stake holders, teachers and students as key players. Motivation and building ownership to all stake holders has become key factor in success.

Institution is committed in providing education for rural and poor women in the region for which free transport facility is provided to the surrounding villages in the radius of 150km with nominal fee structure. For students coming from far off places, hostel facility is functioning since 1995. It has two individual blocks one PG block and one UG block with good dining hall and students' choice menu is provided. The campus is connected with good roads and greenery around. It has refreshment and recreation spots like garden, sports, gym, TV rooms, beauty parlour, toilets, cafeteria, departmental stores, etc. A branch of Indian Overseas Bank, with two ATM facilities is available.

Clean and fresh environment is provided to the students with sophisticated reverse osmosis water purification system, waste water treatment plant, biogas production unit from waste, etc. All roads and

places are lighted with good lamps and 100% security for women students is provided.

Women teachers are permitted to stay in the women's hostel with free accommodation and food and Wi-Fi connections to support students academic activity, library is opened even after college hours for the students to concentrate on academic and prepare for higher studies and research.

SWOC- ANALYSIS

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> • Qualified and well experienced faculty members • Well equipped Digital Library. • Good infrastructure and well equipped Laboratory • Industrial visit • Safety and Security for hostel inmates • Extended transport facility free for students and staff • Encourages the students to achieve in sports • Help the students to excel in their extra curricular activities • Conducting exhibitions to bring the innovative ideas and challenges to the world • Encouraging the students to participate and win in Paper, poster, exhibiting a model presentation in outside the colleges. • Training program are conducted to the students to make self confidence in their knowledge and communication skills • Calm and an ambient atmosphere to achieve academic excellence 	<ul style="list-style-type: none"> • Staff stability • Classical Subjects • Lack of interest for higher studies. • Students refrain to undertake higher studies • Lack of communication in the students
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> • After UG, Students have the opportunity to select the various fields for their higher studies. • Students have the wide opportunity for Government Jobs. • Students can do research work with fund • Research institute such as BSI, CDRI, IFGPT, Spices Board, Botanical Gardens, ICMR etc., • Placement for deserving students-on campus drive. • Management contribution for physically disabled students. • Providing free education/fee concession for the daughter of non teaching staff • Women development through women development cell. • Awareness on consumer rights through citizen consumer club. • Fee concession for parentless and poor • Free education for meritorious students through Arivu thiran. • Free education for those who excel in sport • Guide the students to get educational loan from bank • Scholarships at regional, state and National • Choice Based Credit System 	<ul style="list-style-type: none"> • High competition, Creating awareness among the students • Updation of curriculum for day today life activities and opportunities • Challenges on bringing below average students into extraordinary students • Challenges in minimizing absenteeism after a long holiday • Strives to build confidence among students

16. Are there any UG and /or PG programmes offered by the College, which are not covered under Autonomous status of UGC? Give details.

NIL

17. Number of Programmes offered under (Programme means a degree course like BA, BSc, MA, M.Com)

- a. Annual system ☒ All research courses
- b. Semester system ☒ All UG & PG courses
- c. Trimester system ☐

18. Number of Programmes with

a. Choice Based Credit System

b. Inter/Multidisciplinary Approach

c. Any other (specify and provide details)

19. Unit Cost of Education

(Unit cost = total annual recurring expenditure (actual) divided by total number of students enrolled)

(a) Including the salary component

Rs.12,948/-

(b) excluding salary component

Rs.6905

20. Does the college have department of Teacher Education offering NCTE recognized degree programmes in Education?

Yes ☐

No ☒

21. Does the college have a teaching department of Physical Education offering NCTE recognized degree programmes in Physical Education?

Yes ☐

No ☒

22. Whether the College is offering professional programmes?

Yes ☒

No ☐

23. Has the College been reviewed by any regulatory authority? If so, furnish a copy of the report and action taken there upon.

Yes, reviewed by ISO audit. (Annexure IV)

24. Number of teaching and non-teaching positions in the college

Positions	Teaching faculty						Non-teaching staff		Technical staff	
	Professor		Associate Professor		Assistant Professor					
	*M	*F	*M	*F	*M	*F				
Sanctioned by the UGC / University / State Government <i>Recruited</i>	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil

2. CRITERIA – WISE INPUTS

CRITERION I: CURRICULAR ASPECTS

1.1 Curriculum Design and Development

1.1.1 How are the institutional vision / mission reflected in the academic programmes of the College?

The college has meticulously planned the curricula which reflect the mission that leads to achieve the vision of the institution. The dynamic curriculum is the predominant feature of the autonomous status of the college. The quality of the education includes competence along with adequate training and with the outcome achieved by the students is periodically monitored by academic audits. The curricular changes and modifications are scrutinized at departmental and institutional levels prior to implementation of the curriculum. Curriculum Monitoring Boards are formed from both internal and external experts.

The main aim of institution is to secure social equity for women through proper higher education. To get social equity for women the only suitable way is to get education. So, the curriculum is more meticulous on giving proper education that will secure the social status of women. To achieve this vision, the curricula are designed such a way to overcome all obstacles of women education.

Women education encompasses more obstacles and social complexities. So, the curricula must include their actual and immediate needs. Thus, the college provides courses from UG to research level at one roof. The curricula ensure the innovative

teaching methods and women friendly environment for their education.

The Board of Studies comprises subject experts (Educationists), field experts (Industrialists), all the faculty members of the department, student representatives and alumni. The Curriculum planning and evaluation committee and the Internal Quality Assurance Cell (IQAC) consist of the internal experts and the Academic Council is the passing body of curriculum reforms which comprises the external experts from various sections of the society. The college curriculum is designed to develop higher order life skills and knowledge based management skills based on the Choice Based Credit System (CBCS).

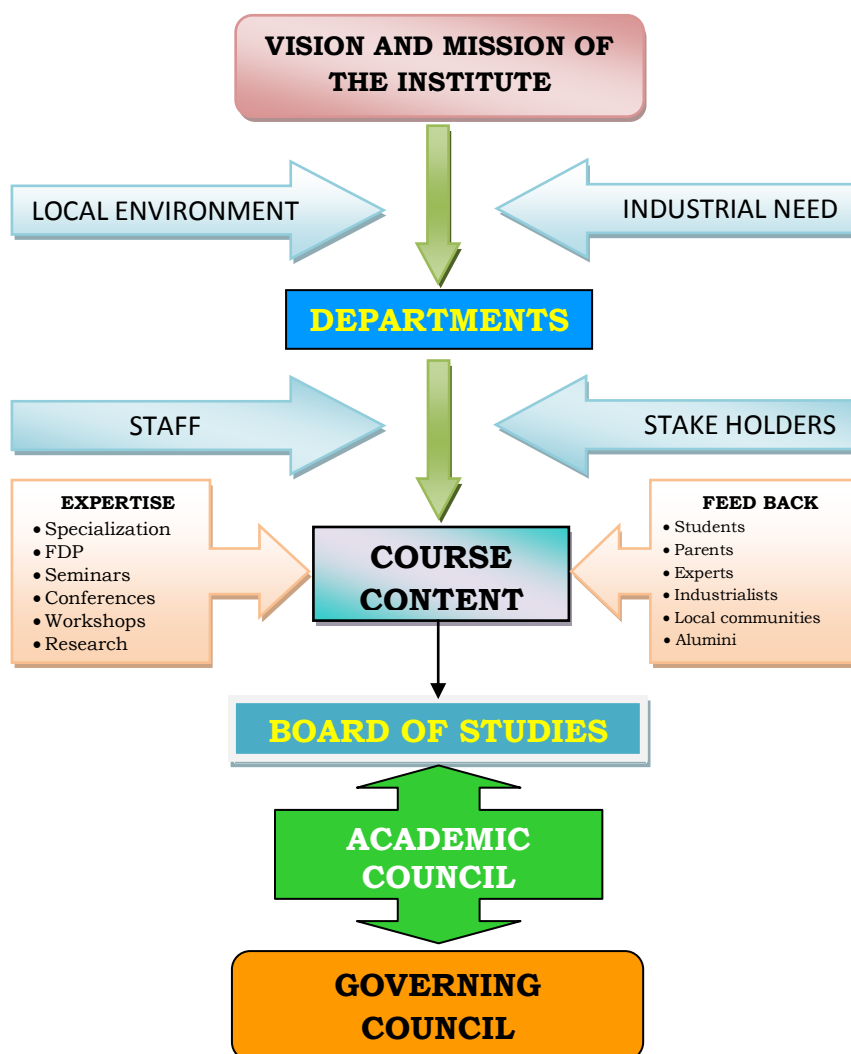

To ensure the social compatibility of every students the curricula is designed to bring out spiritual ambience directly and indirectly and the moral uprightness among youth. The value based programmes such as yoga practices and value for life are offered to all UG students in the semester I. The value based courses include personal and social values needed for life and to distinguish between the right and the wrong among the students.

The extension activities such as students clubs for various specific purposes are also included in the curricula and all these activities are executed in a regular basis to mould the overall personality of the individual students with social responsibility and commitment.

1.1.2 Describe the mechanism used in the design and development of the curriculum? Give details on the process. (Need Assessment, Feedback, etc)

The Chairman and Secretary of the Institution Dr. M. Karunanithi, serves as senate member of the affiliating University during from 05.06.2012 to 04.06.2015. Staff of the institution serves as syndicate member and number of staff represents as board of studies, chairman and board of studies member of the affiliating University. Principal of

the college served as university nominee in academic council member. Students of the college represent various academic and sports units for university and parents share their feed back to the university regularly. The curricula development is started from the planning and ends with evaluations which will be a core idea for the next level of curricula development.

The Department meetings will be the first step for collecting feedback from the staff members and students. The feedback from the department and further series discussions with Controller of Examinations, the Principal and the Head of the Departments give an out line for the changes for the curricula. Then it will be discussed in Board of studies. Students strength, present scenario of the syllabus

content, job opportunities, feedback from placement cell, industrial experts and feedback from alumni members are taken into account in the development of syllabus. The vision of the institution will be the core idea of our syllabus. Governing council and Academic council ensure the syllabi of each Department aheading towards the mission.

1.1.3 How does the College involve industry, research bodies, and civil society in the curriculum design and development process? How did the College benefit through the involvement of the stakeholders?

The college interacts with industrialists, experts, research bodies and civil society experts for curriculum development process. Based on the UGC norms each department constitutes a Board of Studies which includes subject experts, academicians from other universities, members from research bodies and civil societies. The Academic Council includes members from Industries, Education, Civil Society, Universities and State Government. Based on the suggestions and expectations from Board of Studies and Academic Council, a suitable syllabus is framed.

*** Industry**

Indirect feedback is obtained from the industry through industrial visits and industrial trainings. The industrialists are invited as experts from various industries for discussion in framing the new syllabus. The expectations of the industrialists with regard to students' knowledge for placements are understood through the experience gained from their visits to the departments concerned. The departments like B.B.A, Commerce and Commerce (CA) framed new syllabi based on the suggestions from Tata Consultancy Services (TCS).

* **Research Bodies**

Practical demonstration and workshops are conducted for students and faculty members by eminent scientists and other experts who are in active Research. They interact with the students and faculty members and explain the current needs, demands, issues and management of research. The feedback obtained from such experts is duly respected during the development of the curriculum for the programmes.

* **Civil Societies**

The experienced personalities from various walks of life like auditors, doctors and lawyers are invited for the Academic Council to obtain the feedback about the academic and professional requirements for restructuring the curriculum.

1.1.4 How are the following aspects ensured through curriculum design and development?

* **Employability**

The college focuses on the multi skill development of students through their subjects to the changing needs of the society. For example, the curricula for BBA, BBA (CA), B.Com, B.Com (CA), Physics, Chemistry, Electronics & Communication, Microbiology and Biotechnology have been designed as per the needs of the industries and other organizations offering employments to the students.

The practical and training is integral part of the curriculum in various science related programmes. The laboratories are well equipped with the latest and sophisticated instruments for learning, practical exposure and development of knowledge

based skills of the students. Designing the UG curriculum for BBA (CA) & B.Com. (CA) is done with an aim at increasing the employability of the students. B.Sc. (Microbiology) supplemented with Human Physiology enhances the job opportunities in Medical Coding sector. B.Sc. (Biotechnology) supplemented with Seed Technology and Herbal Technology increases the employability skills required for seed and pharma marketing companies.

The college has redesigned the PG Curriculum to cater to the demands of students to get through the competitive exams like SET, UGC NET, CSIR, etc. Elective Programmes such as SBEC, NMEC and EDC have been introduced to improve the skills and employability of the students.

* **Innovation**

The academic freedom of the college has ensured the freedom for innovations in the CBCS method. The systems incorporate academic flexibility which provides greater opportunities for the students to learn.

* **Research**

Experts from different industries are frequently invited to respective departments for special lectures, training programs, seminars, workshops, placement training, board of studies meetings, etc. Students were taken for frequent industrial visits. MOU's were signed by different departments with their respective industries to share their resources in research and employment. The institution is recognized for 12(B) by UGC which facilitates students and staff in getting research scholarships/funding from institutions like DST, UGC, DBT, state higher education, MoEF, etc. Professors, experts and scholars from respective department of the parent departments

share their knowledge through special lectures, seminars, conferences, training programs, etc.

1.1.5 How does College ensure that the curriculum developed address the needs of the society and have relevance to the regional / national developmental needs?

The main objective of mission is to ensure the social development of rural women that is a major national issue also. Our curricula try to overcome this national issue by giving education with social morality, economical development and social welfare activities.

As it is a Women's College, the institution gives more concentration on moral and ethical values. There are so many seminars and lectures on moral values and ethical status of our community. Morality and ethical values are strictly followed from dress code to class room activities. Regular counseling and face – face discussion are conducted for needy students.

The institution takes care of in campus and off campus interviews from various companies and proper training are given for Government competitive examinations. By the means of life skills, proper nutrition, and mental counseling are given to needy students at accordance with their age and personal family situation.

For better career options, there is placement cell in our institution. It takes care of students' opportunities for their better jobs. Employable and impart knowledge and skills are given more importance to develop the economic status of our students as the major vision of institution. Free training programmes in Communication skills and basic corporate etiquette are offered by various MNCs and placement officers from nationwide. Campus interviews and job fairs are conducted regularly

The students are involved in community orientation programmes

through the co-curricular clubs as a regular activity. In this institution NSS, RRC and Women Empowerment Cell are functioning.

1.1.6 To what extent does the College use the guidelines of the regulatory bodies for developing or restructuring the curricula? Has the College been instrumental in leading any curricular reform which has created a national impact?

It is advised by BOS member to include soft skills in English, it is added in the syllabus, and as per students requirements the institution offers training program for TNPSC, BSRB and other competitive examinations. Peer review method and feed back model are used to monitor and evaluate the quality of enrichment programmes. The teachers in the respective Boards of Studies (BOS) play a vital role in updating syllabi and making them more relevant to the society and industry. They collect feedback from faculty, students, alumni and employer and communicate the information and feedback for appropriate inclusion and decision of the Board of studies, through University representative and our faculty members representing our college.

1.2 Academic Flexibility

1.2.1 Give details on the following provisions with reference to academic flexibility.

a. Core / Elective options

All our UG & PG programmes are under the Choice Based Credit System (CBCS), with flexibility for the students in allied course options, outside his/her discipline (through Non-Major Electives); thirteen credits need to be earned outside the group of related disciplines. For example, a student studying in any one of the Life Sciences programme shall earn some credits from outside the group of Life Sciences, say, from Physical Sciences,

Social Sciences etc. Number of SBEC and NMEC papers offered by the University and the probability of choice.

b. Enrichment courses

In tune with the emerging trends, in the most of the conventional programmes, the students are trained to use the internet to update themselves with the latest discoveries, inventions and concepts. Field trips, visits to places of academic interest, on-the-job training forms the part of curriculum. Guest lectures by subject are arranged periodically. Computer awareness, ICT exposure, community orientation, Career development programs, and EDP are given frequently to students in addition to the curriculum.

c. Courses offered in modular form

In addition to the university curriculum, the college offers 27 certificate courses -need based courses, to increase the employment opportunities of the students by developing various skills.

d. Credit transfer and accumulation facility

Apart from the regular curriculum the students are free to opt for the elective courses offered by other departments to earn extra credits. Each department offers two papers per discipline per semester and the student they can opt only for one paper.

e. Lateral and vertical mobility within and across programmes and courses

There is a provision for concurrent study that a student in day-college can simultaneously do a Certificate / Diploma/ PG Diploma programme in the evening college. Also a PG student in

the first year of her study can simultaneously enroll herself for concurrent MBA programme offered by the parent University.

1.2.2 Have any courses been developed specially targeting international students? If so, how successful have they been? If 'no', explain the impediments.

The courses are not developed specially targeting the international students. But most of the courses have the potential to bring in international students. The curriculum is mainly structured to cater to the needs and expectations of the local society.

1.2.3 Does the College offer dual degree and twinning programmes? If yes, give details.

The university permits since we do not have distance education our college does not have such programmes. We have a provision for studying dual degree programme through the parent University under the Periyar Institute of Distance Education (PRIDE). Students can study any degree / certificate / diploma program under PRIDE through our College.

1.2.4 Does the College offer self-financing programmes? If yes, list them and indicate if policies regarding admission, fee structure, teacher qualification and salary are at par with the aided programmes?

Yes. The college is a self financing institution and hence all the programmes are financed by the management. Our core objective of curriculum is based on the women empowerment especially those from rural background. It is framed to develop their socio-economic development without any compromising the cultural backgrounds of each student. Flexible fee payment mode, admission process as per Tamil Nadu Government rules and regulations and guidelines, Experienced staff with salary that mentioned by UGC are notable in our institution.

1.2.5 Has the College adopted the Choice Based Credit System (CBCS)? If yes, how many programmes are covered under the system?

Yes, we follow Choice Based Credit System. We follow this system for all UG and PG courses.

Choice Based Credit System and range of subject options

Study components	Courses	Credits

1.2.6 What percentage of programmes offered by the College follows:

100% Programmes follow the Semester system.

1.2.7 What is the policy of the College to promote inter-disciplinary programmes? Name the programmes and what is the outcome?

There are no interdisciplinary programmes in our curricula. But research projects are undertaken interdisciplinary according to the students' interests and need of time. Interdisciplinary projects are also undertaken in the college among different departments. Resources and facilities are pooled for the benefit of all. Every year students from bio sciences undergo mostly interdisciplinary project works. These projects lead to successful publications.

1.3 Curriculum Enrichment

1.3.1 How often is the curriculum of the College reviewed for making it socially relevant and/or job oriented / knowledge intensive and meeting the emerging needs of students and other stakeholders?

The course curricula for all programmes (UG and PG) are reviewed once in three years (for UG) and once in two years (for PG) to make it socially relevant, job oriented and knowledge intensive. However, if emerging needs are felt, the Board of Studies can take the necessary action regarding the modification and restructuring of the courses based on the current industry requirements, placement records of the old students, opinions and feedback from alumni faculty and subject experts in association with all stakeholders. The curriculum design is based on the interdisciplinary skills, academic flexibility and employability with knowledge based skills, decision making and healthy human relations skills for emerging needs of students and other stakeholders.

1.3.2 How many new programmes at have been introduced UG and PG level during the last four years? Mention details.

*** Inter-disciplinary**

Our CBCS syllabus gives a wide opportunity to all students have inter-disciplinary education. The curriculum design is based on the interdisciplinary skills, academic flexibility and employability with knowledge based skills, decision making and healthy human relations skills for emerging needs of students and other stakeholders.

*** programmes in emerging areas**

In order to achieve academic excellence through autonomous status, the college plans to restructure the syllabus based on the emerging needs and employment prospects. In this regard, all UG and PG syllabus revised according the current trends.

1.3.3 What are the strategies adopted for revision of the existing programmes? What percentage of courses underwent a major syllabus revision?

Based on the UGC and TANSCHÉ guidelines, Semester system with CBCS pattern is followed. The autonomous status helps to improve the flexibility in curriculum design and development of existing UG and PG programmes. The major syllabus revision is done once in three years for achieving academic excellence of students. Most of the major syllabi are restructured after the autonomous status was obtained according to the current industry requirements, placement records, old students opinions, and feedback from alumni, faculty and subject experts. The revised syllabi are approved and implemented through the Board of Studies and Academic Council.

1.3.4 What are the value-added courses offered by the College and how does the College ensure that all students have access to them?

The value added courses aim at developing the various life oriented knowledge based skills, career training, community orientation, value education and employability. The value added courses were offered during the academic years 2007-2011 before the grant of autonomy for the college. Since the autonomy, the value added courses have been restructured and added in the syllabus as skill based courses. After the autonomous status, the college has the flexibility to design the curriculum. Most of the departments have restructured their value added courses to part IV of the curriculum which includes all Non Major Elective Courses (NMEC), Skill Based Elective Courses (SBEC), Value education, Environmental Science, Human Rights, etc. for enrichment of higher order skills and knowledge based management skills of the students. The students have a choice to choose from various elective courses.

1.3.5 Has the College introduced any higher order skill development programmes in consonance with the national requirements as outlined by the National Skills Development Corporation and other agencies?

Department of English ensures the development of communication skills in English among the students. This department has a well structured curriculum to intensify the communicative skills among the students of various departments. A well furnished Digital Language Lab is functioning in the department and students make use of this facility to improve their communication skills.

Separate courses are designed in all the departments to develop computer awareness among students. Recently an ICT awareness workshop was organized by Equal Opportunity Centre as a part of

Women Empowerment Program. This cell also facilitates student participation in skill development programmes and soft skill development activities held at various institutions.

*** Support for “slow learners”**

Each department of our institution takes initiative for providing additional coaching classes for slow learners. These are conducted by the departments concerned after regular scheduled working hours. Scholar Support Programme and Additional Skill Acquisition Programme are also conducted to empower learners.

*** Exposures of students to other institution of higher learning/ corporate/business house etc.**

Students from our institution are given opportunity to attend and participate in the programmes conducted by other higher education institutions. Students are encouraged to visit higher education institutions and the faculty members also accompany them in such programmes.

1.4 Feedback System

1.4.1 Does the College have a formal mechanism to obtain feedback from students regarding the curriculum and how is it made use of?

The college enhances its performance by seeking feedback from students, employers and academic peers. A specified format is used to obtain the feedback. Student representatives are met once in month to obtain the grievances and feedback about the schemes introduced in the college. The views of students are consolidated and implemented. The students are also involved in providing a feedback about the teaching staff and their teaching methodologies.

Alumni meetings are conducted in the college periodically to ascertain their views on curriculum, infrastructure facilities and suggestion for improvement and development of the college.

Employers from various industries who come for conducting campus interviews suggest changes in the syllabi which are represented to the university through the members of Board of Studies and Senate. The outcomes of the feedback are introduction of SBE and NME, Soft Skill paper, Value Education, Gender studies as a part of regular curriculum and a paper on Teaching Methodology for the M.Phil. students were introduced. An opportunity is also provided to the students to improve their CIA. To enhance the soft skill of our students classes have been conducted for the same.

1.4.2 Does the College elicit feedback on the curriculum from national and international faculty? If yes, specify a few methods adopted to do the same - (conducting webinar, workshop, online forum discussion etc.). Give details of the impact on such feedback.

As the curriculum is based on the rural students, no the feedback mechanism is employed to elicit the feedback from national and international faculty on the curriculum.

1.4.3 Specify the mechanism through which alumni, employers, industry experts and community give feedback on curriculum enrichment and the extent to which it is made use of.

Feedback from alumni is collected during the annual Alumni meet. Similarly feedback from employers, Industrial experts and the community is collected whenever they visit the college on account of Seminars/ Workshops/ Conference. Also during the industrial visits and internship programmes a detailed discussion is done to elicit the expectations of the stakeholders.

Based on the feedback obtained from the above mechanisms Board of Studies discusses the necessary changes to be done in the curriculum which is further discussed at Academic Council meetings. Enrichment of the curriculum thus made is informed to these stakeholders for better Industry-Institution co-operation and employment prospects.

1.4.4 What are the quality sustenance and quality enhancement measures undertaken by the institution in ensuring effective development of the curricula?

During the last five years, the college has undertaken the following measures to ensure the quality sustenance and enhancement

- Meetings of departments, Board of Studies and Academic Council.
- The course curriculum are regularly assessed by analyzing the feedback from industrial experts, employers, alumni and other stakeholders for effective development of the course content.
- Inter departmental academic and stock audits. The IQAC monitors the quality sustenance through the direct observation of academic performance and feedback system.

Any additional information regarding Curricular Aspects, which the institution would like to include.

CRITERION II: TEACHING - LEARNING AND EVALUATION

2.1 Student Enrollment and Profile

2.1.1 How does the college ensure publicity and transparency in the admission process?

The Institution ensures wide publicity to the admission process through prospectus, Institutional interactive website, Advertisement in Regional / National Newspapers and through advertisement in Local Television Channels, distributing Pamphlets to public, Flex boards in interior villages. The institution has a keen interaction with parents and students in all circumstance of admission. HODs, staff members as well as the admission cell staff are included in the interaction to clarify the doubts from the public and explain the facilities that presented here. Permitting the students to visit our college is also done to get an idea about the lab facilities available.

After that, the College ensures transparency in the admission process. The HODs scrutinizes the applications received and based on their marks obtained in the eligibility examinations an interview letter is sent to the candidate. The admission cell comprising of the Principal and HODs conducts the interview and the student is selected. Sometimes, the interview may be conducted on the day when application is received. The date of interview is based upon the students and number of applications received.

Admission is provided to all eligible candidates irrespective of caste, creed and place of birth. The institution takes due care of the norms set by the state Govt. and the affiliating University, regarding the eligibility of candidates. The selected students are informed their status over phone and the admission cell is ready to answer any quires raised by the students and parents

2.1.2 Explain in detail the process of admission put in place for UG, PG and Ph.D. programmes by the College. Explain the criteria for admission (Ex. (i) merit, (ii) merit with entrance test, (iii) merit, entrance test and interview, (iv) common test conducted by state agencies and national agencies (v) others followed by the College?

Merit of the students in admission – the eligibility for admission to UG is to pass in eligibility examination (HSc) but the counselling will be a deciding point of admission that ensures the capability of the student to continue the course that she has chosen.

The admission to PG and Ph.D. is purely based on the merit with entrance test that brings out the students' aptitude and knowledge on the subject. Then the counseling will ensure their admission.

2.1.3 Does the College have a mechanism to review its admission process and student profiles annually? If yes, what is the outcome of such an analysis and how has it contributed to the improvement of the process?

The admission cell of this institution takes care of whole admission process throughout the year. After the admission is completed for the academic year, the cell convene the meeting for analyzing and reviewing the admission. The changes in process of admission, the need of any new concepts or procedure will be the main agenda of the meetings. Then, if there is any changes needed, the cell will recommend the management for the following year, and this cell is watching the changes mentioned by the Govt and University pertaining to the admission. The exams for scholarships, science fare, students awareness program which are the ways to have a keen relationship with public will be adopted by the cell to ensure the need of the public.

2.1.4 What are the strategies adopted to increase / improve access to students belonging to the following categories

In line with the vision of our founder we offer value based education at affordable cost. Nearly 90% of our students belong to the socially backward communities and just above 50% come from rural areas. A part of these students are economically very weak. The Management offers student welfare schemes to tune of nearly Rs.75-90 lakhs every year which includes fee concessions, free transport and free hostel accommodation Special scholarships are given to the differently-abled students, Sports students which also includes fee waivers. The college takes necessary initiatives to acquire the scholarships offered by the Government and dispense it to the students immediately.

a) Students from disadvantage community (SC/ST, OBC)

The marginalized downtrodden rural students are given greater access to higher education as a policy by the college though the college ensures equity in admission by not discriminating on the basis of religion, caste and community.

b) Differently-able.

The college ensures admission for differently-abled, economically weaker sections and sports personnel students though they are not creamy at entry level.

c) Economically-Weaker sections

The college offers merit scholarships at various levels, and our motto is 'education must be given to deserved students and it should not be stopped because of economic status of the student.

e) Sports personnel

The College offers seats under its extracurricular quota for applicants who have proficiency in music, dance and other cultural activities.

e) Any other

The college gives fee concession for financially backward students and single parented and orphan students.

2.1.5 Furnish the number of students admitted in the College in the last four academic years.

2.1.7 Was there an instance of the College discontinuing a programme during last four years? If yes, indicate the reasons.

We had integrated PG courses in bio sciences, but most of students do not want this mode because most of students want to get B.Ed

degrees and some of them settled in family way. So, we stopped offering this type of integrated courses.

2.2 Catering to Student Diversity

2.2.1 Does the College organize orientation / induction programme for freshers? If yes, give details of the duration of programme, issues covered, experts involved and mechanism for using the feedback in subsequent years.

Yes, the college conducts induction programme for freshers. For 15 days, a Bridge Course is conducted for 3 hours per day. Since majority of the students are from rural areas and have completed their education till 12th std in Tamil medium, they have apprehension about English medium of education. Bridge course helps them to get out of this fear and face the task boldly.

All the freshers are given a head start in basic English grammar by the English Department. All the departments help their respective students by explaining the curriculum and how to approach it, how to utilize the resources such as library and laboratories.

Yoga classes are conducted everyday for two hours, for the students to keep their mind and body fit for studies. Yoga experts from World Community Centre (Vedhatri Maharishi Yoga Centre at Aliyar.) are deployed to conduct these classes. Apart from this, orientation programmes conducted by the respective departments to appraise the students on dress code, attendance, leave procedures, fee schedules, day order system, curriculum, examination pattern and evaluation process, etc.

Feedback is obtained from the students on Bridge course and Yoga class and it is analyzed by the Principal to make necessary changes in subsequent years.

2.2.2. Does the College have a mechanism through which the “differential requirements of student population” are analyzed after admission and before the commencement of classes? If so, how are the key issues identified and addressed?

Yes, after the admission and before the commencement of the classes students' concerns such as hostel facilities, transportation, course change, etc. are received by the HoDs of the respective students. The issues are addressed to the satisfaction of the students while maintaining the norms of the institution.

2.2.3 Does the College provide bridge /Remedial /add - on courses? If yes, how are they structured into the time table? Give details of the courses offered, department-wise/faculty-wise?

The entry level assessment/performance of the students is communicated to the staff members concerned in the departmental meeting so as to enable them to modify their teaching methodologies accordingly.

A short term Bridge Course in English is conducted to all students of first year. To bridge the knowledge gap of the enrolled students and to enable them to cope up with the programmes of their choice, the institution arranges remedial classes, enrichment courses, extension lectures, Seminars, Symposia etc. Further, the Career Counselling Cell of the College offers all services required for the purpose.

Departments also organize guest lecture with eminent subject experts to encourage the students to achieve their academic excellence. Group discussions on current topics are also arranged to inculcate leadership qualities among these students.

2.2.4 Has the College conducted a study on the incremental academic growth of different categories of students; - student from disadvantaged sections of society, economically disadvantaged, physically challenged and slow learners etc.? If yes, give details on how the study has helped the College to improve the performance of these students.

Yes, the college collects data through class mentor system on incremental academic growth of the students from disadvantaged section of the society. Based on these studies the college has initiated noon-meal scheme for the poor students. Also, the college provides endowment scholarships besides assisting them to collect various scholarships offered by the government.

The college provides ground floor class rooms if mobility is the concern of the disabled students. Blind students are provided with assistants to write their test and examinations. Conduction of the remedial classes is another initiative of the college to improve the performance of the slow learners. In effect, the study helps the college to identify and address the requirements of the students from the disadvantaged sections of the society as cited above.

2.2.5 How does the institution identify and respond to the learning needs of advanced learners?

Advanced learners are identified through their performance in the series of tests conducted and also through their involvement and interactive nature during the teaching. These advanced learners are encouraged to utilize the vast resources of our well equipped library and advised to study articles from reputed journals. They are encouraged and assisted to participate in inter collegiate-competitions of academic nature and helped to prepare paper presentation and publication. These students are also guided to prepare for the competitive exams like NET/SLET, UPSC and other bank exams.

2.2.6 How does the institution cater to the needs of differently-abled students and ensure adherence to government policies in this regard?

The college has set up different committee like fine arts, students' welfare and Women's Development Centre. When differently abled students are admitted in the college, the Departments request the committee for allocating the class rooms that have minimal inconveniences to the differently abled students.

2.3 Teaching-Learning Process

2.3.1 How does the college plan and organize the teaching, learning and evaluation schedules? (Academic calendar, teaching plan, evaluation blue print, etc.)

At the beginning of the every academic year, academic calendar and teaching plan are published. Once in three years, the syllabus is revised and BoS will decide it. The question bank is also published at the same time. Proposed dates of academic activities like guest lectures, seminars and conferences along with the budget will be presented at the year beginning and followed by further meetings.

The faculty of the college prepares yearly subject-wise teaching plan well in advance of the academic session and submits the same to the Principal. A plan for departmental subject tours, home assignment, seminars, group discussions and internal sessional examinations is also prepared. The faculty follows a lesson plan prepared at departmental level. The lesson plan contain details on instructional objectives to be achieved, the course content to be covered, and the kinds of Audio visuals to be used and the logistics inside classroom.

Planning and preparation for laboratory work like experimental procedures and other protocols are made available to students. The unit wise syllabi are discussed and accordingly course work is

distributed among the concerned faculty. The plan enables the faculty and students to complete the prescribed syllabi well in time. It also helps to maintain transparency in teaching learning process. At the end of every two months, reports regarding the coverage of syllabus are submitted to the Principal. In case of any deficiency with regard to completion of syllabus, remedial classes will be arranged.

2.3.2 Does the College provide course outlines and course schedules prior to the commencement of the academic session? If yes, how is the effectiveness of the process ensured?

Yes, the course outlines and course schedules are provided by each faculty prior to the commencement of the academic session. The college hand book (calendar) provides the course patterns and course codes for both odd and even semesters of UG and PG courses and each department provides the syllabus book to each student for the purpose of learning the course outlines such as languages, allied & major theory papers, practical papers, and elective papers that include NMEC, SBEC, EDC papers, etc. The time table is also given to all the classes of UG and PG courses prior to the commencement of new academic session.

The effectiveness of the process is ensured through periodical monitoring by the Heads of the Departments. A report is prepared, discussed and used for the improvement of academic work plan.

2.3.3 What are the courses, which predominantly follow the lecture method? Apart from classroom interactions, what are the other methods of learning experiences provided to students?

Most of the courses predominantly follow the lecture method. Besides, various teaching methods are followed to make the students understand the subjects. The following teaching-learning methods are practised by the faculty members. The students are encouraged to refer various books

other than the prescribed text book from the vast resources available in the central library. They encouraged to share their knowledge thus obtained with other students through class seminars. Our laboratory classes play a vital role to impart practical experience of the concepts they have learned through theory classes. ICT enabled teaching methods enrich their potential for learning.

2.3.4 How is 'learning' made more student-centric? Give a list of participatory learning activities adopted by the faculty that contribute to holistic development and improved student learning, besides facilitating life-long learning and knowledge management.

To create an atmosphere of enrichment of knowledge, the following methods are taken by the college. This includes presentation of seminars, writing assignments, class room discussions, projects, industrial visits and student seminars. The students are encouraged to visit the library to inculcate the self learning habits. The student centric learning is more important in our college to bring development to acquire life skills and knowledge based management skills. Our college teachers impart the value added knowledge to the students for the purpose of employment and career building.

2.3.5 What is the College policy on inviting experts / people of eminence to provide lectures / seminars for students?

The college encourages the practice of inviting experts and persons of eminence to deliver lectures from other academic institutions, industries and Universities to share their experience with the teachers and the students of the college. For this purpose a separate financial assistance is arranged to all the departments for remuneration or honorarium.

2.3.6 What are the latest technologies and facilities used by the faculty for effective teaching? Ex: Virtual laboratories, e-learning, open educational resources, mobile education, etc.

The college has made a sustained and continuous effort to bring some innovation in teaching and learning methodology. The college faculty members use the modern teaching tools and facilities like OHP, LCD Projector, Audio visual packages, Computers along with broadband internet connectivity for effective enhancement of teaching.

All the departments use Computers, OHP and LCD facilities for teaching. The college has a separate smart class installed with LCD and broadband internet connectivity. The English department has established Language Lab with DVD players, computers and interactive CDs for screening of documentaries and visual information. The college library is equipped with e-learning resources and the e-content preparations are used by the teachers to encourage ICT enabled education.

2.3.7 Is there a provision for the services of counselors / mentors/ advisors for each class or group of students for academic, personal and psycho-socio guidance? If yes, give details of the process and the number of students who have benefitted.

Yes, there is a provision for counsellor and class mentor-advisor to the students.

The class mentor - advisor system (class teacher system) is followed by the college. At the department level each faculty member is made as a class mentor (Class Incharge) to monitor the academic performance and to maintain the discipline of the class. The class mentor also acts as an academic advisor for the entire class.

Our college utilizes the services of a counsellor to address the psycho-

socio issues of the students. The mentors identify the academic, personal and psychological problems of the students and guide them to meet counsellor, and the counsellor gives advice and guidance to the students.

2.3.8 Are there any innovative teaching approaches/methods/practices adopted/put to use by the faculty during the last four years? If yes, did they improve the learning? What methods were used to evaluate the impact of such practices? What are the efforts made by the institution in giving the faculty due recognition for innovation in teaching?

Yes, the college faculty members use innovative teaching methods for the last four years with usage of LCD Projector, audio visual packages (Animation CD's) computer assisted learning and experimental learning.

The college library also has been equipped with broadband internet connectivity with e-books and e-journals for ensuring and enhancing the learning process of the faculty members and students.

2.3.9 How does the College create a culture of instilling and nurturing creativity and scientific temper among the learners?

Yes, the college has created the culture of instilling and nurturing creativity and scientific temper among the learners through the following activities. Department wise functions are conducted to improve the creativity of the students and the best performers are suitably rewarded to encourage more participation from the students. In order to instill a scientific temper among the students, eminent resource persons are invited to discuss the latest developments and ongoing research in science and they are encouraged to present posters and papers on their understanding of the concepts.

2.3.10 Does the College consider student projects a mandatory part of the learning programme? If so, for how many programmes is it made mandatory?

*** Number of projects executed within the College**

Yes, the college considers that the student projects are important part of learning process. M.Sc. and M.Phil projects are made mandatory. There is a provision for Research based participatory learning activities with other research institutes for projects of 2 to 3 months duration as part of regular course curriculum to providing first hand work experience to the students.

*** Names of external institutions associated with the College for student project work**

The management of the college also has 18 other institutions which permit free interaction and use of instruments with them. MoU's are also developed with number of research institute for summer training placement etc. Temporary interactions were also encouraged whenever requested to the students and bonafide certificates are provided by the HODs for the purpose.

*** Role of the faculty in facilitating such projects**

We have experienced staff in research also, they guide the students in all means of research. As most of our department offers research programmes, the department is furnished with all facilities in means of research. If needed, the students are allowed to do their research in off campus institutions.

2.3.11 What efforts are made to facilitate the faculty in learning / handling computer-aided teaching/ learning materials? What are the facilities available in the College for such efforts?

Computer aided Teaching Facilities

The college facilitates the faculty to learn how to use modern teaching aids and tools like multimedia, ICT, internet and other materials (e-books and e-journals). The seminars, workshops and hands on training enlarge their intellectual horizon. All these ensure effective teaching experience of faculty members.

The following facilities are available in the college to support the learning efforts of faculty members.

- The management has provided computers with broadband internet connectivity to all the departments.
- ICT has the facilities like overhead projector, LCD projector, audio-visual packages, computer and internet for teaching and learning methods. The establishment of e-Library, Language Laboratory and smart class help the faculty members for academic excellence.
- Uninterrupted power supply is ensured.

2.3.12 Does the College have a mechanism for evaluation of teachers by the students / alumni? If yes, how is the evaluation used in achieving qualitative improvement in the teaching-learning process?

Yes, the college has introduced a scheme for the evaluation of the teachers by the students and alumni through a confidential feedback system.

The feedback is through a questionnaire soliciting information on the

curriculum, course content and other aspects of teaching-learning. This is carried out once in every semester by UG & PG students. The completed feedback is collected, analyzed and a consolidated report is generated finally. Depending on the outcome of the feedback, the management takes necessary action. The feedback evaluation system helps to maintain the quality of teaching, learning and evaluation process.

2.3.13 Does the institution face any challenges in completing the curriculum within the planned time frame and calendar? If yes elaborate on the challenges encountered and the institutional approaches to overcome these.

The college has well planned mechanism to ensure the completion of curriculum within the planned time frame. Some of the schedules are

- Academic calendar.
- Lesson plan of each faculty.
- Academic audit. The Institution faces very few challenges for completing the curriculum and its related aspects within the planned time and calendar.

A major challenge observed is the absence of faculty members for a long period of time due to personal or medical/maternity leave. To overcome these types of challenges, the Department ensures completion of curriculum with suitable substitution.

3.3.14 How are library resources used to augment the teaching-learning process?

The library acts as an important learning resource for students and teachers. The college has a central library and department libraries. The central library maintains the books, journals, magazines and other learning materials in respective discipline. The library also possesses technology aided learning resources such as e-books, e-

journals, audio-visual packages (Animation CD's), which enable students and teachers to acquire the innovative information, knowledge and skills.

The central library functions on all days except Sundays and Government Holidays. The Librarian helps the departments to purchase the latest edition of the books based on the requirements. The staff and students attend book exhibition to select the books of their choice for teaching.

During the session, each department is provided with the separate library, interested students spend more time in the library during their free hours. Library hour is provided twice a month as per request of the students and individual subject staff permit one hour of their subject hour to collect notes after completion of each unit. Library facility like online journals and internet facility encourages students to obtain up to date knowledge in their subjects.

2.3.15 How does the institution continuously monitor, evaluate and report on the quality of teaching, teaching methods used, classroom environments and the effect on student performance.

The Principal, Vice Principal and Heads of the departments periodically monitor the teaching, and the learning processes in the classroom through direct observation. The institution, also has set up the IQAC, which periodically monitors the academic programmes and prepares a consolidated report. The report is submitted to the Principal, and suitable action is taken by the Principal based on the report. The students' and teachers' feedback system has also been used to assess the academic performance periodically. The academic performances of the students are assessed by the CIA test I&II, class test/snap test and CIA model. All these parameters are used to maintain the quality of the academic performance of the college.

2.4 Teacher Quality

2.4.1 What is the faculty strength of the College? How many positions are filled against the sanctioned strength? How many of them are from outside the state?

Positions	Teaching faculty						Non-teaching staff		Technical staff	
	Professor		Associate Professor		Assistant Professor		*M	*F	*M	*F
	*M	*F	*M	*F	*M	*F				
Sanctioned by the UGC / University / State Government <i>Recruited</i>	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil
<i>Yet to recruit</i>	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil
Sanctioned by the Management/society or other authorized bodies <i>Recruited</i>	13	10	17	26	81	231	13	21	8	26
<i>Yet to recruit</i>	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil

***M-Male *F-Female**

No staff member is from outside of the state.

2.4.2 How are the members of the faculty selected?

Faculty members are selected according to the rules laid down by the Periyar University. The selection is based on the merit, bright track records and educational qualifications. The open advertisement of vacancy position is published in all regional newspapers. The applications are scrutinized by the respective heads of the departments and discussed with the Principal. The short listed candidates are called for written test and interview with a demo class. The selection committee selects the candidates based on their performance and educational qualification and the selected candidates are appointed against the vacancy position of the subject. The selection committee comprises the Principal, the Vice Principals and the Heads of the departments and the senior faculty of the department.

2.4.3 Furnish details of the faculty

All faculties are permanent

Highest qualification	Professor		Associate Professor		Assistant Professor		Total
	Male	Female	Male	Female	Male	Female	
D.Sc./D.Litt.	Nil	Nil	Nil	Nil	Nil	Nil	Nil
Ph.D.	13	10	4	8	3	5	43
M.Phil.	Nil	Nil	13	18	53	169	253
PG	Nil	Nil	Nil	Nil	25	57	82

2.4.4 What percentage of the teachers have completed UGC-CSIR-NET, UGC-NET, and SLET exams? In that what percentage of teachers are with PG as highest qualification?

STAFF QUALIFIED (NET/SET/GATE)

S.No	Department	Name of the faculty	NET	SET	GATE
1.	English	G.Rangaraj R.Rathinasamy A.Athiappan K.Mohanraj L.Ratha R.Manikanadaraj S.Raja	- - NET - - - -	SET SET SET SET SET SET SET	- - - - - - -

2.4.6 Does the College have the required number of qualified and competent teachers to handle all the courses for all departments If not, how do you cope with the requirements? How many faculty members were appointed during the last four years?

Yes, we have qualified staff members in all departments.

2.4.7 How many visiting Professors are on the rolls of the College?

Nearly 26 visiting professor have been coming to our college apart

from this, The college has provision for inviting the subject experts and eminent personalities from other academic institutions, industries and Universities to share their experience with the faculty members and students through seminars / symposium / conferences / workshops and special lectures only and no visiting professors are on the rolls of the college.

2.4.8 What policies/systems are in place to recharge teachers? (eg: providing research grants, study leave, nomination to national/ international conferences/Seminars, in-service training, organizing national/international conferences etc.).

The following policies are followed by the college to recharge the teachers every year:

- Before the commencement of academic session, the college organizes the faculty development / orientation programme for faculty members.
- The college has encouraged the staff members to join the M.Phil and Ph.D. programmes.
- The college has also encouraged the teachers to participate in National and International conferences, seminars, symposia, workshop, refresher/ orientation / faculty development programs and other training programmes organized by other educational institutions.

2.4.9 Give the number of faculty who received awards / recognitions for excellence in teaching at the state, national and international level during the last four years.

S. No.	Name of the Staff member	Name of the Award received	Name of the Agency	Month & Year
2009-10	Dr. A. Ganesan Assistant professor	KaviPunal	ULAGA Tamil Peravai	2009
		MakkalSevager	Government of Tamilnadu	2009
2010-11	Dr. A .Ganesan Assistant professor in Tamil	Kavingayeruviruthu	Kaviyarasimithraarakkatalai	2010
	Dr. S. Jayanthi Assistant professor in Tamil	Kavichselvar	lynthamulagatamilsangam	2010
	Mr. K. Moorthy professor in Microbiology	RashtriyaGaurav award Best citizen of india	India international friendship society,newdelhi International publishing house,newdelhi	2010
	Dr. A. Ganesan, Asst.Prof in Tamil	IllakiyaThendral	--	2011
	Dr. S. Jayanthi, Asst.Prof in Tamil	Tamil sudar	Thiruvaiyaru Tamil Sangam	2012
2011-12	Dr. Banumathy, Asst.Prof in Tamil	Tamil sudar	Thiruvaiyaru Tamil Sangam	2012
2012-13	Dr.L.R.Gopinath Professor, Head, Dept of Bio-Technology	Dynamic Youth Award	Pollywood Star media NET &Grosson Engineers, on Mr.Ragul Gandhi Birthday celebration	2013
		Global Excellence & Pride	National 20 point programme on Dr.Manmohansingh Birthday Celebration	2013
2013-14	Mr. Boopathi, Librarian	Best Librarian Award	from SALIS, sponsored by UNESCO organization.	2013

2.4.10 Provide the number of faculty who have undergone staff development programmes during the last four years. (Add any other programme if necessary)

AcademicStaffDevelopmentProgrammes	Numeroffaculty nominated
Refresher courses	235
HRD programmes	128
Orientation programmes	645
Staff training conducted by the university	28
Staff training conducted by other institutions	32
Summer/winter schools,workshops,etc.	12

Training program

Training programs	Numbers
Teaching learning methods/approaches	8
Handling new curriculum	4
Content/knowledge management	4
Selection, development and use of enrichment materials	2
Assessment	8
Crosscutting issues	26
Audio Visual Aids/multimedia	32
OER's	4
Teaching learning material development, selection and use	16

2.4.11 What percentage of the faculty have

<ul style="list-style-type: none"> • been invited as resource persons in Workshops / Seminars / Conferences organized by external professional agencies participated in external Workshops / Seminars / Conferences recognized by national/ international professional bodies 	13%
<ul style="list-style-type: none"> • presented papers in Workshops / Seminars / Conferences conducted or recognized by professional agencies 	72%
<ul style="list-style-type: none"> • teaching experience in other universities / national institutions and others 	5%
<ul style="list-style-type: none"> • industrial engagement 	2%
<ul style="list-style-type: none"> • international experience in teaching 	2 staffs

2.4.12 How often does the College organize academic development programmes for its faculty, leading to enrichment of teaching-learning process?

- Curricular Development
- Teaching-learning methods
- Examination reforms
- Content / knowledge management
- Any other (please specify)

The IQAC organises the academic development programmes like, staff orientation programmes, seminars and special lectures at regular

intervals for the faculty of newly recruited, on the aspects of teaching-learning methods (class room communication & management, teaching aptitude, usage of ICT tools etc.,) and curricular development with the eminent persons from reputed institutions.

2.4.13 What are the teaching innovations made during the last five years? How are innovations rewarded?

During the last five years innovations in teaching were made with ICT based teaching aids such as LCD Projectors, and computer with internet, e-journal, e-book and Animation CD's. All the Departments are equipped with computer sets, both for the students and staff members. Computers with internet facilities are also provided in the college central library. The college has provided a separate lab for usage of ICT tools. The management encourages the faculty members to use the modern and innovative teaching methods.

2.4.14 Does the College have a mechanism to encourage

- Mobility of faculty between institutions for teaching?
- Faculty exchange programmes with national and international bodies?

If yes, how have these schemes helped in enriching quality of the faculty? There is no mechanism for the mobility of the faculty between institutions for teaching and faculty exchange programmes with National and International bodies. However the college has encouraged inter departmental collaboration to conduct State and National level seminars and workshops.

The inter-departmental collaboration schemes helped the faculty members and the students to share the knowledge and also enrich the quality.

2.5 Evaluation Process and Reforms

2.5.1 How does the College ensure that all the stakeholders are aware of the evaluation processes that are operative?

All the rules relating to the evaluation process are published in the college hand book. The hand books are distributed to the students at the commencement of the academic session. The students are also informed about the evaluation process through department level organization programmes under the guidance of the class mentor who is incharge of the class.

2.5.2 What are the major evaluation reforms initiated by the College and to what extent have they been implemented in the College? Cite a few examples which have positively impacted the evaluation management system?

The centralized evaluation reforms are introduced at both the UG & the PG levels from the academic year 2011-12. The moderation of question papers is introduced to improve the quality and standard from the academic year 2013-14. These reforms enhance the evaluation process in the autonomous system. Question bank system is followed in all the Departments.

2.5.3 What measures have been taken by the institution for continuous evaluation of students and ensuring their progress and improved performance?

The institution on a continuous basis evaluates students standard by class tests, snap test, two CIA tests and one model exams. These are conducted to ensure the continuous assessment of the performance of students at UG and PG level followed by semester examination.

Two semester examinations are conducted every year for UG and PG courses. The poor performers in CIA test and failed students in

semester examination are helped with remedial classes and special coaching classes for improving in their performance in the semester exam. In all these courses of UG and PG 40% of marks are allotted for CIA and 60% of marks for the end semester examination both in theory and practical.

2.5.4 What percentage of marks is earmarked for continuous internal assessment? Indicate the mechanisms strategized to ensure rigour of the internal assessment process?

Sticking to the TANSCHÉ guidelines, 40% of marks is earmarked for continuous internal assessment (CIA) to assess the academic performance of students and 60% of weightage is given to the end semester examination. The percentage ratio is 40:60 in theory and in practical including the project work and viva-voce.

The CIA marks have been assessed by snap tests, two CIA tests, one CIA model exam, assignments, seminars and attendance. The methods of assessment are conveyed to the students through the college hand book which contains academic calendar.

2.5.5 Does the College adhere to the declared examination schedules? If not, what measures have been taken to address the delay?

Yes, the College strictly follows the examination schedules framed by Controller of Examination along with examination cell committee members. There is a provision for exam reschedule only in emergency situations.

2.5.6 What is the average time taken by the College for declaration of examination results? Indicate the mode / media adopted by the College for the publication of examination results e.g., website, SMS, email, etc.

The examination results are declared within 30 days from the last date of examination. After the verification of the results by awards committee, the results are published on the notice board and distributed to all heads of the departments. Then the results are announced to students through the staff incharge. In future the college plans to publish the results through the college website.

2.5.7 Does the college have an integrated examination platform for the following processes?

Yes, the college has an integrated examination platform for the following aspects. The office of the Controller of Examination (CoE) is in charge of the entire examination process.

- **Pre-examination processes – Time table generation, OMR, student list generation, invigilators, squads, attendance sheet, online payment gateway, etc.**

Payment of exam fees is done by students in person. The Controller of Examinations prepares the exam time table, students' list, invigilators and squad list and sheet of attendance in association with the Principal, Vice Principal and CoE office in charge. Controller of Examination thoroughly checks the answer booklets and question papers of UG and PG courses prior to the commencement of end semester Autonomous examination.

- **Examination process –Examination material management, logistics.**

During the end semester examination, the entire exam related materials and its relevant documents are kept in the custody of Controller of Examinations for ensuring the confidentiality of exam system. On the day of the examination the question papers are carefully dispursed to various exam halls through CoE Office Incharge. The invigilators receive the question papers and conduct the exams under the over all supervision of the CoE.

- **Post examination process – attendance capture, OMR based exam result, auto processing, generic result processing and certification.**

Once the UG and PG exams are over, the exam cell members arrange the answer booklets course wise with subject code and hand over them to the CoE. The CoE conducts central valuation at Central Valuation Hall. The booklets are valued subject wise by the external examiners under the supervision of chief examiners and the Controller of Examinations. After the valuation of answer scripts by external examiners, the mark foils are compiled by the assistant controllers on the basis of assigned marks against the Register Number concerned. After the tabulation of marks in the computer centers of CoE, the mark sheet galleys are printed. Then the final results are published by the Controller of Examinations on the basis of approval by the award committee and Controller of Examinations, Periyar University.

2.5.8 Has the College introduced any reforms in its Ph.D. evaluation process?

There is no provision for Ph.D. evaluation process and reforms. The Ph.D evaluation process is done by the University only.

2.5.9 What efforts are made by the College to streamline the operations at the Office of the Controller of Examinations? Mention any significant efforts which have improved process and functioning of the examination division/section?

CoE is equipped with sufficient technical and clerical staff members to assist her in carrying out the examination process smoothly. An examination cell is constituted before the commencement of exam to assist the CoE. All infrastructural requirements like arrangements of class rooms, pasting of seating pattern are prepared by the exam cell.

2.5.10 What is the mechanism for redressal of grievances with reference to evaluation?

Evaluation related grievances are received through HoDs and sent to Controller of Examinations office for redressal. Retotalling and revaluation of the answer scripts are possible, if Controller of Examinations is convinced of the genuineness of the grievances.

2.6. Student performance and Learning Outcomes

2.6.1 Does the College have clearly stated learning outcomes for its programmes? If yes, give details on how the students and staff are made aware of these?

The staff and students are made aware of the learning outcomes through orientation programmes. It ensures that students learn the curriculum in order to become employable in chosen fields and staff members impart knowledge according to that requirement.

2.6.2 How does the institution monitor and ensure the achievement of learning outcomes?

Learning outcomes are monitored and ensured through various means. Student seminars are one such effort to understand the depth of the students' knowledge. Our placement record also speaks on the learning outcomes achieved by the college.

2.6.3 How does the institution collect and analyse data on student learning outcomes and use it for overcoming barriers of learning?

The college has an organized procedure to collect and analyze the data on the student learning outcome, such as,

- Class tests, CIA test I, II & Model test, assignments, attendance, students' seminar and End semester examination.
- Feedback is also taken from the students to improve the teaching and the learning process.
- During alumni meeting, the feedback is collected from old students.

The institution has formulated the following steps to overcome barriers in the learning outcome:

- Fixing the minimum attendance percentage at 75% as an eligible criterion to appear for the exams.
- Periodical assessment to improve the learning outcome.
- The ILM (Institute of Language Management) classes are conducted to infuse and to improve the communication skills
- The Placement Cell conducts various programmes such as personality
- development, Interview skill, job oriented skills for students to overcome the barriers in job opportunities.

2.6.4 Give Programme-wise details of the pass percentage and completion rate of students.

Any additional information regarding Teaching, Learning and Evaluation, which the institution would like to include.

CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION

3.1 Promotion of Research

3.1.1 Does the college have a research committee to monitor and address the issues of research? If yes, what is its composition? Mention the few recommendations which have been implemented and their impacts.

Yes, the college has a Research Committee to monitor and address various issues of research. A research committee is a research facilitating body of the college for various activities, with the Principal as the Chairman, and Seven Researchers from various departments as subject experts in its composition.

Recommendations given by the committee and their impacts

- The committee inspires more faculty members to register for M.Phil or Ph.D.
- The committee encourages the faculty members to publish the research articles in National as well as International journals.
- The committee facilitates and guides the researchers to send proposals for various funding agencies.
- It also encourages the departments to conduct seminars, workshops, symposium, trainings, Lab to Land programmes and to organize conferences of National and International levels.
- It also promotes publishing research papers in various academic journals and seminar proceedings

It also gives a free hand for the researcher to use the sanctioned funds. It encourages the students' research by permitting them to attend workshops, trainings, conferences, and seminars by providing them credits of attendance and also by deputing the faculty with on duty to guide them properly in the events. It also encourages the

research through financial supports like providing advances, seed money and facilitates the researchers with equipments and instruments of need.

Travel allowance and accommodation facilities are provided by the college for the faculty members, when they represent the college for paper presentation in research meets, seminars and conferences. It invites eminent scientists through department associations for special lectures to guide the students and faculty members in planning their research work technically.

3.1.2 What is the policy of the College to promote research culture in the College?

Scientific temperament of the institution is ensured by appointing qualified staff members through inhouse academic experts, improving infrastructure periodically, promoting University recognition as Research center, supporting regular special lectures, industrial visits, seminars, workshops, training programmes, students and staff projects, etc.

Annually, research infrastructure is enhanced with the requirement placed by the Principal Investigators request before evaluation of project proposals. Infrastructure supported by the funding agency is provided according the work schedule of the project through comparative quotations and approval from the research committee, Principal and Chairman. Staff members required for the project is selected and appointed by the Management through Principal Investigator with the help of research committee.

On duty leave is provided to the Principal Investigator as per the requirement of the project and teaching time table is also altered and reduced as per the requirements. PI's are permitted to work after the college hours and retain individuals involved in the project.

Specific technology needs are provided during the project implementation period through research committee advice and PI's request.

The wing of research acts as the advisory unit for research problems of public interest, with a plan of extending its support through strategic planning and extension programmes. They are given full freedom to explore their research opportunities to applying for various funds. The accessing facilities were made 24 Hrs to carryout the research wok peacefully by providing leave and relaxation in timings. But still they follow a minimum of 40 Hrs per week of working time. The institute also facilitates with infrastructure, basic softwares, computers, accessories, travel facilies, etc.

PI are suggested to communicate their innovation to the students and to promote paper publications. Theyare advised to apply for receiving patents for suitable findings as per the specifications of funding agency in acknowledging the ownership.

3.1.3 List details of prioritized research areas and the areas of expertise available with the College.

3.1.4 What are the proactive mechanisms adopted by the College to facilitate smooth implementation of research schemes/projects?

➤ advancing funds for sanctioned projects

Fund is provided as Cash, Cheque and Demand Draft as per the requirements. Instruments, chemicals and stationaries are periodically purchased as per the requirements made by the PI's.

➤ providing seed money

Every Staff members is provided with seed money every year to conduct their preliminary research. A proposal is obtained before releasing the seed money for research and approval from the research committee. Management funded projects operated by 47 staff members at the outlay of 21.80 lakhs.

➤ autonomy to the principal investigator/coordinator for utilizing overhead charges

Principal investigator/co-ordinators are given full freedom to implement their proposed project and utilize the funds allotted to the same.

➤ timely release of grants

Fund allotted or received is being maintained in separate account head. The required fund is released, with the permission from research committee, Principal and Chairman within a couple of hours.

➤ timely auditing

After releasing of funds and resources, PI is requested to submit

to the accounts with logic bills, quarterly budgeting of resource utilized and work done reports that are evaluated by the research committee.

➤ **submission of utilization certificate to the funding authorities**

As per the requirement of the agency, with the permission of the Research Committee, Principal and Chairman, the accounts officer provides utilization certificate, after auditing the project fund with the help of auditor.

3.1. 5 How is interdisciplinary research promoted?

➤ **between/among different departments of the College and**

Interdiscipline research is encouraged within the departments through giving priority in sanctioning seed money. The college promotes interdisciplinary approach in research through inter-departmental participations and collaborations. The collaborations in sharing central instrumentation facilities are appreciated by the researchers of all the departments. Different departments of the college have organized collaborative seminars, conferences, and workshops.

Interdiscipline projects are also undertaken in the college among different departments. Resources and facilities are pooled for the benefit of all.

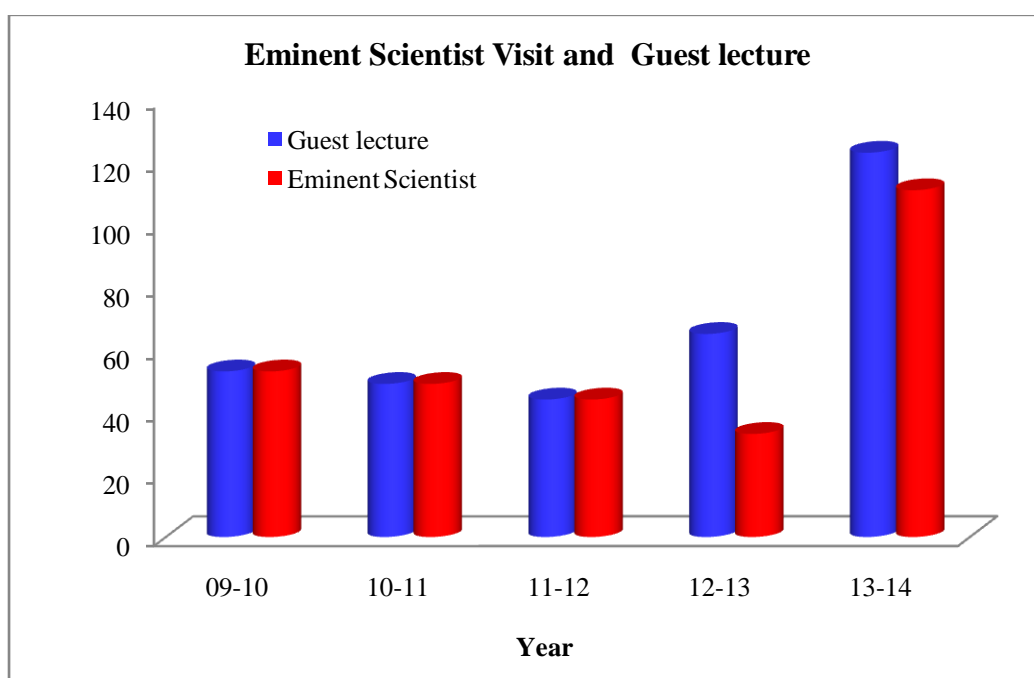

➤ **collaboration with national/international institutes / industries**

Interdisciplinary research at various levels is encouraged through National and International collaborations, sharings, exchange of ideas and technologies. One faculty is involved in policy research and has a collaborative research with International NGO ATREE and reviewed Biological Diversity Act.

Every year students undergo project work in central University, Jawaharlal Nehru University, New Delhi, Ph.D students also undertake interdiscipline research with NKR Government Arts College for women, Namakkal. These projects lead to successful publications.

3.1.6 Enumerate the efforts of the College in attracting researchers of eminence to visit the campus and interact with teachers and students?

The policy of the college is to invite special lectures for each subject which is conducted once in a month by each department during this present research trend and job opportunities. Apart from this various experts visit the campus during various sensitization programmes. Among 290 eminent Scientists visited the institution former Honorable President of India Dr. A.P.J. Abdul Kalam visited the college and inspired the students towards the research, Padma Shri. Dr. T. Venkatapathi Reddiar, Puducherry and Dr. Prof. Toshiaki Kambe from Tsukuba University, Japan also motivated students in doing the research. During the year 2013-14 guest lectures are increased to a greater extent.

3.1.7 What percentage of faculty has utilized sabbatical leave for research activities? How has the provision contributed to the research quality and culture of the college?

Sabbatical leave are also allowed and given based on the needs and is completely under management's discretion. With credits of attendance, 12 days per year is granted for each faculty member to promote their research activities especially to attend seminars and conferences in their area of interest, and to present their papers in the meeting at various reputed institutions.

Granting leaves, and adjustments of teaching hours of the faculties, are done to encourage the young researchers who have registered for M.Phil. and Ph.D.

The researchers are allowed to attend workshops, conferences and trainings in order to improve their technical skill which is also a mandatory requisite for the most of the universities offering part time Ph.D, Programmes.

Institution provides on duty leave and sabbatical leave for research activities, on an average of 48% of the staff avail on duty leave for various research activities like participating in seminars, conferences, workshops, training programmes, etc., 12.70% of staff availed sabbatical leave for completing Ph.D., participating research in other universities and colleges. Dr. L. R. Gopinath visited Jawaharlal Nehru University for giving training programmes for research students along with 7 PG students of Biotechnology. Two faculty members, Dr. P. Vijayalakshmi and Dr. K. Moorthi, are working at Hawassa University, Ethiopia and Wolaita Sodo University, Southern Ethiopia respectively.

3.1.8 Provide details of national and international conferences organized by the College highlighting the names of eminent scientists/scholars who participated in these events.

All departments of the college are conducting workshops, training programs, exhibitions, seminars, symposiums atleast once a year and facilitates departments concerned financially to conduct the same. Departments also avail funding support from national and international funding agencies. The entire students in the departments take active part in organizing the programmes through their department clubs and make their presentations.

Organizing sensitization programmes have increased from 30 to 50 during the last five years, among them the notable programmes are seminars, exhibitions and workshops. This may include one seminar, two Symposium and one Conference at international.

English

Year	Special Lectures	Name of the External Experts
2009-10	Research Methodology Indian writing in English	Dr.K.Kumarasamy, Professor , Govt.Arts College, Salem Dr.C.Kannammal,Reader, J.K.K.N. College, Komarapalayam
2010-11	Diaspora Literature Literary Theories	Dr.T.Gangadharan, Professor, Govt. Arts College, Salem Dr.Vadhapureeswaran, Professor, Vivekanandha College of Engineering for Women,Elayampalayam
2011-12	Mass Communication Shakespeare	Prof.Natarajan, Head, Department of Journalism, Periyar University, Salem Dr.T.Geetha, Associate Professor, J.K.K.N. College, Komarapalayam
2012-13	Imagery and Symbolism in Modern Trends Black Feminism	Prof.Azhagarasan, Associate Professor, Govt. Arts College, Salem Dr.Mallika Ramasamy, Associate Professor, Vellalar College For Women, Thindal , Erode.
2013-14	Critical Trends from Aristotle to Arnold Research Methodology:Search for Research paper English for Employability English Language: A Diachronic Deliberation Highflying Fine Fingers	Dr.N. Seraman Principal, Thiruvalluvar Arts and Science College Kurinjipadi, Cuddalore. Dr. S.M. Shanthi Professor, Sankara Arts and Science College Kanchipuram Prof .P. Vijaya Kumar , Chettinadu Engineering College Puliyur Trichy. Dr.R.Venkataraman HOD of English SCS VMV University Kanchipuram Dr.A. Asaithambi Associate Professor of English and Head of the Department , Government Arts College Nandhanam, Chennai-34.

Maths

Year	Special Lectures	Name of the External Experts
2013-14	Research Methodology	Mr. R. Ramesh, Research Scholar, IIT, Mumbai
	Applications of Mathematics	Mr. G.V. Chandrasekar, Gobi Arts & Sciences college, Gobi
	Topics in Differential Equations	Dr. S. Karthikeyan, Periyar University, Salem
	Women-The Magic Lamp	Mr. P. Venkateswaran, Founder, Mind Research Organization, Erode
	Early Diagnosis and Prevention of Breast Cancer	Mrs. M. Geetha, Vivekanandha College of Nursing, Tiruchengode

Physics

Year	Special Lectures	Name of the External Experts
2009-10	Nano Technology	Dr.C.Sekar
2010-11	Magneto Hydro Dynamics	Dr.K.Somasundaram
2011-12	Solar Cell	Dr. V. Raman
2012-13	Nano Technology	Dr. R. Jayavel
	Theoretical Physics	Dr. D. Rajendran
2013-14	Laser and Materials	Dr. M. Jamal Mohamed Jafar
	Spectroscopy	Dr. S. Deiva Malar
	Crystal Growth	Dr. P.Srinivasan
	Paper Origami	Mr.K.Arunabalan
	Women Development and Psychology	Ms. J.Parameswari

Chemistry

Yeas	Name of the guest lecture programme	Resource Person Details
2013-14	Women's personality development	Dr. B. SELVARAJ M.A.,Ph.D., Associate professor of psychology, Government Arts College, Coimbatore.16.08.2013
	Chemistry in everyday life	Dr. A. ZAHIR HUSSAIN, Assistant professor, Department of chemistry, Jamal Mohamed college, Trichy.
	Chemistry in higher education and its opportunities	Dr. G. VENKATACHALAM, M.Sc., M. Phil., Ph.D., Assistant Professor of Chemistry, Government Arts College, Dharmapuri.
	Kanavu meipada vendum	Prof. M. RAMACHANDRAN, Rtd. Head, Department of English, ANJAC, Sivakasi.
	Role of catalysis in Petroleum refining	Dr. S. J. SARDAR BASHA, Head, Department of Chemistry, Anna University college of Technology, Ramanathapuram.
	Oligosacchararides as a supra molecular host in selective organic reactions	Dr. P. SURESH, Department of Natural products, Madurai Kamaraj University, Madurai.
	Useful natural products	Dr. V. ALEX RAMANI, Associate Professor, Department of Chemistry, St. Joseph College, Tirchy
	Concepts of group theory	Dr. A. PETER PASCAL REGIS, Vice principal Associate Professor, Department of Chemistry, St.Joseph College, Tirchy.
	Basics and applications of photo electron spectroscopy	Dr. T. VIDYASAGAR, Assistant Professor, Department of Chemistry, Annamalai University, Chidambaram.
	Recent trends in polymer chemistry	Dr. K.PANDIAN, Associate Professor, Department of Chemistry Madras University, Chennai.

Computer Applications

Year	Special Lectures	Name of the External Experts
2013-14	WDC Impact on Malnutrition	Mrs.Gayalvizhi, Asst.Professor of Vivekanandha Medical Care Hospital
	WDC Sanitary Awareness Programme	Mrs.Geetha Elangovan, Media Communication Officer in Press Info Bureau, Chennai
	WDC Awareness Programme – Basics First Aid	Mr.S.K.Rajkumar,M.P.T, Principal, VMCH.
	WDC Awareness Programme – Sanitary Hygenic	Jennerian Club Members, Dept of MB,Vicas.

Botany

Year	Special Lectures	Name of the External Experts
2009-10	Application of tissue culture in plant improvement	Prof. Dr. M.V. Rao, Professor and Head, Department of Plant Science, Bharathidasan University, Tiruchirappalli.
2010-11	Biodiversity	Dr.C.Kunhi Kannan, Scientist HOD in Biodiversity Division Institute of Forest Genetics and Tree Breeding, Coimbatore.
	“Medicinal Plants and Their Utilization”	Dr. R. Rajavel, CEO, Research Institute of Indian Medicines, Herbalayas, Namakkal.
2011-12	Biodiversity & Conservation	Mr. V. Sundararaju, IFS (Rtd.), District Forest Officer, Govt. of Tamil Nadu.
2012-13	Conservation of biodiversity	Dr. S. Sahaya Sathish Associate Professor, Department of Botany, St. Joseph's College, Tiruchirappalli.
2013-14	Personality Development	Mrs.M.Arulsubila, Associate Professor, Department of Women Studies, Kajamalai Campus, Bharathidasan University, Tiruchirappalli.
	“Facing the challenges of life”	Mr.K.R.Radhakrishnan, Asst.Prof. Department of English, VICAS.
	“Biodiversity –An Overview”	Dr. S. Paulsamy, Associate Prof. in Botany, Kongunadu Arts and science college, Coimbatore.
	Organic farming	Mr. N.Balamoorthy Student of Dr.Nammazhvar.
	Phytochemistry	Mr. R. Senthilkumar, Asst. Prof. in Pharmacy, Swamy Vivekanandha College of Pharmacy

Zoology

Year	Special Lectures	Name of the External Experts
2009-10	Rearing Techniques of Silkworm	Dr. S. Ravi, Scientists of central Silk research Institute,Salem
	Cultivation of Mulberry	Dr. M. Balasaraswathi, Scientists of central Silk research Institute,Salem
2013-14	Cell cycle check points	Dr. S. Kannan, Professor and Head of the department of Zoology, Periyar University, Salem
	Living Treasure of Handicrafts from Silk Cocoon	Mr. and Mrs. Kamalam Chidambaram, Lion (Ind) International Agencies, Salem
	Molecular ecology	Dr.Shivakumar, Assistant Professor, Periyar University, Salem

Biochemistry

Year	Special Lectures	Name of the External Experts
2009-10	Advances in Clinical Biochemistry and Opportunities	Dr. Suryavathana, M.Sc., M.Phil., Ph.D, Dept of Biochemistry, Periyar University, Salem, TamilNadu
	Application of Nanotechnology in Bioscience	Dr.Nazhini, M.Sc., M.Phil., Ph.D, Dept of Foodscience, Periyar University, Salem, TamilNadu.
2010-11	Bioinformatics	Dr.D.Victor Arokia Doss, PSG College, Covai
	Opportunities of Biochemistry	Dr.T.Palvannan Dept of Biochemistry, Periyar University, Salem, TamilNadu
2013-14	Diabetes Mellitus	Dr.SaravanaGanesan, Director Nanolab, Namakkal

Microbiology

Year	Programme	Name of the Resource person
2009-10	Biotechnological aspects of Actinomycetes	Dr.R.Balagurunathan, Associate professor, Department of Microbiology, Periyar University, Salem-11.
2010-11	Personality Development	Mr.Madhu Jackson.S.
	Quorum sensing in Bacteria	Mr.T.S.Gnanendra, Head ,Department of Bioinformatics, VICAS
2012-13	Paediatric Viral Infections	Dr. Prem Anand Balraj, Research Scientist, Temasek Life science Laboratory, National University of Singapore, Singapore.

Biotechnology

Year	Special Lectures	Name of the External Experts
2009-10	Plant, Genetic Engineering Application and Future Prospects	Dr. P.Venkatachalam, Asst Professor, Periyar University, Salem
	Cancer Proteomics	Dr. S.Kannan, Professor, Bharathiyar University, Coimbatore
2010-11	Students counseling	Mr. S. Ram, Director, SriRam institute New Delhi.
	Bioprocess Technology	Dr. S.Sivapathasekar, Senior Scientist in Biocon, Bangalore
2012-13	Bt cotton	Dr. M.S.Shivakumar Asst Professor, Department of Biotechnology Periyar University Salem
	Global Warming	Mr. K. Naveen Senior Research Fellow, Veterinary College, Namakkal
2013-14	Status of <i>Bt</i> Brinjal in India	Dr. M.S.Sivakumar, Asst Professor in Biotechnology, Periyar University, Salem Mobile: 9992044479 Email: skentomology@gmail.com
	Energy Conservation for combating Global Warming.	Mr. V. Naveen, Research Associate, Department of Veterinary and Animal Sciences, Veterinary College and Research Institute, Namakkal Mobile: 9842353713 Email: naveencomes@gmail.com
	Trends in Biotechnology	Dr. S. B. Anand Asst Professor, Department of Genetic Engineering Madurai Kamaraj University. Email: sbanand@gmail.com
	Current Scenario in Plant Tissue Culture	Mr. M. Senthil Kumar, Research Scholar, Dept of Environmental Science, Institute of Shanthi Nikethan, Kolkata. Pin:731235 Email: msenthilevs@gmail.com
	Nanoscience and Nanomedicine	Dr. K. Premkumar.M.Sc., Ph.D.,Assistant Professor, Department Of Biomedical Sciences, School Of Life Sciences, Bharathidasan University, Tiruchirappali
	Microarray	Mr.Vivek Murali, Founder, Chief Operating & Scientific Officer, Remura Biologicals, Krishnagiri

3.1.9 Details on the College initiative in transferring/advocating the relative findings of research of the College and elsewhere to the students and the community (lab to land).

Research findings of the institution (Students and Faculty) are communicated to the students through paper presentation, publication, exhibition etc. Training programs were also conducted to the students and local communities on the research findings. Farmers in the neighbouring villages were supported to use and become entrepreneur in mushroom cultivation, Vermi composting, Azola cultivation, Solar heater, Biogas production, etc.

3.1.10. Give details on the faculty actively involved in research (Guiding student research, leading research projects, engaged in individual or collaborative research activity etc.)

There are 80 research supervisors for M.Phil. in 12 research centers are guiding 117 students. 13 Research supervisors are guiding 25 scholars for Ph.D program. Two minor projects from UGC are sanctioned for two staff members in the department of Biosciences of with in the outlay of five lakhs for Biotechnology and Botany. Five major projects are applied to UGC. Apart from this Management funded projects operated by 47 staff members at the outlay of 21.80 lakhs. A faculty is involved in policy research and has a collaborative research with International NGO ATREE and reviewed Biological Diversity Act.

3.2 Resource Mobilization for Research

3.2.1 What percentage of the total budget is earmarked for research? Give details of major heads of expenditure, financial allocation and actual utilization for last four years.

Out of the total budget 4.1% is utilized for research in Lab, seed money for both staff and student. The heads includes chemicals, glasswares, equipments, books and journals and miscellaneous. For the academic year 2012-13, 36.06 lakhs were allotted and actual utilization was 36 lakhs.

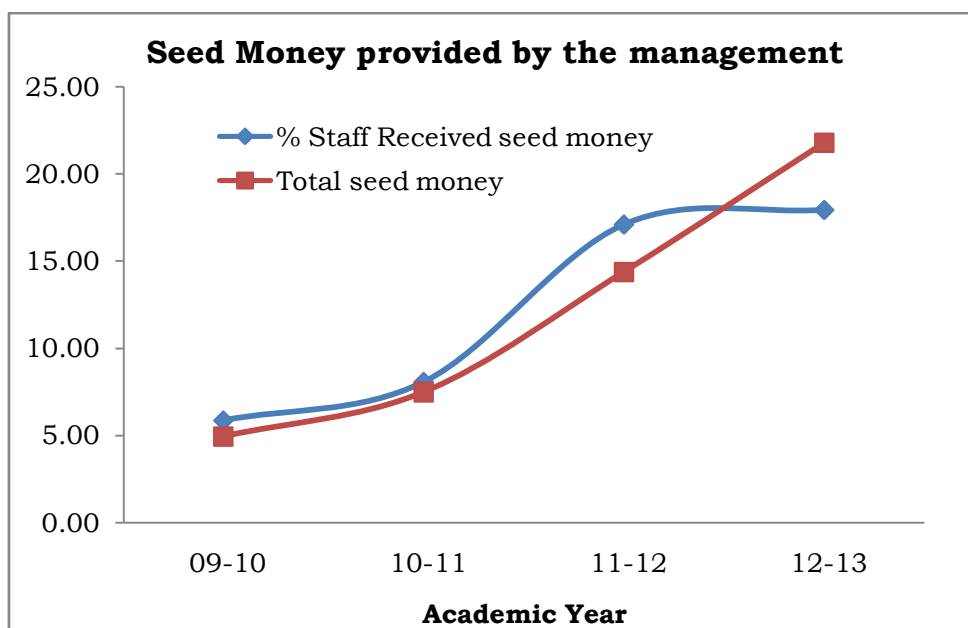

3.2.2 What are the financial provisions made in the College budget for supporting student research projects?

S.No.	Department	2010-11		2011-12		2012-2013	
		No.of Students	Amount	No.of Students	Amount	No.of Students	Amount
1.	Tamil	5	25,000	10	50,000	13	65,000
2.	MBA	-	-	-		6	30,000
3.	Bio-Chemistry	3	15,000	-		5	25,000
4.	Physics	-	-	4	20,000	13	65,000
5.	Mathematics	-	-			11	55,000
6.	Zoology	1	4,000			6	30,000
7.	Chemistry	9	45,000			5	25,000
8.	English	-	-	9	45,000	11	55,000
9.	Commerce	-	-			14	70,000
10.	Computer Science	-	-	20	1,00,000	20	1,00,000
11.	Micro Biology	-	-	10	50,000	6	30,000
12.	Botany			5	25,000	5	25,000
13.	Bio Technology	-	-	5	25,000	7	35,000

3.2.3 Is there a provision in the institution to provide seed money to faculty for research? If so, what percentage of the faculty has received seed money in the last four years?

Management provides seed money for the faculty to conduct research approved by the Research committee selectively. During the last four years seed money is provided to 124 faculty sum of Rs. 48,65,000.00

to 124 faculty members.

3.2.4 Are there any special efforts made by the College to encourage faculty to file for patents? If so, provide details of patents filed and enumerate the sanctioned patents.

College management encourages staff members to conduct innovative researches towards patenting and provides logistic support like resource persons. Different work is in progress towards the patent.

3.2.5 Provide the following details of ongoing research projects:

Nature of the Project	Duration Year From To	Title of the projec	Name of the funding agency	Total Grant		Total grant received till
				Sanctioned	Received	
Minor projects	2014-16	1	UGC	2,17,000	-	-
	2014-16	2	UGC	2,50,000	-	-
Students' research projects	2012-15	3	TNDCE	1,60,000		74,000
	2012-17	4	DST-INSPIRE	7,00,000		3,00,000
	2014-17 (3 members)	5-7	TNDCE	Each 3,00,000		1,50,000

1. Simulation of microbial consortia and enzymes for effective biogas production
2. Isolation and characterization of active principles from an unexplored plant *Leucas vestita*, wolf Benth.
3. Bioremediation of pesticide polluted soil using organic farming
4. Segregation and microbial manipulation of anaerobic degradation for increased biogas production with decreased time line and space
5. Ethanobotanical study on Southern Eastern Ghats
6. Studies on ethnic knowledge of plants in Yercaud Hills, Eastern ghats
7. Molecular characterization of ESBL producing enterobacteriaceae involved in human infection and a novel anti-microbial substance discovery approach from herbal plants

3.2.6 How many departments of the College have been recognized for their research activities by national / international agencies (UGC-SAP, CAS, DST-FIST; DBT, ICSSR, ICHR, ICPR, etc.) and what is the quantum of assistance received? Mention any two significant outcomes or breakthrough due to such recognition.

- Department of Botany got sanctioned UGC minor project of Rs. 2.5 lakhs
- Department of Biotechnology got sanctioned UGC Minor project of Rs. 2.17 lakhs
- Department of Biotechnology received funds from DST Inspire fellowship JRF Rs. 2.5 lakhs per year, for the last two years
- Department of Commerce received sponsorship from the Securities Exchange Board, India.
- Department of Commerce received sponsorship from Ministry of Corporate Affairs for an awareness programme
- Department of Biotechnology received Rs. 20000.00 from TNSC for National Exhibition on National Science Day.
- Department of Biotechnology got selected for presenting in UGC

Major project worth 20 lakhs.

3.2.7 List details of completed research projects undertaken by the College faculty in the last four years and mention the details of grants received for such projects (funded by Industry/ National/International agencies)

Title of the project is “State of Ecological Services of Sacred Groves in Biological Diversity Act with Reference to Kolli Hills”

Name of the funding agency: A TREE small grant Bangalore

3.3 Research Facilities

3.3.1 What efforts are made by the College to keep pace with the infrastructure requirements to facilitate Research? How and what strategies are evolved to meet the needs of researchers?

Every year internal auditing has been implemented for chemicals, instruments and other infrastructure including research. In terms of research facility, instruments usage and requirements are analysed as per the research activity proposed and ongoing. Budget is prepared in consultation with the Research Committee and approved through the Principal. During the past four years, the management approved to have herbal garden, vermicomposting unit, alternative energy park, mushroom cultivation, Azola cultivation etc.

3.3.2 Does the College have an information resource centre to cater to the needs of researchers? If yes, provide details on the facility

- a) Yes, our college research committee acts as information centre to fulfill the needs of the researchers.
- b) College research committee helps the researchers to meet the requirements.

- c) This committee provides guidelines to researchers and helps them to do their research successfully

3.3.3 Does the College provide residential facilities (with computer and internet facilities) for research scholars and faculty?

Library is available separately for each department with National and International journals in print as well as e-journals. Internet facility is available throughout the campus that could be utilized by the researchers.

3.3.4 Does the College have a specialized research centre/ workstation to address challenges of research programmes? If yes, give details

Every department has a research committee for their department. The research committee helps the researchers to do their research successfully.

It helps in motivating the research scholars to get an exposure to the state of the art research facilities and at the same time to bridge the gap between industrial requirements and academic outputs

3.3.5 Does the College have research facilities (centre, etc.) of regional, national and international recognition/repute? Give a brief description of how these facilities are made use of by researchers from other laboratories.

Internal collaboration is made among our sister concern institutions for using their laboratory, instruments, library, computers and technology. From the Pharmacy institute students use animal house, gas chromatography, etc. From the institutional hospital samples are available for biomedical research. Apart from internal institutions research facilities from other institutions are also used through MoU's and student project.

3.4 Research Publications and Awards

3.4.1 Highlight the major research achievements of the College through the following

- major papers presented in regional, national and international conferences

2009-10	Seminar/ Symposium/Conference				Workshop/Exhibition

- **faculty serving on the editorial boards of national and international journals**

Dr. L. R. Gopinath as the Editor in International Journal of interdisciplinary research.

- **faculty members on the organization committees of international conferences, recognized by reputed organizations / societies.**

NIL

3.4.2 Does the College publish research journal(s)? If yes, indicate the composition of the editorial board, publication policies and whether it is listed in international database?

The institute has proposed to publish a international journal and has already started the process of applying for ISBN Number.

3.4.3 Give details of publications by the faculty

Information required	Details	
Publication per faculty	0.89	
Number of papers published in peer reviewed journals (national /international) by faculty and students	International	National
	127	150
Number of publications listed in International Database (For Eg: Web of Science, Scopus, Humanities International Complete, Dare Database - International Social Sciences Directory, EBSCO host, etc.)	115	100
Monographs	Nil	
Chapter in Books	Nil	
Books Edited	26	
Books with ISBN/ISSN numbers with details of publishers	Refer Evaluation Report	
Citation Index	0.38-6.31	
SNIP	0.5132-2.4	
SJR	0.33-2.5	
Impact factor	0.3-6	
H Index	4-77	

3.4.4 Indicate the average number of successful M.Phil. and Ph.D. scholars guided per faculty

S. No.	Dept.	Number of Guide					Successfully completed students				
		09-10	10-11	11-12	12-13	13-14	09-10	10-11	11-12	12-13	13-14

12	Commerce	4	5	11	10	0	13	15	14	14	0

3.4.5.What is the stated policy of the College to check malpractices and misconduct in research?

When any malpractices or misconduct in research is found, it will be reported to research committee. The management along with the committee takes appropriate action according to the gravity of the issue. If the department research committee finalize the situation if the scope within its grasp, it will be informed to the management.

3.4.6.Does the College promote interdisciplinary research? If yes, how many inter departmental / inter disciplinary research projects have been undertaken and mention the number of departments involved in such an endeavour

Research projects are undertaken interdisciplinary according the students' interests and need of time. Interdisciplinary projects are also under taken in the college among different departments. Department of Biosciences, department of computer sciences and department of commerce are the major departments do more interdisciplinary researches. Resources and facilities are pooled for the benefit of all. Every year students from bio sciences undergo mostly interdisciplinary project works. These projects lead to successful publications.

3.4.7 Mention the research awards instituted by the College.

NIL

3.4.8 Provide details of

* research awards received by the faculty

* recognition received by the faculty from reputed professional bodies and agencies

S. No.	Name and Designation of the Staff member	Name of the Award/ Recognition received	Name of the Agency	Month & Year of receiving the Award/ Recognition
2009-10	Dr. A. Ganesan Assistant professor	KaviPunal	ULAGA Tamil Peravai	2009
		MakkalSevager	Government of Tamilnadu	2009

3.4.9 State the incentives given to faculty for receiving state, national and international recognitions for research contributions.

Special On duty leave, salary incentives, providing research environment within the time table are given to the research faculty. The college gives all facilities if they required

3.5 Consultancy

3.5.1 What is the stated policy of the institution to promote consultancy? How is the available expertise advocated and publicized?

As part of curriculum activity students are advised and encouraged to communicate to the benefit of their family and local community through formal and informal discussion and meetings which is also evaluated for internal assessment.

Workshops are organized for the farmers to enhance their skill and knowledge in their livelihood activities. Entrepreneurship programs conducted for both students and the farmers. Through NSS, YRC, Women's Club, Consumer Club, etc., several social welfare activities were conducted in their respective objectives for community development is implemented.

Local farmers were enriched with different skills in auditing their agricultural operations, developing biofertilizer units, vermicomposting and azolla cultivation herbal garden etc.

Faculty was permitted to give consultancy services to industries based on requirement and permission from the Principal. These includes knowledge sharing, technology verification, policy advocacy etc.

3.5.2. Does the College have College-industry cell? If yes, what is its scope and range of activities?

Annual visit from different institutes and industries to our institution for selling their product, providing training and recruitment. Apart from this, PG students are placed in different industries by the departments for summary training, project work and other trainings. Regular industrial visits are arranged for the students. The above activities are formed a platform for an interaction for placement drive and research consultancy.

3.5.3 What is the mode of publicizing the expertise of the College for consultancy services? Mention the departments from whom consultancy was sought.

Following modes are adopted to publish the expertise of the college for consultancy services:

- 1) Website of the college with faculty members' areas of expertise and their research activities.
- 2) Our magazine publishes research activities, training given by the faculty members and workshops organized by the departments both as hard copy circulation and in website.
- 3) The programmes like Training, Seminars, and Workshops are intimated to the general public through news papers.
- 4) All the consultancy services are at free of cost

3.5.4 How does the college encourage the staff to utilize their expertise and available facilities for consultancy services?

Within the university domain, the staff members are permitted to act as external examiner for practicals, viva, examiner for dissertations and theses staff also give special lectures and training to other institutes. Free consultancy is provided by our staff for the neighboring farming communities and other society as per their request made to the principal. Special consultancy services are also

permitted based on proposals and report sharing.

3.5.5 List the broad areas and major consultancy services provided by the institution and the revenue generated during the last four years.

Each department provides consultancy services in their specific areas. Local communities are provided free consultancy service. Institution do not interfere the staff consultancy service and are mostly non remunerative.

3.6 Extension Activities and Institutional Social Responsibility (ISR)

3.6.1 How does the College sensitize the faculty and students on Institutional Social Responsibilities? List the social outreach programmes which have created an impact on students' campus experience

The conspicuous idea of our college is to serve to the society and proves its motto by its all activities. The institution gives a path to all faculty members and students to have social commitments to substantiate by their own innovative social services for the betterment of women status.

Our consultancy services are mainly pertaining to eradicating poverty and developing social economic status of the people surrounding our college.

Apart from the these services, our NSS, RRC, YRC social service clubs function in such a way to create awareness through outreach programmes and by conducting meetings, celebrating national days and organizing rallies by involving NGOs.

3.6.2 How does the College promote College-neighborhood network and student engagement, contributing to holistic development of students and sustained community development?

Variety of events are organized to the neighbourhood communities. The Chairman of the Institution is in close contact with the neighbourhood communities where he is consulted for social function and he contributes consultancy through our staff members and students he also contributes financial support help to several social functions. At department level each department depends upon their specialization contribute and interact with the neighbouring communities for their needs for improving their lifestyle and livelihood options. Apart from this extension activities through NSS, YRC, RRC, Consumer Club, Women's Club, etc. Interact with the neighbouring community in capacity building exercise. Workshops, Seminars, Training programs, Exhibitions are conducted to neighbouring communities and school childrens. Faculties also visit the schools and local communities to give special talk and lectures as a part of capacity building exercise.

3.6.3 How does the institution promote the participation of students and faculty in extension activities including participation in NSS, NCC, YRC and other National/ International agencies?

From the fact that the institution has nine NSS units with 900 students it is evident that students and staff members are actively participating in the extension activities. Institution provides various capacity building programs to the NSS students where students become confident in planning, executing, leading and take interest in social activity and become responsible citizen.

3.6.4 Give details on social surveys, research or extension work (if any) undertaken by the college to ensure social justice and empower students from under-privileged and vulnerable sections of society?

During the last four years NSS units adopted six villages in Ilanagar of Namakkal District, made systematic social survey identified various issues related to their development in education, environment, health, employment, etc. The local community is given awareness on various government schemes and procedures for availing the same. Apart from this the management provided various education and health schemes for the community for their improvement.

2009-2010

- Department of Micro-Biology organized a health awareness programme for Tribal people on 27.10.2009 and for especially pregnant women on 13.02.2010.
- An agricultural awareness programme was initiated by the department of Micro-Biology to the local farmers in 03.03-2010.
- Awareness for donating human organs to the needed patients has been given to the rural citizens.
- Tree plantation and environmental educational programmes were conducted in the nearby remote village-Unjanai by the students of the department of English.
- C-life Aids awareness was conducted by Red-Ribbon Club.

2010-2011

- Visited nearby villages educating the significance of literacy
- Red Ribbon club organized Blood Donation Camp in Government Hospital on 20-10-10.

- The programme “Celebrating life Module-2010” had conducted on 09.04.2010 by Red ribbon Club
- Special camp conducted on 09.02.2011 to 15.02.2011 at Elanagar & Mavureddipatti

2011-2012

- Visited nearby villages educating the significance of literacy.
- Propagated the necessity of avoiding “ Drop outs”.
- Organized blood donation camps.
- The programme “Celebrating Life -2011” had conducted on 14th October 2011 by Red Ribbon Club.
- Special camp is conducted from 05.01.2012 to 11.01.2012 at Elanagar, Mavurettipatti, Kaattupalayam, Vadugapalayam, Kattipalayamm, Nallagoundapalayam, Akkalampatti, Pullachipatti

2012-2013

- NSS students of our college are trained to provide service to the society.
- The units organized guest lectures on various relevant topics like women empowerment, legal awareness, fire rescue and personality development.
- Planted saplings on world Environmental day.
- The Program Celebrating Life 2013 was conducted.
- Special Camp were conducted from 25.02.2013 to 03.03.2013

3.6.5 Give details of awards / recognition received by the College for extension activities / community development work.

CHAIRMANS AWARD FOR HIS CONTRIBUTIONS

- Dr. G. Bhujanga Rao, IAS award- by Human resource research and development organization (HRRDO), Dharmapuri for his excellence in women's education.
- “Kalvi yogi” and “Life Time Achiever”- all India yoga and sports Association, New Delhi.
- President “ Pasam”, Periyar university affiliated Self Finance Arts and Science College Management confederation (2012).
- Senate member, Periyar university, Salem (2012).

3.6.6 Reflecting on objectives and expected outcomes of the extension activities organized by the institution, comment on how they complement students' academic learning experience and specify the values and skills inculcated.

For each program, objectives of the program and its social implications are clearly mentioned to the students during their inception. Students take self interest after joining in learning, planning and execution as a result of capacity building exercise in each program. As per our college objective, students are keen in conserving our culture, tradition, goal, exhibit their talent and skill through various programs in social upliftment activities. The students also execute moral values and ethical code to the local communities.

3.6.7 How does the institution ensure the involvement of the community in its reach out activities and contribute to the community development? Detail on the initiatives of the institution that encourage community participation in its activities?

The students perform the outreach activities in the community from where they come from and exhibit awareness programs to the local panchayat which provides logistics and even food for the students and facilitators. The outreach activity on awareness varies with department to department according to their subject. The awareness programs include debate, drama, mono acting etc. Models are also exhibited in the villages which in turn develop into operating system for their personnel use and also to the scale of small scale industry.

3.6.8 Does the College have a mechanism to track the students' involvement in various social movements / activities which promote citizenship roles?

Students are encouraged to communicate socially relevant exercise in their subject in their community through group discussion, Skit play, awareness camp etc, which forms part of our internal assessment.

3.6.9 Give details on the constructive relationships forged (if any) with other institutions of the locality for working on various outreach and extension activities.

Around 13 villages were adopted for constructive models of our outreach program and more than 25 villages benefitted in increasing their literacy rate and awareness on various aspects of sustainable development. Industry Institution and community interaction resulted in development of laboratory scale biogas units, for testing feed stock and parameter control, Vermicomposting unit, Azolla cultivation unit, shade net chamber, herbal garden, language lab, etc. which facilitates

the student to conduct their research, provide seed stock and working model for the local communities for enhancing their entrepreneurship skills, etc.

3.6.10 Give details of awards received by the institution for extension activities and/contributions to the social/community development during the last four years.

Refer 3.6.5

3.7 Collaboration

3.7.1 How has the College's collaboration with other agencies impacted the visibility, identity and diversity of activities on the campus? To what extent has the College benefitted academically and financially because of collaborations?

Students from PG collaborate and interact with different industries within states in the country. Five M.Phil. students did their part of their research work in Tamil Nadu Veterinary College and Research Institute, Namakkal, Seven M.Sc. students did their summer training course in Jawaharlal Nehru University, New Delhi.

3.7.2 Mention specific examples of, how these linkages promote

Seventy nine linkages have been created with the research institutions and companies. This led to variety of changes in the college.

*** Curriculum development/enrichment**

Based on the interaction and linkages with research institutes each department enriched their curriculum towards skill and entrepreneurship based syllabus and also introduced new subjects towards job oriented subjects.

*** Internship/ On-the-job training**

Regular inteship and Job training is given for medical coding, Medical transcription, Web designing, e-Learning, Networking, etc by various organization and students are given jobs for best performing students.

*** Faculty exchange and development**

Faculties give frequent guest lectures, chair session in meetings and train in other research institutes, 235 such exchange of professional experience taken place during the past four years.

*** Research**

Linkages with other institutes led to 126 PG research work and 46 M.Phil. research work.

*** Publication**

114 publications

*** Consultancy**

Regular consultancy programs given by most of our staffs to the local communities for transport, poultry units, local farmers on charity basis.

*** Extension**

Regular extension activities is conducted by students and staffs in their native villages communicating the professional skills and developing livelihood options to the women from poor family particularly in agriculture, poultry and transport industries.

*** Student placement**

Students under go summer placement in the industries, research institutes and universities with the established linkages 126 students under took training course in 26 institutes.

*** Any other** - Nil

3.7.3 Does the College have MoUs nationally / internationally and with institutions of national importance/other universities/ industries/corporate houses etc.? If yes, explain how the MoUs have contributed in enhancing the quality and output of teaching-learning, research and development activities of the College?

Collaborative arrangements are mainly through student's research project, industrial visit and placement. More than 79 institutes both at State and National level are in contact with the institution for supporting our student and institutional development. Most importantly Verternary College- Namakkal, Agricultural University- Coimbatore, CLRI- Chennai, Indian Institute of Ramanujam Institute- Chennai, Parle Biscuits-Madurai, Indian Institute of Astro Phsics- Kodaikanal, Salem Steel Plant- Salem, PEOPLE PRO, AMAZON, OPTIMAICS, Blue Lotus, IDBI Federal, I GATE, India Info line, CTS, DICOM, TNQ Books & Journal, TCS BPS, I SSM, WIPRO, etc. MoU's with these institutes resulted in variety of co-curricular activities, training programs and placements.

3.7.4 Have the College industry interactions resulted in the establishment / creation of highly specialized laboratories / facilities?

The college is fully equipped with all laboratories facilities. Lab facilities are being developed by its own experience with the industries

where our researchers do their off campus researches. We have centralized bio laboratory that fulfills the current industrial needs.

Any other relevant information regarding Research, Consultancy and Extension which the college would like to include.

Alumni working in reputed research institutes abroad visit the college regularly and interact with the students and conduct capacity building exercise.

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES

4.1 Physical Facilities

4.1.1 How does the College plan and ensure adequate availability of physical infrastructure and ensure its optimal utilization?. (Annexure VI)

The magnanimous management always equips the infrastructure facility to keep in pace with the academic growth and advancement in technology. In most cases the management identifies many of the needs and implements it.

The institution improves the infrastructure facilities available within the campus in order to meet the demands of the students and their academic needs. Seminar hall and library were built in all the blocks which are newly constructed. Two new blocks Commerce, Tamil and all other buildings were rejuvenated with tiles, toilet facilities for students, male staff, female staff and separate room for each heads of the department were constructed. Staff rooms were modernized with new desks and computers with internet facilities. Old library was demolished and new library was constructed with modernization. A number of computers were purchased with latest configuration with internet facility both LAN and WI-FI. Separate rooms for research scholars and modern equipments were purchased during the last five years. Airconditioned Board room and Controller of Examination with all facilities were constructed.

The hostel has been extended with more number of rooms, better facilities of gym, recreation rooms and beauty parlor, etc. New canteen and departmental store were also constructed during this period.

S. No.	Infrastructure development	Amount spent Rs. In lakhs
1	Lab equipments and other expenditure at department level	40.36
2	Committee room, Principal room, Principal office, controller office	10.23
3	Tamil building with seminar hall, cafeteria and departmental store	350.00
4	Commerce block	623.00
5	IT block seminar hall	15.67
6	Rejuvenation of Main block	75.45
7	Rejuvenation of Mathematics block	55.98
8	Rejuvenation of Physics and Chemistry block	54.67
9	Rejuvenation of Hostel	48.76

4.1.2 Does the College have a policy for creation and enhancement of infrastructure in order to promote a good teaching-learning environment? If yes, mention a few recent initiatives

The policy of the management is to provide sufficient infrastructure that facilitate effective teaching and learning. It is intended to fulfill UGC, and affiliating university norms. However, in most cases the management provides the infrastructure facility as per the requirement of students, parents and other stakeholders which is addition to the norms. As a result, each department has its own library similar to central library with 50 seating capacity, digital library, class room, and common room for staff and students separately, separate laboratory for UG, PG and research scholars. Internet rooms for students and teachers and language labs etc.

The budget is prepared for infrastructure by Heads of each Department, and it was ratified by HODs. The meeting was approved by the Principal with the permission of the Chairman.

4.1.3 Does the College provide all departments with facilities like office room, common room, separate rest rooms for women students and staff?

S. No.	Infrastructure	No.	Remarks
1	Class rooms	171	All Class rooms are with students tables, chair, staffs tables and LCD tables, plug points and with fans
2	Students lab	33	With all necessary facilities
3	Research lab	13	With all necessary facilities
4	Internet facilities for staff and	859	Both LAN and WI-FI
5	Class rooms with ICT	24	With LCD, OHP, Slide projector etc.
6	Library	6	With each seating capacity of 40, 189, 58,82, 32 and 40 along with internet connection
7	Seminar Hall	4	All with the capacity of 500 seats
8	Herbal garden	1	With endangered and economically viable plants
9	Vermi composting unit	1	With a capacity for training 20 students
10	Mushroom cultivation cabin	1	With a capacity for training 20 students
11	Tissue cultue hardening unit	1	With a capacity for training 20 students
12	Green house	1	With a capacity for training 20 students
13	Xerox section	4	With binding, scanning and color printout
14	Printing press	1	With multicolor offset printing and various types of binding facility
15	Sick room	8	With four beds and other first aid equipments
16	Admission Office	1	Full flourished with sex counseling rooms, accounts room, strong room with a capacity of 500 people hall.
17	Placement Cell	1	Well equipped with training hall, GD rooms etc.
18	Controller of Examination	1	With all facilities for storing answer sheets, question paper printing communication facilities, etc. with air conditioned controller room
19	Principals Office	1	With all necessary facilities
20	Principals room	1	Air conditioned room
21	Chairmen's Office	1	Air conditioned room with all necessary facilities
22	Accounts section	1	With all necessary facilities
23	UPS room	1	With all necessary facilities
24	Generator room	1	With all necessary facilities
25	Cafeteria	1	With well established kitchen with a seating capcity of 100
26	Departmental store	1	With all necessary facility
27	IQAC room	1	With all necessary facilities

4.1.4 How does the College ensure that the infrastructure facilities meet the requirements of students with physical disabilities?

Management gives privilege to the physically disabled students and provides concession and free education to them. The administration provides special facilities as per need to the physically challenged students. Faculty and students take extra care in helping them by several ways. Scribes are arranged for those who are unable to write their examinations.

4.1.5 How does the College cater to the residential requirements of students? Mention :

Capacity of the hostels and accompany

- There are Two hostels with each inmates of 1500 students Facilities for medical emergencies are available
- Residential facility for the staff and occupancy are available
- Constant supply of safe drinking water
- Library facility in the hostels

Recreational facilities in hostel/s like gymnasium, yoga center, etc

- There is a 4 common room with audio-visual equipments
- Gymnasium and yoga center were available for hostel inmates
- There is a beauty parlour with 12 seating capacity

Broadband connectivity / wi-fi facility in hostel/s.

Wifi facility was available in hostel.

4.1.6 How does the College cope with the health related support services for its students, faculty and non-teaching staff on the campus and beyond?

Staff and students are provided with rest rooms with first aid facilities. The campus is provided with RO filtered water and good sanitary facilities are available. Insurance is provided to all members of the college. The management runs multispeciality hospital in the opposite campus with research facility where students and staffs are provided with health concessions. Ambulance and taxi services are available in the campus.

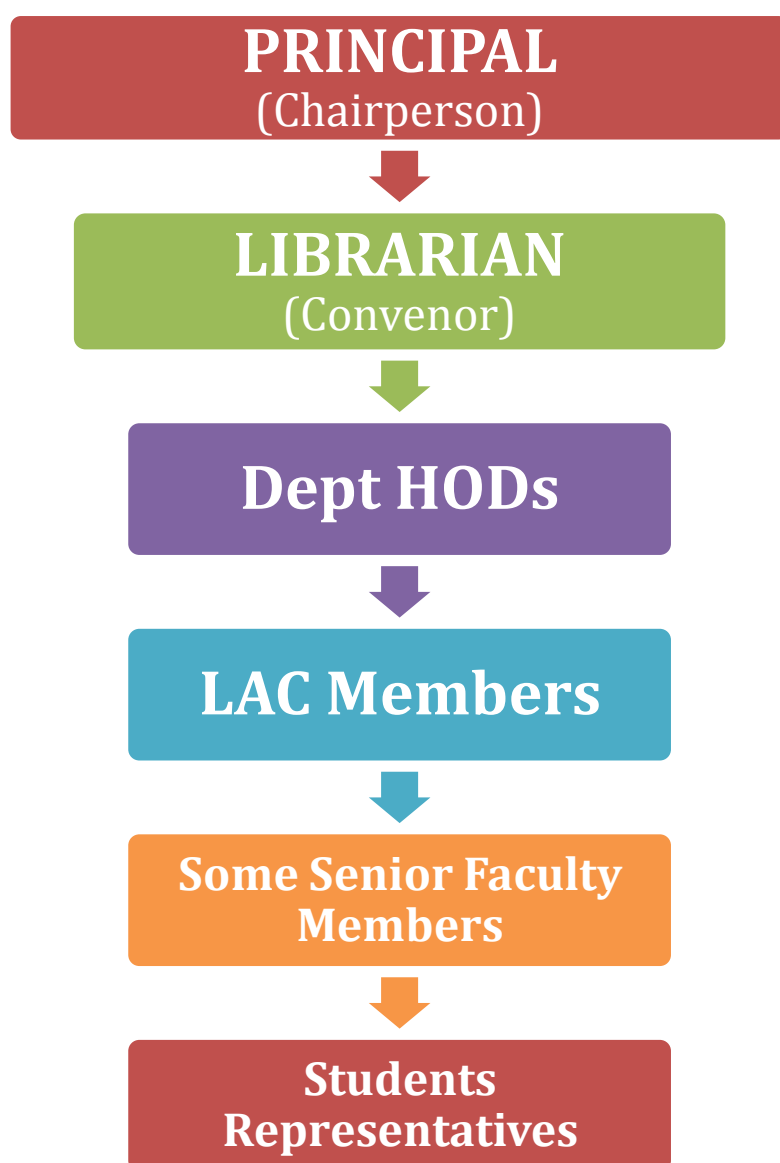

4.1.7 What special facilities are made available on the campus to promote interest in sports and cultural events?

S. No.	Infrastructure	No.	Remarks
1	Auditorium	1	Has seating capacity of 4000 seats
2	Indoor sports room	1	With all necessary facilities for Shuttle court, table tennis, chess boards, carom boards, weight lifting plates and rods, fitness center etc
3	Outdoor games	1	Kabadi court, volleyball court, high jump uprights, shotput, cricket basket ball long jump pit

4.2 Library as a Learning Resource

4.2.1 Does the library have an Advisory Committee? Specify the composition of such a committee. What significant initiatives have been implemented by the committee to render the library, student/user friendly?

Library Advisory Committee

- The LAC meets regularly, deliberates on the budget, discusses thoroughly the proposals are sent in by the departments and the students, and recommends steps for maintenance and up-keeping.

The Librarian is responsible for the day-to-day activities of the library

- The committee are supervising the preparation of library budget, administration, selection and purchase of books and journals and their storing, preservation, computerization etc. The LAC advised that a full automation of the library be carried out and it was duly implemented.
- Students and staff reap the benefits of free internet access, computerized browsing and lending facility, and subsidized photocopying utility – all of which came through the recommendations of the LAC.

4.2.2 Provide details of the following:

Total Area of the Library : 15574

Total Seating Capacity : 461

Library Name	Areas (sqft)						Sitting Capacity	System Available
	Book Rack	Reading Section	Periodical Section	Digital Library	Circulation Section	Total (Sqft)		
Commerce	640	4603.5	37.5	255	220	5754	189	26
English	202	1331	276	-	39	1572	58	2

Library Total Area(sqft)	1922.16	12390.33	480.2	612	566.56	15574	461	60

Working hours (on working days, on holidays, before examination days, during examination days, during vacation)

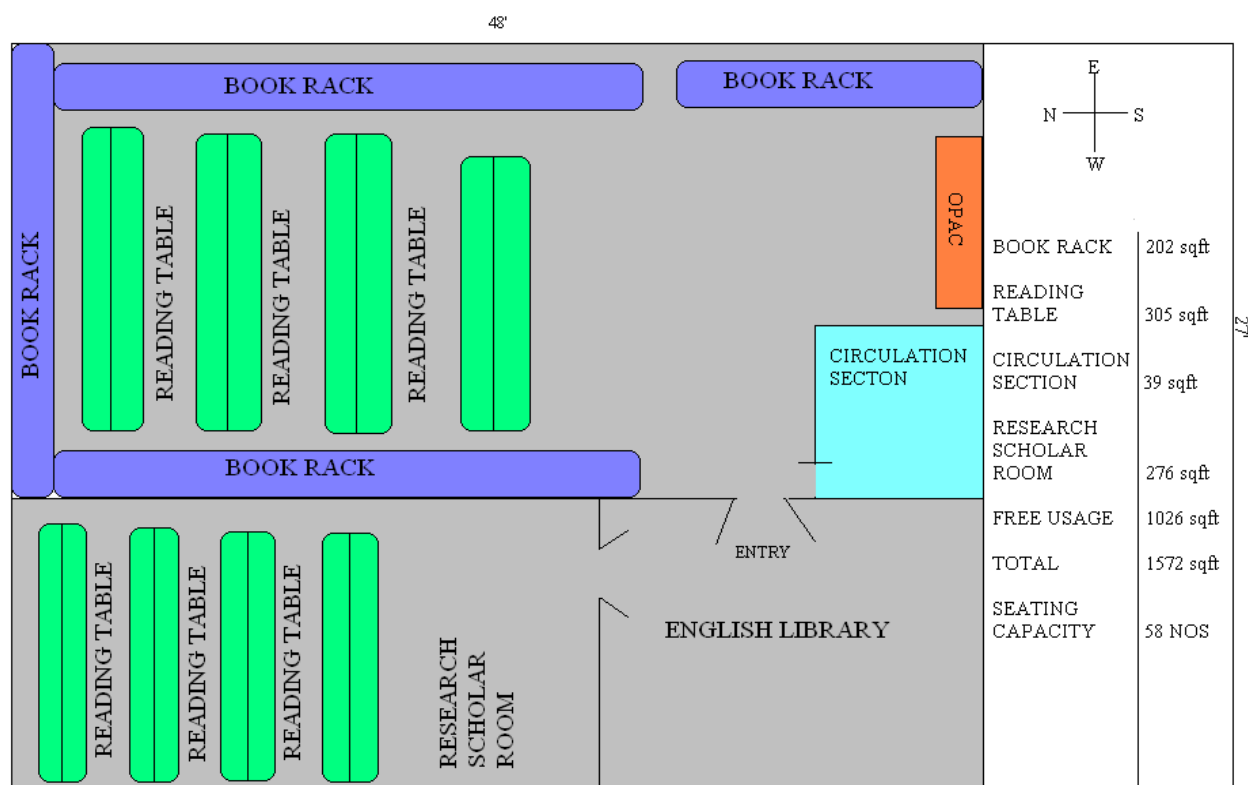

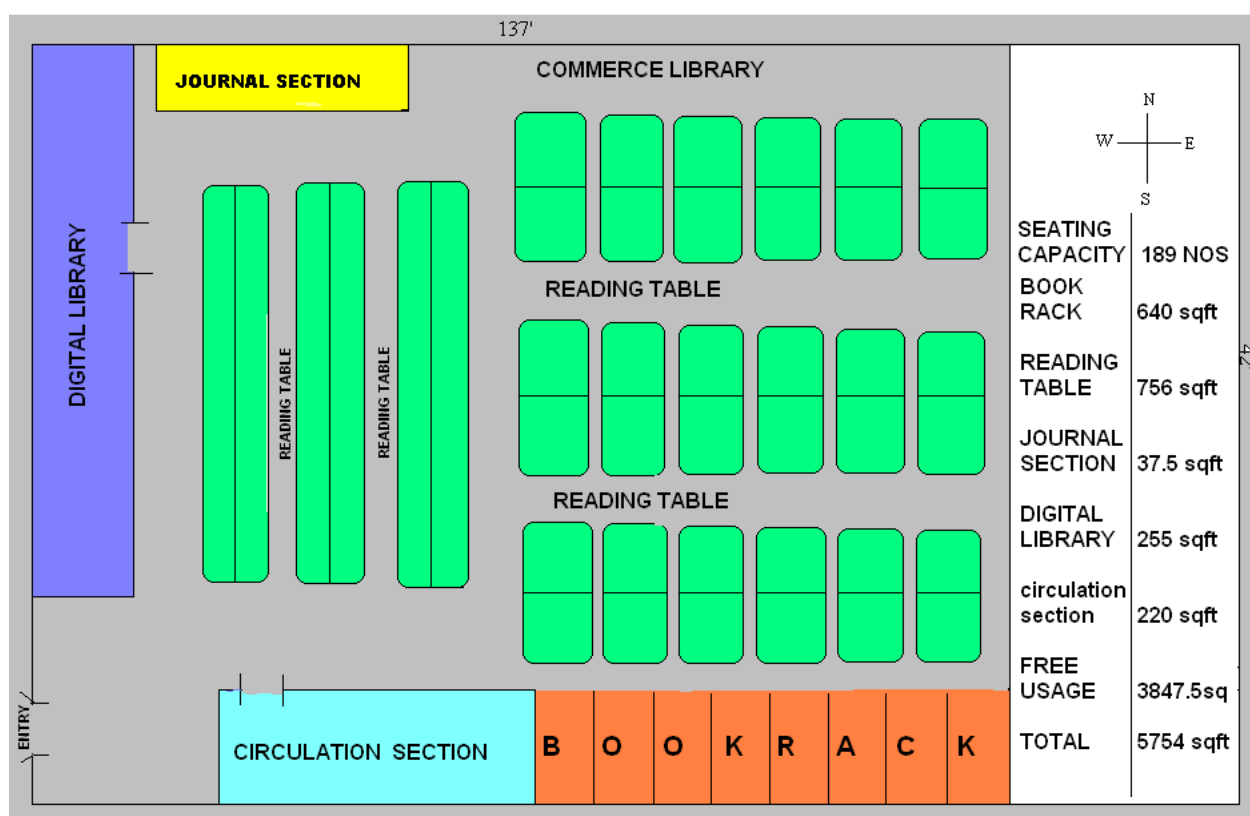

Working Days

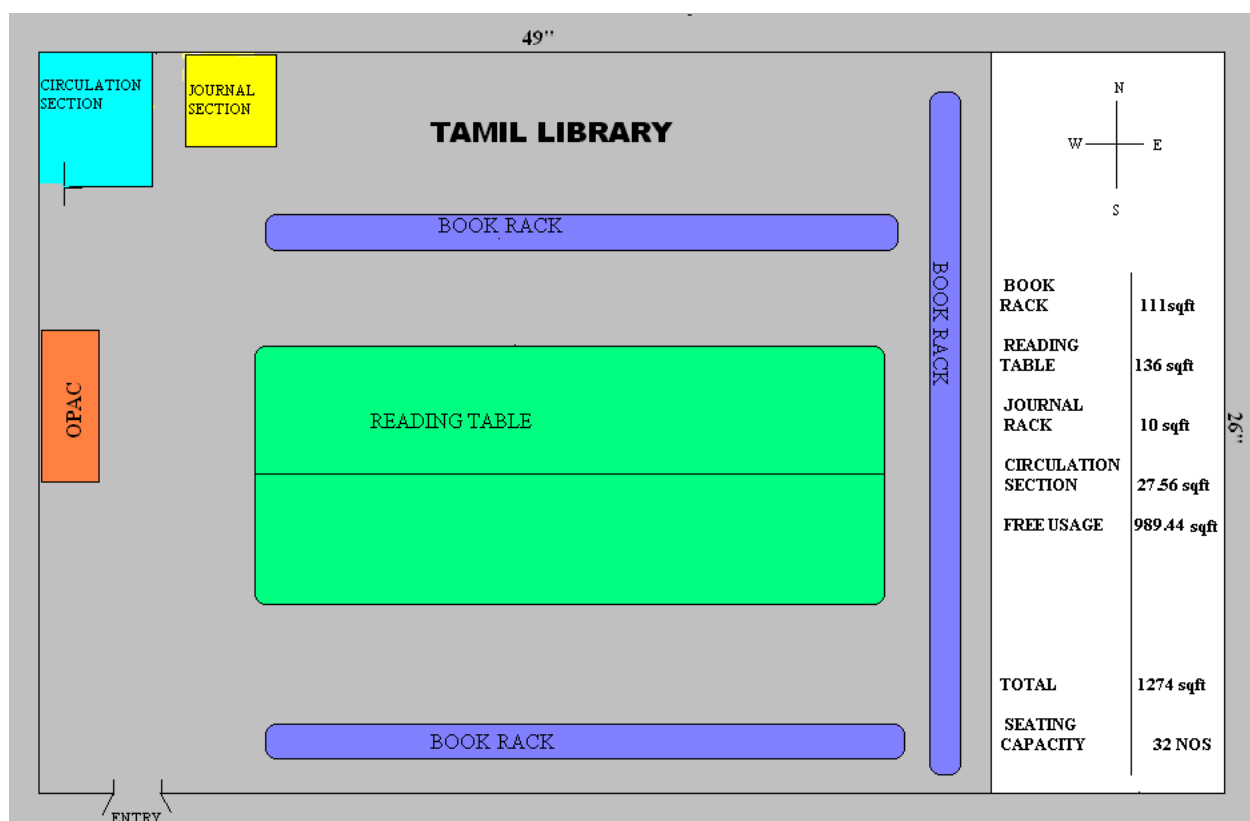

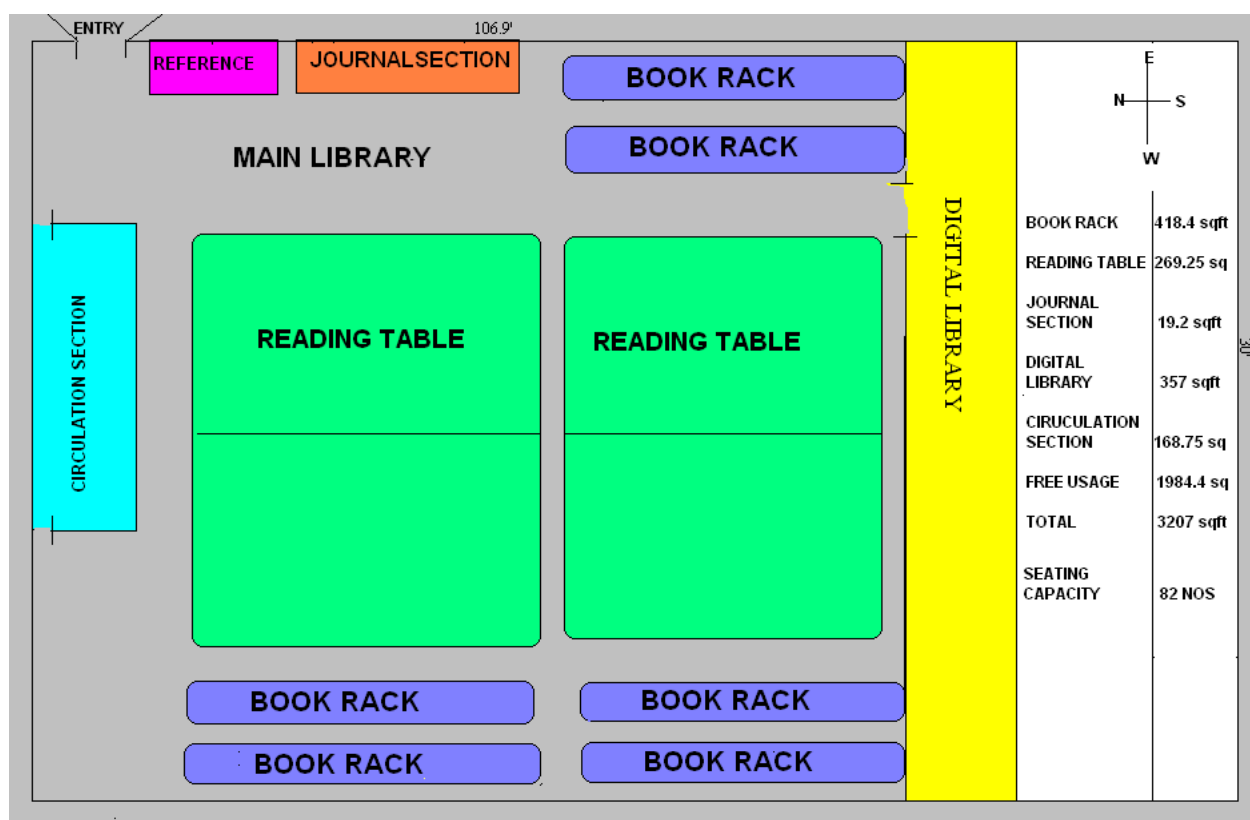

Before Examination Days } 8.30am – 7.00 pm

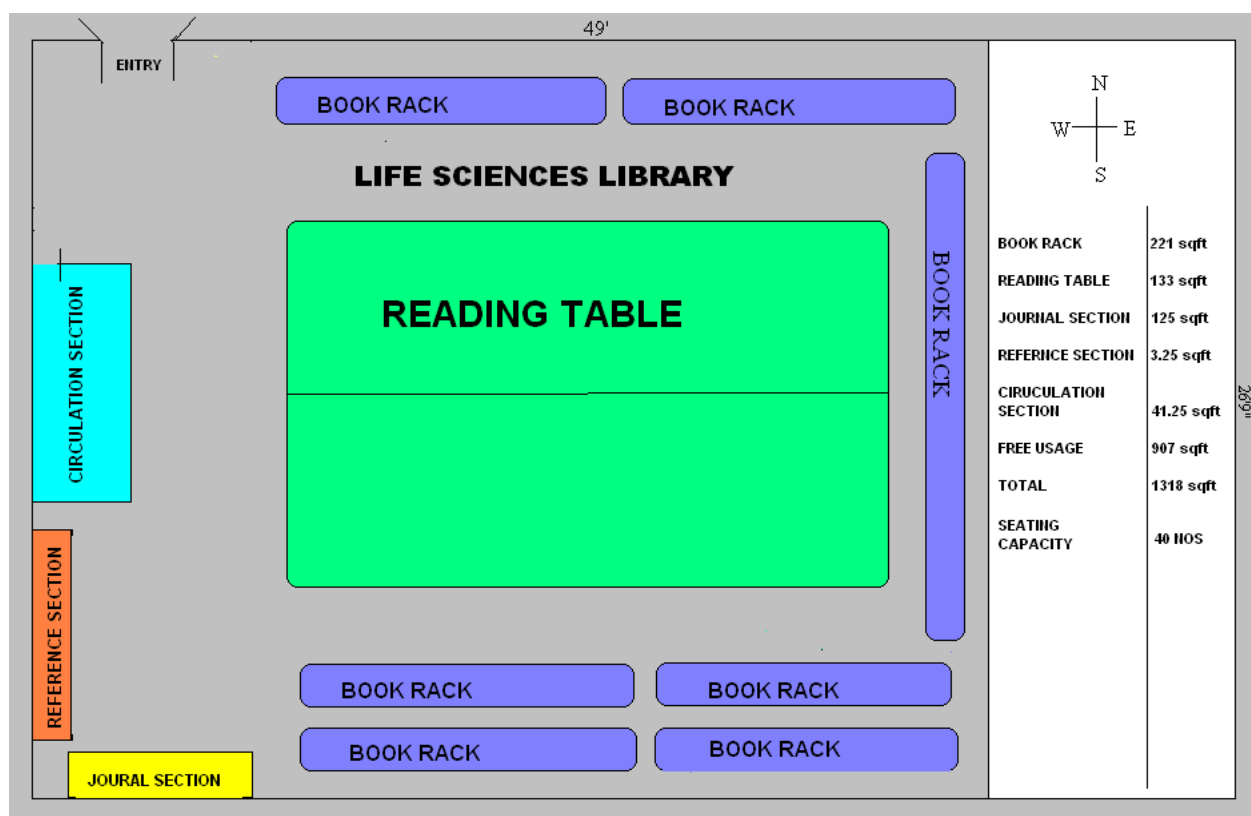

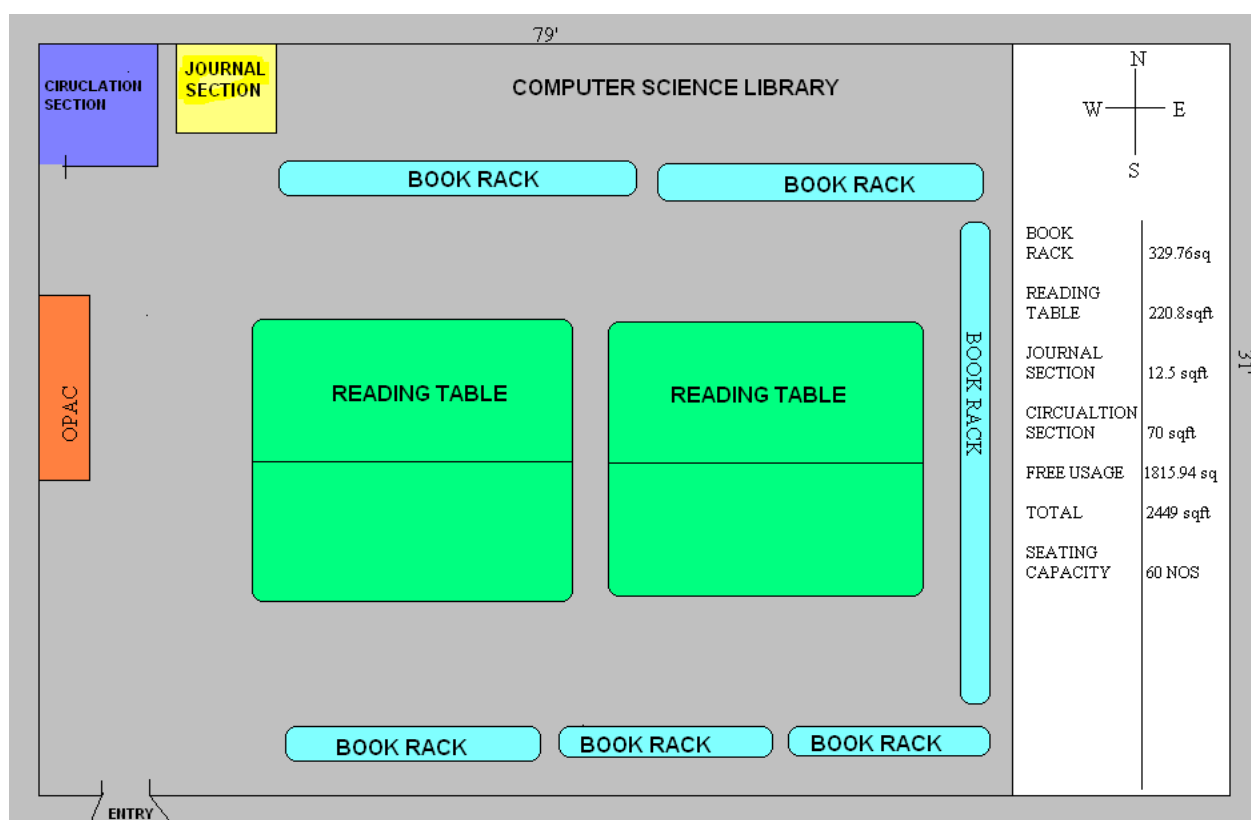

During Examination Days }

Holidays - 9.30 am – 1.00 pm

During Vacation - 9.30am – 5.00 pm

4.2.3 Give details on the library holdings

Books and journals are bought by the library and by the departments, keeping in mind the budgetary allocations and other book grants received. Books of general interest are first approved by the LAC and then bought by the librarian. Text books, reference books and Journals are selected by the faculty concerned the enlisted vendors and publishers supply the books in the following standard financial procedures. In order to ensures library purchase and use of current titles, important journals and other reading materials at the best possible prices. In the last five years, the library spent the amount of **Rs. 72,55,974/-** After acquisition of the books, accession and categorization of the books are done. After this process the books are made available to the users.

4.2.4 What tools does the library deploy to provide access to the collection?

S. No.	Details	Remarks
1	OPAC	Yes
2	Electronic Resource Management package for e-journal	Yes
3	Federated searching tools to search articles in multiple databases INFLIBNET	Yes,
4	Library Website	Yes
5	In-house/remote access to e-publications	Yes

4.2.5 To what extent is the ICT deployed in the library?

S. No	Details	Remarks
1	Library automation	Yes
2	Total number of computers for public access (10 for searching, OPAC; 45 for internet use and 5 for library management)	60
3	Total number of printers for public access	1
4	Internet band width/speed	6MB/78Mbps
5	Institutional Repository	No
6	Content management system for e-learning	No
7	Participation in Resource sharing networks/consortia (like INFLIBNET)	Yes

4.2.6 Provide details on the following items:

S. No.	Details	Quantity
1	Average number of walk-ins	750/day
2	Average number of books issued/returned	225/150
3	Ratio of library books to students enrolled	53024: No of Students
4	Average number of books added during last Five years	25494/ 5 years
5	Average number of login to opac (OPAC)	350/day
6	Average number of login to e-resources	80/day
7	Average number of e-resources downloaded/printed	25/day
8	Number of information literacy trainings organized	One/ Annually.
9	Details of “weeding out” of books and other materials	66/5years

4.2.7 Give details of the specialized services provided by the library

S.No.	Details	Quantity
1	Manuscripts	No
2	Reference	Yes.90/day
3	Reprography	Yes. 1000 imprints/day
4	ILL (Inter Library Loan Service)	No
5	Information deployment and notification (Information Deployment and Notification)	Yes, Library maintain necessary files.
6	Download	Yes. 50/day
7	Printing	Yes. 100 prints/day
8	Reading list/ Bibliography compilation	Yes. Regularly
9	In-house/remote access to e-resources	Yes
10	User Orientation and awareness	1.Annual Orientation Program for fresher
11	Assistance in searching Databases	Yes. 1 dedicated staff
12	INFLIBNET/IUC facilities	Yes (Teachers and students)

4.2.8 Provide details on the annual library budget and the amount spent for purchasing new books and journals.

Library holdings	2009 - 10		2010 - 11		2011 - 12		2012 -13		2013 -14	
	Number	Total Cost	Number	Total Cost	Number	Total Cost	Number	Total Cost	Number	Total Cost
Text books	5194	1158877	4830	1008124	3879	970954	3148	638499	7535	1238215

Any other (specify)										

4.2.9 Does the library get the feedback from its users? If yes, how is it analyzed and used for improving the library services

The Library takes regular feedback from its users (verbally and informally). When a problem is arised we will find out the solution and discuss with Principal, and strategies for improvement are worked out accordingly.

4.2.10 List the infrastructural development of the library over the last four years.

The following infrastructural development work of the library was carried out in the last four years:

- Fully equipped Separate library for each department Sepa
- rate budget allocation for each department
- Displaying the Layout of the Library
- Establishment of competitive examinations area
- Number of system increased in the internet section
- A separate section for accessing e-resources

- INFLIBNET facilities
- Power backup
- Number of e_journals subscription increased.

4.2.11 Did the library organize workshop/s for students, teachers, non-teaching staff of the College to facilitate better Library usage?

Library Activities (2013-2014)

*** EBSCO Workshop for Staff Members (11-07-2013)**

Department of Library has organized “EBSCO Host Training Program ” for faculty members. The VICAS Library going to subscribe the EBSCO “Academic Elite package”. Its fulfill the all requirement of research scholars, its provide various type of discipline journals, e – books and abstracts etc.

*** Orientation Program (15-07-2013 to 23-07-2013)**

This orientation program starts from 15/07/2013 to 23/07/2013(Eight Days) Continually. Totally 1020 students were participating and learnt about various library resources. The Library also offers orientations for First Year UG & PG students. A new program, “Library Boot Camp,” will be held on VICAS library at 15-07-2013 to 23-07-2013 and is designed to help new undergraduates quickly learn about the key Library services and research tools.

*** Librarians Day Celebration (12-08-2013)**

Department of Library has organized “Librarians day” celebration in commemoration of Ranganathan’s 119th Birthday. As a tribute to this great personality, his birthday has been observed as librarian’s day.

The Best Library User Award is given on the basis of the library resources used by a student and innovative ideas bringing to develop the library services and to promote reading habit among students and research culture among the faculty.

1. **P.Krishnaveni, Mcom II Year**
2. **M.Sivaranjani, BSc (CS) II Year**
3. **P.Indhumathi, BSc (BT) III Year**
4. **V.Sindhu Priya, BSc (Maths) III Year**

*** Book Fair (27-01-2014 to 29-01-2014)**

VICAS Library has successfully organized the Three days book fair at Commerce Seminar Hall. All the reputed participated in this great event. All the faculty members enthusiastically visited the book fair and also recommended the relevant books for library. The students, teachers, scholars, intellectuals, librarians and all book lovers visited this great fiesta.

4.3 IT Infrastructure

4.3.1 Does the College have a comprehensive IT policy addressing standards on IT Service Management, Information Security, Network Security, Risk Management and Software Asset Management?

The college has a policy of allowing the use of IT infrastructure for both academic and administrative purposes. Accessing social Network and related sites are prohibited. The IT management services are carried out by System Administrators.

4.3.2. Give details on the computing facility available (hardware and software) at the institution.

S. No.	Details	Quantity
1	Number of computers with Configuration (provide actual number with exact configuration of each available system)	891
2	Computer-student ratio	1:1
3	Stand alone facility	Servers : 2
4	LAN facility	All PCs are connected in LAN
5	Wifi facility	Yes
6	Licensed software	Microsoft Campus Suite, Photoshop, SQL
7	Number of nodes/ computers with Internet facility	891
8	AC other	Laser Printers : 27 Scanners : 09 UPS : 110 KVA + 40 KVA + 10 KVA + 15 KVA AC : 37

4.3.3 What are the institutional plans and strategies for deploying and upgrading the IT infrastructure and associated facilities?

Out of the entire computing infrastructure available, more than 50% of the machines are of the latest configurations. The institution has provided adequate budget to replace the remaining in a phased manner. Regarding the software, all the PCs are equipped with the latest versions of available software.

4.3.4 Give details on access to online teaching and learning resources and other knowledge, and information provided to the staff and students for quality teaching, learning and research.

Though all departments have internet facility, most of the staff members not depended with online teaching resources. If needed, they will use. But mostly they prepare their own teaching materials based on the knowledge of their students

4.3.5 Give details on the ICT enabled classrooms/learning spaces available within the College and how they are utilized for enhancing the quality of teaching and learning.

The college has Twenty Five halls equipped with LCD projector. Each hall can accommodate with minimum 60 to maximum 350 students. Regular seminars/ lecture sessions are conducted in these halls. Also the library has a good collection of DVDs/ CDs which contain tutorial sessions, language videos and education videos to name a few. The students are encouraged to watch these videos at regular intervals.

4.3.6. How are the faculty facilitated to prepare computer aided teaching-learning materials? What are the facilities available in the College or affiliating University for such initiatives?

Most of staff members prepare power point presentations for the class lectures. They prepare the PPT and give the soft copies of the notes. Every department has separate computers for official purposes and staff with internet connection. Staff member mostly use the department computers for the PPT preparations.

4.3.7 How are the computers and their accessories maintained? (AMC, etc.)

In every department the computer incharge staff will handle maintenance registers and other registers regarding the computer and their accessories. Their major duty is to keep the records and found any problem, they have to inform the maintenance to the office through Head of the departments, and register the complaints in maintenance complaints registers. And they have to do the follow up for the same. Mostly the computer in-charge staff members are qualified staff in computer knowledge

4.3.8 Does the College avail of the National Knowledge Network connectivity directly or through the affiliating university? If so, what are the services availed of?

NO, the college does not avail the National Knowledge Network connectivity.

4.3.9 Provide details on the provision made in the annual budget for update, deployment and maintenance of the computers in the College

i) ICT	Rs.10,05,875/-
ii) Campus Infrastructure and facilities	Nil
iii) Equipments	Rs.1,59,495/-
iv) Others (Servicing)	Rs.1,14,060/-
Total :	Rs. 12,79,430/-

At the beginning of the academic year, there will be convened a meeting regarding the annual budget that includes, lab requirements. Every year, the report will be got from the lab incharge regarding the deployment and maintenance of the computers in the department. All reports will be consolidated by the principal and the budget allocation will be made. The user strength and need will be taken a vital role in the allocating the systems to the department, because the strength and need may vary from year to year.

4.4 Maintenance of Campus Facilities

4.4.1 Does the College have an Estate Office / designated officer for overseeing maintenance of buildings, class-rooms and laboratories? If yes mention a few campus specific initiatives undertaken to improve the physical ambience

Every department takes care of every floor. In-charges from departments register the repairing works to the Head of department, through the principal knowledge, it is informed to the maintained office to get repaired. In students representative meeting also the maintenance works will be recorded. Both of them actively arrange to monitor the buildings, classrooms, laboratories and rest rooms. Department wise efforts are being taken on a weekly basis to maintain the physical ambience of the college. Periodical checking of all water points, electrical points and other students' amenities are taken care of.

4.4.2 Does the College appoint staff for maintenance and repair? If not, how are the infrastructure facilities, services and equipment maintained? Give details.

- Important laboratory instruments are signed with the respective service centre for the maintenance and upkeep.
- Computer, air conditioners, UPS, generator, water purifiers, other laboratory instruments are maintained by staff appointed for instrument maintenance,
- Fire extinguishers are installed in all the laboratories, administrative areas, library and hostels.
- Campus is cleaned by appointed staffs at various levels.

CRITERION V: STUDENT SUPPORT AND PROGRESSION

5.1 Student Mentoring and Support

5.1.1 Does the College have an independent system for student support and mentoring? If yes, what are its structural and functional characteristics?

Yes, our college has an independent system for student support and mentoring.

*** Mentoring**

The staff students ratio is 1:20 and hence individual care is provided by mentors to all the students.

We motivate out going students very well and they are encouraged to go for higher studies like PG, Journalism & B.Ed. They get employment in various establishments.

Our college gives counselling and yoga practice for improving their physical and mental health. Our college offers “Values for Life” education in the first year.

*** Student Support**

We conduct mathematics classes for non-maths students (who did not study the mathematics subject at +2 levels). Our college gives extra coaching classes for slow learners (Remedial Class). Our college provides insurance coverage for all the students. Our college gives awareness programme about extra curricular activities, academic values, family values, attitudes, etc.

Our college gives the opportunity to study for a dual degree. The tutor-ward, learner-centric facilities that facilitate individual care and attention counselling, additional coaching, improvement of study skills and close monitoring of academic

progression are some of the best practices in academic / personal support system.

The periodical, department-wise, parent-teacher meetings contribute to the academic decisions, placement strategies (as to which courses and preparations needed to be prioritized) and pedagogic changes (to suit slow or advanced learners).

The Lab-to-Land skill transfer is facilitated by some departments (Microbiology, Biotechnology, Electronics & Communication and Business Administration) in which many faculty members and students are actively involved. It is a good practice in both community orientation and learner entrepreneurial development. The explicit and hidden values of such an academic-community interface-support are invaluable.

The availability of free sports hostels, expert coaching and state-of-the art infrastructure and equipment (multi-gym, track and fields) is an invaluable infrastructural support that has created one of the incomparable best practices in a rural college in the economically poor neighbourhood that is not women-friendly. This relevant practice has helped to stretch the potential of the sports persons, especially women, to earn laurels (winning Gold, Silver and Bronze) in inter-collegiate, state, national and international events.

Another good practice of the management is to offer up to 100% fee concessions to the students who passes talent examination conducted by the college.

The opportunity created for all students of the college to browse the internet every day (between 4.30 p.m. and 6.30 p.m.)

There are many more good practices such as transport support offered by an efficient transport system, institutionalized

service-learning support through NSS, YRC, RRC, Junior Jaycees, Nature Club, etc. and decentralized administrative arrangements through the respective committees.

5.1.2 What provisions exist for academic mentoring apart from class room work?

Our college faculty members have been encouraging the students to participate in various academic competitions at State level, National level and in other institutions.

- Project Guidance
- Industrial visits
- Maintain the profile of the students
- Remedial coaching for slow learners
- Coaching classes for fast learners
- Paper Presentation
- Intercollegiate competition
- Seminars and Guest Lectures.

5.1.3 Does the College provide personal enhancement and development schemes for students? If yes, describe techniques employed e.g., career counselling, soft skill development, etc.)

There are two counselling cells:

- i. Career counselling cell
- ii. Education counselling cell: Apart from these if the class in charge finds any problem with the students, he conveys meeting for the counseling according to the range of the problem. One – one meeting, meeting with parents and open talk.

5.1.4 Does the College publish its updated prospectus and handbook annually? If yes, what are the activities /

information included / provided to students through these documents? Is there a provision for online access?

Yes, Our institution publishes revised and updated prospectus every academic year, at the time of new admission. It provides necessary information about programme structure, different programmes offered, facilities available in the institution, admission process, and seats available for SC/ST / OBC/PH and other weaker sections of society as per the university regulations. Through this document we intend to convey the required information to the public, ensure social commitment and transparency in the activities of our institution.

Besides the above mentioned documents, academic calendar also provides information about the annual working pattern of the college. Through this document the students can avail information about rules and regulations prevailing in the institution, various courses offered, academic working days, arrangement for co-curricular and extracurricular activities, library rules, and format for applying for various certificates.

5.1.5 Specify the type and number of scholarships / freeships given to students (UG/PG/M.Phil/Ph.D./Diploma/others in tabular form) by the College Management during the last four years. Indicate whether the financial aid was available on time

Scholarships	2009-10	2010-11	2011-12	2012-13	2013-14
Total no. of Students	292	308	305	408	163
Total Rs.	1197000	4610500	2167000	4397996	1757042.5

5.1.6 What percentage of students receives financial assistance from state government, central government and other

national agencies?

	2009-10	2010-11	2011-12	2012-13
Total no. of Students	493	514	653	740
Percentage	7.21	6.41	8.30	9.51
Total Rs.	1690369	1874355	3541484	3073290

5.1.7 Does the College have an International Student Cell to cater to the needs of foreign students? If so, what measures have been taken to attract foreign students?

Since we have only one International student, there is no need to have students cell. Our students' mentor takes special care towards her.

5.1.8 What types of support services are available for

*** Overseas students**

We have only one overseas students in the campus at present.

*** Physically challenged / differently abled students**

- Provides financial assistance to physically challenged students through scholarships.
- Scribe facility made available during university public examinations.

*** SC/ST, OBC and economically weaker sections**

- Central and State Government scholarships and freeships are provided to SC/ST and OBC students.
- Various merit Scholarships are given to Economically Backward Students

*** Students to participate in various competitions/ conferences in**

*** India and abroad**

Our institution conducts coaching classes for various events which enable the students to participate in the competitive events conducted at university and inter university level. In all academic working days coaching classes are conducted for archery, volley ball, cricket, judo, table tennis, football, power lifting, weightlifting, body building, wrestling etc on the basis of pre-determined schedule. The institution is furnished with the basic infrastructure and acts as an integral part of personality moulding.

Students are assisted to participate in the cultural competitions both at university and state level. A staff coordinator has been appointed to monitor the participation of students in various cultural and fine arts competitions. Required funding is provided by the college PTA and students associations.

Centre for Job Oriented Studies and Training (C-JOST- UGC Funded) provides coaching classes for SC/ST/OBC /Economically Backward students for various competitive exams including PSC, Bank clerical examinations, UPSC, SSC etc. Several participants are benefited by this programme. Career Guidance and Placement Cell and Equal Opportunity Cell also conduct programmes which enable the students to appear for competitive examinations.

*** Health centre, health insurance etc.**

A well equipped Health and Fitness Centre is functioning in the college. Physical Education Department ensures basic health facilities. Other than this, various health awareness programmes are conducted by NSS, NCC and Health Club units. Staff and students are provided with rest rooms with first aid facilities. The campus is provided with RO filtered water and good sanitary facilities are available. Insurance is provided to all

members of the college. The management runs multispeciality hospital in the opposite campus with research facility where students and staffs are provided with health concessions. Ambulance and taxi services are available in the campus.

*** Skill development (spoken English, computer literacy, etc.,)**

Department of English ensures the development of communication skills in English among the students. This department has a well structured curriculum to intensify the communicative skills among the students of various departments. A well furnished Digital Language Lab is functioning in the department and students make use of this facility to improve their communication skills.

Separate courses are designed in all the departments to develop computer awareness among students. Recently an ICT awareness workshop was organized by Equal Opportunity Centre as a part of Women Empowerment Program. This cell also facilitates student participation in skill development programmes and soft skill development activities held at various institutions.

*** Performance enhancement for slow learners / students who are at risk of failure and dropouts**

Each department of our institution takes initiative for providing additional coaching classes for slow learners. These are conducted by the departments concerned after regular scheduled working hours. Scholar Support Programme and Additional Skill Acquisition Programme are also conducted to empower learners.

*** Exposures of students to other institution of higher learning/ corporate/business house etc.**

Students from our institution are given opportunity to attend and participate in the programmes conducted by other higher education institutions. Students are encouraged to visit higher education institutions and the faculty members also accompany them in such programmes.

*** Publication of student magazines**

In each academic year the college union publishes a student magazine. The editorial board includes staff editor, student editor, staff and student representatives. This annual publication provides opportunity to the students to express their creativity and ideas. Besides, every department publishes a manuscript magazine every year under the auspices of the department associations.

5.1.9 Does the College provide guidance / coaching classes for Civil Services, Defense Services, NET/SLET and any other competitive examinations? If yes, what is the outcome?.

For PG students special classes are conducted for competitive exams such as UGC-CSIR- NET, UGC-NET, SLET, ATE / CAT / GRE / TOFEL / GMAT / Central /State services, Defense, Civil Services, etc.

TET-20, TRB-13, TNPSC-78, NET-2

5.1.10 Mention the policies of the College for enhancing student participation in sports and extracurricular activities through strategies such as Special dietary requirements, sports uniform and materials

Sports & Games: Department of Physical Education is a centre for moulding intellectually enriched, emotionally balanced and physically strong women. Department has its own infrastructure such as

playground with football field, volley ball court, power lifting and weight lifting sets, fitness centre, gymnasium, wrestling mats, archery equipments etc. By utilizing these facilities students ensure participation at district, university and state level competitions. The college hosts an active sports club. Arts & Cultural activities: A well organized arts club is functioning in the college that enriches creativity among the students.

Various cultural activities such as Fine arts Festival and College Day Celebrations and programmes under different departmental associations are organized by the democratically elected college union to ignite the talents among the students. We have a well functioning arts club and dance club.

*** Additional academic support, flexibility in examinations**

Debate, Quiz, Discussion: In association with different outside agencies and organizations, debates and open forums are conducted by the departments, NSS unit and Equal Opportunity Centre. These programmes facilitate students to express their views and ideas. Quiz competitions are conducted by the departments concerned, NSS unit and other outside organizations as well at regular intervals. The academic seminars and workshops also offer a platform for debates and discussions.

Additional academic support, flexibility in examinations Examination oriented special programmes like discussions, special classes, counselling classes and model examinations are conducted in the college. Special projects like 'Walk with a Scholar', 'Scholar Support Programme', 'Additional Skill Acquisition Programme' are in the process of implementation.

5.1.11 Does the College have an institutionalized mechanism for placement of its students? What services are provided to

help students identify job opportunities, prepare themselves for interview, and develop entrepreneurship skills?

The college hosts an Entrepreneurial Club under the guidance of the Department of Commerce which promotes entrepreneurial skills among the students. Students are given opportunity to develop skills related to different careers and self employments such as photography, videography, visual documentation, scripting, editing and event management. In addition, EDP workshop is organized every year for the UG & PG commerce and BBA students.

5.1.12 Give the number of students selected during campus interviews by different employers (list the employers and the number of companies who visited the campus annually for the last four years).

5.1.13 Does the College have a registered Alumni association? If yes, what are its activities and contributions to the development of the College?

The college has registered Alumni Association. It actively engages in the developmental projects of the college and periodically makes contributions to the college in the form of sponsoring academic seminars and other supports. The alumni actively support our efforts for raising funds for the developmental projects of the college. Representatives of the alumni are invited for the programmes conducted in the college.

The following activities are involved with alumni association

- Alumni are a member of each BoS.
- Alumni meeting is convened every year
- Alumni who are employed in corporate sectors come forward to conduct campus interviews and offer career opportunities for the present eligible students.
- Our alumnus also sponsors the needy students by

paying the semester fee or the examination fee.

- Alumni contribute their part in career counselling cell and higher education counselling committee

**5.1.14 Does the College have a student grievance redressal cell?
Give details of the nature of grievances reported and how they were redressed**

2012-13

- A committee has been formed with principal as a Head and all the HOD's of the department as members to look in to the grievances of the students.
- Transparency in evaluation is maintained by the COE section in re-totaling and revaluation.
- Class representative meetings are conducted to redress the complaints and suggestions.

2011-12

- A common grievance and redressed cell has been instituted to look into the complaints of the students and this is headed by the Principal and the Heads of all the departments. In this connection, Periodical meetings with students and staffs are being conducted with suitable and remedial measures.
- Suggestion Box is kept block wise inside the campus.
- The Committee members reviewed the complaints and steps have been taken to rectify them

2009-10

- A committee has been formed by the Principal as a Head and all the HOD's of the department as members to look into the grievances of the students.
- Transparency in evaluation is maintained by the COE section in re-totaling and revaluation.
- Suggestion box is kept block wise inside the campus.

- The committee members reviewed the complaints and steps have been taken to rectify them.

5.1.15 Does the College have a cell and mechanism to resolve issues of sexual harassment?

To prevent the sexual harassment of the students and to ensure their safety and security, the College has a grievance redressal cell and a discipline committee which meet regularly to look into the grievances.

5.1.16 Is there an anti-ragging committee? How many instances (if any) have been reported during the last four years and what action has been taken on these?

The College has established an Anti Ragging Committee as per Department of Higher Education/ Supreme Court directives. Ragging is strictly prohibited in the campus. So far, no incident of ragging was reported in the campus.

5.1.17 How does the College elicit the cooperation from all stakeholders to ensure overall development of the students considering the curricular and co - curricular activities, research, community orientation, etc

The institution solicits stakeholder perception through obtaining regular feed back by the Chairman, Principal and HOD whenever they come in contact with different stake holders on casual basis. Unstructured feed back through students feed back box which is operated only by the Chairman and Structured feed back mechanism through parents meeting once in semester, Alumni meeting once in a year, students' feedback are used to solicit the stakeholders. A suggestion by the academic experts visit at different occasion is also use for similar task.

5.2 Student Progression

5.2.1 Provide details of programme-wise success rate of the College for the last four years. How does the College compare itself with the performance of other autonomous Colleges / universities (if available).

5.3.3 How often does the College collect feedback from students for improving the support services? How is the feedback used?

The college enhances its performance by seeking feedback from students, employers and academic peers. A specified format is used to obtain the feedback. Student representatives are met once in month to obtain the grievances and feedback about the schemes introduced in the college. The views of students are consolidated and implemented. The students are also involved in providing a feedback about the teaching staff and their teaching methodologies.

Alumni meetings are conducted in the college periodically to ascertain their views on curriculum, infrastructure facilities and suggestion for improvement and development of the college.

Employers from various industries who come for conducting campus interviews suggest changes in the syllabi which are represented to the university through the members of Board of Studies and Senate. The outcomes of the feedback are introduction of SBE and NME, Soft Skill paper, Value Education, Gender studies as a part of regular curriculum and a paper on Teaching Methodology for the M.Phil. students were introduced. An opportunity is also provided to the students to improve their CIA. To enhance the soft skill of our students classes have been conducted for the same.

5.3.4 Does the College have a mechanism to seek and use data and feedback from its graduates and employers, to improve the growth and development of the College

Unstructured feed back through students feed back box which is operated only by the Chairman and Structured feed back mechanism through parents meeting once in semester, Alumni meeting once in a year, students' feedback are used to solicit the stakeholders. A

suggestion by the academic and industrial experts visit at different occasion is also use for similar task.

5.3.5 How does the College involve and encourage students to publish materials like catalogues, wall magazines, College magazine, and other material? List the major publications/ materials brought out by the students during the previous academic session.

Publication of the students

5.3.6 Does the college have a Student Council or any similar body? Give details on its selection, constitution, activities and funding.

Each department has its own students association, the students are proposed and nominated by other students and elected by respective departments for President, Vice President, Secretary, Joint secretary and Treasurer. Generally President and Vice president are research scholars and PG students, Secretary and Joint Secretary are PG

students and Treasurer from UG.

5.3.7 Give details of various academic and administrative bodies that have student representatives on them. Provide details of their activities.

The institution has an active alumni association. The college convene regular meetings of the alumni association and they actively participate in various activities of the college. Alumni associations sponsor academic seminars and other programmes. The college also invites the former faculty members of the institution for various functions and keeps in touch with them. In every BoS, the representation of alumni is mandatory.

The following cells and committee are constituted in our institution and functioning well

- ☐ Extra curricular committee
- ☐ Co curricular committee
- ☐ Library Committee
- ☐ Grievance Redressal Cell
- ☐ Research Activities Cell

The representation of students in various College Committees is a new initiative, students have been nominated to these committees by different teaching departments. However, the College intends to have elected students representatives in these committees from the next session.

CRITERION VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 State the vision and mission of the College

VISION

Vision of the Vivekanandha College of Arts and Sciences for Women is to evolve into a center of Excellence in higher education through creative and innovative practices to secure social equity for women.

MISSION

- To provide sufficient learning infrastructure to the students to pursue their studies.
- To provide good opportunity for higher education and conducive environment to the students to acquire education.
- To provide quality academic programs, training activities and Research Facilities.
- To Facilitate Industry-Institute interaction.

6.1.2 Does the mission statement defines the college's distinctive characteristics in terms of addressing the needs of the society, the students it seeks to serve, college traditions and value orientations, vision for the future, etc.?

- ✓ The college offers a wide range of Programs with adequate academic flexibility.
- ✓ Uses feedback from students in the initiation, review and redesign of programs.
- ✓ Facilitates effective running of teaching-learning programs.
- ✓ Implements a well-conceived plan for monitoring student continuously.
- ✓ Ensures that the student assessment procedures and systems are reliable and valid.

- ✓ Provide clear information to students about the admission completion of all requirements for various programs, the fee structure and refund policies and financial aid.
- ✓ Ensures efficient and well-run support services to all students.
- ✓ Promotes values, social responsibilities and good citizenry in all students.

The principal of the college and the staff coordinators of various programmes attend the meetings convened by the various management training institutions and propose various plans that will be useful for ensuring quality at the college level. The college applies for additional assistances from our sister concerns assumes various measures for the successful implementation of various policies and programmes of the government. The faculty members are keen to work in tune with requirements and take active participation in undertaking and implementing various quality improvement plans and programmes. Numerous quality improvement programmes are undertaken by faculty members as additional duty. The IQAC of the college monitors the overall activities of the college by holding periodical meetings and advising the staff based on their needs. Teaching- learning process is evaluated by the academic records of the students and the lesson plan of all teachers in every department. The Quality Management System (QMS) which is an ISO 9001:2008 system augment to the quality sustenance of many academic and administrative areas. The QMS covers the student curricular aspects, monitoring aspects, planning and control aspects in the academic zone.

6.1.3 How is the leadership involved in

- * Ensuring the organizations management system development, implementation and continuous improvement.**

The college leadership takes all the necessary initiatives with

the necessary financial support whenever and wherever needed. Besides this, the improvement in work culture in the institution and ensuring overall institutional development by the leadership through various support facilities, incentive plans, involvement of stakeholders at all levels is among the priorities of the leadership. The college functions with a view to achieve the spirit of its mission, ie, to provide quality education and opportunities for the all-round development of the students. To ensure this, the college has accrued the required physical facilities, intellectual resources and societal goodwill.

*** Interaction with stake holders**

In order to achieve the stated objectives, the stakeholders are called upon at regular intervals to offer their suggestions for the implementation of the policies and plans formulated in the light of institutional needs. Consultations are held with the stakeholders under the supervision of the leadership.

Our institution assures at every meeting with its stakeholder the following

- Formulation of action plans for all operations and incorporation of the same into the institutional strategic plans.
- Interaction with stakeholders
- Proper support for policy and planning through need analysis, research inputs and consultations with the stakeholders
- Reinforcing the culture of excellence
- Champions organizational change.

*** Reinforcing culture excellence**

With an objective to ensure the culture of excellence, various programmes are invited such as deputation of teachers to participate in various activities organized by different

organizations within and outside the state for their professional and personality development, encouraging students to participate in various events undertaken by the institution as well as other organizations like NGOs, the research centres, the industrial entities, sports and cultural organizations at local, regional, state, national and international levels.

*** Identifying needs and championing organizational development (OD)**

Facilities like Wi-Fi internet connectivity, interactive smart classes, Digital Language Lab, Centralized Computing facility, UGC Network Resource Centre, sophisticated labs for Physics and Electronics, sufficient number of printers, scanners, copiers, intercom facility, a well designed website, annually updated general library and department libraries are a few of the physical facilities for obtaining the mission of the institution.

In addition to these, the college assures clean environment, lush green compound and hosts a Health and Fitness Centre with outdoor and indoor sports facilities. The college ensures scholarships for all, and provides student amenities at subsidized rates and thereby supports hassle free academic engagement.

The students committees formed in every department strengthens the inner potential and emotional quotient of the student folk and organizes co-curricular and social activities and helps to develop a sense of service and sacrifice among the students.

6.1.4 Were any of the senior leadership positions of the college vacant for more than a year? If so, indicate the reasons.

No senior leadership positions of the college vacant for more than a year.

6.1.5 Does the College ensure that all positions in its various statutory bodies are filled and conduct of meetings at the stipulated intervals?

Yes, the college ensures that all the positions in its various statutory bodies are filled and meetings are conducted at the stipulated intervals. In our college the statutory bodies are Governing Body, Academic Council and Board of Studies. These three statutory bodies are set up in our college to look after all the affairs of the college

6.1.6 Does the College promote a culture of participative management? If yes, indicate the levels of participative management.

The Principal collects feedback on the programmes of the college from different stake holders through periodic meetings. The conveners of the different committees submit appraisal reports of all institutional activities to the college council. The council processes and submits the reports to the Principal. The action plans of the current year serve as indicators for the analysis. The Principal with the help of the staff council reviews the reports and initiates interventions. The institution has the practice of evaluating the institutional activities by inter committee members. In addition, feedback from students is obtained through representatives of the college union, student suggestion box and Student Grievance Cell. The heads of the departments keep regular contact with the students and other stakeholders and their suggestions are noted and utilized for the implementation and improvement of the policies and plans.

The curriculum evaluation method used in this institution is very unique that involves summative and formative methods of evaluation.

The college is sensitized to latest managerial concepts such as strategic planning, teamwork, decision-making and computerization.

Strategic Planning and implementing activities of the college, association programmes in concurrence with HODs and the faculty members and students.

Teamwork with effective Planning and implementations through the formation of various committees comprising of faculty members allocation of need-based specific tasks to adhoc committees and periodical meetings of the members of the committees with the Principal ensures each and everybody in the management .

6.1.7 Give details of the academic and administrative leadership provided by the University to the College?

The college is affiliated to Periyar University, Salem. The University nominates the representatives for the statutory boards like Governing Body, Academic Council and Board of Studies who play a major role in leading our college towards development and maintenance. They are free to provide their ideas and suggestions on academic and administrative activities of the college. The University faculty provides support for conducting practical exams, seminars, and orientation programmes for the benefit of all departments.

6.1.8 How does College groom the leadership at various levels?

The academic leadership starts from Principal monitor the directors and heads of the departments, Directors monitor the heads of the departments and Heads of department monitor the staffs of the department and staffs monitor the class as class incharge. Apart from the above staffs are also given incharge of different co-curricular

activities and special programs which ensure academic leadership at various levels.

The staff members are involved by way of constitution of various committees such as Cultural Committee, Discipline Committee, Examination Committee, etc. The best coordinator in the cultural committee is appreciated and rewarded. The staff is involved in various co curricular activities as staff advisors. They organize programmes for the benefit of the students and the decisions are analyzed and discussed at various levels. The proper implementation of the institutional policies and programmes is achieved through mutual understanding and appreciation. The leadership skills of our students also get enriched as they have to play the role of student coordinators in all the programmes undertaken by the college.

The college administration is decentralized to ensure the quality of educational provisions. Every member of the administrative staff is given charge of specific sections.

The senior superintendent supervises and coordinates the functioning of the accounts section, establishment section, purchases, examinations, student affairs and is accountable to the head of the institution.

The responsibilities of taking appropriate steps to ensure qualitative teaching and preparing the students to face the challenges of the modern world lie with the heads of the departments. They also manage their departmental work with the cooperation and assistance of their staff members and maintain departmental stock registers and other documents.

Committees comprising teachers from different departments coordinate and conduct various activities and events in the college. The administration is decentralized for all academic activities. This paves way for the sharing of duties and responsibilities, binding all

stakeholders in a positive interaction and building good human relations.

6.1.9 Has the college evolve any strategy for knowledge management? If Yes, give details.

Our management allocates sufficient amount of money every year for the purchase of books and journals with keen interest to enhance the library facilities. Management supports two day staff orientation programme to each staff to enrich the academic qualities. It is very useful for the faculty to implement the effective teaching and learning methodologies to handle the students. Regular research committee meetings organized with Principal as chairperson to identify research needs and enhance research activities. Management introduced user name and password for research scholars to avail e-Journals facility to browse hundreds of books and journals.

6.1.10 How are the following values reflected in various functions of the College?

*** Contributing to national development**

Our NSS, YRC, and RRC students create awareness on national issues like AIDS, Consumer Awareness, Women Development, Environment Awareness through rallies and other district level programmes contribute to National development. Our students involve in collecting data on economic status of neighboring villages for administration, involve in tree plantation, blood donation camps, to the local communities to develop green and eco friendly region.

*** Fostering global competencies among students**

Students were encouraged to participate various competitions, seminars, workshops, conferences, symposium both at national

and international level to improved their global competancies.

Allumini in abroad visit the college regularly to encourage the student with recent advances at national and international level and develop a bridge among them.

Leadership qualities are improved thorough involving them in various committees at student level and encourage programs among them.

*** Inculcating a value system among students**

Student syllabus enriched with value systems like Yoga, Ethics, Environmental studies, Human rights etc.

Students were given regular counselling with professional counsellors on value systems and its advantages.

Students were trained to maintain dress code, communication code and conduct.

Students were provided with support for various cultural programs and festivals inside the campus for enriching their value systems.

*** Promoting use of technology**

Each department has its own Over head projector, slide project and LCD projector all teaching faculty take classes using these technology. Each student at UG, PG and research scholars ensured using these technology as class seminars, paper presentations, extension activities in their villages, etc. Library has e-library facility, internet facility for reading purpose. Students at classrooms and hostels Wifi facility is provided for collecting notes and other advanced information.

*** Quest for excellence**

At academic level students were encourage do participate in different competitions like, quize, oratorical, drawing, painting, dancing, etc Higher calss students were encouraged to taken part in seminar, training programs, workshops, symposium, etc both at national and international levels. For career oriented programs students were given coaching for writing compctetive exams (TNPSC, Civil services, Bank exams, etc.), personalit development training, spoken english class, Yoga class, etc.

6.1.11 Give details of the UGC autonomous review committee's recommendations and its compliance.

Autonomous review committees's recommendations

“Based on the observations delineated in the report and after verification of the infrastructure facilities available in various departments, common facilities available in the college and on the basis of interaction of the Committee with the Management, faculty members, non-teaching staff and students of the college the committee unanimously recommends the autonomous status be conferred upon Vivekanandha College of Arts and Sciences for Women, Elayampalayam, Tiruchengode, Namakkal, Tamilnadu for a period of Six Years w.e.f. 2010-111 to 2015-16 as per the norms laid down in the XIth plan Guidelines of the UGC on Autonomous Colleges”

(Annexure VII)

6.2 Strategy Development and Deployment

6.2.1 Does the College have a Perspective Plan for development?

If so, give the aspects considered in development of policy and strategy.

*** Teaching and learning**

The academic calendar is provided to the students at the beginning of the year.

The calendar provides details about the internal tests, holidays and total working days. Staff members prepare a detailed lesson plan at the beginning of every semester and strictly adheres to it.

The performance of a student in each course is evaluated in terms of percentage of marks with a provision for conversion to grade points. Evaluation for each course shall be done through a continuous internal assessment by the course teacher concerned and through semester examinations of three hour duration and the results of both will be consolidated at the end of the course.

The ratio of marks of the continuous internal assessment to the semester examination is 25:75. The evaluation of laboratory component, wherever applicable, will also be based on both a continuous internal assessment and semester practical examination.

*** Research and development**

The Research Committee of the college encourages and motivates the teachers to take up research projects, and fosters a culture of research among students and staff. The committee is also involved in synchronising and facilitating research

activities carried out by the members of the faculty by providing relevant information, and updates the faculty members on the availability of funds and their sources. Publication of research findings and presentation of research papers are undertaken by the faculty members.

*** Community Engagement**

Community orientation is a fundamental principle closely followed by the college. The NSS unit has adopted a tribal village and supports it in different ways. The college has undertaken a survey on the problems of the educated tribal people, and has prepared a documentary. Programmes like field visits, organising road safety awareness camps and blood donation campaigns are a few of the activities of the college. The college conducts blood group identification camps every year, and keeps a registry of blood donors, and provides blood to the blood bank and to the needy as and when required.

*** Human resource planning and development**

We have a Self-appraisal method for all teachers. This system motivates the faculty to progress vertically as well as to enhance their quality by attending Faculty development programmes.

Work shadowing, evaluations using 360-degree appraisal are followed systematically. Confidential Reports prepared by the principal on Heads of the departments. Confidential Reports prepared by the Head of the Department on faculty members. The Heads of the department meet the class representatives and the students to get feedback on the performance of the Department staff.

The Principal and the Vice principal meet the class

representatives twice in a semester before the mid semester and the pre semester and obtain the feedback. The students feedback on teacher performance and quality of teaching are obtained. The Principal, Dean and HODs make frequent visits to the class rooms to assess the teaching ability of the staff.

*** Industry interaction**

Frequent industrial visits are organized to acclimatize the students to the industry environment. MoUs are also signed with the industries to carry out the part of their research work. Special lectures from various institutions are also organized to make the students aware of the opportunities available in the specific field.

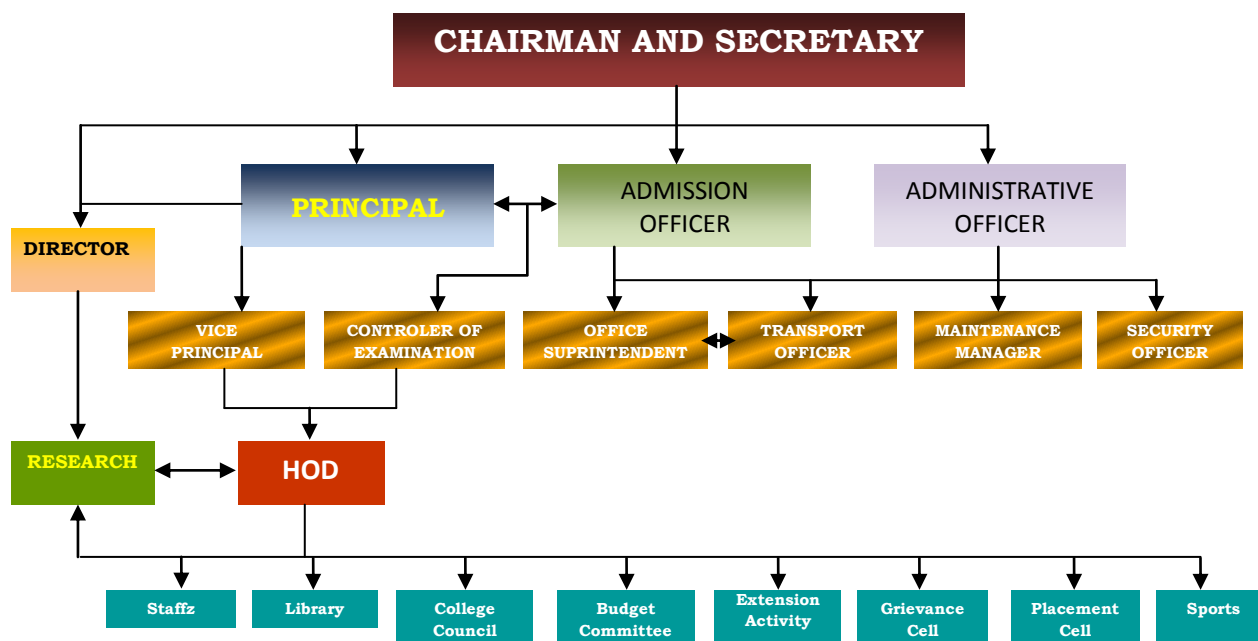

*** Internationalization**

International seminar, conferences and symposiums are conducted with international delegates periodically.

Biomillennium'13 and Biollennium'14 delegates from Japan, Korea, China, Canada participated.

6.2.2 Enunciate the internal organizational structure of the College for decision making processes and their effectiveness.

ORGANISATION STRUCTURE

6.2.3 Specify how many planned proposals were initiated/ implemented, during the last four years. Give details.

Please refer 3.2.5

6.2.4 Does the College have a formally stated quality policy? How is it designed, driven, deployed and reviewed?

Yes.

The college aims to provide affordable comprehensive education to the underprivileged rural poor girl population at large inculcating employability skills, societal commitment, values and ethics of life. The quality policy originates from the vision and mission of our college and is the underlying criteria in all the activities of our college. The college assures quality in all activities inherent in its mandate. Quality

assurance at the college is a peer-review process, comprising detailed examination of elements related to the quality of teaching, learning research and administration. We undertake periodic internal and external reviews to evaluate programmes of study and research, as well as the administrative support for these programmes. An integrated perspective plan for the college gives the strategy for development in academic administration and financial management. The administration has become more efficient with better planning and improved resource allocation for academic activities and financial management practices.

Other quality parameters adopted in the college are

- ✓ Functioning of various statutory – non statutory and adhoc committees
- ✓ Decentralization and delegation of powers
- ✓ Bottom -up planning
- ✓ Well laid out governance structure with effective checks.
- ✓ Internal and External audit
- ✓ Use of Management information system takes care of the dissemination of information, collection of feedback and analysis of the same to improve the organization.
- ✓ Train the administrative personnel – on computer basics, automation software, Skill and personality development.

6.2.5 How does the College ensure that grievances / complaints are promptly attended to and resolved effectively? Is there a mechanism to analyze the nature of grievances for promoting better stakeholder-relationship?

Grievances in the internal evaluation are brought to the notice of the concerned HOD. The HOD checks the evaluated scripts and rectifies the deficiencies if any.

For any grievances regarding evaluation, students may apply to the controller of examination for transparency and revaluation through the Principal. Grievances regarding evaluation conducted by the College are entertained by the Department and on not being satisfied with the redressal measures, a student can take the matter to the Grievance Redressal Cell or appeal directly to the Principal. However, redressal at the Departmental level, which involves discussion of the grievance with the student, has been found to be adequate and useful.

2012-13

- A committee has been formed with principal as a Head and all the HOD's of the department as members to look in to the grievances of the students.
- Transparency in evaluation is maintained by the COE section in re-totaling and revaluation.
- Class representative meetings are conducted to redress the complaints and suggestions.

2011-12

- A common grievance and redressed cell has been instituted to look into the complaints of the students and this is headed by the Principal and the Heads of all the departments. In this connection, Periodical meetings with students and staffs are being conducted with suitable and remedial measures.
- Suggestion Box is kept block wise inside the campus.
- The Committee members reviewed the complaints and steps have been taken to rectify them

2009-10

- A committee has been formed with the Principal as a Head and all the HOD's of the department as members to look into the grievances of the students.
- Transparency in evaluation is maintained by the COE section in re-totaling and revaluation.
- Suggestion box is kept block wise inside the campus.

The committee members reviewed the complaints and steps have been taken to rectify them.

6.2.6 Does the College have a mechanism for analyzing student feedback on institutional performance? If yes, what was the institutional response?

Feedback file is maintained by every class in charge. The feedback is reviewed and remedial action is taken immediately. There is a students' grievance cell at every department.

In the beginning of session, interactive sessions are being conducted with newly appointed teachers. Besides new teaching methods launched, group discussions and brain storming sessions are conducted. Feedback from students/faculty serves as effective mechanism to monitor and evaluate quality of teaching/learning.

The feedback obtained is communicated to the staff concerned and the individual teaching strategies are modified accordingly. It is observed that this has helped us in maintaining the quality of the academic programmes. The college has set up an Internal Quality Assurance Cell which periodically meets to review the students feedback and make quality assessment of teachers. The teachers are evaluated by the students periodically. The feedback is given to the teachers and remedial actions are also initiated wherever necessary. The parent-teacher meeting are also organized periodically. This helps

both the teachers and parents in maintaining the discipline and standards of the students.

6.2.7 In what way the affiliating University helped the College to identify the developmental needs of the College?

The college is affiliated to Periyar University, Salem constant interaction with the University in, Board of study, Academic Council, Syndicate meeting, etc. For affiliation of each course University experts visit the college to verify infrastructure, teaching methodology, syllabus help in development of the college. Placement cell of the University creates common platform for campus programme, NSS, YRC, etc also helps us develop the college. College in consultation with the University make appropriate changes in the campus.

6.2.8 Does the affiliating university have a functional College Development Council (CDC) or Board of College and University Development (BCUD)? If yes, In what way College is benefitted.

Yes, the University have functional college Development Council, which provides guidelines for starting new programs, monitoring the development of colleges under its jurisdiction, staff approval at various levels, conducts meetings and training programs for the development of academic and institutional management of the colleges, etc.

6.2.9 How does the College get feedback from non-teaching, teaching, parents and alumni on its functioning and how it is utilized.

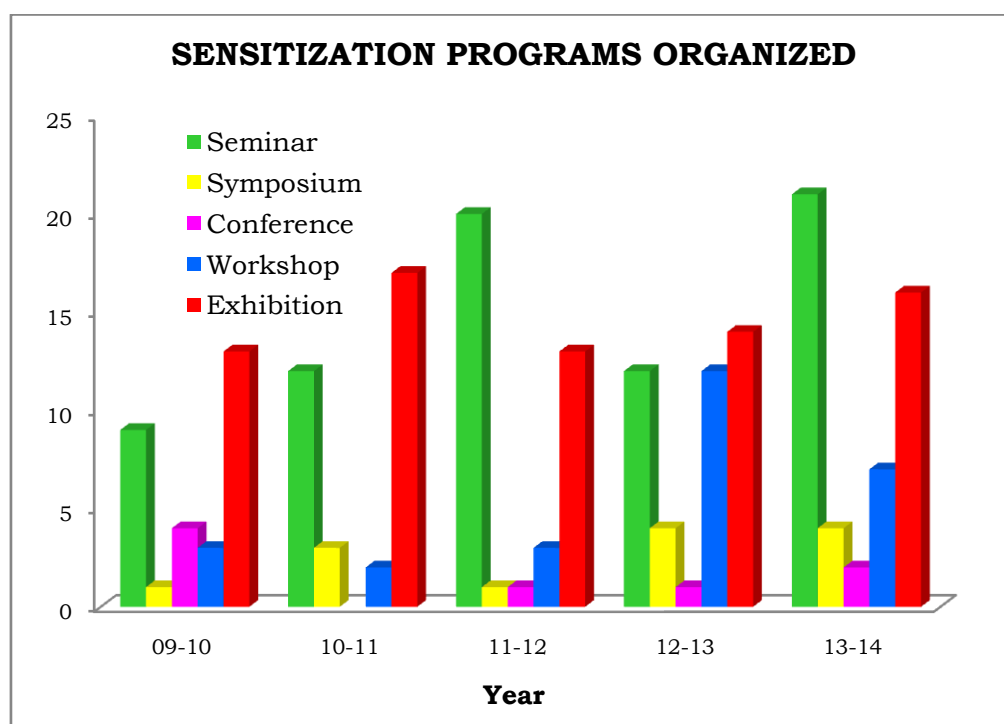

The teachers in the respective Board of Studies (BOS) play a vital role in updating syllabi and making them more relevant to the society and industry. They collect feedback from faculty, students, alumni and employer and communicate the information and feedback for appropriate inclusion and decision of the Board of

studies, through University representative and our faculty members representing our college.

6.2.10 Does the College encourage autonomy to its academic departments and how does it ensure accountability?

The management provide autonomy to all departments to conduct workshops, training programs, exhibition, seminar, symposium atleast one per year and facilitates concern departments financially to conduct the same. Departments also avails funding support from national and international funding agencies. During these events eminent researchers and scientists are invited to evaluate, share and promote the research activities in the college. The entire students in the departments take active part in organizing the programs through their student department clubs and make their presentations.

The sensitization programs organized have increased from 30 to 50 during the last five years, the dominant programs are seminars, exhibitions and workshops in this International level includes one seminar, two Symposium, one Conference.

6.2.11 Does the College conduct performance auditing of its various departments?

Performance evaluation is being done at three levels continuous basis by the HOD and weekly basis by the Principal on daily log book of teachers and analyse their theory, practical, tests, etc. Once in a semester result produced by each staff is being analysed by HOD, Principal and sent to chairman for his feed back. Once in a year staff evaluation is obtained from each department and evaluated. Based on the evaluation chairman provides various suggestions and development programs at departmental level.

6.3 Faculty Empowerment Strategies

6.3.1 What are the efforts made by the institution to enhance the professional development of its teaching and non teaching staff?

For staff:

Orientation programmes in computer training for the faculty in

- Use of internet
- Access of learning materials
- Referring eBooks
- Preparation of slides for power point presentations
- Creation of email IDs and
- Web designing
- Handling ICT Facility

- Research activities and research publications are promoted by the institution under the guidance of the Research Committee set up in the college.

For students:

- Induction program immediately after the admission of freshers.
- Orientation towards higher education and the CCSS Programme.
- Familiarization programmes conducted for effective use of the class rooms, labs and other resources.
- Encouragement to organize their own clubs / activities / interest groups
- Awareness programmes about the internal evaluation systems of the CCSS programme.

6.3.2 What is the outcome of the review of the Performance

Appraisal Reports? List the major decisions.

Performance evaluation reports from each staff member from each staff is being evaluated by the HOD and Principal is communicated to the chairman. Based on the reports following measures are taken by the management.

- Staffs are given training to handle the subjects during teaching by the senior faculty members
- Staffs strength and weakness are analysed and encouraged them to taken training programs
- Staffs are encouraged to go for higher degrees like Ph.d.
- Staffs are encouraged to write research papers and conduct seminars workshops, symposium, etc.
- Faculty development programs are identified and organized
- Structural and methodological reforms in teaching and learning are identified and developed.

In order to enhance the professional development of the teaching staff, the college takes every necessary step for their deputation to participate in various orientation, refresher courses, workshops, conferences and other academic programmes organised at State ,

National and International levels. The faculty members are facilitated to present research papers in various conferences at national and international levels. Also, the members on teaching staff are encouraged to participate in various training programmes aiming at professional development. For instance, Accountant, Librarian, Head and Senior.

The institution makes good use of the self appraisal method and comprehensive assessment by students to assess the performance of the faculty and staff. The feed back is communicated to the teachers and staff so that they may make necessary improvements in their performance. Department staff meetings address specific issues in teaching and learning pointed out by the students, and arrives at a consensus regarding the corrective measures required.

The management is keen on appraising the performance of the staff. The management keeps vigil on the working behavior of the members of the teaching as well as the non teaching staff. Annual increments and placement in the grades are all implemented based on their performance. The management has in the recent past given due recognition to the teachers who have completed their Ph.D and qualified in the NET/SET Examinations. The staffs are apprised of their performance level in an informal meeting and are given opportunities to improve.

6.3.3 What are the welfare schemes available for teaching and non teaching staff? What percentage of staff have availed the benefit of such schemes in the last four years?

Staffs are provided free hostel facility with food for others free transport is provided. Staffs are given special permissions in order to enable them to attend evaluation seminar and conferences. It is also provided for staff candidates registered for Ph. D. meet their guide for a discussion about the progress of their research work. Medical

concessions are provided to the staffs in the institutions multi-specialty hospital. Other benefits include

- Provident fund
- Uniform
- Yoga programs
- Recreational tour
- Sports

10% of the staffs avail hostel facility remaining 90% of the staff avail transport facility. 80 % of the staffs avail special permission for evaluation and to attend seminar and conferences. 100% faculty provided with medical insurance and concession.

6.3.4 What are the measures taken by the Institution for attracting and retaining eminent faculty?

Institution creates opportunities for self improvement and provides sound working atmosphere to assure job satisfaction among the staff. It helps the institution to attract and retain eminent faculty. HOD and other senior faculties are provided with separate work space (Room) with well furnished infrastructure with attached toilet and bathroom. Computer are provided to staffs in the ratio of 1:5 to each department with internet facility and UPS connection.

Annual increments are given based on performance and teaching experience. Faculty producing results are given award and reward during the annual day functions. Senior faculty producing M. Phil. scholars are given Rs. 5000/- for each students as bonus.

6.3.5 Has the College conducted a gender audit during the last four years? If yes, mention a few salient findings.

The college is women college only the staffs are in both gender in the ratio of 70:30 for female and male. Initially the male was 70% with gradually reduced and keep on increasing.

6.3.6 Does the College conduct any gender sensitization programs for its staff?

Gender sensitization is an everyday activity in our college by each faculty. During each program most of the invited speakers emphasise gender sensitization in their talk. In spite of this different gender sensitization programs are conducted through women development cell.

6.3.7 What is the impact of the University's UGC-Academic Staff College Programmes in enhancing competencies of the College faculty?

University UGC-Academic College provides regular training programmes on various teaching and learning process which communicated and we make use of it.

6. 4 Financial Management and Resource Mobilization

6.4.1 What is the institutional mechanism to monitor effective and efficient use of available financial resources?

The HODs prepare the requirements in terms of books, equipments, consumables and seminars proposed to organized by them. These requirements are discussed by the Principal, Vice Principal, and Secretary. Based on the requirements and the general operational cost, the Secretary prepares a income and expenditure budget and capital budget. The above requirements are placed before the Board of

Trustees who discusses the same in detail and accord the sanction. The copy of this is given to the accounts department for monitoring the expenditure. The account will scrutinize the purchase order, the bills and expenditure and make the payment up to the limit sanction. In case of any increases in the amount required the Secretary in consultation with Board of Trustees sanction additional limits.

6.4.2 What are the institutional mechanisms for internal and external audit? When was the last audit done and what are the major audit objections? Provide the details on compliance.

The accounts of the Trust is audited by the external auditors once a year by Chartered Accountants. The systems and procedures are governing various aspects including verification of receipts and payments are conducted by the Internal auditors. The last external audit was conducted in October 2013 and the last internal audit was conducted in January 2013.

6.4.3 Provide audited income and expenditure statement of academic and administrative activities of the previous four years.

(Annexure VIII)

6.4.4 Have the accounts been audited regularly? What are the major audit objections and how are they complied with?

Accounts been audited for every financial year and the statement of income and expenditure is brought to knowledge of Chairman and Secretary. No major audit objections have been made.

6.4.5 Narrate the efforts taken by the College for resource mobilization.

Major source of funding is from students fees and project funding

from funding agencies for different programs. Student fees includes Tuition fee, examination fee, hostel fee, etc.

6.4.6 Is there any provision for the College to maintain the ‘corpus fund’? If yes, give details.

Prof. Vivekanandhan and Prof. Devatha provided a corpus fund for rupees 1,00,000.00 the interest from the same was provided to two best outgoing students as Prof. Vivekannadhan Endowment Award and Prof. Devatha Endowment Award.

6.5 Internal Quality Assurance System (IQAS)

6.5.1 Does the College conduct an academic audit of its departments? If yes, give details.

Every semester there will be a FDP and panel discussion program for the staff to improve and maintain quality assurance in both teaching and internal administration

- Internal audit is conducted by the institutions itself.
- Every month statement is collected from HODS of various departments with reference to coverage of syllabi
- Feedback from students is being collected.
- Assignments/ Class tests are conducted at different intervals of time and evaluation are made accordingly.
- Debates/symposia are also being conducted within the departments and also inter college participation of students is ensured at regular intervals of time.
- Inspection of IQAC team to various departments is conducted in order to seek feedback from students as well as teachers regarding academic improvement.

6.5.2 Based on the recommendations of academic audit what specific measures have been taken by the College to improve teaching, learning and evaluation?

The measures taken by the college based on the recommendations of academic audit are:

- To go for more usage of ICT in Teaching & Learning processes.
- To increase the number of National and International Seminars, Conferences and Workshops organized by the department.
- To increase the number of MoUs and collaboration with state and central research institutes.
- To encourage the faculty to involve in more research activities and to purchase more number of books related to syllabus for the department.
- To ensure teachers' preparation and notes material for effective teaching.
- Students are encouraged to take notes from the lecture classes.
- Snap tests are encouraged to make students study continuously.

6.5.3 Is there a central body within the College to continuously review the teaching learning process? Give details of its structure, methodologies of operations and outcome?

The management is conscious of the fact that quality of education and excellence of institution is linked with the quality of teaching and learning. The modern teaching learning mechanism has been introduced including seminars, groups discussions, lecture methods, assignments, on the job training, remedial classes etc. Number of steps are taken to review these teaching / learning mechanisms, for instance, feedback from students and teachers is collected to ascertain the impact of modern teaching. It has really developed a taste of self learning among students and ensured active participation in all academic activities.

6.5.4 How has IQAC contributed to institutionalizing quality assurance strategies and processes?

IQAC of our college contributes to the institutionalizing quality assurance strategies and processes in the following ways:

Monitoring and Supervising

Providing guidance to each Department on Quality Related Aspects

Updating the Curriculum

Promoting Research & Development

Enabling Optimum use of ICTs among the Faculty & Students

Infrastructure Development

Promoting Quality Enhancement,

Sustenance measures, etc.

6.5.5 Does the IQAC have external members on its committees? If so, mention any significant contribution made by such members.

Yes the IQAC has each of management representative, alumni, community representative, industrialist and an external expert.

Significant contribution of members of IQAC include focusing syllabus towards entrepreneurs based at UG level, competitive exam based at PG level and field work at UG and PG level in many of our programmes.

Students and alumni of the IQAC give constant feed back from the persuing students and community stake holders which reflect in the syllabus framing, teaching, learning and evaluation pattern.

IQAC conducts frequent evaluation of teaching and learning process in a transparent manner and communicates through training and workshops to students and staff.

6.5.6 Has the IQAC conducted any study on the incremental academic growth of students from disadvantaged sections of society?

The IQAC of the college monitors the overall activities of the college by holding periodical meetings and advising them based on their needs.

Teaching- learning process is evaluated by the academic records of the students and the lesson plan of all teachers in every department. Tutorial classes are organized to remove the deficiencies in learning. Special lectures for the benefit of the teaching faculty are organized and students are involved in participating and presenting papers in the seminars. Periodical assessment of the students is done by holding oral and written tests.

The Quality Management System (QMS) which is an ISO 9001:2008 system augment to the quality sustenance of many academic and administrative areas. The QMS covers the student curricular aspects, monitoring aspects, planning and control aspects in the academic zone.

It monitors and controls admission systems, student record keeping, purchasing system, library in the administrative area. The QMS consists of manuals and procedures which are as per ISO 9001:2008 standards and administrated by six internal quality auditors. The internal quality audit is conducted on regular basis (three monthly schedule) and the nonconformities are discussed in the Management Review meeting for taking appropriate actions.

6.5.7. What policies are in place for the periodic review of administrative and academic departments, subject areas, research centres, etc.?

The policies in place for the periodic review of administrative and academic departments, subject areas and research centres are:

1) Administrative Department

The Management, Secretary, Principal and Vice Principals meet at regular intervals to discuss the administration of the college. All the decisions are made only by the management based on the suggestions of the Principal and Vice Principals.

2) Academic Department

To review the Academic activities, the Academic Council meeting is conducted once in a year. Other than that, Principal meets the Vice principals and HoDs of various departments to discuss the academic activities and improvements.

3) Research Centre

The Principal meets the HoDs at regular intervals and advises them to involve themselves in research activities. Sometimes these meetings take place in the presence of Experts and Scientists who come as resource persons to our college. In the staff meetings, Principal often advises the staff to write projects.

4) Subject Areas

Subject areas are modified and chosen as per the recent trends of the society. It is enriched by reading more number of books, journals, and new policies of government. Application and skill orientated syllabus is framed for the students to make them employable.

Any additional information regarding Governance, Leadership and Management, which the institution would like to include.

CRITERIA VII: INNOVATIONS AND BEST PRACTICES

7.1 Environment Consciousness

7.1.1 Does the Institute conduct a Green Audit of its campus and facilities?

The college conducts green audit of the campus, and for this purpose, the institution has constituted landscape development committee which takes care of environment related issues of the campus. The examples of few initiatives taken by the committee are listed as under:

1. Plantations as much as possible area
2. Though there is water scarcity, our institution maintain garden within the campus.
3. Clean, green and eco-friendly campus is ours
4. Wastage management is maintained to keep the environment clean and good.

7.1.2 What are the initiatives taken by the college to make the campus eco-friendly?

- * Energy conservation
- * Use of renewable energy
- * Water harvesting
- * Check dam construction
- * Efforts for Carbon neutrality
- * Plantation
- * Hazardous waste management
- * e-waste management

Our classroom and other buildings are constructed in means of low energy conservation i.e., more spacious and ventilation of air. Naturally, our institution concentrates on energy saving methods in

all aspects. Cumulative working concept i.e., working together classroom arrangements, water supply system, electric power management and in each and every levels energy saving mode is used in our institution.

Our institution has water harvesting system. Rain water harvesting system is used in our campus.

Controlled power energy system

The chemicals and other hazardous waste material are neutralized before disposal.

The scrap materials available are sold.

7.2 Innovations

7.2.1 Give details of innovations introduced during the last four years which have created a positive impact on the functioning of the college.

Innovation in education is unavoidable. In the last four years, our institution concentrate on current trends in subjects taught. Our institution believes that only current trends will be only choice to develop the economical development among the rural women.

- The learner-oriented method of teaching is adopted, and the effectiveness and the consistency of the teaching method are ensured by regularly monitoring the performance of the students.
- In order to make the teaching-learning process simple and interesting, various modern teaching tools available in the department such as OHP, LCD Projector, etc., are utilized.
- By conducting class committee meeting, the difficulties encountered by students in studies are identified, analysed, and appropriate corrective measures are put into action.

- Since every teaching effort made is directed towards the quality, the effectiveness of teaching process is analysed by getting regular feedback from the learners.
- The students are motivated towards the studies by awarding the class toppers.
- In spite of the availability of facilities for carrying out experimental projects in the department, the students are encouraged to do project works in industries in order to make them get industrial exposure with latest technological developments.
- Guest lectures are arranged by inviting eminent persons from the industry, academic institutions, and also from social workers in order to guide the students in various aspects.
- Students are motivated to undergo in-plant training to keep pace with the industrial field.
- Students are motivated to present papers in national and international seminars and publish articles in journals.
- Study materials are provided to students to prepare for GATE, GRE, TOEFL and other competitive exams.
- Students are counseled and advised to equip themselves to face the real life, to achieve strength and to acquire knowledge.
- Department alumni are invited to share their industrial experience for the benefit of the students.

7.3 Best Practices

7.3.1 Give details of two best practices which have contributed to better academic and administrative functioning of the college

Our institution follows some best practices contributing to the quality improvement of the core activities of the college.

BEST PRACTICE 1

1. Title of the Practice

Cultured quality education to rural poor girl child

2. Objectives of the practice

- Providing quality education to rural women without compromising Indian culture and ethics
- Give opportunity to all rural poor girl children for quality education
- Create a platform for a quality research

In Indian context availability of quality education for rural poor women in a safe environment is challenging. Therefore free transport is provided to all students of the college in the radius of 200 km which picks up near the door step of the villages and drops back with strict regulation of security of not interference in-between. The campus is highly secured with systematic security services which do not allow any distraction of the proceedings of the college. Students cannot have any distraction from outside and outsiders cant enter into campus without proper authentication. The quality of education is ensured with regular BoS meetings and logic change in the same.

3. The Context

In the context of rural India availability of safe and secure education at a cost effective manner to girl child is the challenge of today. The college campus provides safer facility in bringing the rural girl to the campus, secure campus environment for comfortable education with quality curriculum design and teaching. Teenage women have many problems related to psychological and healthy issues which are supported by safer environment and hospitality.

Each student has a mentor to share their academic and personal problems. Mentor has complete details of the students on their family background, health history academic capabilities with which regular counseling is given to students in all aspects. Mentor also interacts with the parents on the each students psychological, health and academic issues and solve problems in consultation with the parents. Some of the issues related to this is malnutrition, severe health problems like heart diseases, nervous disorders, etc. academic problems like slow learners, language problems, memory issues and psychological issues like family pressure due to parent less students, separated parents, deserted mother etc.

4. The Practice

Our education system from curriculum preparation to evaluation of the same has 'no compromise mode' in quality education. While preparing the syllabus, our institution concentrates the best among the others. Once in year the BoS convened to clarify the syllabus needs and once in three years reframe the syllabus according to the socio-economic development with cultural stability. The syllabus is not only for student's job opportunity but also to feel women issues around the students.

In teaching methods and techniques, our institution concentrate modern teaching techniques, and teacher are free to use innovative teaching techniques and the facilities what they need is arranged. ICT using is mandatory to every department. Notes of lessons, and current theories are essential documents in every department and HoDs with their faculty discuss the problems faced in classes.

The evaluation system, the institution follows two way education evaluation systems. 1. Evaluation of students' progress and 2. Evaluation teaching methods and procedure.

Evaluation of students' education progress is done by periodic tests

and internal valuation methods that most of colleges used but here our institution differs in the criteria for evaluating the students. Our institution gives more importance to the culture and family background in the internal evaluation. Our main motto is not only giving the education but also giving the right skill with good understanding of the society. Summative and formative methods are used to evaluate teachers of our institution. Our institution uses a unique combination of summative and formative evaluation method in evaluating the teachers. Every year the evaluation method is followed. These procedures may seem to be common to all institution but our institution differs in standardization of curriculum of every department. Every nook and corner will be taken care in quality control.

5. Evidence of Success

The success of the practice is evident from the strength of the college which increasing rapidly over 7500 students. Admitted students are more than 90 percent are from rural background and poor girl child. The definition to 'the best' in education is the education with affordability, quality, equality and should to be all. Our institution has 'no compromise' on giving the best to the students. Identifying the competency of our students, several companies have been recruiting our students every year by conducting on-campus interviews arranged by our placement cell. Department provides necessary learning resources to students in order to motivate and train them capable of succeeding in both on-campus and off-campus interviews. The result of pass percentage had reached above 90% and placement increased more than 10 percent which gradually increasing in the reputed industries. Alumni students placed in abroad even in the government agencies is Singapore, Malaysia, Canada, Australia, etc.

6. Problems Encountered and Resources Required

Being an girls college for rural communities marriage during the studies is common in our college were students concentration gets diverted and Love marriage against parents are also happening hinder the academic activity. Consequently pregnant girl students also become challenge to our effort. These issues are tackled through counseling to parents and students to cope up with the situation. Security through safe transport from the door step of the student decreases the diversion of the students and parents are secure with the campus security. The students are provided with essential medicinal facility and first aid with qualified staff and multispeciality hospital of the management in the adjacent building

7. Notes (Optional)

Our college is known for girls education in the region particularly rural poor community parents are comfortable in leaving their daughters and sisters in our campus for quality education.

BEST PRACTICE 2

1. Title of the Practice

Evolve quality research atmosphere

2. Goal

- Providing quality research facility
- Increase number of research centers
- Encourage activite research by staff and students

The goal of the present best practice is to create conducive environment and facilities to the staffs and students to conduct research avail research funding and publish papers in reputed journals with good impact factor. This would ultimately lead to

patenting and identify solutions through technology and core research findings for human problems. Research focus of the college is on both core and applied research required for the local communities at large.

3. The Context

The Institution is located in Namakkal which is the center for poultry, textile, transport and agriculture. These are the areas where research needs are essential in developing techniques and technology to support their economic efficiency. Research is essential to streamline our creamy student's knowledge and skill in developing into useful product. Poultry industry quite often suffer from challenges from diseases, transport needs sustainable renewable energy resources, agriculture needs new varieties to face future problems, human health is also an important issue which needs regular research especially in cancer biology and immune deficiency syndromes.

4. The Practice

Each department is enriched with research facilities like instruments, research fields, space etc. Qualified staffs with doctorates are recruited with research aptitude. Existing staffs are encouraged to register for Ph.D. program and permitted to attend training programs, BB doctoral committee meetings, paper presentation, etc. Students and faculties are facilitated with regular guest lectures at least one for each subject for each semester or once in every month in a department, regular visit of eminent scientist to the college and arranging special lectures. National and international seminars once in a academic year by each department and similarly workshop and training programs encourages staffs to get updated information and update their knowledge and skill. Staffs and research scholars are encouraged to apply for projects to different funding agency to support their research activities.

The management of the college obtained 12(B) recognition from the UGC new Delhi which facilitate the staffs and students to apply for project funding. Management also has 19 other institutions like engineering, pharmacy, nursing, dental, ophthalmology, with modern equipment which is also made available to the staffs of the college. Interdisciplinary research with other institution of the management and other reputed research institutions are permitted to students and staffs to avail subject expertise for their research.

5. Evidence of Success

As a result of several approaches by the management 8 centers have been approved by the affiliating university Periyar Univesity for M.Phi. and 4 for Ph. D. Program. Two minor projects have been sanctioned for staff by UGC. One National exhibition was funded by TNSTC. Five Ph.D. scholars availing scholarships from DST. Tamilnadu Higher Education, etc. As a result more than 200 papers published in the past four years in reputed journals both in national and international journals with an impact factor ranging from 0.3 to 6. More than 20 seminars, conferences, workshops, training programs, etc., are conducted every year. Among the teaching staff 20 faculty completed Ph.D. and around 45 staff registered for Ph.D. Among the students 26 Ph.D. students in which four of them submitted their synopsis and more than 150 M.Phil. scholars completed their degree.

6. Problems Encountered and Resources Required

For the present goal staff stability is one of the important problems what so ever the facilities provided when it comes to government jobs staff switch over to it. However, it is encouraging some of our staff remain within the institution even after getting such opportunity. With regard to students culturally students get married and become pregnant where many of them do not continue studies in research. In spite of this we could see research is progressing in our college.

7. Notes

However, we have DST inspire fellow and other students with scholarships the management is opting to provide married students hostel for the research scholars.

Internet facilities for staff & students	1		
Total number of class rooms	3		
Class rooms with ICT facilities	1		
Student's laboratories	1		
Research laboratories	-		

31. Number of students receiving financial assistance from college, university, government or other agencies: Nil

33. Teaching methods adopted to improve student learning

- Teaching by the staff using black board, over head projector, power point presentation
- Students seminar by using black board, over head projector, power point presentation with the help of teacher
- Poster presentation by the students with the help of teacher
- Skit play in groups each unit by the students with the help of teacher
- Model preparation in groups for each units with help of teacher
- Extension of each unit in the society from where the students through skit play, awareness talk, meetings, etc.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Technocrazy –Department Association

The activities are as follows

Consumer Awareness Club Activities

- Consumer Awareness rally organized by our college Consumer club on 24.12.2013. It was coordinated by Mr.K.Panneer selvam, Asst Prof., and Department of Biochemistry. 30 student of UG has participated in the rally

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> • Qualified and well experienced faculty members • Well equipped Digital Library. 	<ul style="list-style-type: none"> • Staff stability
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> • After UG, Students have the Opportunity to select the various fields for their higher studies. • Students have the wide Opportunity for Government Job. • Students can do research work with fund 	<ul style="list-style-type: none"> • High competition, Creating awareness among the students
FUTURE PLANS	
<ul style="list-style-type: none"> • To develop department into specialized research center for biofuel • Evolve students to join nationally and internationally reputed organizations • Encourage students to conduct research for sustainable development of human beings • Develop students to publish papers in highly reputed journals • Evolve patentable work for future human needs 	

DEPARTMENT OF BIOTECHNOLOGY

Q. No.	Information required	Details	
1	Name of the department	BIOTECHNOLOGY	
2	Year of establishment	B. Sc. M. Sc. M. Phil. Ph. D.	1995-1996 1999-2000 2002-2003 2002-2003
3	Programmes / courses offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., etc.)	B.Sc. Biotechnology M.Sc. Biotechnology M. Phil. Biotechnology Ph. D. Biotechnology	
4	Names of Interdisciplinary courses and the departments/units involved	Nil	
5	Annual / Semester / Choice Based Credit Systems	UG and PG M. Phil. and Ph. D.	Semester pattern and Choice Based Credit System – Annual pattern and Choice Based Credit System
6	Participation of the department in the courses offered by other departments	Courses	Department
		B. Sc.- Allied	Biochemistry Computer Science
		B.Sc.-Language	English, Tamil
		B. Sc. Non Major Elective	Microbiology, Mathematics and all other departments
		B. Sc. Skill Based Elective	Business Administration and all other departments
		M. Sc. Elective and Extra disciplinary course	Mathematics, Biochemistry and Microbiology
		Add-on-Course	All UG and PG Departments
7	Courses in collaboration with other universities, industries, foreign institutions, etc	NIL	
8	Details of courses/programmes discontinued (if any) with reasons	Integrated Biotechnology	

9. Number of Teaching Posts Sanctioned and Filled

Designation	Sanctioned	Filled
Professor	1	1
Associate Professor	3	3
Assistant Professor	5	5

10. Faculty Profile

Name	Qualification	Designation	Specialization	Experience (years)	No. of Ph.D. Students guided for the last 4 years
Dr. L. R. Gopinath	M. Sc., Ph. D.	Professor and Head	Environmental Biotechnology and Policy Research	8 + (6 Years Research Experience)	8 Ph. D. Under Process
Dr. S. Geethanjali	M. Sc., M. Phil., Ph. D.	Asso. Professor	Enzymology	9	
Dr. S. G. Prabhakaran	M. Sc., M. Phil., Ph. D.,	Asso. Professor	Molecular Systems Biology and Medical Biotechnology	8	
Dr. R. Amutha	M.Sc., Ph.D.	Asso. Professor	Bacteriology	8	
Mr. K. Mahesh	M.Sc., M. Phil., DISM.	Assi. Professor	Environmental Biotechnology	13	
Mrs. K. E. Poorni	M.Sc., M. Phil., PGDBI.	Assi. Professor	Cancer Biology	10	
Mrs. M. Virgin Nisha	M.Sc., M.Sc., M. Phil.	Assi. Professor	Bioprocess Technology	3	
Mrs. S. Kalaivani	M.Sc., M. Phil., DOA.	Assi. Professor	Plant Biotechnology	6	
Ms. S. Vijaya	M. Tech.,	Assi. Professor	Enzyme Technology	1

23. Awards / Recognitions received by faculty and students

Faculty

1. Dr. L. R. Gopinath, Head, Department of Biotechnology honored with GLOBAL EXCELLENCE AND PRIDE AWARD by Bollywood star media NET and Grossen in 2012 on Dr. Manmohan Singh,s Birthday celebration by Honorable Dr. S. H. Beni Prasath Verma, Cabinet Minister-Steel Industry
2. Dr. L. R. Gopinath, Professor and Head, Department of Biotechnology honored with “DYNAMIC YOUTH AWARD” by Bollywood star media NET and Grossen in 2013 on Shri. Rahul Gandhi Birthday by Sh. Jai Prakash Agarwal Honorable Chairman, Lok Saba Housing Committee.

Students

1. Ms. B. Jayanthi, Dr. Vivekanandha Endowment Award for best Student of the Department 2011.
2. Ms. D. Divya, Dr. Vivekanandha Endowment Award for best Student of the Department 2012
3. Mr. V. Allimuthu, Dr. Radhakrishnan Award (Best Teacher in the State) 2012.
4. Ms. S. Archaya, Ph. D. Scholarship from TNDCE 2012
5. Ms. D. Divya, DST, Inspire Fellowship for Ph. D. 2012
6. Ms. S. Archaya, Dr. Vivekanandha Endowment Award for best Student of the Department 2013.
7. Ms. V. Mythily, Dr. Vivekanandha Endowment Award for best Student of the Department 2014.

24. List of eminent academicians and scientists / visitors to the department

Year	Special Lectures	Name of the External Experts
2009-10	Plant, Genetic Engineering Application and Future Prospects	Dr. P.Venkatachalam, Asst Professor, Periyar University, Salem
	Cancer Proteomics	Dr. S.Kannan, Professor, Bharathiyar University, Coimbatore
2010-11	Students counseling	Mr. S. Ram, Director, SriRam Institute New Delhi.
	Bioprocess Technology	Dr. S.Sivapathasekar, Senior Scientist in Biocon, Bangalore
2012-13	Bt cotton	Dr. M.S.Shivakumar, Asst Professor, Department of Biotechnology, Periyar University, Salem
	Global Warming	Mr. K. Naveen Senior Research Fellow, Veterinary College, Namakkal
2013-14	Status of <i>Bt</i> Brinjal in India	Dr. M.S.Sivakumar, Asst Professor in Biotechnology, Periyar University, Salem
	Energy Conservation for combating Global Warming.	Mr. V. Naveen, Research Associate, Department of Veterinary and Animal Sciences, Veterinary College and Research Institute, Namakkal
	Trends in Biotechnology	Dr. S. B. Anand, Asst Professor, Department of Genetic Engineering Madurai Kamaraj University.
	Current Scenario in Plant Tissue Culture	Mr. M. Senthil Kumar, Research Scholar, Dept of Environmental Science, Institute of Shanthi Nikethan, Kolkata. Pin:731235
	Nanoscience and Nanomedicine	Dr. K. Premkumar. M. Sc., Ph. D., Assistant Professor, Department Of Biomedical Sciences, School Of Life Sciences, Bharathidasan University, Tiruchirappali
	Microarray	Mr. Vivek Murali, Founder, Chief Operating & Scientific Officer, Remura Biologicals, Krishnagiri
		Prof. Toshiaki Kambe, Ph.D. Tsukuba University, Japan.
		Dr. S. Kannan, M.Sc., Ph.D HOD, Zoology, Periyar University, Salem.
		Dr. M. K. Gowthaman, M.Sc. M.Phil. Ph.D. Head Biotechnology, CLRI, Chennai.
		Dr. P. Sundar Raj, M.S. Ph.D. Professor Department of Zoology, Bharathiyar University, Coimbatore.
		Dr. G. Gangathara Prabu, M.Sc., M.Phil., Ph.D. Director Kodai Darwin Institute of Research and Technology, Kodaikanal, TN.
		Dr. T.S. Gnanendra, M.Sc., M.Phil., Ph.D. Data Mining and Text Mining Laboratory Department of Bioinformatics, Bharathiyar University, Coimbatore

25. Seminars/ Conferences/Workshops organized & the source of funding

a) National

b) International

Year	Name of the seminar/ Workshop organized by the department	Date	Number of participants	Source of funding	Seminar workshop outcome
2009-10	National Conference on "Advancement in Transgenic Technology" (ADTGT'09)	23.09.09 to 25.09.09	300		To create awareness about the transgenic technology among the students
2009-10	Workshop on "Agri Biotechnology for healthy environment, rural development and employment" (State Level)	05.03.10 to 06.03.10	413	DBT for Rs.0.6 lakhs	Focused on practical training to the farmers, unemployed youth and students on biofertilizer, vermin, composting and mushroom cultivation
	National level Symposium on "medicinal plants & traditional medicines for human welfare"	10-12 th Mar'10	250		Focused on medicinal plants & traditional medicines.
	National Seminar on " Implication of Biotechnology in Folklore medicine"	08.12.10 to 09.12.10	250		To Create awareness on Folklore medicine and biotechnological approaches in conservation
2013-2014	International symposium "Biomillineum", Biosciences research for present and future	08.11.13	300		To Create an awareness on biosciences research among the students community
	National Exhibition	28.2.14	620	TNSTC RS. 20,000/-	Padma Shri Dr. T. Venkadapaty Reddiar, Puducherry
	Lab Training Workshop	28.2.14 to 13.3.14	126		Dr. Vivek Murali

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Technocrazy –Department Association

The activities are as follows

Consumer Awareness Club Activities

- Consumer Awareness rally organized by our college Consumer club on 24.12.2013. It was coordinated by Mrs. Kalaivani.S, Asst Prof., and Department of Biotechnology. 30 student of both UG and PG has participated in the rally

Technocrazy Activities

- Organ awareness camp on 15.06.2010 at Department of Biotechnology, Vivekanandha College of Arts and Sciences for Women (Elayampalayam)
- Blood donation camp on 09.07.2010 at Department of Biotechnology, Vivekanandha College of Arts and Sciences for Women (Elayampalayam)
- Vermi compost training program at Department of Biotechnology, Vivekanandha College of Arts and Sciences for Women (Elayampalayam)
- Mushroom cultivation, Department of Biotechnology, Vivekanandha College of Arts and Sciences for Women (Elayampalayam)
- Azolla cultivation on 20.08.2013 (20 days), Department of

Biotechnology, Vivekanandha College of Arts and Sciences for Women (Elayampalaya)

- Visit to Hematology Lab, Vivekanandha Medical Care Hospital (VMCH) on 18.12.2013 to impart the basic knowledge and importance of clinical laboratory diagnosis. Eight students from I M.Sc Biotechnology participated in the program. The program was coordinated by Mr. K. Mahesh, Assistant Professor in Biotechnology
- Awareness program on Organic farming on 22.02.2014. Power point presentation was done by Ms. M. Saranya and S. Thangamani of III B.Sc Biotechnology. Skid play on Organic farming was done by A.X. Catherine Julie Caroline., A. Revathi, S. Divya Bharathi, C. Kiruthika, N. Arthi, G. Abirami, S. Nandhini, R. Kirubasri and K. Gowsalya
- Field visit for Awareness on biodiversity conservation and solar energy production. Coordinated by Dr. L.R.Gopinath, Head, Department of Biotechnology

35. SWOC analysis of the department and Future plans

24. List of eminent academicians and scientists / visitors to the department

Year	Special Lectures	Name of the External Experts
2009-10	Application of tissue culture in plant improvement	Prof. Dr. M.V. Rao, Professor and Head, Department of Plant Science, Bharathidasan University, Tiruchirappalli.
2010-11	Biodiversity	Dr.C.Kunhi Kannan, Scientist, HOD in Biodiversity Division Institute of Forest Genetics and Tree Breeding, Coimbatore.
	"Medicinal Plants and Their Utilization"	Dr. R. Rajavel, CEO, Research Institute of Indian Medicines, Herbalayas, Namakkal.
2012-13	Biodiversity & Conservation	Mr. V. Sundararaju, IFS (Rtd.), District Forest Officer, Govt. of Tamil Nadu.
2013-14	Conservation of biodiversity	Dr. S. Sahaya Sathish Associate Professor, Department of Botany, St. Joseph's College, Tiruchirappalli.
	Personality Development	Mrs.M.Arulsubila, Associate Professor, Department of Women Studies, Kajamalai Campus, Bharathidasan University, Tiruchirappalli.
	"Facing the challenges of life"	Mr.K.R.Radhakrishanan, Asst.Prof. Department of English, VICAS.
	"Biodiversity –An Overview"	Dr. S. Paulsamy, Associate Prof. in Botany, Kongunadu Arts and science college, Coimbatore.
	Organic farming	Mr. N.Balamoorthy Student of Dr.Nammazhvar.
	Phytochemistry	Mr. R. Senthilkumar, Asst. Prof. in Pharmacy, Swamy Vivekanandha College of Pharmacy

25. Seminars/ Conferences/Workshops organized & the source of funding

a) National

b) International

S.No	Year	Name of the seminar/ Workshop organized by the department	Date	Number of participants	Source of funding	Seminar workshop outcome
1	2009-2010	National Conference on “Advancement in Transgenic Technology (ADTGT’09)	23.09.2009 to 25.09.2009	300		Awareness about the transgenic technology
2	2009-2010	Agri Biotechnology (Regional)	05.03.2010 - 06.03.2010	335	DBT for Rs.0.6 lakhs	Awareness about the role of biotechnology in the agriculture
3	2011-2012	Hands on Training on Mushroom cultivation & exhibition on economic botany (Regional)	28.09.2011	600	-	Awareness about mushroom cultivation and role of plants in edible, agriculture and medicinal value
4	2012-2013	Hands on Training on Horticultural techniques.	12,13.09.2012	800	-	Skills in horticultural techniques.
5	2013-2014	Mega Science Expo-2013	19 to 21.10.2013	5000	-	To Educate School students with innovative information in Sciences.
6		International symposium “Biomillineum” Biosciences research for present and future	08.11.2013	300	-	Awareness on biosciences research among the students community
7		Workshop on entrepreneur development programme on mushroom cultivation	27 to 30.12.2013	800	-	Awareness about strategies to be followed in mushroom cultivation

31. Number of students receiving financial assistance from college, university, government or other agencies

Number of Students	2009-10	2010-11	2011-12	2012-13	2013-14
College	9 (Rs. 40,500)	4 (Rs.40,500)	2 (Rs.16,500)	5 (Rs.38,000)	8 (Rs.49,000)
University	-	-	-	-	-
Government	7 (Rs.30,461)	-	3 (Rs.15,000)	-	2 (Rs.1,00,000)
Other agencies	-	-	-	-	-

33. Teaching methods adopted to improve student learning

- Teaching by the staff using chalk and talk method, over head projector and power point presentation.
- Students seminar using black board, over head projector, power point presentation
- Poster presentation by the students
- Model preparation

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Citizen Consumer Club
- Women's Development Cell
- Green Club

Citizen Consumer Club Activities:

- Consumer Awareness rally was organized by our college Citizen Consumer Club on 24.12.2013. It was coordinated by Dr.M.Periyasamy, Assistant Professor, Department of Botany. 30 students of both UG and PG have taken part in the Food Safety Awareness rally.

- Chart Expo on “Consumer Protection and Awareness” was organized on 15.03.2014 (World Consumer Day) by the Citizen Consumer Club and T.Tulasi (II B.Sc., Botany) won the 1st prize in the chart expo.

Green Club Activities:

For the upliftment of the students, a club was installed in the department on 29.06.2013 by Mr. B.T. Sureshkumar, Head, and Department of Biosciences. Periodically many programmes were conducted for the benefit of the students

S. No.	Date	Name of the Club Activities	Participations
1	29.06.2013	Quiz competition	123
2	13.07.2013	Debate on Natural and Allopathic medication	123
3	17.09.2013	Personality development Program	123
4	16.12.2013	Medical awareness Program	123
5	23.12.2013	Awareness on First aid	123
6	07.09.2013	Quiz competition	123
7	12.10.2013	Drawing competition	123
8	20.01.2014	Legal awareness	123
9	17.02.2014	Mind Block Therapy	123

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> • Good infrastructure and well Equipped Laboratory • Well equipped Digital Library. • Field visit 	<ul style="list-style-type: none"> • Classical Subjects
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> • Schools • Colleges • Research institute such as BSI, CDRI, IFGPT, Spices Board, Botanical Gardens etc., 	<ul style="list-style-type: none"> • Updation of curriculum for day today life activities and opportunities.
FUTURE PLANS	
<ul style="list-style-type: none"> • To start the training classes for Indian forest service and training for Research institute examinations 	

DEPARTMENT OF CHEMISTRY

Q . No.	Information required	Details

30. Details of Infrastructural facilities

Information required	Details		
Library	Central library	Books	914
		Magazine	10
		Projects	300
		CD	50
		Journal	National - 10 International - 7
	Department library	Books	160
		Projects	-
		CD	8
Internet facilities for staff & students	Icenet, 4Mbps		
Total number of class rooms	18		
Class rooms with ICT facilities	02		
Student's laboratories	10		
Research laboratories	01		

31. Number of students receiving financial assistance from college, university, government or other agencies

Number of Students	2009-10	2010-11	2011-12	2012-13	2013-14
College	--		14	10	8

33. Teaching methods adopted to improve student learning

- Demo Based Teaching Method, ICT methodology
- Video based teaching
- Programming through demonstration and on hands training method
- Poster presentation by the students with the help of teacher
- Group Discussion and debate
- Skit play in groups each unit by the students with the help of teacher
- Extension of each unit in the society from where the students through skit play, awareness talk, meetings, etc.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Hypher Cyber Association

The activities are as follows

S. No.	Date	Name of the Event	Description
1	24.12.13	VIIMS Visit	VIIMS Infrastructure.
2	24.12.13	Rally	World Consumer Day , Rally at Tiruchengode.
3	29.01.14	Personality Development Programme	Mr.A.C.Alexander Vais, Trainer, VICAS.
4	12.02.14	RRC Function	Aringar Anna Govt Arts College, Namakkal.
5	03.03.14 to 09.03.14	NSS Special Camp	Pazhakkarakadu, Periyamanali panchayat
6	07.03.14	Women Achievers	II BCA – “D”

Hyper Cyber Association

- Motivational Programme, Yoga and Mental health Programme, Counseling for individual students, Hygienic and health Awareness Programme, First aid Programme through Women Development Cell. Symposium and Club activity Programs like

S. No.	Date	Name of the Event	Participants	Class Strength
1	08.02.14	Intra Course Meet	III BCA	164
2	15.02.14	Intra Course Meet	BCA	280
3	27.02.14	Intra Course Meet Tamil & English Department	I BCA	59
4	01.03.14	Cultural Symposium	BCA	200
5	04.03.14	National Technical Symposium - AKSHAYAM	Dr. J.Sathish kumar, Asst Prof of Computer Science, Bharathiyar University, Coimbatore.	1555(Our Students) 192 (Other Institutions)

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> Well equipped Digital Library. Safety and Security for hostel inmates. Qualified faculties for each discipline. Extended transport mechanism for students and staff. 	<ul style="list-style-type: none"> Staff stability Lack of interest for higher studies.
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> Placement for deserving students. Management contribution for physically disabled students. Providing free education/fee concession for the daughter of non teaching staff Students have the Opportunity to select various fields for their higher studies. Students have the wide Opportunity for Government Job. Students have the opportunity to do research work with fund 	<ul style="list-style-type: none"> Challenges on bringing below average students into extraordinary students Challenges in minimizing absenteeism after a long holiday High competition, Creating awareness among the students

FUTURE PLANS

Planned to apply for the projects through various funding agencies like AICTE, ICMR and CSIR

Planned to identify thrust areas in the field of computer Science and undergo Projects for the benefit of society.

Planned to motivate the staff to publish papers in the National and International Journals

Motivated the staff to present papers in National / International Conferences.

Planned to establish research centre

Motivated students to participate Intercollegiate competitions and obtained awards.

Encourage students to join nationally and internationally reputed organizations

Encourage students to conduct research for sustainable development of human beings

Develop students to publish papers in highly reputed journals

DEPARTMENT OF COMPUTER SCIENCE

Q. No.	Information required	Details	
1	Name of the department	COMPUTER SCIENCE	
2	Year of establishment	B. Sc., M. Sc., M. Phil..	1995-1996 1998-1999 2012-2003
3	Programmes / courses offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., etc.)	B.Sc., Computer Science M.Sc., Computer Science M. Phil. Computer Science	
4	Names of Interdisciplinary courses and the departments/units involved	Nil

33. Teaching methods adopted to improve student learning

- Teaching by the staff using black board, over head projector, power point presentation
- Students seminar using black board, over head projector, power point presentation with the help of teacher
- Poster presentation by the students with the help of teacher
- Skit play in groups each unit by the students with the help of teacher
- Model preparation in groups for each units with help of teacher
- Extension of each unit in the society from where the students through skit play, awareness talk, meetings, etc.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Technocrazy –Department Association

Consumer Awareness Club Activities

- Consumer Awareness rally organized by our college Consumer club on 24.12.2014. It was coordinated by Ms. Santha M, Asst Prof., and Department of Computer Science. 30 student of both UG and PG has participated in the rally

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> • Safety and Security for hostel inmates • Qualified faculties for each discipline • Extended transport mechanism for students and staff 	<ul style="list-style-type: none"> • Inferiority complex of the students • Lack of interest for higher studies • Motherhood and other related marital issues contribute to drop-out rate
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> • Placement for deserving students • Management contribution for physically disabled students • Providing free education/fee concession for the daughter of non-teaching staff 	<ul style="list-style-type: none"> • Strives to build confidence among students • Challenges on bringing below average students into extraordinary students • Challenges in minimizing absenteeism after a long holiday
FUTURE PLANS	
<ul style="list-style-type: none"> • To introduce new certificate courses • To offer skill oriented training programmes to non-teaching staff • To improve language proficiency of under graduate students so as to enhance their job profile and ensure employability • To build effective alumni network • To develop the institution in to one with Potential for Excellence. • Proposed to establish cabinated Staff room and Director Room. • Proposed to establish cabinated Seminar hall and library at all the department. • Proposed to initiate actions for Reaccreditation in the next academic year.

- Group Discussion and debate
- Skit play in groups each unit by the students with the help of teacher
- Extension of each unit in the society from where the students through skit play, awareness talk, meetings, etc.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Hypher Cyber Association

The activities are as follows

Hypher Cyber Association

- Motivational Programme, Yoga and Mental health Programme, Counseling for individual students, Hygienic and health Awareness Programme, First Aid Programme through Women Development Cell. Symposium and Club activity Programs like

S. No.	Date	Name of the Event	Description	Class Strg
1	08.02.14	Intra Course Meet	III BCA	164
2	15.02.14	Intra Course Meet	BCA	280
3	27.02.14	Intra Course Meet Tamil & English Department	I BCA	59
4	01.03.14	Cultural Symposium	BCA	200
5	04.03.14	National Technical Symposium - AKSHAYAM	Dr. J.Sathish kumar, Asst Prof of Computer Science, Bharathiyar University, Coimbatore.	1555(Our Students) 192 (Other Instituti ons)

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> Well equipped Digital Library. Safety and Security for hostel inmates. Qualified faculties for each discipline. Extended transport mechanism for students and staff. 	<ul style="list-style-type: none"> Staff stability Lack of interest for higher studies.
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> Placement for deserving students. Management contribution for physically disabled students. Providing free education/fee concession for the daughter of non teaching staff Students have the wide Opportunity for Government Job. Students have the opportunity to do research work with fund 	<ul style="list-style-type: none"> Challenges on bringing below average students into extraordinary students Challenges in minimizing absenteeism after a long holiday High competition, Creating awareness among the students

FUTURE PLANS

- Planned to apply for the projects through various funding agencies like AICTE, ICMR and CSIR
- Planned to identify thrust areas in the field of computer Science and undergo Projects for the benefit of society.
- Planned to motivate the staff to publish papers in the National and International Journals
- Motivated the staff to present papers in National / International Conferences.
- Planned to establish research centre
- Motivated students to participate Intercollegiate competitions and obtained awards.
- Evolve students to join nationally and internationally reputed organizations
- Encourage students to conduct research for sustainable development of human beings
- Develop students to publish papers in highly reputed journal

DEPARTMENT OF MATHEMATICS

Q. No.	Information required	Details	
1	Name of the department	MATHEMATICS	
2	Year of establishment	B. Sc. M. Sc. M. Phil.	2000-2001 2002-2003 2012-2013

24. List of eminent academicians and scientists / visitors to the department

Year	Special Lectures	Name of the External Experts
2009-10	National level seminar on Recent Technical Sources of Applied Mathematics (26.02.2010)	Dr.C.Durairajan, Bharathidasan University Trichy
	National level seminar on Recent Technical Sources of Applied Mathematics (26.02.2010)	Dr..P.S.Srinivasan, Bharathidasan University Trichy
2010-11	International Seminar on Recent Trends in Pure and advances in Applied Mathematical Sciences (14.03.2011)	Dr.C.Selvaraj, Periyar University Salem-11
	International Seminar on Recent Trends in Pure and advances in Applied Mathematical Sciences (14.03.2011)	Dr.S.Sivasankaran, Sungkyunkwan University South Korea.
2011-12	National Seminar and Intercollegiate Meet (28.01.2012)	
2012-13	State level Workshop on MATLAB (23.01.2013)	Dr.S.Rubanraj, St.Joseph's College ,Trighy.
	Guest Lecture on 19.08.2013	Mr.G.V.Chandrachekar, Gobi Arts and Science college, Gobichettipalayam.
2013-14	Guest Lecture on "Research Methodology"(10.07.2013)	Mr. R. Ramesh, Research Scholar, IIT, Mumbai
	Guest Lecture on "Applications of Mathematics" (19.08.2013)	Mr. G.V. Chandrasekar, Gobi Arts & Sciences college, Gobi
	Guest Lecture on "Topics in Differential Equations" on 07.09.2013	Dr. S. Karthikeyan, Periyar University, Salem
	Guest Lecture on "Women-The Magic Lamp" on 24.02.2014	Mr. P. Venkateswaran, Founder, Mind Research Organization, Erode
	Guest Lecture on "Early Diagnosis and Prevention of Breast Cancer" on 05.03.2014	Mrs. M. Geetha, Vivekanandha College of Nursing, Tiruchengode

25. Seminars/ Conferences/Workshops organized & the source of funding

a) National

b) International

S.No	Year	Name of the seminar/ Workshop organized by the department	Date	Number of participants	Source of funding	Seminar workshop outcome
1	2009-10	National level seminar on Recent Technical Sources of Applied Mathematics	26.02.2010	632	Institutional	
2	2010-11	International Seminar on Recent Trends in Pure and advances in Applied Mathematical Sciences	14.03.2011	560	Institutional	
4	2011-12	National Seminar and Intercollegiate Meet (28.01.2012)	28.01.2012	2084	Institutional	
5	2013-14	National Seminar on Recent Trends in Pure and advances in Applied Mathematical Sciences	05.01.2012	1070	Institutional	

Exhibition : Also every Year We are conducting Exhibition related to Mathematics and Science oriented in our department

26. Student profile programme/course wise:

Year	Name of the Course	Applications Received	Enrolled		Pass Percentage	
			Male	Female	Male	Female
2009-10	B. Sc.,	378	-	341	-	93.1
	M. Sc.,	33	-	33	-	67.6

Employed					
• Campus selection					
• Other than campus recruitment		4	29	15	28
Entrepreneurship/Self-employment					

30. Details of Infrastructural facilities

Information required	Details		
Library	Central library	Books	3113
		Magazine	13
		Projects	688
		CD	5
		Journal	National & International - 49
	Department library	Books	
		Projects	
		CD	
Internet facilities for staff & students	5		
Total number of class rooms	19		
Class rooms with ICT facilities	Nil		
Student's laboratories	Nil		
Research laboratories	Nil		

31. Number of students receiving financial assistance from college, university, government or other agencies

Number of Students	2009-10	2010-11	2011-12	2012-13	2013-14
College	20	39	36	97	40
University					
Government					
Other agencies					

33. Teaching methods adopted to improve student learning

- Teaching by the staff using black board, power point presentation
- Students seminar using black board, over head projector, power point presentation with the help of teacher
- Poster presentation by the students with the help of teacher
- Skit play in groups each unit by the students with the help of teacher
- Model preparation in groups for each units with help of teacher
- Extension of each unit in the society from where the students through skit play, awareness talk, meetings, etc.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Department Association
- Sigma Club Activities

Consumer Awareness Club Activities

- Consumer Awareness rally organized by our college Consumer club on 24.12.2014. It was coordinated by Mrs. Nmegala, Asst Prof., and Department of Mathematics. 30 student of both UG and PG has participated in the rally

Sigma club Activities

To bring out students hidden talents every Wednesday we are conducting the activities like Maths Quiz, Mono Act, Math word chain, Puzzles, Seminar in mathematical topics for the students.

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> • Qualified and well experienced faculty members • Well equipped Digital Library. 	<ul style="list-style-type: none"> • Staff stability
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> • After UG, Students have the Opportunity to select the various fields for their higher studies. • Students have the wide Opportunity for Government Job. • Students can do research work with fund 	<ul style="list-style-type: none"> • High competition, Creating awareness among the students
FUTURE PLANS	
<ul style="list-style-type: none"> • To establish the Ph.D programme in the Department • Evolve students to join nationally and internationally reputed organizations • Develop students to publish papers in highly reputed journals • Evolve patentable work for future human needs 	

DEPARTMENT OF MICROBIOLOGY

Q. No.	Information required	Details	
1	Name of the department	MICROBIOLOGY	
2	Year of establishment	B. Sc., M. Sc., M. Phil., Ph. D.,	1995-1996 1999-2000 2002-2003 2002-2003

2	Dr. P. Vijayalakshmi	National	Institutional	1,00,000.00
3	Dr. A. Malarvizhi	National	Institutional	50,000.00

17. Department Projects Funded by DST-FIST, DBT, ICSSR, etc., and total grants received

Nil

18. Research Centre / facility recognized by the University

Department is recognized for both M. Phil. and Ph. D. Research programs. Separate research laboratory is available for Microbiology, Immunology, Biotechnology and Molecular biology work. The major instruments available are listed below.

S. No.	List of major instruments
1	UV Spectrophotometer
2	Microcentrifuge
3	High speed centrifuge
4	-20°C Deep freezer
5	Autoclaves
6	Microscopes
7	Incubators
8	Micro photographic facility
9	Trinocular Microscope with photographic facility
10	Laminar Air flow Chamber
11	Electrophoresis Apparatus
12	Western Blotting
13	DNA Transilluminator
14	ELISA Microplate Reader
15	Hot air oven

19. Publication

Information required	Details	
Publication per faculty	9	
Number of papers published in peer reviewed journals (national /international) by faculty and students	International	National
	65	21
Number of publications listed in International Database (For Eg: Web of Science, Scopus, Humanities International Complete, Dare Database - International Social Sciences Directory, EBSCO host, etc.)	20 sequences Submitted in NCBI	Nil
Monographs	Nil	
Chapter in Books	Nil	
Books Edited	Nil	
Books with ISBN/ISSN numbers with details of publishers	Nil	
Citation Index	Nil	
SNIP	Nil	
SJR	Nil	
Impact factor	Nil	
h-index	Nil

22	Student Projects	2009-10	2010-11	2011-12	2012-13	2013-14
	Percentage of students who have done in-house projects including inter departmental/programme	22	22.95	32.6	66.66	26.31

23. Awards / Recognitions received by faculty and students

Faculty

1. Dr. K. Moorthy, Research Coordinator and Professor, Department of Microbiology was honored the “BEST CITIZEN AWARD” by International Publishing House, New Delhi in 2010.
2. Dr. K. Moorthy, Research Coordinator and Professor, Department of Microbiology was honored the “ RASHTRIYA GAURAV AWARD” by International Publishing House, New Delhi in 2010.

Ph. D. Research Scholars

1. Miss. A. S. Saranya, awarded Ph. D. Scholarship from Periyar University from 2014 onwards and Dr. Vivekanandha Endowment Award for best Student of the Department 2012.

AWARDS AND RECOGNITION RECEIVED BY THE STUDENT IN
EXTRA CURRICULAR AND CO- CURRICULAR ACTIVITIES

Year	Name of the Students	Programme Details	Name & Place of the Institution from where the awards was received	Name of the Award/Prize
2009-2010	Ms.R.Radha - I M.Sc., AMB	National level symposium PRAXIS X – Group Dance – 26 th & 27 th February 2010	Government College of Technology, Coimbatore	First place
	Ms.R.Radha I M.Sc., AMB	Acted as referee in 2 nd South Zone Championship, – 20 th and 21 st February 2010	Gandhi Stadium, Salem	First place
	Ms.R.Radha I M.Sc., AMB	Fly - 2 nd South Zone Championship, 20 th and 21 st February 2010	Gandhi Stadium, Salem	Gold Medal
	Ms.R.Radha - I M.Sc., AMB	District level cultural Festival in event Folk Dance [Group] – 29 01.2010	Nehru Yuva Kendra, Namakkal	First Place
	Ms.R.Radha - I M.Sc., AMB	South Zone championship – 3 rd & 4 th October 2009.	Gurudhayal Sharma Thirumana Mandapam, Thanjavur	Gold Medal
	Ms.R.Radha - I M.Sc., AMB	Acted as referee in State Championship - 26 th April, 2009	A.K.Mahal Thiruvanakovil, Trichy	Second prize
	Ms.R.Rajeswari – M.Sc., AMB	Vivekanandha Quiz Competition – 3 rd Feb, 2009.	Vivekanandha College	Second prize
2010-2011	Naveena Moideen.A.K Nasima.A, AminaBibi, Sajana K. A III BSc MB	Group dance	PGP College – Namakkal	I Prize
			Zetalots – Salem	II Prize
			Beta it – Salem	II Prize
			AVM Productions, Erode	I Prize
2011-2012	Ms.D.Vanitha., III BSc MB	Kabaddi competition	Namakkal district, 20.8.2011 & 21.8.2011	Kalakkal kabaddi championship I Place
			Intercollegiate kabaddi tournament, Uthangarai on 12.9.2011 to 13.9.2011.	II place
			Intercollegiate kabaddi tournament, Salem	III place
			National level intercollegiate tournament on 3.2.2012 and	I place

			5.2.2012.Won 4 th PSN trophy	
			Kalakkal kabaddi-Kabaddi premier league for women held at Erode on 5.2.2012 and 12.12.2012.	Won Jai chakra cup
2012-2013	Ms.D.Vanitha., III BSc MB	Kabaddi competition	Mettur , Salem	III
			Perambalur	III
			Annagour, Namakkal	IV
			Modakurichi ,Erode	III
			Tiruchencode ,Namakkal	III
			PSN trophy, Tirunelveli	III
			Salem	I
			Mettur, Salem	I
			CM trophy, Sivakasi	III
			Padmavani Arts and Science college, Salem	I
2013-2014	Ms.D.Vanitha., III BSc MB	District level-Kabaddi	CM Trophy, Namakkal	I
		National-Kabaddi	PSN trophy, Tirunelveli	III
		State-Kabaddi	Salem	I
		State-Kabaddi	Mettur,Salem	I
		All India-Kabaddi	CM trophy,Sivakasi	III
	T.Punitha Ph.D scholar	Paper presentation on the topic In vitro screening of Antimicrobial. In	International conference on Nanobio, Biomimetic materials & its applications- BIOSUMMIT- 2014 in Hindustan Institute of Technology and College of Arts and Sciences, Coimbatore.	II prize

24. List of eminent academicians and scientists / visitors to the department

Year	Special lectures	Name of the External Experts
2009-2010	Applications of Transgenic technology in Sericulture	Dr.N.Munirajappa, Chairman, Dept of Sericulture, Bangalore University, Bangalore
	Prospects of Genetic engineering in Marine organisms for mitigation of global warming and sea level raising.	Dr.K.Kathiresan, Professor, Center of Advanced study in Marine Biology, Annamalai university, Parangipettai.
	Transgenic Plants in Crop Improvements	Dr.K.K.Kumar, Associate Prof, Dept of Plant Molecular Biology, TNAU, Coimbatore
	Biotechnological applications for rubber tree improvements	Dr.P.Venkatachalam, Reader, Periyar University, Salem-11
	Environmental Genomics	Dr.M.Krishnan, Prof & Head, Bharathidasan University, Tiruchirapalli.
	Strain improvement in Industrial important organism.	Dr.K.Swaminathan, Prof & Head, Dept of Biotechnology, Bharathiyar University, Coimbatore.
	Genetic engineering of Crop plants for cold tolerance	Dr.R.Sathish Kumar, Dept of Biotechnology, Bharathiyar University, Coimbatore.
	Microalgal in Biofarming	Dr.N.Thajudin, Prof & Head, Department of Microbiology Bharathidasan University, Tiruchirapalli
	Metabolic engineering with reference to Cucumber, Soyabean and Rhodophyllum hexandrum.	Dr.A.Ganapathy, Prof, Dept of Plant biotechnology, Bharathidasan University, Tiruchirapalli
	Transgenic technology-A new boon to Mankind	Dr.M.Vivekanandan, Director, Biosciences Vivekanandha college of Arts and Sciences, Tiruchengode, Namakkal dt.
2010-2011	Biotechnological aspects of Actinomycetes	Dr.R.Balagurunathan, Associate professor, Department of Microbiology, Periyar University, Salem-11.
	Agri-Biotechnology	Dr.A.Sathianarayanan, Scientist, GGEF, Pudhucherry.
	Bio Dynamic Farming	Mr.A.Bharath Raman, Agro Bio Care, Dharmapuri.
	Biopesticide for Sustainable agriculture	Dr.K.Murugan, Prof in Zoology, Bharathiyar University, Coimbatore.
	Biofertilisers	Dr.R.Jayakumararaj, Head, Dept of Botany, Raja Doraisingam Govt Arts College, Sivagangai.
	Bank loan facilities for Agri-Biotechnology	Mr.K.Karunakaran, Ast Manager, State Bank of India
2011-2012	Applications of Molecular tools in detection of harmful algal blooms.	Dr.N.Thajudin, Prof & Head, Department of Microbiology Bharathidasan University, Tiruchirapalli

	Applications of Molecular tools in field of medical microbiology	Dr.K.Natarajaseenivasan, Associate Professor, Dept of Microbiology, Bharathidasan University, Trichy
	Molecular pathogenesis of HIV/AIDS	Dr.S.Mahalingam, Associate Professor, Dept of BT, IIT-Chennai.
	Synthetic biology-Trends	Dr.Akila Kalaiselvan, Director, Sculpture Institute of India, Chennai
	Nanobiotechnology	Dr.P.T.Kalaiselvan, Professor, CAS in Botany, Guindy, Campus, Madras University, Chennai
	Personality Development	Mr.Madhu Jackson.S.
	Quorum sensing in Bacteria	T.S.Gnanendra, Head, Department of Bioinformatics, VICAS.
2012-2013	Trends in Microbial fermentation	Dr.N.Parthasarathy, Dean, Rajalakshmi Engineering college, Thandalam, Chennai.
	Successful applications of Microbial Biotechnology in Petroleum Industry.	Dr.D.Ramesh Kumar, CEO, Salem Microbes pvt ltd, Salem.
	Recent advances in Diagnosis of Parasitic infections	Dr.Subash Chandra Parija, Prof and Head Dept of MB, JIPMER, Pudhuchery
	IgY technology in Human and Animal welfare	Dr.A.Michael, Associate Prof and Head, Dept of MB, PSG college, Coimbatore.
	Pediatric Viral Infections	Dr. Prem Anand Balraj, Research Scientist, Temasek Life science Laboratory, National University of Singapore, Singapore.
2013-2014	Jumping Viruses- Mysteries of cross species translation	Dr.P.Rajendran, Professor, Department of Microbiology, Sri Ramachandra Medical college and Research institute, Chennai.
	Challenges in the Diagnosis and Management of Re-emerging Infections in India	Dr.Subash Chandra Parija, Professor & Head, Department of Microbiology, JIPMER, Pudhucherry.
	Mechanisms of Drug resistance in clinically important bacteria	Dr.B.Appalaraju, Professor and Head, Department of Microbiology, PSGIMS, Coimbatore
	Global trends in HIV pathogenesis and Vaccines	Dr.Luke Elizabeth Hanna. Scientist 'C' National Institute for Research in Tuberculosis, Chetput, Chennai
	Food safety standards and Food law	Dr.M.Krishnamoorthy
	Bioremediation	Dr.Seralathan Kamala Kannan, South Korea
	Human Microbiome and health	Dr.D.Ramesh Kumar, Salem microbes pvt ltd, Salem
	Filariasis	Dr.G.Sargunam, Ex-JD, TANSACS
	Personal hygiene	Miss.T.Punitha, Ph.D Scholar, VICAS

25. Seminars/ Conferences/Workshops organized & the source of funding

a) National

b) International

Year	Name of the seminar/ Workshop organized by the department	Date	Number of participants	Source of funding	Seminar workshop outcome
2009-2010	National Conference on “Advancement in Transgenic Technology (ADTGT’09)	23.09.2009 to 25.09.2009	300	Self	To create awareness about the transgenic technology among the students
2009-2010	National Workshop on “Agri Biotechnology for healthy environment, rural development and employment” (State Level)	05.03.2010 to 06.03.2010	413	DBT for Rs.0.6 lakhs	Focused on practical training to the farmers, unemployed youth and students on biofertilizer, vermin, composting and mushroom cultivation
2010-2011	National seminar on Molecular Diagnosis Of Infectious Diseases” (Moldid’11)	23.2.2011& 24.2.2011	550	Self	To disseminate the recent trends in molecular diagnosis
2011-2012	National seminar on Advancements in Microbial Technology-(ADMT’12)	21.2.2012 & 22.2.2012	307	Self	To enlighten the students on the advances in Microbial technology.
2012-2013	National seminar on Emerging Trends and Global Perspectives on Infectious Diseases - ETGPID’13	21.2.2013 & 22-2-2013	405	Self	To create awareness to the participants in recent emerging trends and global perspectives on infectious diseases.
2013-2014	International symposium “Biomillineum”, Biosciences research for present and future	08.11.2013	300	Self	To Create an awareness on biosciences research among the students community
2013-2014	One day Workshop on Biofertilizer and Mushroom Cultivation-BMC’13	1.02.2013	100	Self	To develop the entrepreneurship skills of the participants in mush room cultivation and Biofertiliser production.
2013-2014	Bioexhibit	25.1.2014	700	self	To commemorate the National science day’2014.To motivate the student community in creativity and innovative ideas in science.
2013-2014	National science day work shop	1.3.2014 to 12.3.2014	126	Self	To commemorate the National science day’2014 and to give hands on training to the students on Molecular tools.

26. Student profile programme/course wise:

Year	Name of the Course	Applications Received	Enrolled		Pass Percentage	
			Male	Female	Male	Female
2009-10	B. Sc.,	80	-	66	-	89.39
	M. Sc.,	103	-	88	-	98.80
	M. Phil.	15	-	12	-	100.00
2010-11	B. Sc.,	70	-	53	-	77.35

33. Teaching methods adopted to improve student learning

- Teaching aids used by the staff - Black board, Over Head Projector, Power point presentation
- Students seminar using black board, over head projector, power point presentation with the teacher as a facilitator.
- Poster presentation by the students.
- Skit play in groups.
- Model preparation in groups for each units with help of teacher

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Jennerian club activity –Department Association
- Blood donor club

JENNERIAN CLUB ACTIVITY				
S.No	Date	Name of the activity	Nature of the activity	Participants
Jennerian club activity- 2010-2011				
1	14.07.2010	General Knowlwdge	Quiz competition	II M.Sc., AMB
2	21.07.2010	Science & Technology is beneficial for the common people".	quiz competition and debate	II M.Sc.,AMB & III B.Sc., MB
3	28.07.2010	"Mobile usage is beneficiary for campus".	Debate & Short Speech with interactions	II M.Sc., AMB & III B.Sc.MB
4	02.08.2010	"Friendship can be maintained after their marriage	Frriendsip Day Celebrations with debate	II M.Sc. MB.
5	13.08.2010	A sanitary awareness programme		
6	26.08.2010	General topics	Short speech with interactions	I M.Sc., AMB & III B.Sc MB
7	15.09.2010	Bioplastics and its Degradation.	Power point presentation	II M.Sc.,AMB
8	19.01.2011	How to appear before the interview committee	Lecture	III B.Sc., MB

2	10.8.2011	Joint family vs Nuclear family	Debate	III BSc & II MSc
3	17.8.2011	How to Attain success in life, Mental health, Super bugs, Cold chain, Amazing Facts.	Short Speech with interaction"	III BSc & II MSc
4	24.08.2011	Tobacco mosaic virus and Clostridium tetani	Power point presentation	III BSc & II MSc
5	14.09.2011	Adolescent health	Group discussion	III BSc & II MSc
6	21.12.2011	Nano technology and its applications in medicine	Power point presentation	III BSc & II MSc
7	28.12.2011	Exercises in communication	Group exercises, 8Power point presentation, Role play	III BSc & II MSc
8	04.1.2012	Behaviour change communication	Power point presentation	III BSc & II MSc
9	25.1.2012	Save the girl child	Power point presentation	III BSc & II MSc

JENNERIAN CLUB ACTIVITY				
S.No	Date	Name of the activity	Nature of the activity	Participants
Jennerian club activity- 2012-2013				
1	12.07.2012	“Effective and powerful personality development tips”	Lecture	III BSc & II MSc
2	18.07.2012	“Exercise on Character building”	Character Inventory Game	III BSc
3	03.08.2012	“Quiz programme”	Quiz	III BSc , II MSc , I MSc
4	17.08.2012	-“Paediatric Viral infections”	Guest lecture by Dr.Bal raj Premanand from Singapore	Dept of MB and BT
5	02.01.2013	“Food Fads”	Group discussion	<u>I M.Sc., III B.Sc.,</u>
6	29.01.2013	“Anaemia screening” in VMCH lab	Lab examination	<u>I M.Sc., and III B.Sc.,</u>
7	02.02.2013	Mini Exhibition on “Anaemia awareness”.	Exhibition	Dept of MB
Jennerian club activity- 2013-2014				
1	27.06.2013& 29.06.2013	What’s in your mind	Individual activity- Oral presentation	III BSc & II MSc
2	13.07.2013	Traditional and Modern culture-Merits and Demerits	Debate	All students of Dept of MB
3	13.07.2013	Biosynthesis of Silver and Gold nanoparticles using microbial biomass	Power point presentation	All students of Dept of MB
4	13.07.2013	Health & Medicine- Nanogold	Power point presentation	All students of Dept of MB
5	25.07.2013	Microbiology cross word puzzle	Group activity	II M.Sc., III B.Sc., MB
6	07.08.2013	Food safety standards and Food law	Guest lecture by Dr.M.Krishnamoorthy	I M.Sc., and III B.Sc.,B
7	21.08.2013	Bioremediation	Guest lecture by Dr.S.Kamalakaran	Dept of MB
8	13.9.2013	Postafest’2013	Poster presentation	II M.Sc., and III B.Sc., MB
9	27.12.2013	Microbiome and health	Guest lecture	All bioscience students
10	28.12.2013	Geriatric problems	Group discussion	II M.Sc., III B.Sc., MB
11	03.01.2014	Filariasis	Guest lecture	All students of MB
12	23.01.2014	HIV/AIDS	Quiz competition	II B.Sc., III B.Sc., MB
13	07.02.2014	Mental Defense mechanism	Role play	I M.Sc., and III B.Sc., MB
14	08.02.2014	Personal hygiene from head to toe	Awareness programme	All students of MB

Extension activities:**SANITARY AWARENESS PROGRAMME**

On 13.08.2010-A sanitary awareness programme was conducted in the club nearly six batches were arranged with an informative charts, culture plates, pamphlets and bit notices were distributed. Club members created awareness for the various departments like English, Biotechnology, Biochemistry, and Bioinformatics. Our students explained clearly about the usage of toilet to avoid infections. Many health tips were given to overcome the infections. On 19.08.2010, the sanitary awareness programme was extended to other departments that include Physics, Chemistry, Maths, Botany, Zoology and Tamil.

CITIZEN CONSUMER CLUB

All the students of department of Microbiology have got enrolled as member of the Citizen Consumer Club on 5.10.2013.

NATIONAL CONSUMER DAY AWARENESS RALLY

1	2009-2010	Students participated in Medicare to tribal people (HIV&HPV), Karumandhurai – Namakkal
2		Medicare to pregnant women (TORCH infections),Salem
3	2010-2011	Nil
4	2011-2012	Medical camp in Vellimalai,Kallakurichi
5	2012-2013	Assessing the epidemiology of HPV among the tribal women in Ooty
		TORCH prevalence among the pregnant population in Kerala

National consumer day awareness rally was jointly organized by Citizen Consumer Club of Vivekanandha College of Arts and Sciences for Women and the District supply and Consumer protection officers Dr.K.Tamilselvan, Mr.C.Ramakrishnan, Regional Coordinator, FS & CR Mr.Chokkalingam on 24.12.2013 from Tiruchencode on Food safety and Consumer rights. A number of 32 students from our department participated in this rally. A lecture was delivered in the afternoon was delivered on Food safety and Consumer rights.

MOTIVATIONAL PROGRAMME IN ENGLISH

In order to motivate the students to learn English easily for that a movie was played on the drama **“The Merchant of Venice”** on 28.12.2013 for all the I and II UG students of Biosciences department. Nearly 270 students viewed the movie.

MOTIVATIONAL PROGRAMME IN TAMIL

On 28.12.2013 a motivational programme was arranged by the department for the I and II UG students of the entire Biosciences department in the Tamil seminar hall. Various competitions like Debate, Kavithai, and Singing competition were conducted for the students. Totally 280 students participated in the programme.

The prize winners are:

- Chippy.C.Anand-II BSc Microbiology-I prize-Singing competition
- A.S.Swarnalakshmi- II BSc Microbiology-II prize-Singing competition
- S.Sumega, P.Indhuja, V.Sharmila, N.Saranya of team led by M.Durga group secured I place in debate.

VIVEKANANDHA MEGA EXPO AND AIR SHOW

The management organized a mega expo 2013 on 19.10.2013 to 21.10.2013 in VCW. The department of microbiology participated in the expo and presented 18 models.

ELITE ENGLISH EXPO'13

The Department of English organized an Elite English expo'13 on 1.10.2013. All the students of our department visited the expo.

NATIONAL SCIENCE DAY CELEBRATIONS

24.2.2014 to 7.3.2014 National science day was celebrated in three phases. In the first phase different competitions were held for the non science students in the following: vegetable carving, salad preparation, oratorical competition etc and in the second phase National science day celebration was organized on 28.1.2014 by inviting Padmashri,

Dr.Venkatapathi Reddiar, the first farmer to receive the award. In connection with this, Bioexhibit was also arranged and best exhibits were selected and prizes were given. In the third phase 12 days workshop was organized for 126 bioscience students in molecular techniques from March 1st to 12th March 2014

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> • Qualified and well experienced faculty members • Well equipped Digital Library. • Well equipped class rooms and laboratories. 	<ul style="list-style-type: none"> • Staff stability
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> • Placement-on campus drive • Women development through women development cell. • After UG, Students have the Opportunity to select the various fields for their higher studies. • Awareness on consumer rights through citizen consumer club. • Students have the wide Opportunity for Government Jobs. • Fee concession for parentless and poor • Free education for meritorious students through Arivu thiran. • Free education for those who excel in sports. • Students can do research work with external fund 	<ul style="list-style-type: none"> • Imparting quality education to rural students ailing from tamil medium and to make them excel in their career.

FUTURE PLANS
<ul style="list-style-type: none"> • To Establish Collaborative research works with other University Departments. • Encourage students to conduct research for sustainable development of human beings. • To establish nodal agency for medical virology and pharmaceutical microbiology. • To introduce health care technology. • Develop students to publish papers in highly reputed journals • Evolve patentable work for future human needs • To conduct social awareness and Health care programmes (Awareness of sexually transmitted diseases) periodically in adopted villages.

DEPARTMENT OF PHYSICS

Q. No.	Information required	Details	
1	Name of the department	PHYSICS	
2	Year of establishment	B. Sc. M. Sc. M. Phil.	2003-2004 2003-2004 2009-2010
3	Programmes / courses offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., etc.)	B.Sc. Physics M.Sc. Physics M. Phil. Physics	
4	Names of Interdisciplinary courses and the departments/units involved	Nil	
5	Annual / Semester / Choice Based Credit Systems	UG and PG M. Phil.	Semester pattern and Choice Based Credit System – Annual pattern and Choice Based Credit System
6	Participation of the department in the courses offered by other departments	Courses	Department
		B. Sc.- Allied	Mathematics, Chemistry
		B.Sc.-Language	English, Tamil, Malayalam
		B. Sc. Non Major Elective	Chemistry, Mathematics and all other departments
		B. Sc. Skill Based Elective	All other departments
		M. Sc. Elective and Extra disciplinary course	Chemistry and all other departments
		Add-on-Course	All UG and PG Departments
7	Courses in collaboration with other universities, industries, foreign institutions, etc	NIL	
8	Details of courses/programmes discontinued (if any) with reasons	NIL	

9. Number of Teaching Posts Sanctioned and Filled

Designation	Sanctioned	Filled
Professor	3	3
Associate Professor	5	5
Assistant Professor	17	17

10. Faculty Profile

Name	Qualification	Designation	Specialization	Experience (years)	No. of Ph.D. Students guided for the last 4 years
Dr. N. Jayamani	M.Sc., M.Sc., Ph.D.,	Professor and Head	Material science	12	
Mr.Jayaseelan	M.Sc.,M.Phil.,	Professor	Material science	12	
Dr. G. Kandiban	M.Sc.,M.Phil., Ph. D.	Professor	Non-Linear Dynamics	11	
Mrs.K.Sujatha	M.Sc.,M.Phil.,	Assi. Professor	Thinfilm	10	
Mrs.E.Gladis Anitha	M.Sc.,M.Phil.,	Assi. Professor	Dye sensitized solar cells	10	
Mr.P.Suresh	M.Sc.,M.Phil.,	Assi. Professor	Crystal growth	10	
Mr.P.Bagiyaraj	M.Sc.,M.Phil.,	Assi. Professor	Dielectric materials	9	
Mrs. S. Anjelin Ursula Portia	M.Sc.,B.Ed., M.Phil,	Assi. Professor	Thinfilm	9	
Ms. M.Indhumathy	M.Sc.,M.Phil,	Assi. Professor	Quantum Mechanics	8	
Mrs. N. Latha	M.Sc.,M.Phil,	Assi. Professor	Crystal growth	7	
Mrs.M.Malarvizhi	M.Sc.,M.Phil,	Assi. Professor	Thinfilm	7	
Dr.A.Prakasam	M.Sc.,M.Phil., Ph. D.	Assi. Professor	Dye sensitized solar cells	7	
Mrs. B. Lakshmi	M.Sc.,M.Phil,	Assi. Professor	Lattice Dynamics	5	
Ms.R. Meenakshi	M.Sc.,M.Phil,	Assi. Professor	Thinfilm	4	
Mrs. S.Na.Shereenaa	M.Sc.,M.Phil,	Assi. Professor	Non-Linear Dynamics	5	
Ms. N.Sangeetha	M.Sc.,M.Phil.,	Assi. Professor	Nuclear Physics	3	
Mrs.S.Kalaivani	M.Sc.,M.Phil.,	Assi. Professor	Solar Radiation	3	
Mrs. N.Mohan priya	M.Sc.,M.Phil.,	Assi. Professor	Crystal growth	1	
Mrs. T. Girija	M.Sc.,B.Ed.,	Assi. Professor	Spectroscopy	1	
Ms.C.Indira Priyadharsini	M.Sc.,M.Phil.,	Assi. Professor	Dye sensitized solar cells	1	
MS.P.Sudha	M.Sc.,B.Ed., M.Phil.,	Assi. Professor	Crystal growth	1	
Ms.N.K.Chitra	M.Sc.,	Assi. Professor	Vibrational Spectroscopy	1	
Ms.R.Ramyadevi	M.Sc.,M.Phil.,	Assi. Professor	Quantum mechanics	1	
Mrs.M.Karthiga	M.Sc.,M.Phil.,	Assi. Professor	Crystal Growth	1	
Ms.J.Tamilkani	M.Sc.,M.Phil.,	Assi. Professor	Vibrational Spectroscopy	4Months

24. List of eminent academicians and scientists / visitors to the department

Year	Special Lectures	Name of the External Experts
2009-10	Nano Technology	Dr.C.Sekar, Assistant Professor, Periyar University, Salem
	Bio Physics	Dr.M.N.Ponnusamy, Director & Professor, Department of Crystallography & Biophysics, University of Madras, Chennai-25
2010-11	Magneto Hydro Dynamics	Dr.K.Somasundaram, Professor & Head, Department of Computer Science & Applications, Gandhi Gram Rural Institute , Gandhigram
	Solar Cell	Dr. V. Raman, Senior Scientist, Centre for Fuel Cell Technology (ARCI), Chennai - 600 113.
2012-13	Nano Technology	Dr. R. Jayavel, Professor & Director, Center for Nano Science & Technology, Anna University , Chennai.
	Theoretical Physics	Dr. D. Rajendran, Senior Scientist, Department of Animal nutrition, NIANP, Bangalore
2013-14	EQ Empowerment	Dr. M. Jamal Mohamed Jafar, Professor & Head, Department of Physics, Jamal Mohamad College, Trichy
	Spectroscopy Techniques	Dr. S. Deiva Malar, Assistant professor, Department of physics, Govt Arts College, Pudukkottai.
	Crystal Growth Techniques & Their studies	Dr. P.Srinivasan, Assistant professor, Department of physics, Anna university college of Engineering, Panruti.
	Health Awareness programme	Dr.S.Ranimaheswari, Vivekanandha medical care hospital, Tiruchengode
	Physico chemical characteristics of Carbon	Dr.G.sekaran, Chief scientist, Central Leather Research Institute, Chennai
	Positive emotions and their wellbeings	Ms. J.Parameswari, Assistant Professor, Department of Psychology, Periyar university, Salem
	Nano Materials	Dr.G.Mohan Rao, Professor, Department of Applied Physics, IISC, Bangalore

25. Seminars/ Conferences/Workshops organized & the source of funding

a) National

b) International

S.No	Year	Name of the seminar/ Workshop organized by the department	Date	Number of participants	Source of funding	Seminar workshop outcome
1	2009-2010	Recent Trends In Physical Science	22.01.2010	450		Focused on Recent trends in physical sciences.
2	2011-2012	National conference on Recent Trends in Nano-Science and Technology	23.1.2012 & 24.1.2012	475		To Enrich the students knowledge in Nano science
3	2012-2013	National Conference on Recent trends in materials science	28.02.13	486		To Create an awareness on Nano materials research among the students community
4	2013-2014	Workshop on paper Origami	27.12.13	420		To Enrich the students knowledge in extracurricular activities
5		National Conference on Recent trends in materials science	25.01.14	500		To Create an awareness on Nano materials research among the students community

26. Student profile programme/course wise:

Year	Name of the Course	Applications Received	Enrolled		Pass Percentage

31. Number of students receiving financial assistance from college, university, government or other agencies

Number of Students	2009-10	2010-11	2011-12	2012-13	2013-14
College	3 (50,000)	6 (2,40,000)	6 (1,20,000)	9 (5,70,000)	5 (2,50,000)

33. Teaching methods adopted to improve student learning

- Teaching by the staff using black board, over head projector, power point presentation
- Students seminar using black board, over head projector, power point presentation with the help of teacher
- Poster presentation by the students with the help of teacher
- Skit play in groups each unit by the students with the help of teacher
- Model preparation in groups for each units with help of teacher
- Extension of each unit in the society from where the students through skit play, awareness talk, meetings, etc.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities

Department's students are part of

- National Service Scheme (NSS)
- Youth Red Cross (YRC)
- Red Ribbon Club (RRC)
- Consumer Awareness Club
- Women's Development Cell
- Soliton –Department Association

The activities are as follows

Consumer Awareness Club Activities

- Consumer Awareness rally organized by our college Consumer club on 24.12.2013. It was coordinated by Ms. Sangeetha .N,

Asst Prof., and Department of Physics. 30 student of both UG and PG has participated in the rally

Soliton Activities

- Visit to Medical Instrument Lab, Vivekanandha Medical Care Hospital (VMCH) on 24.09.2013 & 25.09.13 to enrich the basic knowledge in importance of X-rays, MRI scan, ECG & CT scan. 85 students from III B.Sc Physics participated in this program.
- Awareness program on prevent the Electricity on 04.10.2013. Power point presentation was done by Ms. K. Keerthana and D. Sangeetha of II M.Sc Physics.
- Field visit for III B.Sc.,PHYSICS students to know the Instrumentation Technique at Salem Steel plant on 21.12.13 & 28.12.13 to Coordinated by Dr. N. JAYAMANI, Head, Department of Physics

35. SWOC analysis of the department and Future plans

STRENGTH	WEAKNESS
<ul style="list-style-type: none"> • Qualified and well experienced faculty members • Well equipped Digital Library. 	<ul style="list-style-type: none"> • Staff stability
OPPORTUNITY	CHALLENGES
<ul style="list-style-type: none"> • After UG,Students have the Opportunity to select the various fields for their higher studies. • Students have the wide Opportunity for Government Job. • Students can do research work with fund 	<ul style="list-style-type: none"> • High competition, Creating awareness among the students
FUTURE PLANS	
<ul style="list-style-type: none"> • To develop department into specialized research center for Nano science & Technology Research center. • Evolve students to join nationally and internationally reputed organizations • Encourage students to conduct research for sustainable development of human beings • Develop students to publish papers in highly reputed journals • Evolve patentable work for future human needs

Dr. C. Sylender Babu IPS College Visit

Cultural Activity

3. Post-accreditation Initiatives

The IQAC of the college has been formed as an advisory committee for the academic activities and co-curricular programs, aiming at evolving the institution into a centre of excellence in women's Education. It also functions as a facilitator in deskwork and research activities. The institution upgrades regularly the infrastructure to create a best learning environment for the student welfare activity.

2009-10

- Master of Business Administration course was introduced
- Each Department is provided with computer systems of latest version
- A Red- Ribbon club was inaugurated with a rural programme of 'Aids Awareness'.
- M.Phil courses were introduced in the departments of Tamil, English, Chemistry and Botany.
- The full time Doctoral research programme was introduced in the Botany Department.
- Dr L.R. Gopinath Assistant professor in the Department of Bio-Technology received a grant to the tune of Rs 1 lakh for the research state of Ecological services of Sacred Grooves in the light of Biological Diversity act with special reference to KOLLI hills
- Dr.A.Ganesan, Assistant professor in the Department of Tamil was honoured by **ULAGA Tamil Peravai** with title '**Kavi Punal**' and also secured second place in verse writing competition
- He was honored by the government of Tamilnadu with the title '**Makkal Sevager**' for his rendering of service in NSS activities.
- Dr.L.R Gopinath, Assistant professor in the Department of Bio-Technology was awarded for excellence in Ultimate Energy Research by Bollywood star media global foundation.

- The following departments have produced 100% results in various subjects the examination conducted by Periyar University as mentioned below

Department	No of subject produced 100% Result
Tamil	7
English	10
Maths	29
Commerce	7
Computer science & Applications	26
Bio chemistry	2
Physics	13
BBA & BBA(CA)	22
Bio-Technology	05
Total: 121	

2010-11

- A certificate course on Accounting of Business has been started by the Department of Commerce.
- New Academic Programme MCA (Lateral Entry) has been introduced
- Infra-structure was renovated with adequate furniture.
- Digital Library was established with 25 online facilities
- New journals and magazines in different languages were subscribed.
- Reading hours for students and staffs was extended by two hours. (i.e) up to 6 p.m to on all working days
- A committee has been formed with principal as a Head and all the HOD 's of the department as members to look in to the grievances of the students.
- Our Institution has a professional MOU with reputed software companies to inculcate skill set of the latest technology trends to the students. The companies are

- IBM India pvt. Ltd.
- HCL Info Systems
- WIPRO Ltd.

- The following faculties are qualified for SET, NET Examination

S.No	Department	Name of the Faculty	Qualification
1.	Dept of commerce	Mrs.Augustina Lata Jayaraj	NET
2.	Dept of MBA	Mr.M.Thanikaivel	SET

The following departments produced 100% results as mentioned below

Mathematics	08
Commerce	12
Computer science & Applications	46
Bio chemistry	04
Physics	18
Botany	06
BBA & BBA(CA)	06
MBA	10
Micro Biology	07
Total:	135

2011-12

- The major infrastructure development projects housing a large seminar hall, computer lab, classrooms and other facilities have started to function.
- Computerization was intended to more areas of administration. Internet facility is available in all departments. Updating and improving the facilities in the library have progressed.
- The following courses have been initiated in the current year
 - B.Sc (Computer Technology)
 - B.Sc (Information Technology)
 - M.Sc (Information Technology)

- All our departments have engaged in the Modification of syllabus suited to our newly- introduced Autonomus status
- In addition to our common library, dept wise libraries are established with the purchased new books/magazines/journals with a new author-wise catalogue system.
- The reading times of our common library is extended to 8 a.m to 9 am and 4 p.m to 6 p.m. along with the regular working hours.
- The E-journal DELNET has been subscribed for Rs.1, 16,500/-
- Multi facility library was established at commerce block.
- Digital library with 25 systems.
- Periodical Eye Checkup and Dental Checkup were given to all the students by the qualified doctors.
- Master Checkup for the staff and students were given by the qualified doctors.
- Blood Checkup for students and staff has been made and their blood group identified for further references.
- The following candidates were qualified NET/SLET/SET

S.No	Department	Name of the Faculty	Qualification
1.	Dept of Tamil	Ms.S.Jeyanthi	NET
2.	Dept of Commerce	Ms.I.Sarumathi	SET
3	Dept of commerce	Ms.K.Priya	NET

- New commerce block was built with 34 class rooms and 2 staff rooms.
- Set up separate centre for Autonomous valuation.

2012-13

- A certificate course on Gandhian Thought was introduced
- Japanese class was conducted for interested students

- Award of INSPIRE fellowship from Govt. of India Ministry of Science and Technology to the research student Ms.D.Divya
- Award of Ph.D research to the scholar Ms.S.Archaya to the tune of Rs 36,000 from Department of collegiate Education.
- S. Logeshwari M.Phil Scholar bagged the best Power Lifter award both in state and South India levels
- Dr.L.R.Gopinath, Head, Department of Biotechnology was honored with title “Dynamic youth award” by Pollywood star media NET and Grossen Engineer
- Ph.D course in Tamil was introduced.
- M.Phil courses in the department of Maths, Commerce and Computer Science were introduced.

17 JUN 2012
June, 2012

Subj: Declaring a College fit to receive Central Assistance under Section 12 (B) of the UGC Act, 1956.

Sir,

I am directed to refer to the letter No. VICAS/UGC2(0) & 12B/2011-12/010 dated 06-02-2012 received from the Principal, Vivekanandha College of Arts and Science for Women, Elayampalayam - 637 205, Tiruchengodu, Namakkal District, (Tamilnadu) on the above subject and to say that it is noted that the following college is un-aided/self financed and permanently affiliated to Periyar University. The college is already included under Section 2 (b) of the UGC Act, 1956 vide this office letter of even No. dated 25.08.2008. I am further to say that the name of the following college has been included in the list of colleges prepared under Section 12 (B) of the UGC Act, 1956 under the head 'Non-Government, self financed College teaching upto Master's Degree' to make it eligible to receive Central assistance from sources other than UGC:-

Name of the College	Year of Establishment	Remarks
Vivekanandha College of Arts and Science for Women, Elayampalayam - 637 205, Tiruchengodu, Namakkal District, (Tamilnadu).	1995	As the College is charging fee as per State/University norms and a certificate in this regard has been received in UGC. The College would also be eligible to get grant for all UGC schemes related to teachers and students only as per the decision of the Commission dated 8 th July 2011.

The documents submitted in respect of the above College have been accepted by the University Grants Commission.

Yours faithfully,

(M.K. Bhowar)
Under Secretary
